**SEEK FIRST THE  
KINGDOM OF GOD  
AND HIS  
RIGHTEOUSNESS,  
AND HE WILL GRANT  
YOU THE OTHER  
THINGS**

**Matthew 6:33**, *But seek first his kingdom and his righteousness, and all these things will be given to you as well.*

-

You have many needs; you want God to do many things in your life. But God says to you: *"Seek first the kingdom of heaven and the righteousness of God."* God will give you the other things as a bonus, while you seek His kingdom and align your life to walk in His will, God will reward you.

All your efforts to live right and make it to heaven, God will reward them. Maybe you are sick—God will heal you. You are still alive, and God says: *"I will answer your prayer, but seek Me first. I will give you what you are asking for, but seek first the kingdom."* It is Jesus who is speaking.

Some people make big mistakes during preaching. They withdraw to go wander about, and only start focusing when the prayer begins. But when you are seeking God, you must be fully engaged when the Word is being proclaimed. God is wondering who among men wants to go to heaven to be with Him. Seek first the kingdom and the righteousness of God.

**Mark 9:47–48**, *And if your eye causes you to stumble, pluck it out. It is better for you to enter the kingdom of God with one eye than to have two eyes and be thrown into hell, where 'the worms that eat them do not die, and the fire is not quenched.*

Jesus is telling you: *"Pay the price to enter heaven."* Let nothing stop you from making it to heaven—not even your eyes. If it is your eye, pluck it out! Let nothing on earth block your way. Even if it is your eye, gouge it out. Even if it is your hand, cut it off. Do not go to the lake of fire. It is a dreadful thing. Hell is a fire that never goes out. That means that once you are in it, even if you want to die to escape the pain, death does not exist. Even the worms do not die.

**Luke 10:17–20**, *The seventy-two returned with joy and said, 'Lord, even the demons submit to us in your name.' He replied, 'I saw Satan fall like lightning from heaven. I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you. However, do not rejoice that the spirits submit to you, but rejoice that your names are written in heaven.*

Demons were submitted to the disciples who went out to proclaim the Word. They returned to Jesus saying, *"We went out, and even the demons submitted to us."* But Jesus told them to rejoice instead because their names were written in heaven. You will live

---

in eternity with your Father. You will see the glory of God.

The demons being subject to us—that is a given, because Jesus defeated satan at the cross. *“I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you.”*

You must not have a hardened spiritual ear. Even if you are just a visitor, all it takes is to accept Jesus, and this word becomes true for you. The problem with people is that they want the blessings without accepting Jesus. They come and sit, saying they have come to pray. But when the call is launched—*“Who wants to give his life to Jesus?”*—they bow their heads and close their eyes. They pretend to be asleep. But when we are done and say, *“Let us cast out the devil,”* they wake up and start commanding satan to release them. But you have already lost.

The moment you say no to Jesus, you have lost. All who reject Jesus have already lost. He said: *“I am the way, the truth, and the life.”* Fall into His arms and He will begin to fight your enemies. Jesus has given us the authority to cast out demons. *“As the Father has sent me, I am sending you.”* You must go and set the captives free. We must preach and keep preaching.

Consecrate yourself, open your mouth, and preach. Jesus said to Paul: *“I have many people in this city—do not be silent.”* Let no one deceive you by saying that Jesus has already spoken. You must preach.

**Say:**

- I declare that Jesus has given me authority to trample on snakes and scorpions, and nothing will harm me.

Do not fear the sorcerers; they can do nothing to you. If a sorcerer is stubborn and keeps attacking you, God will strike him down. That is why it is said that vengeance is the Lord's.” You must not kill people. When you pray, just ask that everyone may believe. But God reserves the sovereign right to strike your enemies. That is His work. He tells your enemies: “Since you think death is good, go—return to the dust.”

**Revelation 20:11–15**, *Then I saw a great white throne and him who was seated on it. The earth and the heavens fled from his presence, and there was no place for them. And I saw the dead, great and small, standing before the throne, and books were opened. Another book was opened, which is the book of life. The dead were judged according to what they had done as recorded in the books. The sea gave up the dead that were in it, and death and Hades gave up the dead that were in them, and each person was judged according to what they had done. Then death and Hades were thrown into the lake of fire. The*

---

*lake of fire is the second death. Anyone whose name was not found written in the book of life was thrown into the lake of fire.*

The Holy Spirit is explaining to us how the world will be judged. Let no one deceive you—everyone will be judged. Even if you do not believe, you will be judged, condemned, and punished. There will be no second chance.

God was seated on the throne, and everything fled from His presence. All those who beat their chests in pride will tremble on that day. That is the end of all human systems—no more presidents, no more village chiefs, nothing. God will have cancelled it all. There will be only one throne for the entire universe. And the dead were there before Him—those who believe that death is the end are wrong. Death is not the end; it is a cross over from one world into another.

Everyone will stand before the judgment throne. Everyone, even the little ones. There will be many books opened. One great book—the Book of Life—will be opened. The dead will be judged according to what they have done. Each person has a personal book in which everything about them is recorded. If there are eight billion people, there are eight billion little books. Everything is written down in that little book. If you lie, it goes in the book. If you cheat, it is in the book. Everything is recorded.

Everyone who was buried, everyone who died in the sea, even those who were burned will rise again and be judged. Their deeds will be read out loud—including the ones they did in secret.

God is mighty! He has a great secretariat that records everything. He knows each one of us by name.

Each person will be judged according to their works. When you drink *koutoukou* (strong local liquor), it is written in the book. If you go after prostitutes, or consult a fetish priest, it is all recorded. It is all waiting for you there, in heaven.

Those who do not have Jesus will die twice: the first death is physical death. The second death is when they rise again and are judged—and then, cast into the lake of fire.

All those whose names are not written in the great book will be cast into the lake of fire—unlike the children of God, whose names are written in the Book of Life.

Jesus tells us to rejoice because our names are written there. When you receive bad news, think about your name being written in heaven, and rejoice. The little battles with demons should not make you lose heart.

You must have the joy that comes from truth—the joy of salvation. Flee from death. Do not allow anyone to keep you from entering into glory. Enter into glory with holy

---

violence.

Do not allow anything to stop you from entering into glory. You must conquer even your own evil desires and enter by force into God's glory.

Jesus will give a white stone to each believer, and their new name will be written on it according to the battles they fought while on earth.

### **PURSUE THE BATTLE UNTIL THE ENEMIES ARE COMPLETELY DESTROYED**

**Exodus 23:22–23**, *If you listen carefully to what he says and do all that I say, I will be an enemy to your enemies and will oppose those who oppose you. My angel will go ahead of you and bring you into the land of the Amorites, Hittites, Perizzites, Canaanites, Hivites and Jebusites, and I will wipe them out.*

*"I will wipe them out."* The battle must be pursued until complete destruction. So keep striking! It is God who knows your enemies. Some brethren think that God is not blessing them. They think it is always the same battle, the same struggles. They do not even know where they are heading to—they only know they have to beat the enemy. But once the enemies are defeated, you will have time to serve God. You will be able to build the temple. If you do not wipe them out, while you are working, they will come and destroy everything. God is a God of wisdom. He strikes, He executes, He is perfect. The Bible says that everything He does is good—both in heaven and on earth.

It is not you fighting the battle—it is God leading you. He says, *"Strike this one first, then strike that one."* Then, all your enemies will be down. Do not assume it is just the same fight. Where you are sitting right now, maybe you are already 80% through—but the devil is deceiving you. God says, *"Strike here first..."* Then He says, *"now rest."* One day, you will realize how far you have come. You, who wanted to conquer the six enemy nations and had total domination over a nation, you will see that God led you to defeat all six. But God knows war, and He says: *"Strike here first. My angel will tell you what to do."* God leads. He gives the words to pray. When I say *"Let us pray,"* you will find yourself saying things no one ever taught you.

You will be surprised to feel a sense of victory rising in you. That is God producing it. You will be surprised. In order for God to bring you to a place where you no longer tremble, you must fight. For you to even be here now, it is because God has already struck.

#### **Say:**

- Lord, it is true! Your Son said, *"My Father is always at work."* Yes, Lord, You are working!

- 
- Oh Father, we have behaved toward You as if You were doing nothing—as if You were just spinning us in circles! But You are at work! (*Keep worshipping Him as the God who works.*)
  - Oh Father, You are working! You lead! You guide! Yes, You are working! Everything You do on earth and in heaven, You do it well—without any fault, without any error! You work without error! You plan without any mistake! You plan how to exterminate the enemy! You are working on me—on how to use me! You are teaching me to fight until the enemy is completely destroyed! (*Continue worshipping Him as the Commander of Heaven's Armies, the one who leads His children in victory. Speak to Him, exalt Him, lift Him up!*)
  - Oh my Father, forgive us—my brothers and I! We thought You were just making us go in circles! Forgive me for saying, “Why has God abandoned me?” I have not received the revelation of Your plans! Grant me the revelation of Your plans! Grant me the revelation of Your ways! Grant me the revelation of Your purposes! (*Keep praying.*)

Stand on your feet.

Present your real needs to Him. The true needs are those in your heart. God said to Solomon: “*Since this is what is in your heart...*” What gives you sleepless nights? What makes you tremble? What causes your self-doubt? Explain it to God—tell Him everything. Ask for His help. Do not be afraid—speak to Him. Start praying!

This may concern you personally, or your child, your husband, your wife, your siblings, a coworker, or a neighbor. Feel free—ask for help. It may be for a friend, a brother or sister in Christ. Speak to Him. Ask for deliverance, ask for help, ask for victory. Talk to your Father! Cry out to the Lord!

**Say:**

- Oh Father, give orders concerning me! (Let us pray in tongues.)
- Oh Father, give Your orders in the heavenly places! Oh Father, give Your orders on earth! Oh Father, give Your orders in the waters! Oh Father, give Your orders beneath the waters! Oh Father, give Your orders in the abyss! Oh Father, give Your orders in the dry places! Oh Father, release Your word over the deserts! Give Your commands! Oh Father, Your commands will be carried out! And my enemies will be scattered! Their plans will be destroyed! (*Let us pray in tongues.*)
- Oh Father, stretch out Your hand of deliverance over me! Frustrate the hopes of the wicked! Disappoint those who think You have abandoned me! Act now, Lord!

**Say:**

- 
- Oh Father, fix Your compassionate eyes on me so I may be healed! So I may be delivered! So I may be saved! Just one look from You, Lord! (Keep praying.)

**Remain calm.**

- Listen to your Father. If He says to you, “*I have answered you,*” do not doubt. He may say, “*I refuse.*” If He says no, say: “*Lord, forgive me. If You refuse, where else can I go? To whom?*” Talk to Him.

Hezekiah said, “*I do not want to die. I want to serve You.*” And he served Him for fifteen more years. Our Father is not a dictator. He listens. He hears. Someone can say: “*I will not die young. I will not die now.*” You can say to Him: “*I will not die single. I will not grow old without getting married.*” He is your Father.

Abraham said to Him: “*I’m dying childless.*” And Abraham’s story changed. Our stories can change tonight.

**Say:**

- I’m growing old without a house.

For someone else, this may seem trivial, but for you, it is a real issue. Growing old without a child... growing old still single... that is not good. Speak to Him.

**Say:**

- You are the only One I have among men! I have no help, no understanding. If You do not act, I will remain single. If You do not intervene, the enemy will boast. You know he is stronger than I am. (*Let us pray in tongues.*)

Let the miracle take place. Ask for a miracle. Say to God: “What I am asking for is a miracle.” (*Pray in tongues.*)

**Say:**

- O Father, what I am asking You for is a miracle. It is not something ordinary. It is a miracle — a divine act that comes from You — The God of deliverance, the God of healing (*Continue praying in tongues.*)

Remain silent.

**Say:**

- Jesus, I am asking for miracles. Let the head of the python be crushed! I ask You for a miracle. I ask You for judgment. I ask You for one of Your judgments against the enemy. Just one of Your judgments! Let the head of the python be crushed!
- Oh Father, I ask for miracles! I ask for one of Your judgments! Just one of Your judgments that cause the earth to tremble! Just one of Your judgments like the

---

one that shook Egypt! Oh Father, one of Your judgments — so I may be free! Oh Father, I ask for one of Your judgments so I may be free! (*Let us pray in tongues.*)

- O Father, I want the head of the python—and of all those with unknown names in the kingdom of serpents—to be crushed! Set me free from conspiracies! Deliver me from calamities! I want You to crush the serpent's head! I cut it into pieces! Crush the head so I may live!

Stay calm.

**Say:**

- Lord, we want the prisons to be broken open! We want the prisons to be shattered! We want the waters to dry up! We want the strength of the wicked to be destroyed!

Remain calm. Now consecrate yourself to Jesus.

**Say:**

- Jesus, I belong to You—spirit, soul, and body!

Insist. Say:

- I belong to You—spirit, soul, and body! I do not want any impure presence in me. No spirit has the right to possess me.

**Say:**

- We crush every form of bewitchment that made it possible! Every kind of bewitchment that made it possible— Even if it was backed by major sacrifices, sacrifices of animals.

**Say:**

- No spirit dwells in me. We crush everything that enabled such a possession! We crush every power of bewitchment that enabled that embodiment! In the name of Jesus, we insist—we crush every form of bewitchment! We annul every word that was spoken against us! We crush those words! We cancel them! We tear apart what must be torn! If it is a stone, we smash it! If it is a veil, we burn it! Any object that was used as a support for possession or bewitchment—we destroy it!
- In the name of Jesus, we judge what is called witchcraft! We destroy every evil tie established with totems and fetishes! Lord, you have given the Church power to deal with witchcraft. We break every evil ties established through deceit and lies! May all those who were deceived—believing that the enemy would protect them—be set free now! May every word they uttered that the enemy used to

---

forge strong ties—be canceled! In the name of Jesus, we cancel all those words!

- If there is a brother among us who was deceitfully bewitched through a gift given to him—we declare you are free! If someone was tricked into drinking something under the pretense of “*good luck*,” we break its power in the name of Jesus! We set that person free! Nothing will happen to you! All who were deceived by the devil’s schemes, who were bewitched—we declare they are free!

Remain calm.

**Say:**

- In the name of Jesus Christ, if there is a brother or sister among us with a serpent in their life—since their mother’s womb—we now judge that serpent! Come out and leave! Set them free and leave!
- In the name of Jesus Christ, even if you have nowhere else to go—get out and go!
- In the name of Jesus Christ, if you are little serpents, we cut you into pieces! We crush you! We cut you into pieces!
- In the name of Jesus Christ, if there is a human being trying to help you—we judge them! We overthrow them! We cover them with dust!
- In the name of Jesus Christ, if there is a human being who offers refuge to these serpents—we destroy that hiding place! We judge that person! We drive them out!
- In the name of Jesus Christ, every sorcerer trying to come to the aid of these serpents—we expel you! We judge you! We throw you to the ground! If you are a chief, we smash your throne! We destroy your throne! If you are a dignitary, we strip you bare! We judge you! If you are a witch doctor, we strip you bare! We judge you! We smash the place where you keep the serpents!
- In the name of Jesus Christ, every aid or intervention by human sorcerers in favor of these serpents—we destroy all your tools! We break everything! We expose all of it to God’s judgment!
- In the name of Jesus Christ, we judge all who are trying to hide in Hades! We judge all those who want to hide in the abyss! We judge all who want to hide underground! We judge all who want to hide in the mountains! We strike them! We drive them out!
- In the name of Jesus Christ, we judge the power to transform into a serpent! We judge all power to shapeshift into other creatures! Let fire fall on those who transform!

- 
- In the name of Jesus Christ, if someone is in a grave while still alive on earth if their life makes no sense—we break that grave open! We command them to come out of that grave! Be free! If someone is trapped in a coffin, we smash that coffin! If they are locked in a room, we break open that room! If it is a tower, we overthrow that tower! If it is a pyramid, we destroy that pyramid! If it is a bottle, we break that bottle! If it is a spiritual vehicle, we destroy that spiritual vehicle!
  - If someone has been placed inside a vehicle of witchcraft that is carrying them into darkness or toward death—we destroy that vehicle! We pull that person out of it!
  - If someone has chains on their hands or feet—and their enemies think it is over for them—we break those chains! We shatter the chains! We break the bonds! If it is a rope—we cut that rope, in the name of Jesus Christ! We break it! We set the victim free!
  - If someone is imprisoned in a forest—we burn down that forest! We command fire to fall in that forest! We release the captives! If someone is locked in a house within that forest—we destroy everything and command the captives to come out!

**Say:**

- Captives, come out of the prisons! Jesus died for you on the cross! Jesus sets you free!

**Say:**

- In the name of Jesus Christ, if there is a sorcerer who—by the power of witchcraft—has swallowed a child or a man, and that person is here among us, we declare: you are free! We command: be vomited! Get out quickly!

Remain calm.

- If there is someone among us who is poor because the sorcerers have swallowed their possessions—because they have taken everything—he works hard, but they seize everything... We declare: you are free! You are free! We release your prosperity!

Let us insist!

- If someone here is struggling, but all efforts are in vain because everything they own is swallowed up—and no one can help them—Jesus died for you! We declare that you are free, because Jesus died for you! You are free! Jesus died for you!
- If someone here has had their blessings stolen at their workplace— If they have

---

stolen what they call your aura— No one wants to look at you anymore, but those who stole from you are now the popular ones. We declare: you are free! Jesus restores what was stolen! We wash your face with the blood of Jesus! No more rejection, no more scorn, no more shame! We wash your entire body and purify you with the blood of Jesus!

Remain calm.

Lift up your right hand.

**Say:**

- You demons of depression, we strike you with muteness! You who speak into the minds of your victims— You who possess them— We strike you with muteness! We shut your mouths! We cast you out! Leave!
- You who suffer from depression—you are healed! You are delivered! You are healed! Depression is defeated! Its entire army is judged, struck, and scattered! And you—you will live in good health, with mental balance and soundness of mind!

**Say:**

- In the name of Jesus, if there is a dragon spirit hiding here— You are hidden because of criminal covenants— But you are judged!
- In the name of Jesus, if there is a dragon spirit hiding— You are here because of ancestral pacts and criminal worship— Dragon, you are judged! Get out!
- If your parents worshipped a tree that now holds you captive— You are bewitched. Its roots have hidden your diplomas. You are held within it as a slave. We break that tree! We uproot it! And we bring out every soul held captive within it!
