**WAKE UP, FIGHT
AND POSSESS YOUR
INHERITANCE**

Boniface MENYE

Psalm 149:5-9, *Let the saints rejoice in this honor and sing for joy on their beds. May the praise of God be in their mouths and a double-edged sword in their hands, to inflict vengeance on the nations and punishment on the peoples, to bind their kings with fetters, their nobles with shackles of iron, to carry out the sentence written against them. This is the glory of all his saints. Praise the LORD.*

Many believers have not understood these words nor how God works. God announced things and then created the churches to implement them. When God says, “Every knee shall bow”, you must know that God wants every knee to bow, and then you work to ensure that this word is fulfilled. So you implement this word.

Romans 1:2-5, *the gospel he promised beforehand through his prophets in the Holy Scriptures regarding his Son, who as to his human nature was a descendant of David, and who through the Spirit of holiness was declared with power to be the Son of God by his resurrection from the dead: Jesus Christ our Lord. Through him and for his name’s sake, we received grace and apostleship to call people from among all the Gentiles to the obedience that comes from faith.*

God has announced that people should submit to Jesus. But when you look at men, are they submitted to Jesus? There are people God has set apart to make that happen. You are the one to tell people: “Be submitted to Jesus Christ”. When you do that, you are implementing the word of God.

Romans 1:5, *Through him and for his name’s sake, we received grace and apostleship to call people from among all the Gentiles to the obedience that comes from faith.*

People must forsake all idols and religions and accept salvation through faith in Jesus Christ. Who must do that? We are the ones who have received the privilege of bringing people to Jesus. Some people say that we shouldn’t cast out demons because Jesus has already judged them. Apostle Paul says: “*For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly places*”.

He was not writing to unbelievers but to the children of God. If you consider that “*if anyone is in Christ, he is a new creation. The old has gone; the new has come*”, there is no tie to break since the new has come, you have not understood anything.

This verse means that you must forsake sin, it has nothing to do with demons. From the first chapter of 1 Corinthians, Apostle Paul shows that there is something wrong with the church in Corinth. There were divisions, people were going to unbelievers to defend their cases against the brethren. Those who even wanted to prophesy did so in confusion and in disorder. There was a young man who snatched his father’s wife. When they broke bread, they were drunk. The poor watched the rich eating.

Do not be deceived: *For of this you can be sure: No immoral, impure or greedy person—such a man is an idolater—has any inheritance in the kingdom of Christ and of God (Ephesians 5:5).*

2 Corinthians 5:14, *for Christ’s love compels us, because we are convinced that one died for all, and therefore all died.*

2 Corinthians 5:17, *therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!*

All this is to say that divisions must stop. This verse is about separation from sin. It does not say that no one must seek deliverance from old things. With what you

experience in your daily struggle, you know that it is satan at work, and you are told that satan is in the lake of fire. Wake up and possess your inheritance! When the other one says that the old has gone and you are still fighting, we will see on the last day who has fought the good fight.

Who are we wrestling against? The evil spirits in the heavenly places, the rulers, the authorities, the thrones.... If they win, what will happen to us? Death, misery, poverty, prison, slavery, disease.... If we win, what will happen to us?

This is a fact. We possess a territory that God has promised us. It is like the children of Israel. Those who were not able to drive away their enemies in Canaan became slaves and ate their own children. Let no one deceive you, strike down the enemy and take your inheritance. The Lord says: "*I have given you my power*". If there is nothing, why is Jesus doing it? New converts already have their names written in the book of life even though they have not yet served Jesus so that when you work afterwards, you work as a child of God to manifest God's life. Jesus does not become the Son of God because he went to the cross. If I preach, it is not to go to heaven. All we do is serving God. Let no one deceive you! You are saved. We don't fast to be saved. We fast because we are saved. When you tell God: "Save my family", you are doing the work of a priest.

- We execute God's purposes; we have the grace to cooperate with God to establish his kingdom so that his will may be done on earth as it is in heaven!

The Bible says that we work with God. What you do, you do for yourself and God. We are not slaves chained in the field while He is in the village. He is with us, he is there. Let no one deceive you, God exists!

Stand up:

Say:

- You wicked spirit, if you know that you played the role of Goliath and constituted a huge resistance, in the name of Jesus, in one accord, we cut you to pieces! You are our target, we cut you to pieces! We dismantle your troops! (continue praying).
- Let us pray in tongues!

Say:

- In the name of Jesus, even if you enter the earth, we pursue you and we strike you! If you enter the waters, we pursue you and strike you! If you go into the wilderness, we pursue you and strike you! If you go to Hades, we will pursue you and strike you! If you go into the abyss, we pursue you and strike you! If you go up to heaven, we will bring you down and strike you! If you go under the rocks, we uproot them, pursue you and strike you! If you go to the mountains, we bring down the mountains and hit you! If you go into the forests, we consume them and strike you! If you go into the waters, into places beneath the waters, we pursue you and strike you!
- You change shape, you transform yourself. We strike every shape you take! You turn into a human being, we bind you and strike you! You turn into a snake, we bind you and strike you! You turn into the wind, we bind you and strike you! (Let us pray in tongues).

- You take the form of an animal, we judge you and we strike you! You take the form of a fish, we judge you and we strike you!!!!
- You call for help, we judge you and strike you! You call for backup, we judge the backup and we strike you.
- We set your captives free!!!
- We destroy the blockages, diseases, infirmities! All what you have brought, we destroy you and we destroy your works!

You have to believe in the work of Jesus Christ, you have to believe in visions. With the slightest unbelief, you will be left out. Visions convey the same message that God is with us. You must wrestle from total assurance.

Say:

- In the name of Jesus, I separate my spirit from everything that has to do with witchcraft!

This is a reality: there are many people in captivity. A believer who finds himself in the village every day in his dreams, this is an obstacle to his growth. You are in the forest every day. Even after you have been delivered, you fall and find yourself back in the forest. Your spirit leaves the people who are praying for you and finds itself back in the forest.

This shows the power of bewitchments. The things that were taken from you when you were a baby and buried are strong bonds. This evening, it is this kind of bond we must target, that is why I spoke about Goliath, where the enemy thinks you can't remove it.

To do that, you must tell Jesus that you love him and that you don't love witchcraft. If you are the kind of person who believes when a witchdoctor tells you something bad is about to happen to you, if you are told that your mother has consulted a fetishist and the fetishist asks you to come and wash, and you believe, even if you do not go, the fact that you have accepted the thought that you have been bewitched means that you are already affected.

In terminating with the past, the first point is to terminate with occult influences. Stop saying that when my palm itches, I will have money. If you keep believing that it means your religion is witchcraft. You stumble over something and you say that something bad is ahead of you. You want deliverance, but you use their things and you want to be delivered.

You see a bird and say: "Any time I see this bird, something bad happens". You see a snake and you say: "This is the snake of twins, do not kill it". Come out of witchcraft this evening! You were in it without knowing it.

Say:

- I separate myself from witchcraft! I reject everything that comes from witchcraft! I reject their dreams, their revelations! I reject their traditions and I command my spirit to come out of the forests! You will see a turn around.

David said: “*My soul, why are you downcast? Hope in God*”. Do not let your soul wander around and say: “I have evil thoughts”. He commanded his soul to hope in God and he became normal.

Say:

- My soul, come out of this water! God created you to live in my body. Let my whole being (spirit, soul and body) serve the Lord! I break the bond of bewitchment! I cut into pieces the thing that is pulling you towards the village! I remove the thing that draws my spirit to the village! I remove the affection of these things from my heart! My affection is the kingdom of heaven, may the Lord come back soon, soon! I remove the thing that draws my spirit! I break the bonds of carnal affection! I break the bonds established because of the appetite for the staple meals! I break the bonds established by eating habits! I break the bonds established through affection for the forest or the river! Everything that has impacted me and kept me emotionally attached, I break that!
- Now my real village is heaven. My tastes are the tastes of heaven. My traditions are the traditions of heaven. (keep praying, as soon as you think of something you like there, you break the bond).
- I separate myself from the satanic prince of this village! (keep praying).

The Lord is uprooting things.

Say:

- In the name of Jesus, I break the tie established through my name and I separate myself from all the sorcerers who have borne the same name as me and are using this tie! I separate myself from those who are alive and who bear my name! I separate myself from those who have died and who bore my name!
- In the name of Jesus, if one of my parents used my name to make offerings to Nephilim, I break that bond! I break that tie!
- In the name of Jesus, in one accord, we break all ties established by sacrifices made in our name! I declare that even if I had sent someone to make these sacrifices, it is nullified!!! When I did not send someone to make them, it is also nullified!
- Any sacrifice in which my name has been pronounced and any bonds established because my name has been pronounced in the physical or spiritual realm, I break that bond! I set myself free! And you, demon, who followed me because my name was pronounced in your temple, in the rivers, the swamps, the lakes, everywhere, begone! I don't need you! Even if you followed me because you were consulted on my behalf, I cancel all that! You know I have given my life to Jesus. I cancel what I asked for. I cancel what I never asked of you!
- You, human spirit or serpentine spirit, or dragon, or crocodile, whatever your nature, whatever your role, begone now! And when you go, take everything that belongs to you! I know you have nothing good. Don't steal my blessings! Go now! I don't need you! (continue praying).
- Go in the name of Jesus! You steal nothing! You leave no infirmity!

It is said that sorcerers have radars and they can monitor people from their village.

Say:

- In the name of Jesus, we strike radars and spoil them! If they are spirits, we command them to leave! If they are items, we destroy them! I'll never be seen on your radars again! The blood of Jesus is on me! The name of Jesus is upon me, I am blessed!

Raise your right hand and say:

- We destroy all diseases that come from the oppression of evil spirits!!!
- We proclaim the total healing of every brother!!! Wherever a brother is in prayer, may healing visit him! We restore the intelligence of all those who have been troubled by depression! We wash their brains! We wipe out the images of demons! We delete demonic messages!

Raise your right hand and say:

- In the name of Jesus, let all depressed people be healed! Let all those affected by the spirit of madness be delivered! Let them wake up as normal people!
- In the name of Jesus, we restore marriages broken by demons! We cast out demons that have entered homes! We protect the homes that are still standing firm and we restore those that are broken!

There are couples who dream that there is a man lying between them. Let us seize this demon.

Say:

- We seize every human spirit, dead or alive, that comes to disturb the lives of couples, and throw them into the abyss! And we heal homes!

Let us stand up:

If you're going through critical times, you will speak to God. For instant: there's just a little time left before you are sacked from your job, which means that your situation has reached an irreversible state of decay. You cannot reverse it. You live in a house and you are threatened with eviction. You are there, but eviction is waiting for you. You will speak to God.

Tell God:

- God, save me from shame.

If you know a brother who is in this situation, cry out for him; say:

- I know you and I believe in you, I have no one else, even if someone wants to help me, the person himself has no strength.

It is as if you are sitting by the riverside and it is said that you will be put in the boat for exile, and you are praying the kind of prayer that will save you.

- O Father, hear us! Deliver us from our anguish!
