

CRUSADE FOR THE OVERTHROW OF PERSONAL AND FAMILY PRINCIPALITIES

OVERTHROW OF PERSONAL AND FAMILY PRINCIPALITIES

N^b 0642
17th Edition

1 July to 9 August 2025

Summary day 2

2 July 2025

**GOD GIVES US
DELIVERANCE FREELY**

Say, «Praise the Lord»

Tell your brother: you are blessed (Keep blessing him.)

Joel 2:12-17, *“Even now, declares the LORD, Return to me with all your heart, with fasting and weeping and mourning. Rend your heart and not your garments. Return to the LORD your God, for He is gracious and compassionate, slow to anger and abounding in love, and He relents from sending calamity. Who knows? He may turn and have pity and leave behind a blessing-grain offerings and drink offerings for the LORD your God. Blow the trumpet in Zion, declare a holy fast, call a sacred assembly. Gather the people, consecrate the assembly; bring together the elders, gather the children, those nursing at the breast. Let the bridegroom leave his room and the bride her chamber. Let the priests, who minister before the LORD, weep between the temple porch and the altar. Let them say, ‘Spare your people, LORD. Do not make your inheritance an object of scorn, a byword among the nations. Why should they say among the peoples, where is their God?’”*

These words come after a prophecy concerning the conduct of the children of Israel. God had announced a calamity: the enemies would come and strike them. But in the passage we just read, God shows the way to escape judgment. Because of His love, He shows the way. God told them: *“Fast, shed tears. stop the hypocrisy of saying ‘I repent’ without changing.”* In those days, when someone wanted to show his grief, he would put on sackcloth and ashes. God said He was tired of their drama. He wanted true repentance. He said: calamity is coming upon you, but if you repent, if your words touch my heart, I will forgive you and bless you. If demons have entered your life, He commands them to leave because you have changed. The way to escape God’s judgment is through repentance. If something does not change, each year and every birthday will only increase your age and your problems. But your story will change. You will grow in joy and in peace. The testimonies you have heard are true. You too, will have your own testimony. When God is moved, He relents from sending calamity. What God does when He is angry is far greater than what demons do. At the end of the world, God will punish the wicked by casting them into the lake of fire. When the flood came, it was so severe that the water covered everything on earth, rising more than one hundred and fifty meters above the highest peaks. God can get angry. He said to His apostles: *“Go and preach the Gospel.”* If you believe tonight and get baptized, you will be saved. There was a man we preached the Gospel to. When the people of his church found out that his wife

had become a member of CMFI, they appointed him president of the youth. Even if you are appointed president of the youth, it changes nothing.

INTERCESSION AND WARFARE PRAYERS

Isaiah 52:1–5:, *Awake, awake, clothe yourself with strength, Zion! Put on your garments of splendor, Jerusalem, the holy city. The uncircumcised and defiled will not enter you again. Shake off your dust; rise up, sit enthroned, Jerusalem. Free yourself from the chains on your neck, Daughter Zion, now a captive. For this is what the Lord says: You were sold for nothing, and without money you will be redeemed. For this is what the Sovereign Lord says: At first my people went down to Egypt to live; lately, Assyria has oppressed them. And now what do I have here? declares the Lord. For My people have been taken away for nothing, and those who rule them mock, declares the Lord.*

This passage explains the tricks of the devil and how he manages to enter people's lives. God says His people went down to Egypt to seek help, and the Assyrian saw them and subjected them. You went to seek help, and the enemy took advantage of it to possess your soul. You just wanted help, and the devil has possessed you. You went to the witch doctor and said: "I'm under attack, give me something to protect myself." While he was giving you the charm, the devil possessed you. When someone says you are a slave, you argue: "I am a child of God; I cannot be bewitched!" meanwhile, you have been bewitched. All people are in bondage. When you give your life to Jesus, a battle must be fought for your freedom. The prayers we lift up here are prayers of true children of God - those who refuse dominion, who break the evil ties, and smash the chains. They say sorcerers must not have dominion over us. And at the very moment you say, "sorcerers must not have dominion over me," the chains are already in place. Only true children of God are called to break the chains. A pagan cannot break the chains. But you have believed, you can break them.

God proclaims that deliverance is given freely. When you already have Jesus, you pay nothing. Right where you are seated, I must not ask you for anything. I say, "In the name of Jesus," and the chains are broken freely. It is the Lord Jesus who has decided so. Wake up! Do not stay in a state of misery and slavery, wearing torn clothes and worn-out shoes. If there is sin, get rid of it. Do not stay passive, saying: "Lord, come and deliver me." God is telling you: *"The time of your salvation has*

come. The time of your deliverance has come. Put on your festive attire. You will be glad." Gladness is a feeling that makes it seem like a celebration is taking place inside you. It makes you feel like you are not even touching the ground.

God says it is over. He will deliver you, and no one will be able to enter your home to harm you anymore. All those who are after your life will be covered with shame. I would like to tell you that it is for true children of God. It is not for pagans. These are the words of the Lord to Zion. Rise up, and you will see the glory of God.

People were asking you, "*Where is your God?*" but now they will see. Loose the ties around your neck. Grab the chains. Say: "*Amen.*" If it is a snake, grab it and crush its head. If its belly is swollen, split it open and take everything out. If a barrier has been placed in front of you, break it. The first thing is to thank Jesus because He has decided to reveal Himself.

Jesus is asking you : "What do you want me to do for you?" God hears it when people mock you. This is why He has decided to act. You will know the name of the One who is speaking to you tonight. God reveals Himself by His name when He begins to work in your life. He said to Abraham: "*I am the Almighty!*" He said to Moses: "*I am the LORD!*" Jesus reveals Himself to you tonight. He says: "In order to save you, I must first reveal My name - and I have already done it."

This chapter is the introduction to chapter 53, which speaks of Jesus who died on the cross. At that time, He revealed Himself as a man of sorrows, familiar with suffering: Jesus of Nazareth!

Say:

- Lord Jesus, I love You! (Keep speaking to Him.)
- Jesus, I know your name! Jesus is your name! The name of deliverance! The name of power! The name of victory! The name of battle! The name that breaks the chains! The name that raises the dead! The name that heals the sick! You are the one who gives eternal life!

Together with all the brethren, we will strike everything that blocks them. If you have a spirit in your life, it must be struck tonight even if it was told: "Do not leave. Stay there forever." But it will decide by itself to leave because it will not be able to stand much longer.

Say:

- We lift up our hands and call on the name of Jesus against all powers of darkness operating in our lives, that came with illnesses, chains, and evil ties. We call on the name of Jesus against the chains and evil ties! We call on the name of Jesus against curses and infirmities! (Keep praying.)
- In the name of Jesus, we break the chains! In the name of Jesus, we break the ties! We break the prisons! We overthrow the walls! In the name of Jesus, we shatter everything! We bring down everything where Satan's power may be hiding!
- In the name of Jesus, we break the prisons! We destroy the amulets! We rise against the heights, the depths, the dry places, the sacred forests, the skulls! We break them! We shatter them! We shatter them! We break and shatter everything the devil has built! We remove the dust - the dust he has put on us, we remove it! We take off the torn garments! We put on festive attire!
- We send desolation into Satan's camp! Let everything that is against us be broken, smashed, and destroyed! Satan, be gone! We cast out everything called demon! If your name is demon, we cast you out! We cast out everything called spirit husband!
- If someone is sick and their illness comes from witchcraft, we judge that illness! We judge everything they did! And we send it all back to sender! We break the evil chains! We restore the glory of Jesus that was trampled on!
- Illness, go back to sender! Go back to your place - the place where you belong! My body belongs to Jesus! Jesus died on the cross for my freedom, my healing! I cast you out of my body! I have given my body to Jesus! I have not given my body to diabetes! I have not given my body to cancer! I have not give my body to high blood pressure! You, sickness - I command you to leave my body! I proclaim my freedom!
- And you, bewitchment - I crush you! By the blood of Jesus, I blot out my name from every witchcraft document where it was written! And I proclaim my freedom! I grab the chains and I break them! I break loose from every chain of darkness! I set my family free ! I set free everything the enemy tried to steal! (Let us pray in tongues.)
- In the name of Jesus, we rise up against everything called spirit of the dead! We judge you! You are not gods! We cast you out from our midst ! We declare deliverance for every person troubled by the spirit of the dead! You are delivered! You, who are tormented by the spirit of death, you are delivered!

And you, wicked spirit, come out and be gone! We break your support! We break your work! (Keep praying.)

- Come out and be gone! We cast you out. Go and never return! (Keep praying in tongues.)
- In the name of Jesus, we deliver all those who are followed by spirits of mask! Every spirit that comes from the worship of masks - we cast you out! Be gone! Even if you have been called, now you are no longer wanted! Here, it is Jesus - no one here needs you, not even by mistake!

Raise your right hand and say:

- You, water spirit, you are judged! It is Jesus who must be worshiped! You must not be worshiped - come out and be gone! Go, in the name of Jesus!
- Spirit of death, be gone ! You are struck! Be gone! You will not touch anyone! Go and leave everyone in good health! We wrap your diseases, we attach them to you, and we cast you out! Go with your diseases!" (Keep praying.)
- In the name of Jesus, if someone has been initiated into witchcraft in a dream, unknowingly, we break that bond! And we deliver their soul! If they were made to drink a concoction, we command everything to come out! Let everything be vomited! If someone has a wound or sore caused by witchcraft, we command it to disappear in the name of Jesus Christ! (Keep praying.)
- In the name of Jesus, I call the light of Jesus into my life! Let no darkness be able to hide in my life! I am a child of the light! I cast out all demons from my life!

If someone has demonic anger - anger that comes from witchcraft - repent now, and we will pray for your deliverance right away.

Say:

- In the name of Jesus, let every person who has received a demonic anger be delivered! Wicked spirit behind that anger, we cast you out in the name of Jesus Christ!
- In the name of Jesus, my family belongs to Jesus! Jesus said in His Word: "When I am lifted up, I will draw all people to Myself!" Jesus has already been lifted up—He is drawing people to Himself! We judge the hand of satan that wants to block their lives, that wants to prevent someone from coming! Every hand of satan that seeks to prevent someone from coming to Jesus—be judged! All soul belong to Jesus!

- Let the false gods in my family disappear! I am a priest, chosen and appointed by Jesus, and in that position, I now command that all false gods in my family disappear! I declare that my whole family says, “Jesus!” Let all others gods depart ! In the name of Jesus, we uproot every plant that materializes their existence! We smash the termite mounds! We smash the rocks! We smash the mountains! We sanctify the family!

Sit down and keep calm.

- Even if your life is buried under the roots of trees, we command it to be uprooted!
- Even if a human being has swallowed you up in witchcraft, we command that you come out of their stomach! We smash that stomach! We set you free! Even if it is a stomach of brass or iron, we break it! And we set you free !
- Even if you have been put in a witchcraft vehicle and do not know how to get out, we destroy that vehicle! We set your soul free from that vehicle!
- If you have ever had a dream in which you were put in a car with other people, and no one spoke to their neighbor during the ride—know that this is an evil vehicle. We destroy that vehicle! We remove your soul from that car! You will not get to the destination of that vehicle, for Jesus has taken your body! We break the doors of that vehicle and get you out of it! We command that car to stop moving!
- We insist even if it is a plane or a train as long as it is a witchcraft vehicle, we destroy all those vehicles! We set the prisoners free! (Let us pray in tongues.)

Say:

- In the name of Jesus Christ, if my clothes or shoes were stolen through witchcraft, I separate myself from everything that binds me to those stolen items! I break every bond established over me because of those stolen clothes or shoes!

Stay calm. The Lord is at work in every life and acting according to the adversity. Many demons leave silently. Others cannot leave without screaming. Some only leave after one has vomited, yawned repeatedly, coughed abnormally, or felt sudden pain. And when you stay focused, the affliction departs. You may be suffering from a pain, and the Lord can operate on you right here and heal you. Later, you will notice that the pain is gone. That is divine healing. For example, if you had a lump somewhere on your body—after divine healing, you will see that the lump has disappeared.

If your spirit has been bewitched in the water—this means that although you are physically here among us, you are actually in the water or in the sea—and that prevents you from concentrating because your soul is not free. Jesus visits you today and declares that you are free. He drew David out of deep waters. Today, He is drawing you out of deep waters so that you may live. He is drawing you out of deep waters!

Raise you hand and say :

- In the name of Jesus Christ, spirit husband, you will not remain in our lives! We remove everything you call wedding ring and throw it into the fire! We judge you! We condemn you to depart from our lives!
 - In the name of Jesus Christ, we judge every spirit husband or spirit wife that is in the life of any person—man or woman! We strike you! We cast you out ! Be gone!
 - In the name of Jesus Christ, every child who has in their life a spirit husband or spirit wife—you are delivered! I declare that Jesus died for this child! I cast out every spirit husband or spirit wife that is in the life of a child! Whatever your shape—whether human or serpent—I cast you out! be gone quickly!
 - In the name of Jesus Christ, we judge every spirit living in a person among us with the purpose of causing them to fail! When that person has a good relationship, the spirit comes to destroy it. If they have a good job, the spirit ruins the job. Whatever your shape—we cast you out! We deliver your victims! (Let us pray in tongues.)
 - We bless all those who lost their jobs because of demons! We bless them with new jobs! (Let us pray in tongues.)
 - Keep calm.
 - In the name of Jesus Christ, we set free every person being pursued by the spirit of twins! If you are a twin and your parents worship you—we deliver you from that worship! We cast out all spirits that followed you because of the worship of twins! We judge them! We overthrow them!
- Let us insist on breaking the resistance of serpentine spirit.

Raise your hand and say:

- In the name of Jesus Christ, we break the resistance in serpents' kingdom ! We judge every kind of snake! All two-headed snakes, pythons, and others—we cut you into pieces! You will not resist! We break your resistance! We crush your resistance! In the name of Jesus Christ, we rise against the spirits

that resist because of bewitchment ! Even if those bewitchments were made through human sacrifices or other means, we banish those bewitchments! We set the captives free.

- In the name of Jesus Christ, we rise up against the demons of drugs! We declare freedom for all the captives! We bless each one with the freedom to live without drugs! We wash their lungs in the blood of Jesus! We wash their brains! We purify their blood!

In the name of Jesus, we deliver all those who are alcoholics. If it is due to a bewitchment, we break that bewitchment! Even if he has been cursed by been soaked in alcohol, we destroy that curse! We break every prison in which they have been confined! We bring them out of that prison and proclaim that they have healthy body and organs!
