GOSPEL MESSAGE

**YOUR SUFFERINGS ARE THE
CONSEQUENCES OF YOUR SINS,
REPENT AND YOU WILL BE
DELIVERED!**

INTERCESSION

**INTERCESSION IS A POSITION
CREATED BY GOD TO HELP MEN**

**Let us intercede for our families so
that God may remove the family
curse.**

I **Saiah 22:9–14**, you saw that the walls of the City of David were broken through in many places; you stored up water in the Lower Pool. You counted the buildings in Jerusalem and tore down houses to strengthen the wall. You built a reservoir between the two walls for the water of the Old Pool, but you did not look to the One who made it, or have regard for the One who planned it long ago. The Lord, the LORD Almighty, called you on that day to weep and to wail, to tear out your hair and put on sackcloth. But see, there is joy and revelry, slaughtering of cattle and killing of sheep, eating of meat and drinking of wine! “Let us eat and drink,” you say, “for tomorrow we die!” The LORD Almighty has revealed this in my hearing: “Till your dying day this sin will not be atoned for,” says the Lord, the LORD Almighty.

This message is a powerful teaching. A teaching that reveals the mind of God concerning all those who have problems, all those who think they are suffering.

There was a prophecy against Jerusalem that was already coming true. Armies were attacking the city; God showed it to the prophet in a vision. But instead of working to bring God to deliver them, the inhabitants of the city started muddling through. God was not pleased with that attitude. He wanted them to turn to Him when they were facing problems, difficulties and attacks from the enemy, because the source of man’s problems is sin.

Man had no problem until the day he sinned. God drove him away. When God drives someone away, if that person is wise, they should not try to find their own solutions. They should return to God; they must do everything to be restored to His presence. But these people rather sought human solutions. They wanted to rebuild the walls, repair everything that was damaged. They tore down houses to fortify the wall. They built a reservoir between the two walls, but no one wondered where those attacks came from? They were just focused on tearing down the walls and building reservoirs. God wanted them to ask themselves: “What is the source of these problems? Who allowed this? Who permitted them to attack me? Is not God behind this? Be careful. Who made these breaches?” That is the question God wants you to ask yourself: “Who caused this damage?” There is someone who allowed this to happen; someone who spoke and said: “If you do this, then this will happen to you.

When we see abortions everywhere, we try to apply family planning policies. Sexual re-education solves no problem, because these are human solutions to evil.

When people walk away from God, they commit crimes. They want to solve their own problems. They have abandoned God’s law. God taught us how to live. He taught that if people do not live accordingly, there will be no peace for them. God has not planned any blessing for the wicked. A man living in adultery, even if he tries to close the breaches, nothing will come of it. A young girl living in fornication can do nothing; she will experience torment, disappointment; she will be used. She

will be miserable! She will end up with diseases and will look for solutions. God says to you: *"Do you know who allowed the enemy to touch you?"* What solution does God offer? God wants to help you. He says: *"When I allow these things, I want man to repent."* God wants that, when faced with these problems in life, you beat your chest saying: *"It is me who dug the hole and I fell into it. It is my fault."* The Lord requires every person who desires deliverance to say: *"It is my fault!"*

Shaving the head, wearing sackcloth, means "fasting." Some people are poor, and in debt, because of pride. A young man may earn fifty thousand francs per month but rent a house for one hundred and fifty thousand francs. Every month, he begs money from several people. I remember meeting a classmate who said, "Please, you have to help me." Later on, I found out that he was lying and had deceived many people.

Pride can lead you to live beyond your financial means. You will suffer and committed more sins in your suffering. God wants you to return to Him, but in a spirit of repentance. God can deliver every person from their problems. God can deliver you from every trouble you may face; He has set boundaries for all problems. God says: *"Instead of repenting, they organize parties, dance and rejoice. They even steal and lie to organize those parties."* Because when you live a fake life, you keep acting fake. God wants the afflicted, the attacked, the defeated people to rise up and beg Him. Instead of seeking God, they throw parties, eat, and drink. They live like thoughtless people. They say: *"Let us eat and drink, for tomorrow we die."* Indeed, that is how fools think. There are people who believe life is just about eating and drinking. If they have those two things, they may add immorality. Otherwise, having food and drink makes them happy. If they get sick, their concern is to be healed and eat.

If God says: "Amen," your fate is sealed. God says to you: "Is that how you define your life? Eating! Drinking!" When God meets such fools, He shuts the door and says that they will never be forgiven. God did not create man to come on earth to eat, drink, and die.

If you think you are on earth just to eat, drink, and die, it is a sin. That thought alone can send you to hell. You did not create yourself; you have a Creator who has a plan for your life. You must not flee from God's plan by living in disorder. *"Let us eat and drink, for tomorrow we die."* Do you know where life comes from? Do you know who gives life? You are going to be converted tonight. You will change your vision tonight. Life is about seeking God, knowing Him, and serving Him. And He pays wages. He said: *"The worker deserves his wages."* You and I are servants of the Lord; we must be faithful to Him.

2 Corinthians 6:1–2, as God's co-workers we urge you not to receive God's grace in vain. For he says, *"In the time of my favor I heard you, and in the day of salvation I helped you."* I tell you, now is the time of God's favor, now is the day of salvation.

Who said you were born to eat, drink, and die? You were born to work with God for the coming of His Kingdom on earth. The Word of God says we are co-workers with

God; you must work with God. You were not born to eat, drink, die, and be buried. Only fools say, "Let us eat and drink, for tomorrow we die." You must work with God. You will be converted tonight and join the army of those who work with God. Then, your life will have meaning. As a child of God, it is a sin to be ashamed to introduce yourself as one. Repent and declare:

- I work with God!

That changes your life's vision. It brings you God's blessing. Declare: *"I work with God!"* If you have invited someone, tell them: *"My friend, come with us, we are going to work with God."* And you who are a guest, you arrived on the day we are teaching how to be a co-worker with God. Where you see me now, I work with God. I want you to work with God; you were not born to drink alcohol and die poor. You were born to work with God, to walk with God.

There are people who have become rich because you drink their alcohol. Jesus will touch you and the alcohol will come out. You will become a new creation. If you want to work with God and accept that you will no longer muddle through, you will ask for forgiveness from Jesus. Say to Jesus: *"The mess in my life is my fault."* Say to Jesus: *"I want to see Heaven. I do not want to go to hell. I want to work with You. I do not want to be rejected. I want to serve You."* Say to Jesus: *"I believe I was not born just to eat, drink, and die poor and miserable. I was born to work with You."* Say to Jesus: *"Forgive me. I have already wasted part of my life, believing that life was about eating and drinking. But You are opening my eyes tonight, and wisdom is entering me."* If you want Jesus to come into your life, raise your hand.

INTERCESSION IS A POST CREATED BY GOD TO HELP MEN

Let us intercede for our families so that God may remove the family curse.

- Let us pray in tongues.

When God curses a people, no one can remove that curse. When God curses a man, no one can deliver him. For that man to be delivered, he must implore God's grace and mercy. There must be someone who identifies with the person or the cursed people, to bear their sin and plead for God's mercy. It is a position that God created specifically to help men: intercession. There are sins committed by our ancestors and our families. I want to emphasize that in the past, we used to say our ancestors sinned, but God told me: "No! Even those who are still alive: our brothers, our sisters, our cousins continue in the same sin."

God punishes sin. He punishes the sins of the fathers, even upon their children, and their grandchildren, up to the third and fourth generation. The children of Israel tried to say: "Why do You punish the sins of the parents upon the children?" So God said: "I will punish you for your own sins!" That was madness! They themselves knew that there is no one on earth who has not sinned. They acted as if their fathers were great sinners and they could pass the test. But whether God punishes children for the sins of the parents, or punishes each one for their own sins, they will perish. The solution is repentance; it is intercession so that God may forgive. We cannot

argue with Him. If God says, *"I will punish you for the sin you committed,"* you will be punished. If you say to God, *"Do not punish me with the others,"* you will find that your own sins are like a mountain. The humble plead for God's grace. God resists the proud but gives grace to the humble.

When the Lord revealed this to me, it revolutionized my prayer life.

I used to practice the breaking of evil ties of souls through revelation. I received a divine understanding of terminating with the past. We practiced the breaking of evil ties with very great results. But it was not enough, because there were young people, brethren who got their evil ties broken and were genuinely, completely delivered from diseases, poverty. But some cases were beyond me. For example, a young man told me: "I was oppressed, sick and have spirit wives. I repented and broke the evil ties. The oppressions ended, but poverty remained. I live in a house where passers by can see me when I am sleeping. In the city of Abidjan! It is misery!" I told him: "Do the overthrow of principalities." He did it for 21 days. Before the end of that year, he owned 3 vehicles.

The Lord revealed to me that when God curses a family, if one member of that family converts, God takes away the curse related to his sins as an individual. Every sin carries its own curses and represents certain demons. When one repents sincerely, the demons connected to those sins flee, and the curses tied to those sins end. But the curse that covers the whole family does not end. It continues to pursue you even after you have believed, because it is God who pronounced that curse over the whole family.

The deliverance of the believer will come from their ability to intercede for the entire family. God wants, and is even seeking believers who will intercede so that He will not curse the whole family. That is why, when you are a true believer, you cannot pray for God to kill your family members because they are sorcerers. God wants us to intercede for the family so that everyone may be saved. When the curse of the whole family is taken away, then the child of God also enjoys his family blessing. Some cases of celibacy are related to family curses. If your ancestors, yourself, and your other siblings despised marriage—if men slept with men, women with women, and those who married never paid a bride price, but lived in chronic concubinage—God can curse the whole family with celibacy. In that case, if you are the believer in the family, it is your responsibility to intercede so that God will forgive and release marriage.

If God has declared that no prominent figure will come from your family, or nothing great shall emerge, you may work until retirement without any promotion, not even as interim even if you have many degrees. You may work without receiving your true salary, because God is judging the pride of the family. When God curses a nation, He says: *"There will be drought."* Even if you pray for yourself for hours, you will still suffer in that nation. When unbelievers go for kilometers to fetch water, you too will have to walk for kilometers to fetch water. The only thing you can do as a true believer is to intercede so that God will cancel His curse, so that you may have life. That is what Daniel did. That is what we are doing now.

Tonight, we will pray so that God may have mercy on our families. Each of us will come before God to plead and take up the role of advocate. You will come up with words, formulate sentences to touch God's heart. Ever since we started doing this, the answers to prayer have entered a new dimension. When you hear that angels came in a vision after prayer—that is the answer. This kind of intercession brings great answers. Some diseases require that God Himself command great healing because in His righteousness, He has condemned entire families.

Anyone who is wise will rise up, stand before God, and intercede for their family. When God says, "I will send rain because of the intercession," like Elijah released the rain and it fell everywhere—even those who were not converted, like Jezebel, saw the rain. King Ahab saw the rain. Elijah released heaven through his intercession. You will release heaven for your family, and it will rain. And when it does, a wicked person may be blessed before you. You intercede, and God gives husbands to women and wives to men. When they are blessed, do not be jealous; rejoice. Your name is written in God's records in Heaven. The first intercessor is Jesus. It is said of Him: *"He will receive a portion among the great because He interceded for the transgressors."* You will have your portion among the great; You will host house churches. God will never forget that you interceded for the guilty.

When God curses a country, if you live in that country, pray for God to remove the curse over the nation, because your well-being depends on the well-being of that nation. If it is a city, pray for God to remove His curse from that city. If there is war in that city, you will sleep in the bush. If there is peace, we will hold outdoor crusades seamlessly. You must pray for your family; do not judge them by saying they are sorcerers and chase them away. Bring them here, and we will help you deliver them.

Before we pray— you have heard a brother saying: "A spirit came out of me." It is true. Spirits possess human beings. Whether human spirits or demons, some people argue that a human spirit cannot enter another person. That is a lack of knowledge. A man is like a house: there is a wall around, and the inside of the house. A spirit can go through the wall and end up inside the house. Let no one deceive you! The Bible says there was a young girl with a python spirit. What is more difficult: for a python spirit to enter a person, or for the spirit of a human being to enter a person? God reveals this issue to us and gives us the power to destroy it. The apostle Paul discerned it by the Holy Spirit. For many days, the girl followed the apostles, saying the same thing: *"These men are servants of God; they are telling you how to be saved!"* Every day! The Word of God says: "Paul, annoyed, said to the spirit, 'Come out of her!'" The python spirit left. The girl was calm. All the things she had been saying for weeks stopped.

A snake can possess you. The spirit of a man can possess you. A living human being can enter you and bewitch you. When we pray, pray fearlessly. What we are doing here pleases God. If not, people will be walking around with demons, thinking they

are alone. Demons exist. The angels that fell down with satan are demons.

Everything we see exists in both physical and spiritual dimensions. This canopy exists spiritually, this microphone has a spiritual body. Someone can snatch this microphone in the spirit. If that happens, I can no longer benefit from it; it will quickly become faulty. If your wallet is stolen spiritually, it will result in financial loss. Meanwhile, your wallet remains physically in your hand.

When we say: “snatch,” do not joke; recover it! That is power. There is no debate. All demons know that when we speak in the name of Jesus, they must obey. A demon said to Jesus: “Have You come to torment us before the appointed time?” They know they are going to the lake of fire. They understand they must wait for the lake of fire. They do not like the fact that Jesus took authority and gave it to men. They resist when we say: “Come out!” They say: “Who are you?” Demons exist, and they speak. When they manifest, they manipulate the person’s spirit. A spirit can possess an animal. It can enter a dog that comes and bites you cruelly.

Some animals have direct demonic powers. Even some plants or trees have powers. If you drink the juice from these plants, you pass out. You spend three days in Hades. You see the dead and some even give you advice.

Stand up.

Say :

- Lord, You said that You are seeking someone from my family who will stand before Your face. Lord, here I am—accept my prayer. Lord, I myself have seen the wanderings of my family. I am a witness of the foolishness, wickedness, immorality, arrogance, violence, prostitution, gluttony, drunkenness, unbelief, ungodliness. Father, forgive! You could destroy us. If You did, You would be right. We have only sinned against You. Even those who know You have become unfaithful. I myself have failed to love You with an undivided heart.
- Oh Father, we plead for Your grace, Your mercy! Oh Father, do not destroy us!
- Oh Father, withdraw Your judgments, please, Lord!
- Oh Father, command life where You have made death reign!
- Oh Father, command peace where You have made suffering reign!
- Oh Father, command restoration where You have made poverty and misery reign! Command life! Command peace! Command prosperity! Command wealth!
- Do not abandon us to water spirits! To slavery in the forests, in bonds, in chains, in the mountains, in the treetops!
- Oh Father, do not abandon us! Bring us out of the graves, the huts, the prisons! We sold ourselves through our idolatry—My parents and I! We abandoned You. Now we groan in chains and misery! We chose gods that were not gods! I return to You, I come to call on You! Oh Father, save us! You are our Father!

-
- Oh Father, do not abandon us to the bonds of death, to the spirits of the dead, to spirits of poverty! Father, rise up! Act, for You are our Father! You are the One who showed us the way! (Insist in tongues.)

Keep calm.

It is a time of blessing. If the Lord answers you, He will give commands concerning you! It is a time of grace! It is a time of deliverance! It is a time of answered prayer! The Lord will demand accountability from the spirits who took advantage while He was angry.

Say:

- My enemy, my Father has not abandoned me! He was angry with me! But I pleaded. In the name of Jesus, you must not stay! You must not stay! Evil spirit, I cast you out of my life!
- In the name of Jesus, every unclean spirit, every demon that dwells in a man or a woman, we judge you and we command you to come out!
- In the name of Jesus, you that thought God had abandoned me, I cast you out now! I snatch back everything you stole from me! Everything that belongs to me—spiritually, materially, intellectually, financially—everything you stole, I take it back from you!
- In the name of Jesus, I recover everything you stole—intellectually, materially, financially, emotionally! I take it all back and cast you out! I know my Father — He is the one who must dwell in me!

Keep calm.

Raise your right hand and say:

- In the name of Jesus, by the power we have, we break the chains of those who are bound! We bring them back to life and to freedom!
- In the name of Jesus, we break the prisons! We release those who are imprisoned! Prisoner, you are free! Jesus sets you free!
- Evil spirit, you who say: “He was sold to me,” you are a liar! You paid nothing! We deliver the captives for free, in the name of Jesus Christ!

Everyone will say to the enemy: “Jesus has redeemed me!”

Say:

- Enemy, Jesus has redeemed me! I cast you out of my life! I cast you out of everything that belongs to me! My house, my children, my wife, my job I cast you out of my life! I cast you out of everything that is mine!
- In the name of Jesus, I cast you out of everything that belongs to my family! I cast you out! Be gone!

-
- In the name of Jesus, if there is a spirit that has possessed someone and has resisted, we break your pillars of pride! We strip you! We take away everything that gives you pride! We strip you! Even if you swallowed up things that give you strength and pride, we take everything you swallowed up and we cast you out! Get out!

Raise your right hand and say:

- If you form a legion, in the name of Jesus, we scatter you! We strike you! If you form a legion, we scatter you and strike you !

Put your hands on your head and say:

- Sickness, we judge you! Jesus defeated you on the cross! Jesus defeated you on the cross! I command you to leave my body now! I judge the demons behind sickness! The spirits of men, yes, they are spirits I cast them out of my life! In the name of Jesus, I rise against every power sustaining this illness, leave !
- Every power sustaining this evil, I cast you out now! I claim healing from the crown of my head to the soles of my feet! Total healing! Total healing! Every minor or major sickness, Begone! Whatever you are, whatever your name, begone! Even if you follow me without touching me, I cast you out! You have no right to follow me!
- In the name of Jesus, we judge every bewitchment coming from father and mother; adoptive mother and biological mother! Adoptive father and biological father (some do not know their true father). Even if there is confusion between my adoptive and biological father, I break that tie! And I smash every resistance born from that confusion! I break the resistance rooted in that confusion!
- In the name of Jesus, I judge the confusion and I cast out the demons hiding behind it!
- I judge every spirit behind the adoptive father! I cast out all spirits and I cast them out of my life! In the name of Jesus, you that resisted because of this confusion; you are exposed! And I cast you out of my life!
- In the name of Jesus, you that resisted because of incest, begone! You that resisted because of incestuous bonds, Begone!
- In the name of Jesus, if someone has been designated as a successor and therefore is followed by many demons meant to serve him, demons who already consider him their chief; in the name of Jesus, we cast them out! If you are in such a case, refuse that inheritance!
- In the name of Jesus, if a child has accepted the witchcraft of a classmate and practices it; come out of witchcraft quickly!
