**GOD ANSWERS THE
PRAYERS OF THE CHURCH
MADE IN ONE ACCORD**

Boniface MENYE

Matthew 18:18-20, *“I tell you the true, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven. For where two or three come together in my name, there am I with them.”*

Jesus is here in Attiekoi. We will come together to present the most difficult situations in our lives to God. We will present our distress to him because he is here.

No one will monitor your prayer. If God doesn't agree, He is the one who should tell you, not a human being. There are people who joke with prayer. When they have problems, they pray with candles and other things. But when you actually have problems, you throw away all those things and say to God: *“Lord, I want to chat with you”*.

Cry out to the Lord and not to men. Where you are, no one can help you. If you even try to explain your problems to a man, he will only be sorry for you, but if you cry out to God, you will go home blessed.

Talk to Jesus. You can pray for yourself or for someone else. You can also pray for your ten prayer topics, removing those that have already been answered.

- Maybe you are sick, so tell God: “You created me. Even if I am already rotting away, you can heal me”.

Lazarus was dead. He was already smelling and Jesus raised him from the dead. Even if you already smell, Jesus will heal you perfectly. Even if it's a spiritual matter, a bewitchment for instance, bring the matter to God, call on his name. Even if you are chained, if your cry reaches your Father's ears, the chains will break.

- If you have been told that you have an incurable disease, tell Jesus: “People say that I have nothing more to hope for, but I'm calling you this evening”.

Even if you're already in a coffin, when the Lord looks in your direction, the coffin will explode. You will come out and be physically healed.

Maybe you are single because there are logs in the way of the man or woman God has intended for you. All God has been waiting for is this evening's cry. So, when your cry gets to his ear, the logs will blow up and you will meet that brother or sister in the days ahead”.

- Bring the issue to God.

Say:

- O Father, you created me. It is not that someone else created me and you came to save me. You created me and you saved me. I belong to you and you have the answer to all my problems.

- Come to my help! (Present your problems to Him).
- O Father, answer us, answer us!
- O Father, answer us, for we have no one on earth, no one in the heavens. You are our Father and our Saviour! (Let us pray in tongues).
- O Father, fight for us in the heavenly places and grant us Your victories!
- O Father, fight for us in Hades and grant us Your victories!
- O Father, fight for us in the abyss and grant us Your victories!
- O Father, fight for us in dry places and deserts and grant us Your victories!
- O Father, fight for us in the waters and beneath the waters and grant us Your victories!
- O Father, fight for us in the sacred forests, in the mountains, on the mountains, in the hills and on the hills! Grant us your victories! (let us pray in tongues).
- O Father, fight for us in spiritual prisons and grant us Your victories!
- O Father, fight for us in the family compound, front and back, and grant us Your victories!
- O Father, fight for us in the trees, against reptiles, and give us Your victories! (Continue praying).
- O Lord, let nothing stand against us! Overthrow what must be overthrown! Overthrow, demolish, smash, annihilate! (Continue praying).
- O Father, give us your victories against disease, against poverty, against disgrace, against shame, against enemy troops!
- O Father, act, act, answer us! Scatter our enemies! Scatter our adversaries! Scatter our enemies among men! Among unclean spirits in the name of Jesus Christ! (Let us pray in tongues).
- O Father, let the world of waters be troubled and overthrown in the name of Jesus Christ!
- In the name of Jesus, let the kingdom of spirit husbands be overthrown! And their slaves be set free and stolen possessions be recovered! (Continue praying).
- In the name of Jesus, let spiritual prisons be broken and smashed! Let the graves be broken and smashed! Let the captives come out! Captives come out! Jesus sets you free!
- Single, in the name of Jesus, come out! Let the prison be broken! Captives, come out!
- In the name of Jesus, we free anyone made sick by bewitchment! Sick by bewitchment, in the name of Jesus, you are free!

Say:

- In the name of Jesus, we release everyone who has been made a witch through bewitchment! We release anyone who, unknowingly, has been made a witch without his consent, anyone who has become a witch through bewitchment against his will! We cast out that bewitchment! We release this victim from prison and we proclaim his or her freedom! (Continue praying).
- We deliver every man or woman made barren by bewitchment! (Continue praying)!
- In the name of Jesus, we proclaim the freedom of every man or woman made a prostitute through bewitchment! Jesus sets you free! (Continue praying).
- Satan, begone quickly! There is no peace for the wicked! There is no peace for

the wicked! Begone quickly! There is no peace for the wicked!

- Wicked spirit, in the name of Jesus, begone quickly.
- All water spirits, you that come from the waters, begone! You that come from the waters, you have no hope, let ruin fall upon you! You may be a spirit of the dead, a snake, a reptile from the waters, whatever your shape, begone! All spirits coming from the waters, I break your resistance! I destroy your resistance! I break the source of your strength! I break it and I smash it! I overthrow you, I break your throne and I throw you down in the dust! (Let us pray in tongues). Begone, water spirits!

Say:

- In the name of Jesus, you take nothing along! We snatch away what has been stolen! Everyone leaves with his sickness, his poverty, his ignominy! The children of God remain in glory! Their Father has decided that the times to come are times of glory! Demon, begone! (Keep calm).

Jesus is at work, even if it is at the depths of the sea, even if you have been bound at the depths of the sea, the Spirit of Jesus delivers you!

Say:

- spirit of the dead, don't think you will be forgotten! You are judged! We put an end to your activities! Get out and go to Hades! Hades is for the dead. You must not live in a human being. You must not even follow him because Jesus has redeemed everything. Jesus has forgiven and Jesus has redeemed! Begone! (Keep calm).
- In the name of Jesus Christ, we rise up against serpentine spirits, every serpentine spirit hidden in lives, if you know you are a snake, begone quickly!
- In the name of Jesus Christ, if you have wrestled with someone in a dream, in the spirit, and the spirit has followed you, you are delivered in the name of Jesus Christ! I separate you from what it has left in you! I break the bonds he has established! In the name of Jesus Christ, I declare that you are delivered!
- In the name of Jesus Christ, I separate myself from every object, from all things that belong to me but that have been stolen and that the wicked have used to pronounce curses against me! I separate myself from these things! I break the ties that have been established!
- In the name of Jesus Christ, we take action on behalf of every brother where the enemy wants to resist in order to stay in his life! Any brother who is fighting a difficult battle, we join him through the Spirit of Christ and we break every resistance, we break every resistance!
- In the name of Jesus Christ, any brother or sister who is fighting a battle in which there is resistance, we break and break that resistance and give victory to the brother! We give victory to the sister! (Let us pray in tongues).
- In the name of Jesus Christ, we wash all faces darkened by bewitchment, we wash them with the blood of Jesus Christ! We cast out rejection!
- In the name of Jesus Christ, we rise up against the army of obstacles! Let every obstacle in a brother's way be removed! For it is written: And it will be

said: “Build up, build up, prepare the road! Remove the obstacles out of the way of my people.”

- In the name of Jesus Christ, let the road be paved before every brother! Let all obstacles be removed!
- Lord, if there is anyone in this world who has sworn that as long as he lives, we will be nothing at all, let him be removed from our path!
- In the name of Jesus Christ, we proclaim that man is not God; we proclaim that God’s will for each of us as children of God will be fulfilled!
- In the name of Jesus Christ, we repair all things that human wickedness has spoiled! We repair all situations that human jealousy and human wickedness have spoiled! We have power to do so (Keep praying for order in your life).
- In the name of Jesus Christ, we overthrow every height, every wicked spirit causing blockages! We overthrow you regardless of your numbers! We rise up against you and release heaven above us!
- In the name of Jesus Christ, you spirit that I fled from in the dream, I no longer flee from you. Now I destroy you, I strike you in the name of Jesus Christ!

Say:

- In the name of Jesus, I break the prison and I get out! Let the water dry up so that I will be free! (What you say, is what will be accomplished.) Let the waters dry up and let my spirit be set free!

If you dreamt that you were taken away in a car, say:

- In the name of Jesus, strengthened by the Lord, I break this car and I get out of this prison! I break this car and free my spirit! I release my soul and proclaim the victory of Jesus!

If you dreamt that someone hurt you or that a dog bit you, it is a wound of the soul. There is no remedy for that. It is the word of God that heals this wound.

- In the name of Jesus, let this wound be healed! I am healed and I dip my hand in the blood of Jesus! I dip the wounded part in the blood of Jesus! And I am healed of every spiritual sickness! I heal from every bewitchment! (If the Lord reminds you of something, you strike!)

Many people are delivered, and for some of you, as soon as we started praying, demons came out without making noise. I say these things so that you may become mature men in spiritual warfare. If your eyes are opened and you see the operation being conducted here, you will consecrate yourself once again to Jesus!

Say:

- God exists and He is the rewarder of those who seek Him! No one can seek Him and come back empty!

This is a topic that has been given by the Holy Spirit. It was not prepared. So we pray prophetic prayers. We listen to the Holy Spirit; our prayers are not mere talk. There are the cases of people who fought with enemies in a dream and those who have been wounded in a dream. These two topics were given by the Holy Spirit. And if you were wounded in the dream, you are healed this evening!

Stand up

- Give your family to Jesus!
- In the name of Jesus, we overthrow false gods! We bless all the children of God who evangelise in our families! (Bless everyone who talks about Jesus to your relatives).

Raise your hand

Pray that the brethren will be renewed and have the transport fare to attend the remaining 24 days of this crusade!

In the world, when someone meets his friend, he says: “*Let us go and have beer!*” but you, if you see your brother, you give him two thousand francs and tell him: “*This is my contribution for your transport to go to the crusade*”. Do that!

- Let us pray that the saints will practise brotherly love by giving money to the brethren as a contribution to their transport to the crusade.

We are overcomers!
