**GOD CONVERTS YOUR  
PRAYERS INTO POWERFUL  
WEAPONS FOR YOUR  
COMPLETE VICTORY**

Boniface MENYE

**Isaiah 57:14**, *And it will be said: "Build up, build up, prepare the road! Remove the obstacles out of the way of my people."*

I don't know if you have meditated on the testimonies. God converts our prayers. They become something we cannot master or define. We are going to systematically remove all the obstacles in the pathway of our brethren.

The prayers we raise here are prayers that are revealed. Now, when there are factors that enable us clearly define things physically, that enriches us. The visions are there to tell us that we are on the right path. God wants a people standing in prayer. You cannot imagine what he does with the prayers of the saints.

I had a revelation when I was meditating on baptism. **The Bible** says that when you are immersed in water, you die with Jesus; you are buried with Jesus. When you come out of the waters of baptism, you come out to live in holiness and healed of diseases. A sister gave a testimony here. She went into the waters of baptism and came out healed. Prepare well for your baptism. And if you have believed, get baptised.

God can transform you and you become a powerful warrior with weapons that do not exist in our generation. I used to believe (other people do too) that spirits didn't have bodies and could not be cut to pieces. There are spiritual weapons that cut spiritual things. It doesn't make sense to take a machete and cut them to pieces because you don't see them. But if you are praying, when you cut to pieces through the word, it is done as you say. Jesus said in **Mark 11:23**, *"I tell you the truth, if anyone says to this mountain, 'Go, throw yourself into the sea,' and does not doubt in his heart but believes that what he says will happen, it will be done for him"*.

**Colossians 2:12**, *having been buried with him in baptism and raised with him through your faith in the power of God, who raised him from the dead.*

There is faith in the power of God. You have to believe that everything is possible with God. It is in the principles of faith. You must believe in the power of your word, spoken in the name of the Lord Jesus. You yourself are nothing, but in the name of Jesus, you are powerful! **The Bible** says: "I have given you my power".

### **Raise your hand and say:**

- The wisdom of God is manifold!

Apostle Paul says: "We speak a message of wisdom". You are told that the sorcerer entered the house, ate the person and he is dead. People start trembling. But you are told that a brother was praying, and spiritually, he becomes a heavy-duty truck driver dragging a demonic vehicle that was carrying the sister to Hades. This is beyond witchcraft: this is God's

wisdom! I don't know how the Lord converted this. Let us clap for Jesus Christ!

**Say:**

- O Lord, your wisdom is manifold, inexplicable, unsearchable! (Continue to worship Him.)

The Lord has increased our faith; it is a promotion; you will not be the same. Where we see ourselves, we are already far away. We are soaring in spiritual airs. What God has done, when He does it to people like us, we should count ourselves lucky. God wants us to believe in prayer.

First prayer, even if you prayed like this before, pray again with faith. You remove anything that stands in your way. Even if it is an invisible needle, you remove it. Anything called an obstacle, something placed in your path, and placed by a spirit or a living human being, as long as it is called an obstacle.

**Say:**

- In the name of Jesus, I raise my hand against anything called an obstacle! I break, I smash everything! I break everything! I burn everything! (Continue praying.)
- Every obstacle, crushed, broken, blown away by the storm, in the name of Jesus.

**Raise your hand and say:**

- If my name was written somewhere by a wicked man, even if it is the abbreviation of my name, let my name be erased first and let that object be burned, in the name of Jesus!
- In the name of Jesus, any book in which my name has been written by wicked men, alive or dead, I burn that book! I separate myself from it and blot out my name!
- If I have been made to drink something, if through incision something has been put into me that serves as a bond, if it is my name or the pet name I had been given, anything that has served as a point of contact, that an evil spirit can use, I destroy it and break that bond! I proclaim my freedom! If I'm locked up in a house, I break it! And I command my spirit to come out and enjoy its freedom! I proclaim my freedom! I command my spirit to come out! If it is a bottle, I break it! I break the graves, coffins be broken!
- In the name of Jesus, if it is in a forest, I get out! I burn that forest! If it is in a cruck, I break it! I set all captives free! I proclaim freedom for all captives! (Let us pray in tongues to destroy any object.)
- Captives, come out! Jesus Christ sets you free!
- In the name of Jesus, we intervene in the life of every brother or sister, where resistance exists, where resistance is being formed, even now, we break that resistance! We judge coalitions! We scatter the backups! (Let us pray in tongues.)
- In the name of Jesus, we judge every obstacle to the prosperity God has ordained, every obstacle to blessing! Any obstacle to the promises of God! We

strike it! We scatter it! We release graces and favours!

- In the name of Jesus, we intervene in every life where death is hidden to surprise, multiplying accidents, fires, causing terror and fear in hearts, death and hell, begone! We strike you!
- You know that Jesus said in **Matthew 16:18**, *And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it.* So, we enter Hades, if someone has been held captive there, we set him free and break all evil ties!
- In the name of Jesus Christ, if there is a wound on your physical or spiritual body, we declare that you are healed!
- In the name of Jesus Christ, any disease that comes from a bewitchment or from a demon sent or lodged in your head, we break it! Any demon sent to block fallopian tubes and the hospital cannot diagnose anything, I declare you are healed! Let fallopian tubes open! Let every fallopian tube open!
- In the name of Jesus Christ, if there is a woman who has fibroids that multiply because it is demonic, we rip them off and throw them into the abyss, and declare every woman held captive free!
- In the name of Jesus Christ, if you suffer from back pain because sorcerers ride on it, you think you are alone meanwhile you are laden, you are delivered! Let your vertebral column be straightened!
- In the name of Jesus Christ, all those who are depressed because they hear voices, we strike those voices with dumbness! Remain silent!
- In the name of Jesus Christ, all you who trouble souls, be quiet!
- In the name of Jesus Christ, the Lord has promised that young people will have visions and old people will have dreams. We judge false visions! All the host of satan, we cast you out! We release true visions! We strike the host of satan in charge of blocking true visions! Demonic spirits, principalities, all of you who work to steal true visions, we strike you down! We tear apart the veils thrown over your eyes and wash your eyes clean!
- In the name of Jesus Christ, if there is anyone who has been stricken with spiritual dumbness, we set his tongue and lips free! We bless him with words! Let him fight by day! Let him fight by night!
- In the name of Jesus Christ, even if it is the ancient snake, we cut it to pieces!
- In the name of Jesus Christ, if there is an evil spirit in the house where I live, I cast you out! Begone! Let me not find you there again! In the name of Jesus Christ, evil spirit, begone quickly! Leave and never come back! In the name of Jesus Christ, I break all chains, I cut everything to pieces!

### **Lay your hands on your head and say:**

- In the name of Jesus Christ, I condemn the work of witchcraft and its practices! If anything has been placed in my life, in my physical body or in my spiritual body to serve as a point of contact, I break it! I cut that thing to pieces! If anything has been placed in my life, if anything has been introduced into my life to serve as a basis for bewitchment, I smash it to pieces! I sanctify my body! I sanctify my spirit!
- In the name of Jesus Christ, if I unknowingly ate food that was bewitched, I vomit it now!
- In the name of Jesus Christ, any spirit coming from the komian, if you know that you come from the komian, whether you are a human or demonic spirit, whether it was the komian who sent you or whether I picked you up in my dealings with the komian, if your resistance is still based on dissimulation, I declare that you are exposed! Begone quickly!

- In the name of Jesus Christ, spirit of masquerade, you have the same god: the devil. You are exposed! Begone! (Let us pray in tongues.)
- In the name of Jesus, you spirit of the dead, when we speak about demons, we also mean you, come out and begone! You have nothing to take away with you! Come out and leave!
- You snake, when we speak about demons, we mean you, get out! What are you waiting for!
- Spirit husband, you liar, you are not a husband; you are a demon! Get out and begone!
- If there is a demon responsible for blocking marriages, to maintain celibacy, even if you are a living relative, we expose you! Any spirit responsible for celibacy, we destroy your practices! Begone!
- In the name of Jesus, we deliver all women who suffer from a mermaid, you are set free! All women oppressed by a mermaid, we break the yoke! In the name of Jesus, we declare that all women who are under the yoke of a mermaid, be set free! We break the yoke! We cut the ties to pieces! Even if you signed a pact with her, we set you free in the name of Jesus!
- In the name of Jesus, all women troubled by a mermaid, you are set free in the name of Jesus! Whatever it claims, we declare it has nothing to claim! All women belong to Jesus. Mermaid, begone!
- If you are a woman, say: "I am engaged to Jesus, I am faithful to Jesus".
- If you are a brother, say: "I am engaged to Jesus". If there is a spirit husband, if there is a spirit wife, we strike them!
- All men belong to Jesus! All women belong to Jesus!
- In the name of Jesus, if you are a spirit coming from the mountains, that has followed anyone to this day, you are judged! Begone! If you come from the mountains, we direct judgment against you! You are struck down! Be gone!
- Jesus is Lord!
- May the peace of the Lord be with you!
- May the grace of the Lord be with you!
- May the heaven of the Lord be opened above you!
- Let no spirit follow you!
- Let it wait for you nowhere!
- May the place where you sleep be sanctified!
