**GOD TURNS YOUR
BURNING SAND INTO A
POOL BECAUSE HE HAS
MERCY ON YOU**

Boniface MENYE

The first prayer is a prayer of supplication, requesting God to fulfil one of His prophetic promises. If you pray well, it can solve a lot of problems at once.

Isaiah 35:7, *The burning sand will become a pool, the thirsty ground bubbling springs. In the haunts where jackals once lay, grass and reeds and papyrus will grow.*

Isaiah 49:10, *They will neither hunger nor thirst, nor will the desert heat or the sun beat upon them. He who has compassion on them will guide them and lead them beside springs of water.*

God knows the lives of men. He is the one who judges men. When people become accustomed to a certain behaviour, God abandons them in their problems and makes their lives difficult. God may postpone a woman's marriage as a punishment. You see it from afar, you get closer to it. Within a week, when you are about to embrace marriage, God makes it escape you.

Mirages produce deceptive perceptions of water in the wilderness, when it is very hot. When there is a reflection of the sun's ray on the sand, you have the impression that there is water on the sand hundred metres away that you can drink. But when you move forward, there is nothing. Mirages make you suffer. When God manifests His mercy, He can command mirages to become reality. What was derisory becomes real.

If you are a man, it is the woman who will come and tell you that I want to marry you. When you ask yourself: "Is it serious?" She says: "Yes, it is the Lord who has spoken to me about you!" The mirage has turned into reality. It is not unbelief, but a joy that can be doubtful. You want to build a house, and maybe you need three million. But when you have a million five hundred thousand, a situation swallows everything. And it has been that way for years. It takes you forty years to build a house. You look for a job and have multiple interviews. You wait for a long time without any feedback. And when you call, you are informed that someone else has been taken to fill the position. It is not that things are rare, but there is a cycle of near-success syndrome.

Tell God:

- Please, You are My Father, allow this to become real. What I am pursuing, may I possess it! When they say visions and prophecies, I know it concerns me, but it is always going away!

They will neither hunger nor thirst, nor will the desert heat or the sun beat upon them. He who has compassion on them will guide them and lead them beside springs of water. God knows that mirages make you suffer.

Tell God:

- This endless cycle is making me tired and depressed. I am sick! (Find the right words to talk to your Father, you can tell him I have been running for forty years, I am tired, help me!)

According to the text we have just read, God may decide that you will no longer be thirsty or hungry, that these mirages will no longer make you suffer. This evening, you will do everything you can to get God to speak to your situation. You will touch happiness.

Say:

- I proclaim that the Lord has said that I will no longer be hungry! I declare that the Lord has said I will no longer be thirsty! I proclaim that the mirage and the sun will hurt me no more!
- Father, have mercy on me! (Pray in tongues.)
- Father, have mercy on me! O Father, have mercy on us!

Present real situations to the Lord. Tell him: “Lord, change this into reality”. Say practical things. It could be your health. Sometimes it is like you are healed, and then it comes back in such a way that you do not know whether to believe in healing or not. It can be work. It can be your spiritual ministry. Tell yourself, I will plant an assembly of one hundred people, and when you reach fifty people, it all scatters and you start all over again. The mirage will end. You will have an assembly full of disciples because growth will no longer be a mirage. Your finances and the finances of your ministry will no longer be a mirage. You will have money in your account to serve God and to organize evangelism campaigns.

God has mercy on us. Speak to Him in faith. I tell you the truth: He is good, He is merciful! He says He has mercy on us, and because He has mercy on us, He says we will no longer be hungry or thirsty! And the mirage will become reality! There will be water, food; you will drink and eat! (Pray with faith.)

Say:

O Father, answer us! (Let us pray in tongues.)

You may have your seat. You can make a vow to Him, repent in the light of the Holy Spirit. You can begin to give Him thanks. It all depends on your spirit and the Holy Spirit's impact on your spirit.

Consider that God has mercy on us and that He has answered us in every way! For some, even this evening, the healing will begin. For others it will be according to His schedule because God has a secretariat. When He takes a decision, He says: “Write this down and seal it. This is for Attiekoi 2024”. Some of the things are immediate while others require us to come back and behold them next year, if He tarries. God is at work and if there is a demon on the way, He strikes it. If He meets a disease, He heals it. That is why I told you that it's a complete prayer as long as it is changed into reality. He wants you to stop suffering. Don't doubt it!

Now, I want the brethren to take a good look at this witchcraft issue. The wicked who block others. A human being like you troubles your life; he comes to defecate in front of your door. You dry your clothes and he comes to steal them and bewitch you. We have fought a lot against the spirits of the dead and we will keep on doing it but let us deal with the issue of the wicked neighbour.

The Bible says in **Matthew 10:36, a man's enemies will be the members of his own household.** What the little children were saying is scary: they are enrolled, initiated and assigned missions in their families to kill people. What the children who were initiated into witchcraft are saying is the truth.

Let us be on our feet.

This is a common prayer, which means you don't say, "Lord, deliver me!" but you raise your hand to strike wherever anything abnormal exists so that all those who have such problems in our midst are delivered.

Say:

- In one accord, we raise our hands and proclaim judgment against every evil work initiated by living human beings: relatives, neighbours, colleagues, co-disciples; any human work, planned by a human being, we declare that the wicked are not God! We judge his works in word, in thought, in deeds! We banish all these works! We crush them! We deliver everyone who is suffering from the works of the wicked! We break the rod of the oppressor! We proclaim victory for the weak! We straighten all those who are bent over! We deliver them from oppression, in the name of Jesus of Nazareth!
- Lord Jesus, You said it Yourself: "*As the Father has sent me, I am also sending you*". Lord, thank you for this authority!
- Satan, as you know, the Lord Jesus has sent us to do the work that the Father has given Him. We destroy your works and the works of anyone you send, who relies on you to plan evil against his neighbour, we smash, we crush everything! We command that which has been buried to be exhumed! Let all that has been done in secret be struck by the light! Let the works of darkness be exposed to the light and ruined!
- In the name of Jesus Christ, victim, you are free!

Raise your hand and say:

- In the name of Jesus Christ, let every disease resulting from human bewitchment be healed, regardless the disease!
- In the name of Jesus Christ, if you are a demon and someone has sent you, begone! Take everything you brought!
- In the name of Jesus Christ, we snatch from you what must be snatched! We cut down everything that needs to be cut down! We bring down and overthrow all that must be brought down and overthrown! Every human work, every work of evil men, every occultic work, every work of witchcraft, every mystical plot, we smash them all! Wherever there is a gathering, we cause trouble! We scatter them! We divide your tongues! We banish all plots! We scatter gatherings! We proclaim the victory of Jesus!

- In the name of Jesus Christ, if anyone has been put in a grave, we smash everything and command the grave to pop open! Let every human soul held captive come out, in the name of Jesus Christ!
- In the name of Jesus Christ, even if it is a coffin, we smash it!
- In the name of Jesus Christ, let anyone living in a coffin because of a bewitchment, or pride to anticipate his death, come out, in the name of Jesus Christ! (Pray in tongues.)
- In the name of Jesus Christ, let anyone who has been mystically led into the forest be brought back! And we pave the way out of the forest before him! We burn the forest! We grab any vehicle in which a man's spirit has been bewitched. We break that vehicle and release any spirit held captive in it! (Let's pray in tongues.)
- In the name of Jesus Christ, we rise up against every human work intended to weigh down God's children to prevent them from praying with violence! We break every human work practised against a child of God to prevent him from praying alone! We smash that work and set him free from all spirits! (Let us pray in tongues.)
- In the name of Jesus Christ, every human work intended to prevent the saints from reading and studying the Bible, we break it and smash everything!
- In the name of Jesus Christ, every human work intended to prevent the saints from reading Christian literature, we break it! We banish it! We crush it and release the spirit of each brother! For it is written that the man who is born of the spirit is like the wind, the wind blows wherever it pleases, the children of God do whatever they please and go wherever they please! We break the bewitchment! We break the heaviness!
- In the name of Jesus Christ, we intervene to judge any evil work intended to inspire some children of God to fight against others out of jealousy! We break it! We set their hearts free! We sow brotherly love.
- In the name of Jesus Christ, every human work initiated in traditional witchcraft or in sects, we blot out the names of the children of God!
- In the name of Jesus Christ, I remove my name from the records of the wicked!

You can be given “traditional medicine” and be told: “Go and do enema with it”. And before you know it, a strong bond is established with a wicked spirit. We don't know why some spirit husbands resist. You are told: “Go and wash by the seaside”. As soon as you finish washing, a strong marriage begins with the water spirits. So we will destroy everything on both sides. Even if it was put into your body; even if you were made to swallow it; even if you drank or ate it, let God send his power to burn it all up! Sometimes, it is through demonic sexual practices that the bonds are established. Let no one deceive you! Using your mouth or anus during sexual intercourse seals the bond with Satan. If you are into it, stop it first and you will see what happens. Judge them and the fire will come down to consume them.

Raise your hand and say:

- In the name of Jesus Christ, we judge bewitchment and we judge any act of bewitchment! We judge any object placed in any place! Any object placed anywhere that serves as a source for my bewitchment, whether it is placed in my body or in my mind, hung anywhere or buried or thrown into the waters, I break everything! I proclaimed total ruin! I proclaim my freedom!

- In the name of Jesus Christ, I judge any spirit husband who took advantage of this bond! I proclaim that I am no longer accessible! I close all doors!
- In the name of Jesus Christ, I cast you out, unclean spirit that was standing on this bond! Begone, quickly!
- In the name of Jesus Christ, even if you are in the depths of the sea, the Lord delivers you!
- In the name of Jesus Christ, even if you are in a forest that is guarded by giants, I declare that the Lord delivers you!
- In the name of Jesus Christ, even if your spirit is in prison and you have been assigned to babysit demonic babies and you are the one feeding them, I declare that you are free! I set you free from captivity! Be free!
- In the name of Jesus Christ, even if you are in the belly of a snake, come out from there!
- In the name of Jesus Christ, we intervene anywhere there is resistance! We smash the resistance!
- In the name of Jesus Christ, any spirit that has followed anyone as a result of the worship of twins, begone!
- In the name of Jesus Christ, any spirit that has followed anyone because of the worship of the dead, any form of worship of the dead, in the name of Jesus, wicked spirit, spirit of the dead, if you know that you have been following someone because he has visited a tomb, he laid a bunch of flowers on it, because he worshipped skulls or because he ate something on the funeral day or because he shaved his head, you are judged! If you have been following him ever since, you are judged! Begone! Your place is in Hades!

Say:

- I command my spirit to come out of every prison! I command my spirit to come out of every forest!

Let us insist on the serpentine spirit. Let us insist on the spirits that resist, for many of them have left. But we need to go deeper so that the rebels will be struck. Insist that if there is a cunning, hidden serpentine spirit, let it be struck. Strike with intelligence; strike spiritually.

- In the name of Jesus, we intervene to dislodge from every hiding place, every stronghold, every cunning, hidden serpentine spirit, even if it has many heads, we cut them into pieces! In the name of Jesus, serpentine spirit, wherever you are, we strike you!

When we give a prayer topic, pray with force. There are things going on that we do not see. What God is expecting is prayers.

Raise your hand and say:

- In the name of Jesus, death, you are overcome! Jesus is the Life! Jesus is the Resurrection! You who hide to take us by surprise, we judge you! All those that are at your service are judged! All that you use is judged! All the demons you use, you yourself, death and the spirits of the dead, all those under your authority, let them undergo the same judgment and let your captives be set free!

- You, death, Jesus has overcome. Touch no one! Touch no one! Begone! Touch no one after prayer! Touch no one, even in their sleep! Begone!

Say:

- Lord, add years to my life!

There is a difference between death and the spirit of the dead. Death is also a spirit that bewitches you and takes you to Hades. If someone falls and has just died, he can be brought back to life in the minutes that follow when death wants to take them. Not someone who falls sick naturally and God allows him to die. Someone who death wants to take suddenly; you can bring him back to life. If it is God's will, we can resurrect anyone who has died, but there is the specific case of a spirit of the dead that has laid hold of a brother. While you are praying, the spirit of the dead decides to carry him away quickly. That brother, if you call his name and he hears you, the Lord brings him back to life. That is why there have been so many resurrections in Côte d'Ivoire.

I had read a tract and a brother said he was dead. He was walking, going somewhere, and someone called him. As soon as he looked back, he came back to life. When he woke up, he found many brethren praying for him. He told them: "I was going somewhere and I was called". One day, in Douala, there was a teaching and brother Martin's wife called me to tell me that there was a sister who had just fallen. When I got there, the sister was already cold. She was barely breathing. I remembered the tract I read. I called the sister three times and she came back to life.

Last year, we were praying and judging the spirits of the dead and the Holy Spirit told me to judge death itself. As soon as we did, there was confusion. There were manifestations almost everywhere. That week, we delivered one hundred and six people who were manifesting death, not the spirit of the dead but death itself.

When you go back home, be at rest. Lie down and sleep. When you wake up, pray. Do not tremble. The Spirit of Jesus is at work. He is the one who is at work.

Say:

I believe! Because I believe, I will see the glory of God! I proclaim that I believe and because I believe, I will see the glory of God!

Do not necessarily seek to fall. The demons that go quietly are many more than those who go out screaming. You can stand there thinking that you have no problems. You had but the demons in your life left without making any noise.

God bless you!
