**GOD HAS GIVEN POWER TO
THE CHURCH TO JUDGE
ALL THE WORKS OF SATAN**

Boniface MENYE

Comment on testimonies related to deliverance from witchcraft.

It is absurd to believe that the devil exists and doubt that his body does not exist. **The Lord has revealed to me that witchcraft is the body of the devil just like the Church is the Body of Christ. So there are two great powers in all the universe: the Church of Jesus Christ of Nazareth and witchcraft with all form of darkness that goes with it. Jesus is the victor, His Body triumphs.**

Ephesians 3:10, *His intent was that now, through the church, the manifold wisdom of God should be made known to the rulers and authorities in the heavenly realms.*

Let no one deceive you! Freemasons exist; sorcerers exist, but Jesus said: “*I have given you authority to trample on...*”. He did not say: “I will give you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you”. God chose the Church, which means you and I and the others in the world, to show how powerful He is, how wise He is and how He knows every universe. He can put everything on hold. He is mighty! Jesus can deliver people, heal them without visions or prophecies. However, He comes down to our level so that everyone knows that He is the one who did it. And that is very important. So, we are constantly on mission. **We reflect the glory of God and the name of Jesus is on our lips.** Say: “Jesus Christ”.

Exhortation and prayers

This evening, we will be praying, pleading and crying out. Let us take this moment seriously, for we are changing our history. God is sensitive to the cries of His children.

Psalms 107:1-9, *Give thanks to the LORD, for he is good; his love endures forever. Let the redeemed of the LORD say this—those he redeemed from the hand of the foe, those he gathered from the lands, from east and west, from north and south. Some wandered in desert wastelands, finding no way to a city where they could settle. They were hungry and thirsty, and their lives ebbed away. Then they cried out to the Lord in their trouble, and he delivered them from their distress. He led them by a straight way to a city where they could settle. Let them give thanks to the LORD for his unfailing love and his wonderful deeds for men, for he satisfies the thirsty and fills the hungry with good things.*

This first part concerns the children of God. God wants the children of God, who are saved and redeemed, to praise Him.

Let us say:

- Your love endures forever!
- O Lord, you are good! You have redeemed us!

Our job, that is you and I, is to cry out, saying: “God is good, He is merciful, His love endures forever, His mercy is endless”. You must praise God because God loves grateful people. Brethren should write lots of songs, even if they cannot sing. They should write down the wonders that God has accomplished in their lives. They should not just come and shout, they should praise and worship Him. **The Bible**

says that they must be prayers and supplications with thanksgiving.

Say:

- My thirst is quenched! Satan, you are a liar! I am no longer thirsty, my thirst is quenched! If I fight against you, it is not because I'm hungry and thirsty. It is because my Lord Jesus has commanded me to do what the Father has asked us to do. My Father and the Father of the Lord Jesus, we have the same Father! Satan, you know the verse that says: *"As the Father has sent me, I am sending you."*

I proclaim that I am satisfied! In Jesus, God has given us all kinds of blessings in the heavenly places! We are fulfilled!

Psalm 107:10-13, *Those who had darkneses as dwelling place and the shadow of death Were living captive in misery and chains, because they had rebelled against the words of God, because they had despised the counsel of the Most High. They humbled their hearts through suffering; they succumbed, and no one rescued them. In their distress they cried out to the Lord, and he delivered them from their anguish.*

Disobedience attracts death. Speak out, if you disobey, darkness overwhelms you. This evening, you will come out of the darkness. You will say: "Father, I accept what you are asking me to do". As soon as you say it, your soul will come out from darkness into the light. As soon as they come back, their condition changes. When God speaks to you and you look down on His words, trouble follows you. It does not depend on the devil. The devil is small. When God speaks to you, He is the One you must fear. Don't worry about where satan is. God says, *"Do not commit adultery"*, but you commit it. Afterwards, you go to Church. Now you have nothing to eat any more and the spirits of the dead follows you. As soon as you lie down, they are there. Why? You have rejected God's Word. When God gets angry, it is very serious. He sends out suffering. There are certain things that you feel that it is God who is behind. Then you tell yourself: "The devil exists, that is true, but this one, God is the one behind it, He is angry". When Jonah refused to obey, the wind was blowing on the sea. Even the unbelievers, who were there, knew that there was a problem and that someone must have sinned against his God. Jonah was sleeping down-stairs and they went to look for him and he said, *"It is me, I'm running away from the Lord"*. It was a judgment that came from God Himself. When it is this way, there are failures. You succumb. There are oppressions. That is where the spirit husband goes in and out because he makes of you his dwelling place. You can decide to obey this evening, it will change everything completely. It is said: *"they cried out to the Lord and the Lord delivered them"*. We too will cry out to the Lord and he will deliver us. The brethren testify that they cried out to the Lord. God goes to a higher level to disbewitch. Even if you're chained in the air, Jesus releases you from the chains. Even if you are on a mountain of snakes, Jesus comes to relieve you, sets you down and says: "Go and preach the Gospel".

Present your situation in all areas of your life: health, spiritual ministry. There are people who are suffering because God has given them work and it doesn't bear fruit. They do everything, they shout, they jump, nothing moves. And their hearts

are afflicted. That is a good feeling. It is bad to rejoice where you should cry, but if you cry out to God, he will show you the way to success. He will give you the key. Maybe you are ministering to someone and you do not know what else to do, cry out to God saying, "O Father, reveal to me the secret for I do not want to grope." Tell God: "I don't want to pretend you don't exist; I cannot pretend you are unable to give revelations".

Cry out! If it is unemployment or poverty, tell God: "I am dying in poverty, I have no blanket to cover myself. I must be given food to be able to eat. To sleep, I need help. For everything, I must be given what I need. I am tired". If it is professional blockage, tell God: "I am aging on the same grade, I have the same salary". If it is disease, tell God: "The doctor says I will die next week, but I do not want to. Do for me what you did for Hezekiah, add years to my life". You are before your Father, speak to him. Say: "I am aging without a wife". Tell Jesus: "I am aging without a husband". Tell Jesus: "I am like Abraham, to whom you made the promise. I am dying without an heir". Tell Him: "I want a child". Do not be afraid, talk to Him.

You can pray for yourself and you can also pray for someone else!

Say:

- O Father, answer us! (Let us pray in tongues.)
- O Father, act out of compassion! O Father, act out of mercy! O Father, act out of grace! (Keep on praying.)
- O Father, fight for us in the heavenly places! Overthrow all powers against us! Thrones, dignities and powers overthrown! Let every pretension that sets itself up against the knowledge of God be overthrown!
- O Father, fight for us in the abyss! O Father, fight for us in Hades! O Father, fight for us in the desert! O Father, fight for us in the dry places! O Father, fight for us in the sacred forests! O Father, fight for us in the savannahs! O Father, fight for us in the towers! O Father, fight for us in the huts! O Father, fight for us in strongholds! Destroy, demolish, cut down, uproot all! In the name of Jesus, let the heights be overthrown!
- Let darkness disappear! Let the light shine! O Father, fight for us in the waters and places beneath the waters! O Father, fight for us against all water spirits, whatever their shape and nature, strike them! Act on our behalf!
- Father, let all objects of bewitchment be smashed and broken! Let everything stolen from us be recovered! May nothing remain in the hands of the enemy, may everything be recovered! Let everything be recovered and made available to us! Let what is in the bellies of monsters be retrieved! No more slavery! No more bondage! No more oppression! You have redeemed us! Act according to Your covenant!
- Father, take away from us all hereditary diseases! O Father, take away from us all diseases that come from spells cast against us! May all spells be broken and banished! May sickness leave the body! May the wicked spirits who sent sicknesses be put to shame! May each one depart with his disease! (keep praying).
- Father, let cancer disappear! O Father, let hepatitis disappear! O Father, let diabetes disappear! Let vertebral columns be healed! Let hypertension be judged and cast out! O Father, let ulcers disappear!

- Father, let the chains of the captives be broken! Even if it is in the sea, in places beneath the sea, even if it is in many coffins, even in mystical temples, we break them and set the souls free in Jesus' name! (Continue to pray).
- Father, you know our crimes, our pain, our anguish, our fears, act! O Father, blot out our crimes before Your face!

As you pray this way, if there is an idol, a sin in your heart, confess it and forsake it.

Say:

- Lord, do not treat me according to this sin, but treat me according to Your mercy! I will obey you from now on! (Keep on praying.)

If the Holy Spirit shows you that you have broken relationships, ask Him for forgiveness and promise that you will put things right.

- O Father, answer us! (Let us pray in tongues.)
- Thank you, Lord!
- Lord, if a demon wants to hide, we judge him! We judge his works, his presence! Get out and begone, quickly!!! We condemn his works and we judge them!

Raise your hand. You had listened to the testimonies. Human spirits work for the devil just as you and I work for Jesus. Some people work for the devil. We can call them sorcerers.

Say:

- We raise our hands to banish all works of human spirits in the service of the devil! We banish, smash, strike and destroy any work against us anywhere! And you, human spirits, living people serving Satan with the spirit of evil, we banish your works! We destroy and ruin your works! (Keep striking.)
- We uproot what must be uprooted! We pull down what must be pulled down! We strike what must be struck! We bring down what must be brought down! (Let us pray in tongues.)
- We banish what they do by night and we banish what they do by day! Day and night are struck, overthrown!
- In the name of Jesus, we uproot! We overthrow! We pull down! We destroy!

Raise your hand.

We will intercede for all those who have made promises to the devil. They told the witchdoctor: "We'll come back and pay you later". It is a commitment on which the devil stands to claim that they owe him. They don't owe him anything! Let us strike all these demons to release all our brethren who are slaves because of these commitments to Satan. You don't owe anything! You were deceived. If you give them what you owe, it is a sin.

- We proclaim that all our brethren who, prior to their conversion, made a promise to a witchdoctor that they would go back and pay him later, are free.

Let us break all the bonds established because of those commitments!

- In the name of Jesus, if a water spirit has followed someone because they were told to put water in a container and put it under the bed and wash his face with it; if a spirit has followed someone because he was washed with water or in the sea; water spirits, you are judged! Begone quickly! Let the waters dry up! Let fire descend on the adversaries! Begone quickly, unclean spirit!
- In the name of Jesus, even if it is a bottle of water, we break it! Begone! Even if it is
- dew on leaves, we judge this spirit and we break the bond established! Water spirit, come out and begone!
- In the name of Jesus, we disbewitch all children who have been bewitched by seeing their father or mother nakedness. Because the parents purposely showed their nakedness to curse you and send an evil spirit into your life, we judge the works of Satan! We break the bond established by the parents' nakedness! Evil spirit, begone!

Raise your hand and say:

- In one accord, we disbewitch everyone, all those who hid to see parents having sex, or to see them taking their bath, we break the bond of that bewitchment. You have repented, but the bond is still there. Lazarus came out of the grave but he was bound. We break all the bond established by this disgusting act of seeing nakedness. And you, demon that has stayed, begone!
- In the name of Jesus, wicked spirit, serpentine spirit (the snake is a cunning spirit), Jesus has overcome you! Jesus has overcome you! Jesus has overcome you!
- In the name of Jesus, we destroy everything you stand on and snatch from you everything you have stolen! You leave alone. We destroy what belongs to you and we snatch from you what you have stolen! We strip you! We strike you! Now you can go. We snatch the captives! We set them free and place them in safety! You alone, begone you are stripped!
- In the name of Jesus, spirit husband, you who think you are a husband, you know very well that you are lying; God, who is the author of marriage, said that a man will leave his father and mother and be united to his wife, and the two will become one flesh. You that hide in darkness, in the night, spirit husband, we judge you! We cast you out! You deserve to be cast out! Begone! We break your weapons! We snatch your victims! We strike you and cut off your head!
- In the name of Jesus, we judge the worship of the dead! We judge the worship of skulls! We judge the worship of graves! We judge celebrations in cemetery! We judge, we break all the bonds established by those customs! And you, spirit of the dead, begone!
- You, spirit of the dead, let me never see you again in my dreams! I will not allow that relationship with you, it is over! God is the God of the living, not of the dead! I am a worshipper of the Living God, get out of my life! Begone!
- In the name of Jesus, we judge any spirit of a dead person who has stolen someone's belongings! Give everything back and begone! Spirit of the dead, begone!

- In the name of Jesus Christ, we judge your rebellion! You are dead and your place is in Hades! Begone!
- If you lose money in an inexplicable way. You deposit a hundred thousand, you lose eighty thousand francs, you have no savings. You cannot achieve anything. You are delivered! We judge the spirit that steals money from you, whether it is the spirit of a dead person, a living human being, a serpentine spirit or even any other spirit, we take away everything that has been stolen and we give it back to you! We judge all your enemies! We judge all the spirits who came to rob you!
- If you dreamt that you were locked up, in one accord, we break every place in which a soul is locked up! We break all things! We overthrow every place where a soul is held captive! We proclaim your freedom in the name of Jesus! If it is in the water, say: *"I am free!"*
- Say: *"I break everything in the name of Jesus!"* If it is a bottle, I break it! If it is a coffin, I blow it up! All places of bewitchment, broken!
- If someone died while you owed him money and he uses that to follow you, we come to your help. Begone, spirit of the dead!
- If you are a widow and the spirit of your late husband follows you, telling you in your dreams, "I have come to take you"; you flee or you wake up, we declare that you are free!

Say:

- I hide under the blood of Jesus! Let no spirit follow any brother! Let no spirit wait for a brother at home, in his place of service! Let what has been overthrow never be rebuilt! And let that which has been built up in my life for the glory of God never be destroyed again! Let no spirit say: "I have come out; I am staying here in Attiékoï". Go to your place!
