**HE WHO HAS FOUND JESUS,
HAS FOUND EVERYTHING**

Boniface MENYE

Matthew 11:25-30, *At that time Jesus said, "I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned, and revealed them to little children. Yes, Father, for this was your good pleasure. All things have been committed to me by my Father. No one knows the Son except the Father, and no one knows the Father except the Son and those to whom the Son chooses to reveal him. Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light".*

Who knows how the true God is called in his mother tongue? He is called Zambe, Zraha, Gnamian, Misambaley, Mahou, and so on. in different languages.

The God who is the true God and whose name has just been revealed in different languages is the one who took all things to give to Jesus. When people no longer want to worship idols, they turn to him. God took everything and gave to one person: Jesus Christ. If the devil takes away your piece of bread and your placali (Ivorian dish), it is because he has nothing. The true God took everything and gave it to his Son. Do not be surprised if, in your poverty, you put down five francs and the devil takes it. He has nothing. He wants to sleep in your house; he wants to live in your body; he has nothing. The Father took all things and gave them to his Son.

Say:

- We proclaim that our Father, the Creator of heaven and earth, the true God, took everything and gave it to his Son Jesus Christ, in the name of Jesus Christ!
- In the name of Jesus Christ, let the idols be silent! God has already decided that everything belongs to his Son Jesus Christ, everything in heaven, everything on earth, everything in the waters, everything under the waters, everything in the universe belongs to Jesus Christ, the Son of the living God!

Your eyes must be opened, your mind must be opened to understand that you who are in Jesus have arrived. In Jesus, religions come to an end; prophets come to an end. Which means that when you have found him, you have found everything. If you have not yet found Jesus, keep on running.

- Lord Jesus, I worship you! I have always worshipped you, but tonight I worship you as the one to whom the Father has given all things! Chosen of God, I worship you as the one who has received all things in heaven, on earth and under the earth!
- O Father, thank you for revealing the Son to me! O Lord Jesus, thank you! You have revealed the Father to me, otherwise we would still be worshipping snakes!

You see, all the testimonies speak about spirits, they want us to serve them. If Jesus had not come, we would still be whistling the songs of snakes.

Isaiah 26:12-13, *LORD, you establish peace for us; all that we have accomplished you have done for us. O LORD, our God, other lords besides you have ruled over us, but your name alone do we honor.*

Say:

- Lord, you establish peace for us, for all that we have accomplished you have done it for us. Lord, our God, other lords besides you have ruled over us, but it is thanks to you alone that we call upon your name.
- If we are able to pray today, it is because of You. It is thanks to Your Name that we pray to the true God. It is Your work! It is real in our lives. The snakes we cut to pieces today, we would have been worshipping them. The wisdom we have today, You gave it to us! The things that you have hidden from the wise, you have revealed to us. We know the things of God by grace!

If you meet the true God, He will tell you: “Go to My Son, I have given Him everything, go and tell Him all the problems”. And He himself will tell you: “Come to me, you are tired”. Sometimes you meet someone to whom you narrate your story for four hours. But, they cannot find a solution to your problem. The real solution is Jesus.

There was a brother who went to see Rosicrucians. He said that the sorcerers almost killed him. So he wanted to protect himself. He met their boss. I don't want to mention the name of the nation in which the story took place. Just keep in mind that it is in a country and it is a true story. The brother was a gendarme. He still had bandages on his arm. He said to the Rosicrucian while showing them: “I nearly died, the sorcerers wanted to kill me. I want to become a Rosicrucian”. The Rosicrucian then told him: “For you, you have to go to church. Protection is automatic with Jesus. But with us, even before we train you, the sorcerers would already have killed you. We will give you a talisman. If there is any danger, you will steal the aura of others. It will take you six years' training before you get there. The sorcerers would have already killed you. However, when you go to church (he named four revival churches he could join), do not stay in the crowd. He was telling him not to be a superficial Christian. He is a sorcerer, so he knows that when you are in the crowd, you can be attacked. That is what we explain to brethren every day. Let no one discourage you. Spiritual warfare is a key. Let no one deceive you by telling you that, as you have believed, eat and sleep. Jesus is coming back soon: “*Let us eat and drink, for tomorrow we die*”. You neither go backwards nor forwards. He actually meant: “Be a consecrated Christian”.

You will pray for someone who is not here but who has problems. This is called prayer of compassion. You forget about yourself. If someone tells you: “Pray for me”, pay the price now. Touch every area. The person may be sick, oppressed, stigmatized. Sometimes, he wanted to commit suicide. There have been days when he shared that with you, or it is someone you have often urged to take courage. Pay the price; God will bless you.

You know, there is a divine jurisdiction. God wants to do good to some people, but it

must be someone who asks Him. **The Bible** says: “*He justifies without having sinned, Himself*”. Intercession enables God to justify others while remaining righteous. There is a level of intercession where when you tell God: “I don’t want to pray for this person, you must strike him!” He will do it. If you say, “Don’t strike! Don’t strike”, God will answer you.

Say:

- Father, Lord Jesus, You are the way! You are the one the Father has entrusted us to! You have the solution to all our problems, the problems of our parents, our friends, our colleagues, those who ask us for help, those we look at helplessly without being able to help them, Lord, help such a person! (Name that person, even if there are many, name them one after another.)
- Father, listen to my cries, deliver him/her! Intervene wherever he/she is, in hospital, at home. Wherever he/she is and has no money to buy the medications! O Father, come to his help! Deliver him/her from reproach! Visit him/her and bring him/her out of prison! O Father, give him/her victory in such and such a trial! O Father, give him/her success in such and such a contest! Unlock the career of such other. Give a husband, give a wife! (continue to intercede).
- Father, heal him/her of this hepatitis! O Father, heal him/her of blindness! O Father, deliver him/her from unemployment! O Father, deliver him/her from celibacy! O Father, act! O Father, intervene! Everything in heaven, on earth and under the earth belongs to you! You have the means to save! You have the means to deliver! You have the means to help! You are able help! (Pray in tongues.)
- Father, it is not by merit, but out of grace, out of love, out of mercy, out of compassion! Answer us!
- Start thanking Him!

Consecrate yourself to Jesus Christ by faith. You just need to tell Jesus: “I belong to you”, and He puts His stamp on it. Tell him: “Nothing can separate you from Him”. It is a firm decision to belong to Him 100%. Tell Him that you love Him and that you want Him to reign in your family 100%.

Say:

- O Lord Jesus, let everything about You prosper in my family! (Keep praying).
- Lord Jesus, may everything that bears Your name prosper in my family! (Pray with authority).
- Lord Jesus, let everything that opposes You in my family, and in my life, crumble! let customs and traditions without Jesus, collapse! (Keep praying).
- In the name of Jesus, in one accord, we overthrow the worship of the dead wherever it is practised! We strike it! We scatter the whole army of Satan behind this worship! We overthrow it! We destroy everything! (Keep praying).
- In the name of Jesus, we overthrow the divinity of spirit husbands and spirit wives! We break and overthrow everything!

- In the name of Jesus, we proclaim the freedom for all family members who have sold themselves out to Satan or who have been sold out! We proclaim their freedom through the power of Jesus Christ!
- In the name of Jesus, we break all the ties established by the worship of the dead and spirit husbands! We burn the statues and drive out the spirits behind them! We proclaim the freedom of families! Freedom! Free from curse, poverty, and spirit husbands! Free! (Keep praying).

Raise your right hand and say:

- In the name of Jesus, in one accord, we strike spirit husbands who still resist! We strike and break the support of their pride!
- In the name of Jesus, in one accord, we strike the spirit wives who still resist! We strike and break their pride!
- In the name of Jesus, we judge and nullify all sacrifices that have made these things possible, that have consolidated these ties! We break those ties! We break the sacrifice of chicken, dogs, rice with palm oil.
- All the sacrifices, broken! Captives, you are free! Come out of prison!
- We free everyone in contact with death and the spirits of the dead! Spirits of the dead and death, stop your activities and begone quickly!

Remain calm. The Holy Spirit is at work. For some, He goes down to the depths of the seas where people believe they have succeeded in bewitching you. Jesus Christ is powerful! David could say: “he drew me out of deep waters”. Even if it was you who sold yourself out, you are free!

Raise your hand.

We are touching those who have hidden themselves. We will strike every cunning, every demonic hiding place. If they go up, if they go down, if they go into the depths, we will strike! The result is that you go home free.

- In the name of Jesus, in one accord, we rise up against all resistance! We strike wherever he has gone to hide! We break the places of refuge! We strike and smash strongholds! And we command all evil spirits to leave! We strike you! Begone quickly!

If you have any blockages in your life, we will destroy every form of blockage.

Say:

- In the name of Jesus, we break every obstacle in the path of a child of God! We overthrow obstacles! We grab human obstacles and throw them out of the way! In the name of Jesus, we break everything!
- In the name of Jesus, if a wicked family member, a sorcerer, or a wicked colleague, a member of a sect, has practised something against me or all

those who have practised something against me, I banish all these things! I destroy them, banish them, strike them down and overthrow everything!

- In the name of Jesus, I destroy every object that bears my name in the camp of the enemy! I remove my name by the blood of Jesus!
-
- If there is a spirit of the dead following anyone, whether here or even before the programme starts, spirit of the dead, if you went and have come back, we cast you out! Begone!
- In the name of Jesus Christ, if there is a spirit of a relative in a child for any reason, get out of that body! We break the ties of incarnation!
- If a spirit has incarnated someone, by a grandfather or grandmother, get out! The truth is that the Holy Spirit is at work, even if you have been hung on a tree, you will come down today.

Strike! Deliverance is done by the word. Jesus cast out demons by the word. It is the spirit of the dead that makes things to quickly become complicated when you fall sick. You see the spirits of the dead; it is as if they have come to welcome you. It is the connection with them that makes you find yourself back in the village as soon as you sleep. This must stop.

Say:

- You who want to resist, we strike you! We cast you out! Spirit of the dead, we cast you out! In the name of Jesus, we break your resistance and rip you off from all bodies!
- In the name of Jesus, I am a genuine member of the Body of Christ! I refuse to be a witch! I judge any attempt to bewitch me through food in my dreams! I refuse any attempt to bewitch me through wet dreams! I wash myself in the blood of Jesus! I remove all defilement coming from contact with spirits! All defilement coming from contact with the spirits of the dead or the spiritual bodies of sorcerers! I break the ties that have been placed on me through contact with the spiritual bodies of sorcerers! I cut into pieces and cast out all these spirits!
- In the name of Jesus Christ, spirit husband or spirit wife, you thought we will leave you, begone quickly! In the name of Jesus, we take away everything you have stolen! We cast you out! Take your poverty and go to your place!

Spirit husbands are responsible for a lot of poverty. If you have an appointment, then a spirit wife or a spirit husband visits you, everything goes wrong.

Raise your hand and say:

- I take back everything I have lost because of you, spirit husband or spirit wife! Even if there are several of you, I declare that in Jesus I am restored! You are the loser, begone! I take it all back! You take your sickness! You take your poverty! You leave and never come back! You take your celibacy and get out!

Some diseases like epilepsy will disappear because they were the work of human spirits. They have gone. People will look for you to do you good! The jealous demons who stirred up hatred against you are gone! Satan can do nothing. When Jesus decides to restore, no one can oppose him!

Raise your hand and say:

- You that is called mermaid, begone in the name of Jesus! We snatch from your grip anyone who has had contact with you! In the name of Jesus, we cast out the spirits of prostitution and we cast out all demons of prostitution!

There are people who are troubled by the queen of the coast. There are people who are victims of what is called mermaid. They have violent immoral thoughts. I declare that you are free! Demons behind immoral thoughts, begone!

Raise your right hand and say:

- We scatter all coalitions of all spirits, of all principalities cast out that want to band themselves! We scatter them!
- In the name of Jesus, all principalities cast out will remain divided, separated! Let no attempt of coalition ever succeed! We scatter those that have already been formed!

The battle is becoming very intense. You command that any spirit that is cast out follow no one including you. They should not touch anything that belongs to you.

- I keep in ruin all that has been ruined!

You bless all that has been built for the glory of God.

- I hide under the blood of Jesus! Let no spirit cast out follow anyone! Let they not follow me either!
- I bless everything that belongs to me!
