**DO NOT BE YOKED
TOGETHER WITH
UNBELIEVERS**

Boniface MENYE

2 Corinthians 6:14-18, *Do not be yoked together with unbelievers. For what do righteousness and wickedness have in common? Or what fellowship can light have with darkness? What harmony is there between Christ and Belial? What does a believer have in common with an unbeliever? What agreement is there between the temple of God and idols? For we are the temple of the living God. As God has said: "I will live with them and walk among them, and I will be their God, and they will be my people. Therefore come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you. I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty.*

Brethren, let us believe that things are happening in our lives. After the crusade, the Holy Spirit will continue His work. I am telling you the truth. If someone provokes you, do not answer. It is the enemy who wants to make a way because he has lost. If you are a boy and a worldly girl falls madly in love with you, do not think you are handsome. Run away! She is the devil. When such a woman wants to be your wife and your leader advises you against such a marriage, you start despising him because according to you, your leader wants to block you. She will tell you she saw you in two dreams and recognized your hair. As soon as you say yes, you are trapped, and the devil grips you by the neck.

Apply intelligence, moderation, truth and justice in everything you do. There are lots of victories. In this way, the devil withdraws to wait for a right time. **The Bible says** that when he tempted Jesus and failed, he withdrew, waiting for a right time. This was not the first temptation. This is what God wanted the Church to know.

The spirit of man does not have a strong doubt, it has a groping doubt. But the doubt that comes from the devil is radical, categorical and violent. The devil says: "Let us kill him!" but human doubt says: "We do not know whether to kill him or not!" So, if you feel a strong doubt, it comes from the devil. So, resist everything that comes from the devil.

If your enemy is hungry, feed him. If he is thirsty, give him water to drink. Do not be fearful and carnal. You meet someone who wants to greet you, you refuse to greet him because you do not want to be bewitched. Eventually, you become poor. When I have doubts about your worship service, and you want to greet me, I say "I greet you in the name of Jesus!" in a silent prayer so you do not hear. I will crush everything you can do in the name of Jesus! You get off a public transport (gbaka) and the conductor gives your change. You drop it, saying that it is bewitched. **The Bible says in James 4:7**: *Submit yourselves, then, to God. Resist the devil, and he will flee from you.*

- Proclaim that you are a child of God!

Do not join the associations of unbelievers. Do not accept a position as tribal secretary, or you will find yourself being at every funeral. You no longer go to the assembly because every weekend you are at the funeral. When you wage spiritual warfare, you identify the openings the devil can exploit. God's temple and idols cannot be together. They have to be separated! Separated!

When there are cases of mourning, say: "I am sending you my contribution because I am very busy."

Say:

- I belong to Jesus! The Lord asks that I touch nothing unclean!

Stand up.

- Consecrate yourself to the Lord Jesus!

You separate yourself before you can consecrate yourself. No foreign yoke. You break the yoke. Now you bind yourself to Christ: spirit, soul and body, with everything you possess! Let's pray together! Do it with all your heart.

Say:

- Lord Jesus, may all those who have believed in my family, and all those who will believe, be radically separated! Let them belong exclusively to you! Let them not be between the temple of God and idols! Let them follow You radically! Let them touch nothing impure! May You be their God and may they be Your daughters and sons! (Keep praying.)

If we do not pray this way, some people will look at you and see that you have God. They will be converted, but they will attend Catholic or Protestant churches. So, pray well. The Word of God says: "...*Come out from them and be separate...*" in **2 Corinthians 6:17**. Let them come with an ability to separate themselves from others to follow you. People must follow you. We are the first fruits. We must be followed. Let us not be cowards in that. God says in **1 John 1:3**: "...*have fellowship with us...!*".

Raise your right hand.

- We will destroy the altars of Baal wherever sorcerers gather. A sister said her soul came out of a tree; for the other, it is out of water, in houses, everywhere else. We will cry out for all our families as children from the same pagan father. If God answers one of us this evening, it means that we have all been answered. Commonly speaking, we will destroy their worship places. If it is with wood, let us scatter the wood and put off the fire. If they have pots to prepare human flesh, we break the pots and destroy the fires.

The pathway that God has traced is an obstacle-free pathway. If we want our families to be saved, let us create conditions so that they do not get confused between several gods. Elijah first destroyed the Baal worship before killing his prophets. We need something that will make our parents say, "Jesus is the one who is sweet, good!"

Say:

- In the name of Jesus, we raise our hands against all altars, places of worship. Even if they were built centuries ago, we condemn them, we judge them, and we break everything! We render this worship impracticable! We cast out all demons that stir up men to worship them! We break the places of worship! We cut down trees! We uproot the trees of worship! We dry up the waters where water spirits are hidden! We judge the rocks! We roll and uproot them! If some occupy termite mounds, we break everything! We break every place of worship!
- We overturn everything and render their practice impracticable! We smash their supports and break their radars! We go to the prisons, we break those places! Captives, come out! Jesus grants you freedom! Come out! Freed by Jesus! Even children, come out! Even disabled people, the lepers, come out! (Let us pray that Christ will reveal himself to them.)

- In the name of Jesus, we enter the kingdom of spirit husbands, that back the actions of sorcerers, we strike you! We snatch all the slaves!

If you are a woman, put your hand on your head and say:

- In the name of Jesus Christ, I proclaim that I am free!

If you are a man, put your hand on your head and say:

- In the name of Jesus Christ, I proclaim that I am free!
- In the name of Jesus Christ, we judge all the spirits of the dead who accompany sorcerers in their actions! We judge you! We strike you wherever you are! Let the fire of God reach you! And wherever you are, let it reach you! (Let us pray in tongues.) Insist that all spirits of the dead be struck! Command them to leave!
- In the name of Jesus Christ, we break the yoke! We break the prisons! We set the captives free!
- In the name of Jesus Christ, let all that is called bewitchment be broken! Destroyed! Crushed! Cut to pieces!
- In the name of Jesus Christ, we take back everything that has been stolen!

You know, living sorcerers cause a lot of problems. They are human spirits. We will destroy their works. They even attack ministries. They attack leaders. They even threaten, saying, **“You will see!”** He is a man, why does he think he can destroy you? It is because of his witchcraft. The secret is not to kill them, but to put them in the dust. A sorcerer can sit in your chair. He takes your job and they are arrogant saying, **“I will see what you will do”**. If you have been cursed by such a wicked person, it ends this evening. When we will pray, if you know his name, say, **“So-and-so, you’re not God”**. If his name is Judas Iscariot, you say, **“Judas Iscariot, you are not God”**. Secondly, say: **“I destroy your words, I banish them and I destroy them”**. And thirdly, you prophesy about yourself. Say: **“I march against my enemies and triumph. They shoot their flaming arrows at me, but they don’t reach me”**, and what you say will come to pass. David said: **“All the nations surrounded me, but in the name of the Lord I cut them off!”** Don’t let the enemy advance and say, “I have several attacks”. Command the earth to open up and swallow them up, and you will see what happens.

Say:

- In the name of Jesus Christ, I declare (name the person) that you are not God! I proclaim that you are not God! I banish your words and nullify them! I crush them! (Continue praying.)
- In the name of Jesus Christ, we rise up against every human plot. We proclaim that it is written: *If anyone does attack you, it will not be my doing; whoever attacks you will surrender to you.*
- In the name of Jesus Christ, I proclaim that all those who have risen up against me fall under my feet right away!
- In the name of Jesus Christ, I take them out of my path! I take them out of the way of my work! I take them out of the way of my spiritual ministry! I take them out of the way of my prayer life, my fasting life, and so on. All human obstacles, all obstacles placed by wicked men, let those obstacles crumble! Let my life be freed! Let my growth be released! Let my health be freed! Let my blessing be released! (Continue praying.)
- In the name of Jesus Christ, I restore all that human wickedness has caused in my life!
- In the name of Jesus Christ, I restore everything that human wickedness has destroyed

in my life!

- In the name of Jesus Christ, I restore everything that human wickedness has caused in my health!
- In the name of Jesus Christ, I restore everything that human wickedness has destroyed in my financial life!
- In the name of Jesus Christ, I judge demons! I judge the spirits of debt! I proclaim my freedom! (Continue praying.)

Our God speaks and He can instruct you. A demon packs his bags and leaves. If the Lord speaks to you, you take note. In a vision, he can show you your future. He can deliver you from a spirit of the dead. This is the moment when a wicked spirit can come and throw down what it had stolen.

Brethren, Jesus is real! He is mighty! If He wants, He can come down Himself. He can send legions of angels. He can speak from his throne. He can bring you out of the waters. He can deliver you from a bewitchment that has existed for centuries.

- In the name of Jesus, any spirit husband that is a living human spirit, your father or mother, or a neighbour in the neighbourhood, is judged! Begone quickly!
- In the name of Jesus, we deliver anyone whose spirit husband is her father or husband! You are being used physically and spiritually. You are burdened with fatigue and sickness, you are delivered!
- In the name of Jesus, anyone whose spirit husband is a relative who is still alive, I declare that you are free!
- In the name of Jesus, if your spirit husband is a living relative, he has bewitched you, he comes in and goes out as he pleases, and you cannot give birth, I declare that he has fallen!
- In the name of Jesus, if the spirit of a living relative has bewitched you, and you are in the forest, but you think you are free while you are in a grave, I declare you are free and the demon gets away from you! Wicked spirit, begone quickly!
- Let the Holy Spirit work! If it is something you have been made to drink, let it come out and be vomited!
- Spirit husband, you spirit of the dead, begone!
- Behold your freedom in Christ and the paved way, your deliverance in Christ!

Say:

- In the name of Jesus, I will see the glory of God because I believe! And you see the obstacles crumble. You see the way cleared! I proclaim that my freedom and prosperity are in Christ! My health is in Christ! My life is in Christ! My right is in Christ! My freedom is in Christ! My rest is in Christ! My healing is in Christ! My strength is in Christ! My glory is in Christ! My honour is in Christ! My family's salvation is in Christ! My family's happiness is in Christ! My family's salvation is in Christ! My material happiness is in Christ! Let the ways be paved! Let the ways be paved!
- In the name of Jesus, we protect all that we have gathered this evening under the blood of Christ. May God's grace be upon all! May what has been scattered never be gathered again! May what has been built never again be destroyed! May what has been planted never again be uprooted! May that which has been uprooted never be planted again! Let no spirit follow you! Let all that concerns you be sanctified!
