**BLESSING IS
ATTACHED TO OBEDIENCE TO
THE COMMANDMENTS OF GOD**

Boniface MENYE

Deuteronomy 28:1-14, *If you fully obey the LORD your God and carefully follow all his commands I give you today, the LORD your God will set you high above all the nations on earth. All these blessings will come upon you and accompany you if you obey the LORD your God: You will be blessed in the city and blessed in the country. The fruit of your womb will be blessed, and the crops of your land and the young of your livestock—the calves of your herds and the lambs of your flocks. Your basket and your kneading trough will be blessed. You will be blessed when you come in and blessed when you go out. The LORD will grant that the enemies who rise up against you will be defeated before you. They will come at you from one direction but flee from you in seven. The LORD will send a blessing on your barns and on everything you put your hand to. The LORD your God will bless you in the land he is giving you. The LORD will establish you as his holy people, as he promised you on oath, if you keep the commands of the LORD your God and walk in his ways. Then all the peoples on earth will see that you are called by the name of the LORD, and they will fear you. The Lord will grant you abundant prosperity—in the fruit of your womb, the young of your livestock and the crops of your ground—in the land he swore to your forefathers to give you. The LORD will open the heavens, the storehouse of his bounty, to send rain on your land in season and to bless all the work of your hands. You will lend to many nations but will borrow from none. The LORD will make you the head, not the tail. If you pay attention to the commands of the LORD your God that I give you this day and carefully follow them, you will always be at the top, never at the bottom. Do not turn aside from any of the commands I give you today, to the right or to the left, following other gods and serving them.*

There are miracles behind this message. The fight against poverty is a fight against the devil himself. What does the devil promise to people in the sects? It is money! When you look at the things the demons we are casting out have stolen, it includes money, certificates, jobs, and so on. All those who have made you miserable will be in total confusion! There is a whole chapter that the Lord has set aside for proclaiming blessings, so it is a very serious thing.

This word explains the blessings that await those who obey God. *If you fully obey the LORD your God and carefully follow all his commands I give you today, the LORD your God will set you high above all the nations on earth.*

It means that if there are sorcerers against you, you will have dominion over them. He raises you above your enemies. If you decide tonight to obey God, God will uplift you. This is what is called superiority. He will bless your job. When we talk about salvation, it refers to eternal life, healing, deliverance, restoration. When something is ruined, we speak of restoration; the thing is put back into its place and clothed with the intended glory. If you were laughed at before, when you are restored, you are congratulated henceforth. There are young men who want to get married, but all the women refuse them. They can be elegant and eloquent, but no girl will look at them. When you are saved and restored, girls jostle because of you and you choose the one you want.

When a young girl is restored, she doesn't need lipstick. She is looked for and waited for. This is what restoration is all about. Things like incurable wounds, diseases like depression and diabetes, are designed to make people weak and unattractive. Restoration includes healing.

Isaiah 57:15, *For this is what the high and lofty One says—he who lives forever, whose name is holy: “I live in a high and holy place, but also with him who is contrite and lowly in spirit, to revive the spirit of the lowly and to revive the heart of the contrite”.*

The Lord's dwelling place is eternal and His name is Holy. When someone cries

out in misery, He leaves His throne to come to his rescue. Normally, God has no problem, but what does He come on earth to look for? God says that He leaves His holiness, He leaves the high places, His throne, to come and revive the lowly. God is looking for contrite and humble men. He wants to help them. If you are proud, God will pass you by, he will leave you. You can go back blessed this evening. All you have to do is humble yourself. Let God show you the way. Don't say: "I know, I was at the seminary". Be careful! God is looking for humble, contrite people who he will revive. God is looking for people who will say: "I'm lost"; people who are not afraid to tell the truth. God is looking for humble people who say: "It is our fault" and who do not blame others.

He does not say I sin because pastors sin, or I sin because the priest sins. They say: I sin because I am a sinner; I am evil. To help people, God gave them His word, His law. He said that those who obey His word will be blessed. If they pray, if they call on God, He will answer, if they die God will take them into His kingdom and God sent His Son to show us the way.

John 8:24, *I told you that you would die in your sins; if you do not believe that I am the one I claim to be, you will indeed die in your sins.*

God sent His Son Jesus of Nazareth to come and show the way to salvation by dying on the cross. For you to be saved, you have to accept Jesus.

Isaiah 57:15, *For this is what the high and lofty One says—he who lives forever, whose name is holy: "I live in a high and holy place, but also with him who is contrite and lowly in spirit, to revive the spirit of the lowly and to revive the heart of the contrite"*.

When your heart is hurt because you are wicked and you cry out to God for your situation, God comes to your help. This is what is called a contrite heart, a heart that weeps because of sin.

The wicked boast of their wickedness. When you are touched this way, when you cry out to God, God will come to save you. A woman must ask herself: why do all men want to sleep with me but no one wants to marry me? A young man must ask himself: why do all men get married but all I do is masturbate? God, deliver me! When God hears this, he sends Jesus. God loves contrite men.

One day in Yaounde, early in the morning, I saw a man with two bunches of plantain. It was ridiculous but he was happy. He said: she will not know! When I get home, I will tell her, your mother-in-law has sent plantains to you. He spent the night with prostitutes. Early in the morning, he bought two bunches of plantain and went to tell his wife that her mother-in-law had given him these two bunches of plantain so that she would not cause any trouble. Get out of this situation and become a man.

Isaiah 57:16-21: *I will not accuse them forever, nor will I always be angry, for then the spirit of man would grow faint before me—the breath of man that I have created. I was enraged by his sinful greed; I punished him, and hid my face in anger, yet he kept on in his willful ways. I have seen his ways, but I will heal him; I will guide him and restore comfort to him, creating praise on the lips of the mourners in Israel. Peace, peace, to those far and near, says the LORD. "And I will heal them." But the wicked are like the tossing sea, which cannot rest, whose waves cast up mire and mud. "There is no peace," says my God, "for the wicked."*

Jesus wants to revive you! Jesus wants to restore you! Jesus wants to give you life! Jesus wants to save you! He will do it this very evening!

Some people think that God has forsaken men in their trouble. God says he will not argue with you if you live in sin. The devil can kill you because he does not know

you, he does not love you. Even if God wanted to throw you into the bush because of your sin, then he takes pity on you and says he has to save you. God says: "I don't want to be eternally angry". The Word of God says that when Jesus walked, he was moved with compassion. When you go to nightclub, it is as if you were in a place with maggots.

This evening, quit drugs altogether and Jesus will change your lungs!

God says that He Himself has allowed this trouble to come upon you because of your sin, to choke you. Everything becomes difficult. It was God who allowed this to happen in order to correct you.

There are people who pray for you to be saved! God says that you and anyone who weeps with you will be happy together!

God says that He is good. He saves, He restores, He heals, but there is no peace for the wicked. If you decide to remain wicked, God says he will increase your troubles.

Some people are cursed because men have cursed them. When a sorcerer has cursed his village, when he dies his spirit works to ensure that the curse is fulfilled. There are people who were despised and they cursed the family before they died and that follows them. We will nullify all that. We will ask God to bless the work of our hands.

Present your hands to God.

If you're lazy, you ask him to forgive you and tell him that you will work. But for those who are working but hurting, and have nothing to show for it, it will stop. In Dabou, a sister was having serious financial problems, and the spirits of the dead used to eat her food and the bag of rice would run out. She would buy rice and it would run out. As a French teacher, it was as if she wasn't working. When she was delivered, she says there are times she doesn't touch her salary. The spirits that eat your food, we will drive them away.

Your clothes that spirits wear to perform witchcraft and others think that you are the one, we will burn them. We will not remove them; we will burn them. Your face that is used to trouble others, to cause division amongst people. There are true sorcerers but there are also victims of sorcery. Your face could be used to perform sorcery and you say, "I am innocent". Yet, you are accused. We will command that face to fall off.

Say, Lord:

- Bless my work! Bless my businesses!
- O Father, let me not be a man or a woman in whose hands things become "little, little"! If as soon as something great enters my hands, it becomes little, useless and even spoils. Deliver me today. Make me a man or woman in whose hands things become great!
- Father, in your name let no obstacle stand in my way! (continue speaking to your Father).
- Father, bless our businesses! Bless our jobs!
- God is concerned about the material and financial situation of His people. He stripped the Egyptians for His people. In the prophecy, he said to Abraham:

“Your descendants will be slaves in a foreign land, but I will deliver them with great judgements and they will come out with great wealth”.

Being barefooted, shoeless, with faded trousers, is not God’s will. Writing a dissertation for five years or a thesis for twelve years is not God’s will. Starting a job and finishing without a promotion is not God’s will. When you cry out to God, believe that He exists, that no one is deceiving you, God exists. He rewards those who seek him.

Say:

- Father, bless us! Make us bear fruit! Let our activities bear fruit! Let our activities progress! Let those who work be promoted! Let none of your children have to kneel down before a human being to be appointed! Deliver them from the will of men who want them to bow down to receive crumbs!
- God, deliver your people from their misery! (continue praying).
- Father, crush the wickedness of the people! Clear the way for your people! Let heaven be open above everyone! (let us pray together).
- In the name of Jesus, let all the spirits of the dead that are hidden in our families to block living human beings, all the spirits of the dead that are hidden in our families and that demand to be worshipped by attacking and frustrating God’s purposes, let them be judged! Struck down and cast out of every family!
- In the name of Jesus, let them be struck down! And let the family breathe! Let them be judged! Let them go immediately! Let them be driven out!
- We order from here, that all hidden spirits be judged! We expel them from fields and streams! We cast them out! We send them back to Hades! We release every business and we release progress!
- Begone, begone in the name of Jesus Christ! (continue praying).
- We judge and chase away those who cause accidents! All kinds of accidents! All kinds of accidents!
- In the name of Jesus, we chase away those who have become spirit husbands and wives! We judge them and chase the poverty they brought!
- We break, we smash thrones! We smash resistances! We break the thrones! (keep praying)
- In the name of Jesus, if a forefather had cursed the family and if his spirit is at work, we frustrate his spirit! And we send him back to Hades!

Raise your right hand and say:

- In the name of Jesus, we break the yoke of celibacy! We break this yoke!

Lay your hands on your head and say:

- In the name of Jesus, we release true marriages in all families! We judge prostitution!!! And we release true marriages! We break demonic rings! We end marriages to spirit husbands!

Many people are suffering. When you are given an appointment and the spirit husband comes to sleep with you, everything you undertake goes wrong.

- In the name of Jesus Christ, all spirit husbands assigned to cause failure, we raise our hand against you, we judge you and cast you out! We cancel every

demonic project emanating from spirit husbands!

- If you're concerned, say, go away! Leave my body!!! You who spoil, you who cause projects to fail, you who block my projects and my blessings, begone!!!! In the name of Jesus!! begone! Go in the name of Jesus Christ!!
- In the name of Jesus, you who frustrate the purposes of God's children, wicked spirit, evil spirit, begone and never come back!!!
- You, wicked spirit, who expects us to work so that you can come and steal, you are judged! We snatch away everything you have stolen! In the name of Jesus, begone!!!! (Continue praying).
- Serpentine spirit, you are judged, come out and begone!!!
- In the name of Jesus, you who are here because you were worshipped, I no longer worship you, I give my family to Jesus, you will no longer be worshipped, begone!!! We take from you everything you have stolen! We strip you, in the name of Jesus Christ!!!
- If you've been put in a bottle, if your picture is in a bottle, we'll break that bottle! And we proclaim that you are free!!!! Let those who touch you be struck down!!!
- Even if you've been locked up in a prison, you're free! We break the prison! We overturn the foundation! You will never be rebuilt!
- If you've been tagged with reproach to make you feel ashamed every day, we take it away! If it is a disease like bed-wetting, we take it away! You will have a normal night! We deliver you from reproach! We break the yoke of epilepsy! Even if you are locked in a tower, we break that tower in the name of Jesus! And we take you out of that tower! We take you out of that prison!
- If someone has bewitched you with a gift, and you thought it was out of love, meanwhile it is a trap, we destroy that trap! We separate you from that gift and destroy that bewitchment! Any poisoned gift, we break that tie!
- If someone gave you food to bewitch you, we break that bewitchment! I declare you free!
- If anyone gave you a handshake to bewitch you, we break that handshake! We wash this handshake with the blood of Jesus!
- If your colleague has bewitched you by pronouncing your name so that your boss dislikes you, we judge and destroy his work! We wash all the rubbish off you! We bless you with the power to inspire trust!
- If you are afraid, and your heart beats every day, and you don't know what's happening to you, in the name of Jesus, you are delivered! Let boldness fill you! Let the demons of fear go away! Jesus delivers you! Jesus sets you free from fear and delivers you!

Say:

- Jesus sets me free! Jesus breaks the chains! Smash the tombs! We judge their work and smash the coffins! Captives, come out! And follow Jesus of Nazareth!
- If you have given someone money, a garment or any other item as a gift, and he has used it to bewitch you out of jealousy, we judge that bewitchment!

Raise your hand and say:

- If I have given something to someone and he has used it to bewitch me, I separate myself from that item!
- I separate myself from all gifts I have received! I separate myself from all

these items! I cast out all spirits that have followed me because of those gifts and I destroy their curse in the name of Jesus Christ!

- In the name of Jesus, we insist against all those that hide and we say, in the name of Jesus, that all spirits that have followed someone and bewitched them because of the gift they have offered, are judged, begone in the name of Jesus Christ!

Man or woman, raise your right hand and say:

- We break your resistances! Begone in the name of Jesus Christ!
- In the name of Jesus Christ, let that which has been overthrown never be rebuilt!

Lay your hands on your head and stand up:

- In the name of Jesus Christ, we penetrate the kingdom of sickness, we rise up against the host of demons of diseases and we rise up against our bodies, which lack the wisdom to reject diseases!
- You, body, God created you. I proclaim that it was God who created my physical body! It must obey the word of God. My body, obey the word of God!
- The word of God says that Jesus bore our diseases. You must not resist! It is as if you love sickness, so let all your cells reject sickness and submit to divine healing! Let sickness disappear!
- In the name of Jesus Christ, we break the kingdom of disease!
- We judge all that is called incurable disease! We take away the name that has been given to you! Leave my body! Get out now! So-called incurable diseases, we strip you of your strength!
- Cancer, begone!
- HIV/Aids, begone!
- Diabetes, you are finished! Your kingdom is broken and banished!
- Hypertension, begone!
- Kidney failure, begone, in the name of Jesus Christ!
- Osteoarthritis, glaucoma, fibroids, myomas, begone!
- Piles, cysts, lumps, begone!
- Ulcers, depression, begone! Let your army be judged and annihilated!
