KNOW THE RICHES WE HAVE RECEIVED IN CHRIST

**JESUS HAS GIVEN US AUTHORITY OVER
THE ENEMY AND ALL HIS POWER**

Boniface MENYE

The word of God says that Jesus has given us power.

Say:

- I proclaim that Jesus has given us authority to trample on snakes and scorpions and to overcome all the power of the enemy and nothing will harm us!
- Jesus has given me power; I have nothing to fear!

Ephesians 1:15-22, *For this reason, ever since I heard about your faith in the Lord Jesus and your love for all the saints, I have not stopped giving thanks for you, remembering you in my prayers. I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know him better. I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in the saints, and his incomparably great power for us who believe. That power is like the working of his mighty strength which he exerted in Christ when he raised him from the dead and seated him at his right hand in the heavenly realms, far above all rule and authority, power and dominion, and every title that can be given, not only in the present age but also in the one to come. And God placed all things under his feet and appointed him to be head over everything for the church.*

Paul had been told about the Ephesians; he had been told that the doors had been opened, that the Ephesians had believed, and he was very happy. He wrote them a letter explaining what they had become by giving their lives to Jesus. He told them: "Where you are, you are children of God, the chosen ones. God has sanctified you, adopted you, forgiven you, restored you, revealed the secrets of his work, sealed you with His Spirit. He has made you heirs of God. By saying this, Paul had something in mind; he knew that the children of God do not easily understand spiritual things because of certain doubts and complexes. So he added: "I pray that God will give you a spirit of wisdom and revelation. You don't know who you are! God needs to open your eyes, give you wisdom, the revelation of what we call a child of God, the believer in Christ."

God's call introduces you into the life to come; when God calls you, it doesn't begin as a joke and end as a joke; it's a real battle from one end to the other. There is hope attached to His call. When God calls you, consider that you have won everything; there is wealth, power involved. Paul says he prays that their eyes will be opened to see that the power God used to raise Jesus from the dead is the same power that dwells in them! Doubt and ignorance are bad things. He said to them: Jesus in whom you have believed, He is above every name. After Jesus, there is nothing else, and He is in you, He fills all in all, He is the head of the Church.

Say:

- O thank you, Paul!

Let no one deceive you, you have faith. When you have faith, there are other things that are missing; it is what Paul is giving us. You can have faith, but if you are ignorant, it cannot help you. To faith, firstly, we add virtue so that it is not like the faith of demons, and then knowledge. Paul does not want us to be ignorant.

There is something God gives us when He calls us: eternal life. The other word for eternal life in the Scriptures is hope. We are heirs of God and co-heirs with Jesus. It means that when you read the Bible and see a promise made to Jesus it is also God's promise to you. For instance, if you read in the Bible that God said to Jesus:

“I will never leave you in the grave. You will be resurrected”, it means that God will never leave you in the grave as well; He will raise you up. If God tells Jesus: “Go and break the prisons!” consider He has said the same thing to you: “Go and break the prisons! There is an inheritance, riches in this matter.

He can transform us, He is able, even if we are like Lazarus, spiritually dead and already stinking. Not only can He work on you with power, He can also use you powerfully; you can deliver your family and you will do it. That is why Jesus said, “I have given you my power.” And in **John 20:21**, he says: “... As the Father has sent me I am also sending you,” and also in **John 17:18**: “as You have sent me into the world, I have also sent them into the world.” This is a very trustworthy thing that Jesus repeats so that no one doubts.

Stand up.

David said: “My soul, why are you downcast? Hope in God!

And you, say:

My soul, why do you want to doubt? Believe!

If not, you will be tired, and you will feel that the battle is tough. Be strengthened by the word of God and tell your soul:

- Believe the Scriptures!

Raise your hand, say:

- Father, in the name of Jesus, we banish quarrels in families!
- In the name of Jesus, we banish violence!

In some families, when someone gets angry, he picks up a machete. Some pick up clubs, others bang their heads on the wall; they think it is a good thing.

- In the name of Jesus, we banish violence, quarrels and divisions!
- In the name of Jesus, we destroy false gods! We scatter the whole army of demons that stir up anger and violence and lead people into drunkenness!
- In the name of Jesus, we break the chains and scatter all demons that cause family members to seek religion without Jesus! Religion without Jesus, you are judged!

Romans 10:1-3, *Brothers, my heart's desire and prayer to God for the Israelites is that they may be saved. For I can testify about them that they are zealous for God, but their zeal is not based on knowledge. Since they did not know the righteousness that comes from God and sought to establish their own, they did not submit to God's righteousness.*

Paul says that he prays for his parents. There are prayers he lifted up for the Church, but this passage is about the prayers he lifted up for his brothers in the flesh. And some of our biological brothers have zeal. They go to Church, give money to God, but are immoral and don't accept repentance. They feed the pastors and priests but when it comes to repentance, they will say you are judging them. They have zeal but no intelligence. They must be delivered. They don't know that everything is in the hands of Jesus, that the Spirit of Jesus strengthens man and gives him the power to walk. They don't know that it is written: “Without me you can do nothing”.

Raise your right hand and say:

- We judge the army of demons, the evil spirits who lead our families to practise religions without Jesus, to do so joyfully with a good conscience!
-
- We judge all demons who are used by Satan. We snatch away souls from the hands of demons! We banish lies, we judge falsifications of the Scriptures, in the name of Jesus! (Continue praying in tongues)
- In the name of Jesus, we judge false reasoning, every philosophy, every pagan thought that people use to resist God! We judge human thoughts, demonic inspirations, false doctrines, pernicious sects. In the name of Jesus, we sweep them away!
- In the name of Jesus, we judge the worship of the dead! We proclaim that the dead are not gods!

One day, in a dream, I was preaching in a hall. There were about four people dressed in black. I said, “In the name of Jesus, get out” and nothing happened, and I said it a second time, nothing happened and for the third time, when I said, “In the name of Jesus, get out”, they rushed out. But what’s interesting is that while they were resisting, they were saying: “Why is it said that the dead shouldn’t be worshipped? We also should be worshipped!” And the Lord revealed to me that if I had said for the third time, “In the name of Jesus, get out!” and they hadn’t got out, we would have met resistance, so the conquest might have been stopped long ago. Dead people claiming worship; that came to my mind when we started praying for this topic.

- We banish all worship of the dead!

In some villages, money is put in the coffin as transportation fare for the dead; this is the worship of the dead. Some people remove the skull of the dead after some time to worship them. Others call upon the spirits of the dead. Specific dances are performed at funerals. Sometimes barks of trees is prepared and people are asked to drink it. Often people shave their heads and pretend it is nothing, but this is the worship of the dead.

Say:

- In the name of Jesus, we banish the worship of the dead! We banish the persecutions associated with the worship of the dead! In the name of Jesus, we snatch away all the family members from torment who suffer oppressions from demons, the dead! We judge the dead and the spirits of the dead! In the name of Jesus, we judge those who are here in the crowd! If a spirit is hiding in a body here, you are judged, struck down. Come out and begone! In the name of Jesus, you will neither be worshipped nor obeyed!
- In the name of Jesus, we judge the dead who have stolen the blessings of all the living members of families, we snatch away everything! (pray in tongues).

Say:

- Satan, you are defeated, no spirit of the dead must resist here, in the name of Jesus Christ. Whatever your reason for being here, begone!
- Jesus has redeemed all souls; if there is an ancestor inhabiting a body, a close or distant relative who has managed to possess a body, begone, in the name

of Jesus!

- If you have allied yourselves to form a coalition, I scatter you! If you are not in a coalition, I scatter you! No backup, I scatter you! Begone, unclean spirit. The dead to Hades!

Listen, we went to Liberia. We were told about a witch who had sought deliverance and had not received it. She came to the teaching. We taught on Friday and Saturday. The deliverances were scheduled for Sunday. I changed the programme and on Saturday we began to pray for deliverance. That woman said that while we were praying, someone came into the room and said to her: "I'm going to remove what's been put under your foot". The moment the person removed it, she felt light and fell; she was delivered.

It is Jesus who entered and delivered her meanwhile no one had been able to deliver her. This woman was looking for deliverance; she was tired. She said that when big pots of rice were being prepared and while the rice was very hot, she used to turn it with her bare hand. She said that 1,200 girls were excised on the same day. The parts taken after the excision were given to them to eat. After that, she was appointed leader of all the others. She is genuinely delivered today. Every time we travel to Liberia, she is present in the church.

- If you've been bewitched, if something has been put into your body and that's what is causing all the resistance and you don't know what's happening. If something has been put under your foot to bewitch you, Jesus has given us the power to remove it now. If it was put in your ear, we take it out. If it was put in your glass of water or beer, it will come out. If the bewitchment was placed in a dish of food, it will come out and you will have rest for your soul.

Raise your right hand and say:

- In one accord, we judge every object that serves as a support for resistance, everything that has been introduced into a brother through drink or food, or something that has been injected into his body, everything that serves as a support for sorcerers, for the spirits of the dead, everything that allows a spirit husband to travel and come back as if he were at home, everything that keeps the door open, all the techniques that have been used, the objects, the incantatory words, the symbols. In the name of Jesus, we break them, we banish them, we destroy all their power. We remove everything, we eradicate everything and we set souls free. You will no longer be a witch. You are delivered! Let everything that has been eaten be vomited up. Every object: a piece of wood, a piece of cloth, a leaf, even if it is a tree leaf, we judge everything, we tear everything out, we burn everything and we free all the souls that are held captive. Come out of prison! Jesus sets you free!
- If someone has stolen your garments and put them in a grave to establish a bond, we separate you from that garment and set your soul free.
- If there is something shameful that has been stuck on you to humiliate you, it could be poverty, epilepsy, anything that has been done to stick shame on you, it could be celibacy, I declare that Jesus sets you free.
- In the name of Jesus, let reproach be rolled away, let reproach be rolled away! Let shame be rolled away, let disdain be rolled away!
- If someone has thrown rubbish on you to bring disdain on you, the rubbish

on your face, you are delivered! The blood of Jesus washes your face! The blood of Jesus washes your name clean!

- If someone exchanged your soul for the soul of an animal. If you have been lied to and told that you will be cured, you are delivered!
- Anyone who has been deceived by sorcerers, you have been given the soul of an animal, perhaps you have been buried, you have been told to sacrifice a dog or a sheep and you did not know what was being done, Jesus delivers you!
- If you have been bewitched by the blood taken from you, you are delivered!
- If you have been chained to the depths of the sea, to the depths of the waters, if you are at the depths of the waters, if you are at the depths of the waters, Jesus sets you free, in the name of Jesus!
- If you are inside a tree, if someone inside a tree has bewitched you, even if it is there that the entire village is bewitched, Jesus sets you free, this tree is uprooted! (let's pray in tongues)

Raise your right hand and say:

- In the name of Jesus, we judge any illness whose origins are mystical, consciously or unconsciously. Any disease, any disease with mystical origins, you are judged, uprooted and thrown into the fire. We break the origins. Go to the person who sent you (keep calm)
