## **WHEN GOD TOUCHES YOU, YOUR LIFE CHANGES**

**T**ell the Lord your problem because you are a child of God. If you are facing challenges, bring them to God. What God wants is repentant hearts. When God wants to save a people, He gives them a repentant heart. If you live in sin, ask Jesus to forgive you. These are times of favour. If you are tormented by an evil spirit, ask Jesus to intervene. Tell Jesus that He alone can help you. He can touch you. If He does, your life changes. For example, you may have knee issues, and when Jesus comes, He performs surgery and you are healed. If you are suffering from hernia, fibroids, ulcers, or hemorrhoids, and you cry out to God, asking Him to come down from where He is, He touches you and you are saved. He touches you and you are delivered.

- Say: Lord Jesus, come to my rescue! Lord, I am tired!

**Joel 2:12–13**, *“Even now, declares the Lord, return to me with all your heart, with fasting and weeping and mourning. Rend your heart and not your garments. Return to the Lord your God, for he is gracious and compassionate, slow to anger and abounding in love, and he relents from sending calamity.”*

Repentance helps you get access to God’s favour at a personal level. It brings you into purity and holiness. And when you are at peace with God, repentance goes even further. It moves God to revoke the judgments He had pronounced against you. This means that if God has judged you, your repentance can cause Him to cancel His verdict.

While standing, say:

- Lord, forgive me! I forsake pride!
- Lord, I’m about to miss my blessings because of anger!
- Lord, forgive me!
- O Lord Jesus, operate in my body! Send your healing! Work miracles in me!
- O Jesus Christ, do not abandon me!
- O Father, answer me!
- Father, intervene! Come down!
- Father, answer us! You can deliver us!
- You can forgive us! Act now!
- Lord, fight for us on earth! Fight for us in the waters! Fight for us in the abyss! Fight for us in hades! Fight for us in the mountains! Fight for us in the rocks! Lord Jesus, act!

- O Lord Jesus, do not abandon us!
- O Father, release your wrath against every power of darkness that troubles the lives of the brothers and sisters!

**Say in the name of Jesus Christ:**

- Every power of darkness causing trouble in the lives of the brothers and sisters, you are judged! You are struck! (Pray in tongues.)
- We overthrow everything that was built against us!
- We judge every sickness originating from witchcraft! We banish witchcraft!
- We break everything that was used to bewitch us! We burn the sacrifices offered against us!
- We break every bewitchment against us!
- We scatter every gathering against us!

**Say:**

- Demons, I bind you! I cast you out of my life, go far away from me!
- Go back to where you came from! I cast you out of my life with all your diseases! Return where you came from! Go quickly, quickly!
- Spirit of death, I put an end to your work against me! My sleep must be peaceful—be gone, and let me never see you again! Be gone! (Continue praying.)
- Serpentine spirit following me, I cut you into pieces! You think I came to worship you. I have repented—It is over. I need Jesus; I do not need you. Be gone!
- All those who have stolen our blessings through witchcraft or occultism, we snatch our blessings away from you! If it is sickness that has been given to us, we rip it off and throw it into the abyss! (Pray in tongues.)
- Water spirits, we cast you out! We set all captives free! We declare: “Captives, come out of prison! Jesus Christ sets you free!”
- If you have been buried, the Lord saves you! Even if you were in a tomb, the Lord brings you out!
- Even if the snake was stuck to your life, we set you free! We cut every tie into pieces!

**Raise your hand and say:**

- If a demon was cast out and has returned with others, we cast you out again—Be gone quickly!

- We destroy your works!
- In the name of Jesus, we deliver everyone who has been cursed by their parents! We cast out all demons!
- If someone is unemployed because of human wickedness, we deliver you in the name of Jesus! We release a good job for you! We proclaim that the desires of the Lord will be fulfilled!

**Say:**

- I cast poverty out of my life as well as the demons of poverty! I break the yoke of poverty! I plunge my hands into the blood of Jesus. I judge the curse that causes my projects to be meaningless or small. Let everything I touch prosper! I am redeemed by Jesus! Poverty shall no longer follow me!
- Mermaid, Be gone!
- In the name of Jesus, you who dwell in the darkness of sacred forests, let fire get into that forest!
- Let all those held captive there be freed and delivered! Let the souls imprisoned there be saved! As for you captives, Jesus has set you free! Jesus died on the cross for you! You who are in prison—come out! Come out, brother! May your spirit be revived! Be blessed!

Keep calm. You know, spirit husbands are a form of witchcraft.

**Say:**

- I raise my hand in one accord with my brethren, we strike spirit husbands! I destroy his last resort! I break his support of pride! I tear up anything called a marriage contract! In the name of Jesus, be gone! Marriage takes place in broad daylight! It is not a matter of witchcraft! You, hiding in my life, minister of darkness—I overthrow you! I cast you into the dust! I chase you out of my life—Be gone quickly! We break your resistance! Be gone! Come out and go back to where you belong!
- If anyone here or online is trapped in a spiritual coffin—we break that coffin! We smash it! We shatter it! We break the chains! (Keep judging.) In the name of Jesus—even if it is a tomb—we break the tomb!
- In the name of Jesus, if someone among us has been deceived by trickery, or was made to sign a pact unknowingly—you are free!
- We judge the liars! We tear up that covenant! We release that brother! Even if he gave himself intentionally—we take authority! Jesus has forgiven his

sins! He is free! Jesus has saved him! If someone has been bewitched by their colleagues—we declare they are free! We judge the plots of those colleagues! We proclaim the kingdom of Jesus!

- If there is a demon that says: “Let us stay calm—they will soon finish,” we strike you! In the name of Jesus, I plunge myself into the blood of Jesus! I destroy everything that I was made to drink in dreams! I destroy everything I was made to eat in dreams! Let it all come out! Let it be vomited spiritually! Let me remain pure! Everything I was made to swallow—come out! Be gone!
- In the name of Jesus, if someone here was bewitched through a gift they gave to their family—and that gift was used to harm them—we judge that satanic project! We deliver that brother! We nullify that bewitchment! We judge that wickedness! We banish that bewitchment! We declare that brother or sister free!
- In the name of Jesus, if someone among us dreamed they were hit with a punch, or a stick, or they were stabbed—(if it is you, place your hand where it hurts. Even if it does not hurt physically, place your hand on that spot—it is a spiritual battle and you have been wounded; you have lost something)—you who received that blow, we heal you! You are healed and delivered! Nothing will happen to you! We proclaim: nothing will happen to you! If there is a wound, be healed! If there is a spiritual wound in your soul—be healed!
- I plunge my soul into the blood of Jesus! I cleanse the dirt from my face! human excrement thrown on my face—I wash it off! The grace and favour of God are upon me! Rejection, be gone! Let my person inspire trust! In the name of Jesus, I declare that I inspire trust!
- If you saw human excrement in front of your door—it is witchcraft.

**Say:**

- I wash my face! I remain pure, washed by Jesus and delivered! Be gone quickly! All those smells I had perceived—I cast them out now! Let those odours come out of my soul! Let me remain pure—pure like the blood of Jesus! Stay calm.
