17<sup>th</sup> Edition

1 July to 9 August 2025

---

**Summary day 4**

4 July 2025

---

**GOD IS LOOKING FOR A  
MAN TO INTERCEDE SO  
HE WILL NOT DESTROY  
OUR FAMILIES**

**E**zekiel 22:30-31, *I looked for a man among them who would build up the wall and stand before me in the gap on behalf of the land so I would not have to destroy it, but I found no one. So I will pour out my wrath on them and consume them with my fiery anger, bringing down on their own heads all they have done, declares the Sovereign Lord.*

This day is a day of intercession. Everyone is going to intercede for their family. You left your village to come and pray for your family. You must pray—it is a debt. The apostle Paul said he prayed for his family, for his brothers to be saved. If you are a true believer who obeys God's Word, you must pray for yourself and for your family. Every people must pray for their nation.

God says he sees the world, He sees the sins people commit, He sees witchcraft, magic, and hatred. So, He starts looking for someone who will pray so He will not destroy them. When God sees evil, He wants to strike, but before that, He looks around to see if someone is praying. If He finds someone, He refrains. God loves intercessors. Intercession is a ministry of love and maturity—it belongs to those who love God and experience His compassion.

When believers are impatient, as soon as they see disorder in their families, they begin to curse them. But a believer who is an intercessor, is filled with compassion. As soon as he sees his parents sinning, he stands in the gap and pleads with God not to destroy his family.

If you see your brother committing a sin, pray for him. Do not run around telling everyone about his sin. If you do not pray for him, you are wicked because God will punish him. When God gets angry, He curses and destroys.

·The intercessor says to God: "Do not destroy! Do not curse! Forgive! Change him! I beg You, I want to talk to him and exhort him!"

**Malachi 2:1–2**, *And now, this admonition is for you, Oh priests: If you do not listen, and if you do not resolve to honor my name, says the Lord Almighty, I will send a curse on you, and I will curse your blessings. Yes, I have already cursed them, because you have not resolved to honor me.*

When God is angry and there is no intercession in a community or family, He curses the blessing. He looks at where you have already succeeded, where people admire you—and He curses that very thing. God does not curse randomly. That is why if you love a child and you become wicked, God curses that child. If you love your job and you are so happy about it, thinking you have made it, such that

you become proud, God will curse that job. If it is your car that you love, it will start breaking down all the time. That is why a normal believer must intercede for their family.

**Say:**

- Oh Father, do not destroy! We are wicked, do not destroy us! Some practice witchcraft, others are proud, some curse God, others make offerings to satan. Some even build houses for witch doctors, but do not destroy us!"

There are people who fear the devil even though he is powerless. If the devil gets angry, God can blow on his anger and quench it like a candle. But if God gets angry, He can bring down the sun to show how hot it really is. If you are wise, do not let God get angry.

**Say:**

- Lord, do not punish me; I want to change! Do not strike me; I am changing right now! Do not get angry! Do not destroy me; do not judge me!

If you have not yet accepted the Lord, you must do so now so that you too can intercede for your family. Separate yourself from sin so that you may be worthy to intercede. If you used to take drugs, stop immediately so that God can bless you. If you stay in the crowd planning to commit fornication after you go back from here, you will soon realize that even prostitutes will reject you because God will curse you.

In some families, even the road to their village is overgrown with weeds—because people keep dying. It is a scheme of the devil. There is no marriage, no childbirth, no prosperity—and everyone is sick. But all of this can end today because God has opened a door. Accept the role of an intercessor—accept to pray so your family will not be cursed. Let everyone give thanks to God, who is a good God—who, instead of cursing us, first looks for someone to intercede for us.

**Say:**

- Oh Lord, You are good and merciful! Your works are perfect! Your love is unfailing! Your compassion is great! Oh Jesus, thank You so much!

**Jeremiah 29.7**, *Seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper.*

If you live in a city or a country and you want to be happy, you must seek the welfare of that country or city. If everyone is poor, you too will be poor and miserable. If everyone is blessed, you too, will be blessed. If there is peace in the nation or city, there will be peace in your heart. If there is war in that city, there will be war in your spirit, war around you, war in your mind. You cannot be different. Everyone is shaped by the city where they live. If there is theft, you too will be robbed and unhappy.

With regards to the overthrow of personal and family principalities, God has asked us to pray for our families. He says: after casting out demons, rejecting witchcraft, and breaking evil ties, if God has cursed that family, no one can bless it. If God shuts, no one can open; if God opens, no one can shut. Therefore, we must intercede so that God forgives the crimes committed through our traditions and customs.

There is a curse that proceeds from the mouth of God against the wicked and perverse. There is a curse that comes from the sin you commit. When Adam sinned, God had not yet judged him, but Adam was already afraid. The moment he sinned, he could no longer walk with God; he was naked, he was afraid, and he hid himself. Later on, when God came, He told Adam that henceforth, he would eat by the sweat of his brow and return to the dust. What God says shall come to pass. It is what happens to all the sons of Adam. As God said, some people work very hard just to eat and cemeteries exist to cause us to return to dust. But God also made a way so that those who want to live with Him forever may do so. He sent Jesus to bear the punishment. If you receive Jesus now, you will see God.

**Tell God:**

- Forgive me! I know my sins! (Confess your sins.)
- Oh Father, we are proud for nothing! Some are proud because of money, race, tribe, or nation!
- Oh Father, it is hard to eat in our home! We eat as though we have not eaten at all!

There are curses that cause people to eat and never be satisfied. It ends today. God is not cruel. When He punishes, it is to lead to repentance.

**Tell Lord:**

- There are diseases in our families! Oh Father, medical doctors cannot find the name of our diseases! Have mercy on us!

- Oh Father, our family is divided because of our quarrels! No one greets their brother—have mercy on us!
- Oh Father, we are graduates but we are not different from those who are not! We work, but we do not look like people who work we are miserable! These are the consequences of our sins! I know You have already begun to judge us, You have struck us, that is why we have not found any solution so far!
- Oh Father, do not destroy! Some have already died under difficult circumstances. Do not destroy those who are still alive! Bless us!
- Enter into the spirit of intercession. Bring God's compassion into your life. Beg God, plead for His mercy.

Keep praying! God can change his mind! God can bless! God can lift up! God can deliver! God can restore! God can forgive!

**Say:**

- Oh Father, forgive! Oh Father, do not destroy those who are still alive! Oh Father, save the remaining ones! Oh Father, command life! Oh Father, command deliverance! Oh Father, command healing! Oh Father, command restoration! Oh Father, do not destroy those who are still alive! We deserve death! We deserve punishment! We plead for You to return to us! (Keep praying.)
- Oh Father, take untimely death away from us! (Keep praying.)
- Take poverty away from us! Oh Father, take away Your curses! Please, Take away Your curse. Take it away out of compassion, ! Father, You said You are looking for a man among us—I am not worthy, but by the blood of Christ, I stand before You! Come to my help! Out of your compassion, save me and save my brothers! (Keep praying.)
- Oh my Father, You said You wanted an intercessor—by the stripes of Christ, here I am before You! (God will speak to you and answer—just keep praying! The Lord is listening. Keep pleading!)
- Oh Father, Set those who are in prison free! Oh Father, release those in captivity! Those in captivity in the waters! Those in captivity in the abyss! Those in captivity in Hades! Those in captivity in desert places!
- Oh Father, perform Your great works, Your great judgments! Break the chains of those who are bound! Set the prisoners free! Destroy the prisons! Smash the huts! Smash the bottles! Destroy every object of bewitchment! Break everything and tear it all down!
- Deliver those who are locked up in towers, in miry pits! If someone is trapped

in a pit, may that pit be judged! Let all those captives be set free, in the name of Jesus! Even if it is a swamp, let it be judged! Father, deliver those who are in physical prisons because of their criminal actions! Grant them Your compassion, Your mercy! Deliver those who are in court—Forgive them, Lord! (Keep praying.) Oh Father, deliver those who are slave to alcohol! May they be delivered! May they become real men! (Keep praying.)

- Oh Lord, deliver the drug addicts! Heal the depressed! (Keep praying.)

Keep calm. Listen to the Lord! You can make a vow to God. Intercession and supplication always go hand in hand with vows. David said to God: *“I will proclaim Your name among the nations.”* You can say to God: *“I will make a special offering to You.”*

It is very important! Money has direction. God takes that into account. Pray in tongues!

Raise your right hand.

**Say:**

- In the name of Jesus, I clear the way for the Gospel to reach my family wherever they are scattered. I make a way for the Gospel to reach them, the Gospel of Jesus of Nazareth! I remove obstacles before the bearers of this word! I remove the obstacles from the path of the people God will use to bring the Gospel into my family! I remove the obstacles! I bless them, for it is written: *“How beautiful are the feet of those who bring good news.”* (Keep interceding so that the bearers of the Gospel will be well received in your home, in your family.)

**Say:**

- In the name of Jesus, let the devil not use sorcerers to stone them, but may they be well received, for it is written: *“How beautiful are the feet of those who bring the Good News.”* (Continue praying.)
- In the name of Jesus, may the Gospel reach the little ones! May the Gospel reach the elderly! And may all children be consecrated to their parents!

Keep calm.

Rise to your feet.

**Say:**

- In the name of Jesus of Nazareth, I condemn the covenants of our patriarchs

with demons! I condemn every covenant made through writings, words, and symbols! Every sign or symbol used, even if it was the offering of an animal, a bird, money, human blood, or saliva ; everything that constituted a pact with the ancestors, we judge it! We judge those covenants! We declare them false covenants! We declare they are not covenants of blessing, but of lies! Our King of kings, Jesus of Nazareth is the Way, the Truth, and the Life, declared that the thief comes only to steal. It is Jesus who speaks the truth! There is no good devil, no good satan! When he comes, it is only to steal! All his witch doctors are thieves! All his agents are liars! Lord, let them be judged! Let the pacts be torn apart! Let total freedom be proclaimed! Let our parents come out of fetishism (idolatry!) Let them come out! Let the idols be thrown out, burned, destroyed! Let the demons that followed them be scattered! If some are in this crowd or online and have possessed souls, let them get out now! It is over! The pacts are torn apart! Demon, you who relied on those covenants you have heard that the children of Jesus have torn everything apart! Jesus said, "As the Father has sent me, I am sending you," and the Bible says, "Jesus appeared to destroy the works of the devil." The children of Jesus have torn everything apart ! Now go! Come out and depart! (Continue praying.) get out and leave! The pacts are torn apart! Your work is over! Make no claim, get out now!

**Say:**

- Wicked spirit, we judge you! depart! Spirit of the dead, if you are dead and buried but your spirit is troubling people, every spirit of of the dead living in a body, you are judged! Get out and go away!
- In the name of Jesus, water spirit—you water spirit, every water spirit—you are struck ! You are judged! No longer trouble the living! disapeear!
- In the name of Jesus, giant spirits or dwarf spirits, you are judged! You are not gods! Dwarfs and giants, go away! leave now!

**Raise your right hand and say:**

- If a spirit was cast out and has come back with seven other spirits, we judge them all and we cast you out! You that have returned with backup, we cast you out! You will never come back again!
- Serpentine spirit, we judge you and cast you out! Anyone possessed by a serpentine spirit, you are delivered now! Serpentine spirit, depart! You will not possess anyone here!

**Keep calm.**

- If you often feel the presence of someone behind you, a spirit following you, if when you lie down, you feel like someone else is lying down beside you, we cast it out of your life! You will never see it again! When you sleep, let it never come near you again! May your sleep be peaceful!
- If you dream that you always go back to your village, we separate you from the spirit leading you, the one that brings you back to the village even though you do not know the way, we judge that spirit! Let it no longer torment you!
- The spirit that leads you into witchcraft without you even knowing the way, you spirit, you are judged! Struck! Cast out! Leave now!

**Keep calm.**

- In the name of Jesus, we judge every spirit that maintained your connection to the supernatural. We judge every spirit that followed you when you visited witch doctors, that gave you demonic inspiration, that made you easily feel satan's spiritual things—and you like it. Now, you are a child of God. You no longer need that spirit, but if it refuses to leave—We judge that spirit! We break that ties! We break that connection with the supernatural! We separate you from satan's supernatural realm!
- In the name of Jesus, if there is a grandmother who has incarnated herself into a grandson or granddaughter, get out! We break the bond of incarnation! Leave right now!
- In the name of Jesus, if there is a grandmother who has incarnated herself into her grandson or granddaughter, leave now! That is wickedness; it is not God's plan! You are judged! depart!
- If you were a loyal client of a witch doctor who has possessed you or bewitched you—he is judged! Judged! Struck! You who have possessed a soul to keep them bound forever—leave now!
- If you are a demon who possessed a soul during a funeral, if you entered during that funeral, get out and leave in the name of Jesus!
- In the name of Jesus, if you entered when someone went to put a bunch of flowers at a cemetery, on a grave, get out and leave!
- If a serpentine spirit followed you because you were treated with python oil, I separate you from that oil and I cast out every serpentine and python spirit!

- In the name of Jesus, if there is a sister here or online who has a spiritual ring on her finger and a demon is following her because of that ring—we remove that wedding ring from her finger and cast it out!

If you feel your finger tightening or paining, that is your deliverance!

- And you, demon that gave that ring get out, leave now!
- In the name of Jesus, I hide myself under the blood of Christ! Let no spirit wait for me on the road! What was demolished shall never be rebuilt! What was scattered shall never be gathered again! What Jesus has built in my life shall never be overturned! I proclaim that I am strong through Jesus of Nazareth!
