

CRUSADE FOR THE OVERTHROW OF PERSONAL AND FAMILY PRINCIPALITIES

OVERTHROW OF PERSONAL AND FAMILY PRINCIPALITIES

N^b 0580
15th Edition

1 July to 9 August 2023

Summary day 20

20 July 2023

**YOUR GOD COMMANDS
YOU TO BE MIGHTY!**

Boniface MENYE

The Lord has revealed to us that we must all pray together in one accord. We intervene in the life of anyone who is experiencing resistance in his fight against demons. This means that each forgets himself and we all decide to go and strike where there is resistance. If you are seeking deliverance, seek it, even if it has lasted ten years. Let people laugh at you and say it is always you. There is your right time, when God will remember you and deliver you. Yesterday, it was the Holy Spirit who led me to explain what the kingdom of demons was all about. That was not on the schedule. And that light disorganised their kingdom. Jesus delivers by the word. That is why I told the missionaries to preach revelations. The words that save men come from heaven. You cannot preach for the flesh and for heaven. Preach revelation. I say this because this is also the pastoral academy. We train people who will go and do the same thing, or even more. It is the Spirit of Jesus that is at work. It is not a matter for human beings. This deliverance, I tell you the truth, it was Jesus who could do it as an answer to our supplications.

Say:

- Jesus Christ, the Name of Victory! The Name of Redemption! The Name of Divine Power! The Name that is above every name!

Comment on the testimonies on anger

When people want to bewitch you or when they have actively given you witchcraft, they ensure that there is a sin in your life that keeps you in darkness. Usually it is anger, unforgiveness, drunkenness, love of money, sexual perversion. You can see someone who has a wife but masturbates, who watches pornographic films and has sex with animals. These are sins that cancel the whole process of deliverance. When the devil wants to bring him back, he takes him back to his sin. When there is a sin in your life, don't treat it lightly. Demons and sorcerers always make sure that there is a sin that doesn't leave you. It is what enables them to get in and out of your life as they please. Bewitched people will always have vices in their lives that they are unable to control. In addition, there is love of food. You want to eat when you are not hungry. You are always after little stew. You attend all the parties. When you get to the party venue, your eyes are where the food is. That's why this matter of the overthrow of idols is a blessing from God. For those who don't know CMFI, it was the founding father who showed the churches how to overthrow idols. This is the 15th edition of the crusade. These crusades are based on these revelations. It was the work of uprooting idols that gave birth to all the crusades you know. Today again, we will come together in one accord wherever there is resistance. Take this snake matter seriously. The devil is called "the ancient serpent". So don't be surprised that there are snakes in almost every battle. You go into deserts, mountains, abysses, there are snakes. Snakes even have temples. There are some peoples who worship them physically. Somewhere in Benin, if a snake swallows a baby, it is luck. It is as if their god has accepted their offering.

1 Peter 1:18-19, *For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your forefathers, but with the precious blood of Christ, a lamb without blemish or defect.*

The word of God says that Jesus redeemed us with his blood.

1 Corinthians 2:6-10, *We do, however, speak a message of wisdom among the mature,*

but not the wisdom of this age or of the rulers of this age, who are coming to nothing. No, we speak of God's secret wisdom, a wisdom that has been hidden and that God destined for our glory before time began. None of the rulers of this age understood it, for if they had, they would not have crucified the Lord of glory. However, as it is written: "No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him" but God has revealed it to us by his Spirit. The Spirit searches all things, even the deep things of God.

If you don't have faith, you cannot fight spiritually because you will not understand anything, you will not see anything. The word of God says that we are saved because Jesus shed his blood to redeem us from death, curse and Satan. When you commit sin, you automatically become a slave. Sometimes we think that our problems start when we come into contact with witch doctors. No! The problems start once you come into contact with sin, in other words, once you disobey. As soon as you disobey, you are already dead. The moment the first man sinned, death entered the world and so did curse.

When you study man's downfall in Genesis 3, you realise that as soon as man disobeyed, he found himself naked and he was afraid. He fled and hid. God had not yet spoken. The contact with sin made him naked and fearful, and he fled to hide. Then God came and asked him why he was naked. He replied: "It is the woman you gave me..." God then asked her: "Why did you do that?" She replied: "It was the snake..." Then God cursed them. So there is a curse attached to disobedience. There is curse that comes from God the Creator, the Supreme Judge, who punishes the deeds of men. It is God the Creator who has defined how man can recover his freedom. He has defined how a man can be redeemed. Redemption is therefore a divine operation. But one needs the grace of God to understand. Paul says that it is wisdom. It means that the work of redemption is a definition of divine wisdom. It is knowledge. Redemption does not happen by chance. It is something designed by the wisdom of God. Paul says that we preach wisdom. When you are told that you can use the Name of Jesus to destroy the kingdom of Satan, that is knowledge, that is wisdom. But the mind of man does not know that. It is wisdom that surpasses the wisdom of the world. There is no one on earth who can explain to you why we are black and others white. There is no one who can explain to you why blacks and whites commit the same sins. Who can explain it? The children of God can explain it. Some leaders don't know that they will be destroyed, but we do. The demons we are fighting today will one day be thrown into the lake of fire. This is the wisdom we preach. If you go to university, you will not find it there.

You finish your studies, you continue your research work, you will not find anything. But if you ask Apostle Paul, he will tell you: "One day I was taken up into the third heaven. I saw heaven and heard words that no mouth can voice out. I saw things that I cannot describe". Jesus Christ delivers from death. God reveals these things freely to those who love him.

Hebrews 2:14-15, *Since the children have flesh and blood, he too shared in their humanity so that by his death he might destroy him who holds the power of death—that is, the devil—and free those who all their lives were held in slavery by their fear of death.*

He died to destroy him who had the power of death. This is wisdom. And the word of God says that if the sorcerers, magicians, and so on had known that Jesus would

destroy the kingdom of darkness, they would have refused to kill him. But by his death, he destroyed the power of the devil. Some people feared death and went into slavery. Some sought protection, others wealth. Jesus came to deliver all those who, by their fear of death, were held captive, subjected to servitude. There are two kinds of deliverance. The one that consists in delivering man from death and the one that consists in delivering him from Satan. Redemption is a working of the manifestation of the great power of God. Redemption is achieved through the death and resurrection of Christ. Jesus manifests power against sin, against the devil, against curse. If you are saved, you are a power.

Acts 1:8, *But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.*

Brother, let no demon deceive you: you are powerful! This power comes from Jesus Christ. Even serving God is a working of power. He said: "The Holy Spirit will come upon you". We don't serve God with our strength. God has provided great power for our ministry after His Son and He gave us power. We couldn't go on without power. Redemption is a working of the manifestation of God's power. Where you are seated, you can talk to someone who will decide not to drink any more for the rest of his life.

I experienced the power of the Holy Spirit. I was still in government. It was at a time when I was working on my life to reject the world. I removed from my heart all earthly ambitions related to my professional career. I was focused and filled with the Holy Spirit. One day, I was leaving my boss's office when I came across a drunken policeman. When he looked at me and our eyes crossed, he bent his head. He started crying and saying: "*My problem is alcohol*". That day I saw how the Holy Spirit works. He said to me: "You do not humiliate him in front of people". I told him, "Do not cry". That was the day I realised that God does not like tears. I said to him, "*Jesus will deliver you*". I told him about Jesus. He accepted and was genuinely delivered. His wife watched him for a month and also decided to give her life to Jesus. He had a gun, and when he was drunk, he would say to his wife, "I'm going to shoot you! And the woman was always fearful and trembling. When he accepted Jesus, she noticed that there was no more: "I'm going to shoot you". She watched him for a month, two months, and then decided to be converted.

You are able! You are not an orphan; you are a child of God. You are able! You are able! Jesus shed his blood; no devil can accuse you. You must not accuse yourself. The blood of Jesus is the wisdom that we preach. When the blood of Jesus is upon you, no demon can claim anything. Demons know the blood and the name of Jesus. They know when you are afraid and they laugh at you. They know you but you do not know yourself.

Say:

- I proclaim that I am washed in the blood of Christ! I am a child of God! I have received wisdom, the wisdom of God! Jesus is in me!

You are rich. We see you sitting with nothing but you are rich. There are some believers who may ask for transport money to go back home after prayer, but they

are rich. I tell you: “You are rich! Do you believe it?”

The Bible says that we preach wisdom that is not of this world. Be on your knees before God who created you, who loves the truth, and tell Him: “Father, have mercy on me, I’m tired, I cannot take it anymore, I want to stop everything!” He looks at you. Say: “I don’t want to lie any more”, but he tells you: “Say, I’m strong”. You tell him, “I don’t want to say it”. So, I stand up and say, “I’m strong” and I win the battle! This is the wisdom we preach.

God says: “Let the weak say, I am strong and the poor say, I am rich”.

Let us stand on our feet:

Your Father demands that the weak say, “I am strong”. It is this statement and faith that change the world.

Say:

- Proclaim that I have victory over all my enemies!

This is how David fought. He knew spiritual warfare. He said: “All the nations surrounded me, but in the name of the Lord I cut them off”. He made this statement before the war and when the war came, what he proclaimed happened.

The Word of God says: “Your God commands you to be mighty”. But you are complaining. Be mighty! And you become another person.

The apostles said: “O Father, increase our faith”. Even if you have little faith, you can overthrow the devil and defeat him. This is wisdom which is not of this world. The God of truth says to his children: “You are weak, but declare that you are strong”. It is a science, and he who understands it is powerful. Apostle Paul said that we have the mind of Christ. And he added: “I can do everything through him who gives me strength”. Today, throughout the Church, people talk about Apostle Paul because he knew the redemption, his position in the death and resurrection of Christ.

Brethren, we are in the truth.

Say:

- In the name of Jesus, I arise and my enemies are scattered! I am strong! I am strong! (Proclaim what you believe, proclaim your victory! Now speak to your Father!)
- Let us ask God to deliver us from all forms of infirmity, from all kinds of diseases, from all situations created by the forces of evil, or by human wickedness and organic infirmities.

Tell him about the problems in your heart, the problems in your lungs, the problems in your liver, the problems in your kidneys, the problems in your womb, the problems in your stomach, the problems in your intestines; the problems in your brain, the problems in your vertebral column, the problems in your head,

your eyes, the problems in your throat, the problems in your ears, everything! Take your time! It's a science, it's wisdom that you know your Father and that you know that "Everything is possible for him who believes! And all things are possible to God himself: skin conditions, breathing conditions, all health conditions, male sexual impotence, infertility! You take your position as the redeemed. (Tell Him about your situation.)

- Father, answer us!
- Father, you who sent Jesus for our redemption, for our liberty, we thank you (Tell him your problem. If he tells you: "I answer you", believe him.)

All together, let us tell God that we are going to pray so that anyone who is suffering from a problem that no human being can solve, an affliction that no doctor can treat, an infirmity that no one can cure, that He will listen to us. And when you pray, even if you are healthy, pray as if you were the one who is sick. Some people have spent their whole lives with HIV/AIDS in their blood; brethren, when someone has to spend his whole life with HIV/AIDS in his blood, he must cry out to God. When someone, because of cancer, has to count his days, he needs compassion. And you must have that compassion. Hypertension, hepatitis, fibroids, heart failure, bedwetting, unresolved blood loss and chronic piles must go. Let us cry out to God! He will give specific orders and there will be songs of praise! (Let us cry out together.)

- Father, answer us from the height of Your throne! O Father, deliver us from anguish and torment!

Keep calm, if the Lord tells you: "Repent", do it! If he tells you: "I have healed you, answered you", tell him: "Thank you". If you feel complete peace, tell him "Thank you" (Let us pray in tongues).

We are going to intervene in every life where the enemy resists. We will cry out as one people. The future will show you the result of what we are doing. In every area, if there is an enemy on your path, he may be a living human being. He may occupy a social position that crushes you. He will be removed from that position. God will establish someone else who will come and do you good.

Say:

- Thrones and dignities, under the power of Christ!

Stand on your feet.

Say:

- Father, we are not asking you to kill anyone, but we remind you of Your word which says: "And it will be said: "Build up, build up, prepare the road! Remove the obstacles out of the way of my people". Father, if there is a human being in an influential position and has decided to crush me, do not kill him but remove him from my way! O Father, answer us! We proclaim that man is not God!

This is a very significant topic. If you have blocked someone, change quickly because this prayer will affect you. You need to be good, without jealousy or wickedness.

There are people who taught in Bible studies that Pharaoh represents the devil, but that is not true. One day God told me: "Pharaoh represents human rebellion, and the devil uses Pharaoh". The devil will always be Satan. He can use the head of a village, the head of a district, the head of a tribe, the head of a nation. The devil uses human beings.

So Pharaoh can decide that you will be nothing. He can decide that you will always remain a slave. A young man can say: "I have a missionary calling" and his leader will retort: "What missionary calling? Stay here and carry my bag".

Say:

- O Father, if there is anyone in this world who has sworn, with or without imprecations, that my life depends on his moods, remove him from my way! And remove him from this position that he is misusing! Send a servant who will do good, who will put a smile on faces and spread grace, a good man!
- In the name of Jesus, Lord, in Your name, we sweep away all other forms of obstacles! We remove every obstacle from the way of your people! (Keep on praying.)

Now we intervene in any life where a demon has remained standing to this day, after the individual battles fought to date.

- In the name of Jesus, we intervene in any life where the enemy wants to remain; in one accord, where the enemy wants to resist for one reason or another, even if it is the most ancient snake in the world, even if it has put whole tribes in its belly, let it be struck!
- In the name of Jesus, even if it has many heads, we will cut them all off! Begone in the name of Jesus! (Keep on praying.)
- In the name of Jesus, wherever there is a snake or a legion of snakes, we cut them to pieces! And we set the captives free! We snatch the captives! We proclaim their freedom!
- In the name of Jesus, wherever there is a hidden spirit husband, we judge you! We strike you! Begone quickly!
- In the name of Jesus, even if it's in a prison, if that prison is made of concrete or iron, we break it! We set the captives free! (Keep on praying.)
- In the name of Jesus, even if it is under a rock, we overthrow it! Even if it is on a mountain, we uproot it! Even if it is in the belly of a monster, we split it open! We overthrow you! We throw you down! Even if it's in the abyss, we strike you! And we condemn you to remain in the abyss! (Keep on praying.)
- In the name of Jesus, we intervene to snatch everything that has been stolen. If it is under the earth, let it be vomited! If it is in the seas, let the seas vomit it! Let everything stolen be returned!

Let us keep calm!

Let God speak to you and tell you where we are! He even went to the seas to break the chains!

- Wicked spirit, you are smashed! You will have no more slaves! You will have no home! Begone quickly! God's judgement is against you!

Say:

- In the name of Jesus, we break the bond of resistance! We demolish the strongholds!
- In the name of Jesus, we put an end to your flight, we catch you in your race and we strike you!
- Spirit husbands, if you have both sexes, we strike you! You cannot hide!
- Spirit wife, even if you have both sexes, we will strike you! You will not be able to hide!
- In the name of Jesus, I separate myself from any object that has been stolen from me, that has been used to destroy me, I first separate myself from that object, and then I burn it!
- Spirit of the dead, we judge you, begone! In the name of Jesus, come out and begone!
- In the name of Jesus, if you are hidden in a body, or if you were following someone, you are judged! Come out and begone! Come out and begone! Even if in the grave, we snatch you from death! We deliver you from death!
- If a spirit of the dead has followed you because you cried a lot when this gentleman died, I declare that you are free!
- All those who have been followed by spirits of the dead because there had much affection, I declare in the name of Jesus that you are free!
- If a spirit of the dead has followed you because you have been given a garment or something from the deceased, and the spirit of the dead, out of wickedness, has followed you, you are judged! Impure spirit, you are judged! Go quickly!
- If you are a woman and you have married a widower, and the spirit of his dead wife follows you, unclean spirit, you are judged! Begone!
- If there is a child who is pursued by a spirit of the dead because his mother sent him to a home where she married a widower, impure spirit, you are judged! Set that child and that woman free!
- If you are a civil servant, a workman, a worker and you have occupied the office of someone who has just died, and his spirit of the dead has followed you, causing blockages, adversity, situations that you do not understand, wicked spirit, I cast you out in the name of Jesus! And I set your captives free!
- If you live in a house where sacrifices were made before your arrival that have a negative influence on your life, we nullify those sacrifices!

Say:

- In the name of Jesus, I condemn any spirit that I have not invited into my life! Come out and go! I cast out every spirit that I have not called but that has followed me! I break the bond that makes this possible!
- Unclean spirit, if you have followed someone in a taxi, you are judged! Come

out and begone in the name of Jesus!

- In the name of Jesus, if you are a demon, a human spirit, who has followed me because of incantations against me in a sect like Rosicrucianism, Freemasonry or Buddhism, I cast you out! Begone!
- In the name of Jesus, if anyone has used my writing, my picture, my pen, my notebook or my bag to bewitch me, I break that bewitchment!
- In the name of Jesus, if someone has taken a woman's underwear to bewitch her, (pray with faith, many demons are falling) we break that bewitchment! And we deliver that woman!
- In the name of Jesus, if you are a demon who has come because animal sacrifices have been offered: a chicken, a goat, a sheep, we banish that sacrifice! And we nullify it! And we cast out all the spirits behind that sacrifice!
- In the name of Jesus, if someone has bewitched you through food to lead you into sexual immorality, and you were unaware, thinking it was a simple meal, I break this yoke! I free you from thoughts of immorality!
- In the name of Jesus, if there is a sin that the sorcerers have brought into your life, through which they have bound you to ensure that you never change, that you always remain a sorcerer, in the name of Jesus, we cast out this demon that pushes you into this sin! We deliver you! We purify your thoughts! (Let us pray in tongues).

Say:

- Thank You, God!
- I am strong! We are strong! I have overcome my enemies! Jesus is Lord! He sits on the throne!
