BONIFACE MENYÉ

We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.

God bless you abundantly!

2 Samuel 5:6-10 : *“The king and his men marched to Jerusalem to attack the Jebusites, who lived there. The Jebusites said to David, you will not get in here; even the blind and the lame can ward you off. They thought, David cannot get in here. Nevertheless, David captured the fortress of Zion which is the City of David. On that day David had said, anyone who conquers the Jebusites will have to use the water shaft to reach those lame and blind who are David’s enemies. That is why they say, the blind and lame will not enter the palace. David then took up residence in the fortress and called it the City of David. He built up the area around it, from the terraces inward. And he became more and more powerful, because the Lord God Almighty was with him”.*

The crusade is ongoing! At home, cry out to God for the salvation, the deliverance of your family. When you wake up, cry out: *“Lord, answer us!”* When we are here, we are in a spiritual battle, because in the Word of God, God Himself struck down the enemies, but His people were engaged in battle on the ground. In **2 Samuel 5:6-10**, David fought against the Philistines, even though the Lord had already overthrown the kings standing on their way. Jesus is here, He has defeated Satan, but we are Jesus’ brethren to fight the battles. He said: *“As the Father has sent me, I am sending you”*; Therefore, when you give your life to Jesus, you give your life to spiritual battle. The rest will be in heaven when Jesus takes us up and introduces us in eternal rest. if anyone tells you that battles are over, he is a son of the devil. The apostle Paul said: *“Our struggle is not against flesh and blood but against the powers in the heavenly realms”*. Our struggle is against evil spirits in the Abyss, in the wilderness, against the monsters, the spirits of the dead and against death itself. Say :

- I proclaim that my struggle is not against men, but against demons, evil spirits in the heavenly realms, the territories, the waters, hades, the great rocks, the forests, the savannahs, etc. and the weapons we use are the weapons of God.

The enemy does not want you to progress in all areas: spiritually, materially, emotionally, financially. The devil’s plan is to block you. The satanic prince who manages Satan’s activities in your family does not want you to thrive. It is a spiritual principle. The Jebusites said to David, *“You will not get in here”*. This can affect every area of your life, demons can say: *“You will never have money!”*; *“You will never get married!”*; *“You will never get a job!”*; *“You will never be healed!”*.

The good thing here is that David attacked, he would not sit passively while the enemy comes to attack him, because the enemy’s plan is that you do not move forward, so that when you sleep, you do not disturb him, you make his work easier. ***“They said to David: you will not get in here, even the blind and the lame can ward you off! It means David will never get in there...”***: It was a way of saying that they will spare nothing. They said to themselves: David in Jerusalem, does this confirm his kingship? his

supremacy? No, no!!!

Many people have been ruined! They were told, “*We will see!*” and they began experiencing hardships in their lives. Many people have lost that battle, but David did not lose the battle, even yourself, you have not yet lost that battle.

Say :

- I proclaim that God’s will is that I make progress, that I go from glory to glory! I proclaim that God himself has established the principle of growth, to grow physically, emotionally, in all areas of life. My assets, my possessions must grow!
- In Jesus’ name, if anyone has cursed you, bury it now! I capture every negative sentence spoken anywhere, by living human beings, by the spirits of the dead, every sentence that symbolizes a curse, let the earth open up and swallow up these words, let its effects be nullified! I bury the slander! (keep praying).
- In Jesus’ name, I banish the consequences of any slander against me, I banish the consequences of lies against me!
- In Jesus’ name, I banish the consequences of human curses! In Jesus’ name, I banish the consequences of men’s vows against me! (keep praying).
- Raise your right hand, and say :
- In Jesus’ name, I banish all evil plans against me (continue praying).
- Raise your right hand and say:
- In Jesus’ name, I strike down every spirit that has been called upon against me. I destroy, I strike down every spirit that has been called upon against me! I strike, I scatter!
- Wicked spirits, I deal with you as David dealt with the Jebusites! (continue to strike all these spirits and pray in tongues).

Raise your right hand and say :

- In Jesus’ name, I send fire against any object buried against me (keep praying).
- In Jesus’ name, I send fire against any object manufactured against me and thrown into the water. I send God’s fire to consume it! (continue praying).
- You wicked spirit in the heavenly places, in Jesus’s name, we overthrow you. Let every power in the heavenly places against one of us, be overthrown!
- Demonic power acting in the heavenly places against one of us whom Jesus has sanctified and cleansed, we overthrow you, be overthrown!
- In the name of Jesus, we go down into the waters, we strike down all water spirits, we set the captives free, we strike down all water spirits and we release all that has been stolen (let us pray in tongues)
- In Jesus’ name, we strike down and scatter all Satan’s army that opposes our spiritual progress, and we strike down and scatter all Satan’s army brought in to oppose our spiritual progress. We strike and scatter it. We proclaim the victory of Jesus, we proclaim the victory of Jesus (Keep praying).

Raise your right hand and say :

- In Jesus' name, we break all barriers and wipe all obstacles away, we burn them with the fire of the Holy Spirit! (Keep praying, keep praying).
- In Jesus' name, we rise up against natural phenomena. Let everything in nature that is opposed to God's will for us be overthrown!

Nature must surrender to God's purposes; Nature must surrender to God's purposes. If you build a house, the wind must not wreck against it and dump it into the bush; Floods must not come and destroy everything you have achieved since you were born. These are natural forces. The enemy wants to trigger them, and the Lord can send him. Even when the Lord has sent natural forces against you, if you say, "O God, forgive me," He stops. When it comes from the demons, it is violence. Every natural phenomenon! Even your body should not be disorganized; the cells must not have a disorganized layer.

With this topic, many people will be healed of cancer because disorganized production of cells results in cancer cells. Everything must surrender, nothing must be disorganized against you! Your blood must not come out of your nostrils, out of your ears! Your menses must not flow continuously for 12 months. Everything must be orderly according to God's plans! (Let us pray together).

Say :

- In Jesus' name, we judge every natural phenomenon that is set against us; no natural phenomenon should stand against God's purposes for anyone of us (Let's pray together).
- In the name of Jesus Christ, let everything that was disorganized become reorganized, let the cells that were abnormal become normal according to God's purposes. As we pray, you're healed, you're healed!

This is the time when everyone can ask for their healing, ask for your healing!

If you have no sperm, ask! Nature must surrender, everything must become normal! If it was said that you do not ovulate, it's a disorder, ask and nature will surrender!

Say :

- Let everything come back to life in the name of Jesus Christ! let everything come back to life in the name of Jesus Christ! life, life, from the head to the soles of my feet.
- In Jesus' name, we restore the glory of God in the eyes, the glory of God in the throat, the glory of God in the tongue, the glory of God in the nostrils, the glory of God in the stomach, the glory of God in the womb, the glory of God in the heart, the glory of God in the bladder, the glory of God in the urinary system, the glory of God in the male reproductive system, the glory of God in the female reproductive system; the life of God, the health of God!
- In Jesus' name, we uproot everything that God has not planted in man and let the Jebusites who have declared that there will be no healing be astonished. Let there be God's healing from the head to the soles of the feet, God's healing, God's healing from the head to the soles of the feet (Pray in tongues, pray in tongues).

The Holy Spirit revealed to me that we are not focused on striking spirits in the air, but rather we are focused on spirits in the abyss and Hades. There has been a great deliverance through prayer tonight. As a result, there will be a great revelational knowledge of Jesus because the principalities in the heavenly places are blocking fellowship with God. They make noise so that God is not known.

PROPHETIC WORDS

Those who had received the gift of prophecy and lost it will be restored.

Some will meditate deeply, that means they will have a perfect understanding of Scriptures, because the noise is over.

It will happen that when someone explains his problem, you will give him advice that comes from God. You will even have the understanding to conceive prayer topics. It will happen that when someone explains his problem, you will tell him: "Pray this and this way" and he will come to tell you that when he prayed, it worked.

You will establish yourself into progress. Many have experienced progress, but they are not established into that progress. It is not God who will establish you, He gives you victory and you establish yourself into that victory. You write your name yourself on the city: "City of ..."; that is faith. This thing that the enemy does not want to see, is your main wealth.

It is said that as long as an heir is underage, he is not different from a slave. Write your name on the city. Children do not know that it is important, but you know, therefore, establish yourself. In your battles, you should protect this conquered area. Jealously guard all that God gives you at the cost of warfare.

A sister had a house she wanted to sell. Knowing her testimony, I told her, "Don't sell it. You don't sell the spoils of war. It's the spoils of war that we brandish, it's like Goliath's head".

You are going to take five minutes to pray that you will not take a step backwards. You have to consciously move forward. There are some people who strike the enemy and then sit next to the enemy. David captured the fortress; he did not share it with the enemies. The stronghold has been captured. Do not fear, the enemy is already defeated and it is by faith.

Ephesians 3:16-18: "I pray that out of His glorious riches he may strengthen you with power through his spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide, and long and high and deep is the love of Christ".

I am saying that each one must establish himself into the territory he has conquered. This is done by believing that you have already entered the stronghold. Your job is to believe that where you are, you are sitting into the stronghold that you have conquered. You have to believe it and God will fulfill it. Believe that Jesus dwells in you, and you will realize that He is there.

Everyone must settle into the territory he has conquered. Believe that Christ dwells in you, as you sit into the stronghold you have just acquired. The battle you just fought, God has already answered. Let no one deceive you; that is faith.

A woman said to Jesus: "The little dogs can eat the crumbs that fall from the children's table". What Jesus had said to this woman, if the same was said to you, you would have

been dead. She wanted her child to be healed. Jesus said to her: *“I have not come for strangers, I have come for children. You cannot take food from children and give it to little dogs”*. If someone says that to you, you will say that the Lord has rejected you. The woman answered: *“Lord, the little dogs eat what has fallen from the children’s table”*. Jesus looked at her and said: ‘Woman, because of this word, the demon has come out of your child!

You are no longer the same. Even if you lie down and dream that you are the same, you must deny that. Proclaim that you are no longer the same. Tell Satan: *“This is your dream and not mine”*.

Proclaim :

- I believe that I have snatched my stronghold.
- I believe that I have established myself therein, no one can take it away from me.

This is faith, never forget it. Jesus said: *“If you ask for something in prayer and believe that you have received it, you will see it fulfilled”*. We can ask for a thousand things, that’s fine; but that’s not the main thing. The main thing is to believe that you have received everything you asked for.

Stand up: (You have 5 minutes to establish yourself). When you go home, you can give testimony saying: *“I have snatched the fortress, I have written my name on it and I have established myself therein”*.
