**THE 15th EDITION,
AN EDITION TO WRESTLE WITH GOD**

Boniface MENYE

Testimonies are a weapon of war against Satan. They raise this edition to the highest level. The devil doesn't want it known that God is at work.

Come and challenge him; come and prove that when we cry out to God, He is alive to answer.

This edition is an edition to wrestle with God. Even if you have already prayed for something and you have the impression that you have prayed too much, forget the past prayers and tell God that He can equally do for you what He has done for a brother who has just testified. Do not be afraid. God is our Father; we have received the right to importune Him in the name of Jesus. It is Jesus Himself who teaches us how to importune God.

- Tell God: "You did such a thing for my brother, you can do it for me too!"

Some people will be healed just by listening to testimonies. There are some words that if they come out of the mouth of a sanctified man, demons and even diseases flee. We are here because we believe that God can act in our behalf. We are His people; His Spirit is in us; He leads us in prayer. Don't doubt! Believe!

When you listen to the testimonies, give thanks to God. Don't listen passively. Be awake, fight, wrestle with God. Before the end of the crusade, you will have songs of praise.

Present ten burdens to the Lord. There are things that will be settled to meet your needs. There are enemies that will be crushed when God arises to answer you. A hundred prayer topics could be presented but all the topics can be grouped into only ten burdens. If someone is lying in the hospital in intensive care and you ask him what he wants, he will simply say: "I want healing". Right now, consider that you're in intensive care. God will answer you. Some will receive answers to their prayers right where they are sitting.

God told Solomon to ask Him for something that He would grant him, and Solomon asked only for wisdom. God congratulated him on that one request. When you're under a burden, when it's serious, there aren't many things you can ask for. When a woman wants a child, even if you ask her in her sleep what she wants, she'll say she wants a child even before she wakes up. And when she wakes up, if you ask her the same question, she'll say the same thing because that's all she needs.

Jesus said in **Matthew 6:9** "*This, then, is how you should pray: Our Father in heaven...*" This is the basis of your prayer. You address your Father in heaven. You can pray for yourself or for someone else, but always believe that you are a child of God.

Say:

It is written in **Philippians 4:6** "***Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God***".

- O Father, these are my needs, the things that take away my sleep, that plunge me into distress and anguish!

- O Father, you know my distress; I can hide nothing from you. Save me!
- O Father, listen to my cries!
- O Father, I have no one on earth but you. In heaven and on earth, I have no one but you! (Let us pray in tongues)
- O Father, fight for us in the waters! O Father, fight for us in places beneath the waters!
- O Father, fight for us in the heavenly places, in the depths and in places beneath the waters! Scatter our enemies!
- O Father, fight for us in Hades! Act for us against the spirits of death! Fight for us against death and in Hades!
- O Father, fight for us in the wilderness! Fight for us in the forests, the sacred forests, wherever satan is worshipped! Fight for us wherever our names have been pronounced! Destroy! Annihilate! Strike away! Overthrow!
- O Father, for our sake, send judgment against reptiles, against all kinds of reptiles existing in the invisible world, in the army of the devil, in the army of darkness! Let those who are to be struck down be struck down! Let those who must be cut to pieces be cut to pieces!
- Let all kinds of reptiles, from the least to the biggest, which must be split open, be split open!
- O Father, act! O Father, shake the earth, the forests and the savannahs! Let your judgement get into Hades!
- O Father, exercise your judgments! Set the captives free! Banish sickness, shame and poverty!
- O Father, fight in the dry places, in family compounds! In every house where an object has been buried, let that house be burnt, broken and shattered!
- O Father, You are our Father, let none of Your children be in prison.
- In the name of Jesus, we break every prison! Sit down and listen to your Father. If He says to you: "I have heard your prayer, thank Him!"

The battle is not over. This is the time when children present their needs to their Father, when children talk to their Father. If your case requires Him to enter the sea, He will enter it! If He needs to move mountains, He will move them. Even if you have been swallowed, He will order that you be vomited up. And the sun will shine on your life! The peace of God will fill you, anguish and terror will disappear. Peace will fill you, and the terror of your tormentors will disappear. Your Father has stood up to fight.

- Let us pray that all those who have come out of prison will seek Jesus Christ.

Romans 1:18-25, *"The wrath of God is being revealed from heaven against all the godlessness and wickedness of men, who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that men are without excuse. For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened. Although they claimed to be wise, they became fools and exchanged the glory of the immortal God for images made to look like mortal man and birds and animals and reptiles. Therefore, God gave them over in the sinful desires of their hearts to sexual impurity for the degrading of their bodies with one another. They exchanged the truth*

of God for a lie and worshiped and served created things rather than the Creator—who is forever praised. Amen”

The word of God tells us here that God revealed himself to men through nature and even to the conscience of men. They knew God but they refused to worship Him; they began to worship nature, trees, reptiles, snakes, crocodiles, and God gave them over. And even in their bodies they feel God’s judgments.

We will intercede that any sickness that has come into your life because of disobedience may be healed and God may have mercy on you. Let any sickness that has followed you because God handed you over be driven away. We are going to ask for His forgiveness so that He can remove it. The Lord can heal you of HIV AIDS, He can remove it completely this evening. He is able to remove it. He can deliver you from poverty. Perhaps He said: “Since you do not love me, you will not have bread...”.

We’ll ask for His forgiveness and He’ll give you bread, and your condition will change.

Concerning any sickness or infirmity that has come as a result of disobedience, tell Him:

- O Father, forgive and heal anyone among us or among our online viewers who happens to be in this condition. Even if the person is alone in his room, may Your mercy penetrate his life and may Your mercy bring him closer to your life, let him touch life.
- O Father, forgive what I did when I did not know you.
- O Father, forgive, forgive what I did when I was ignorant. (Continue to pray.)
- O Father, especially HIV AIDS, grant perfect healing. (Let us pray in tongues)

If you are fighting in an area of your life and there has been resistance, we will join you, we will stand together and cry out as one man against all these adversaries, and there will be a difference compared to the time when you prayed alone. Even if it is a spirit husband who is grounded for centuries, he’ll be overthrown. If you have signs of epilepsy and people think you have epilepsy meanwhile it is actually a human spirit that has come to live in your body, causing you to fall when it wants to, it will leave today. Even if your name was among the dead, it will be wiped away today. Those who have initiated this project among themselves will say: “It is no longer possible. Let us leave or let us set them free!”

Lay your hands on your head and say:

- In the name of Jesus Christ, with one accord with my brothers and sisters, I rise up against my enemies again today; I condemn them! I judge them! I break their reign in my life, in the name of Jesus Christ! I destroy their backups! I command them to leave!
- In the name of Jesus Christ, I cast you out, begone! You are judged, broken. You will no longer rule, you will no longer remain here!
- In the name of Jesus Christ, we break your work. We cast you out, you who mimic epilepsy!
- In the name of Jesus Christ, you wicked spirit, I fought alone and you resisted, but now, with one accord with my brethren, I command you to get out of my life. Gather up everything you have sent into my life and begone!

- In the name of Jesus Christ, spirit of the dead, begone!
- In the name of Jesus Christ, spirit husband, begone! Any spirit that opposes true marriage in the life of a young man or a young girl, whether near or far, is judged! Begone, in the name of Jesus Christ of Nazareth!

Raise your right hand and say:

- Human spirit, if you came because sacrifices were offered, we break that power, we nullify that sacrifice. We banish them, we break all bonds, and we judge you!
- In the name of Jesus, all the demons who came because of these sacrifices, be gone!

Lay your hands on your head and say:

- In the name of Jesus, we rise up against any disease that came into the body of a man or woman through bewitchment! If you have been bewitched, we declare that you are free, in the name of Jesus Christ!
- If you are a demon that has been cast out and has returned, judgement is against you, you are judged. Begone! Any demon that has been cast out and has returned for one reason or the other, you are judged, you do not have that right. Begone!

Keep calm!

- If you are a spirit of a living or dead relative, go away!
- If you are a snake spirit following someone from the womb or from birth, you are judged! We break the bonds that made it possible!
- In the name of Jesus, if you are the python itself, you are exposed! Get out and go away! Python, you are struck down, you are judged, you are shattered to pieces! We cut you to pieces! We pull you out, we throw you out!

Say:

- Wicked spirit, if you are in someone's life to attract poverty, you are judged!
- If you are a spirit who came to break engagements, you are judged!
- Any spirit in charge of blockages, any spirit that causes divorce, that breaks engagements, that brings poverty, that makes people fail exams, you're judged! Begone, in the name of Jesus Christ!
- I vomit out everything I was made to drink. I vomit out everything I was made to eat. I wash my being in the blood of Jesus!
- If you're a water spirit, that came from the oceans, seas, rivers, from a glass of water under the bed, God's wrath is against you! Get out and begone! We snatch the victims from your hands!
- Demons of depression, you are judged. Begone! We deliver your captives!

Preaching to the invitees

You can see for yourself that there are two camps: Satan's camp and the Lord's camp!

You must leave Satan's camp to come to the light. Demons come to destroy; there

is no good Satan. Jesus, who loves mankind, told us that the thief comes only to steal and kill and destroy. You have been deceived when you were told: “Let’s go to the witch-doctors...”. The word of God says that God gave them the intelligence to know the true God, but they refused to worship him. They know the true God but they go to worship water. Come and give your life to Jesus! When God wants to help someone, He gives them good shepherds.

Final exhortation to the saints

When you go home, pray for your family. When you are alone, stand before God and say: Lord, forgive us! We have refused to worship you. It is bad to live in sin, but they boast about it. Say to God: Forgive us!

The Lord revealed to me that our families are places of captivity. Everyone was born into a family. You don’t choose, but you are the one who must pray for the happiness of your family. If your family is miserable, you are the one who will be called to weep so that God can intervene. In some families, people die every day. You can stop that. The Lord said: “Believe in the Lord Jesus and you and your family will be saved”. During this period, cry out for things to change. In a family, it is possible that all the girls be married. You must free the family from these demonic contracts that produce divorce and celibacy, and you will be happy. Don’t rejoice because you’re the only one who is well off. When, at the beginning of the school year, there are deaths, requests, you can’t do anything all alone. So, pray that your family will be blessed. It’s like prayers in a nation. If you don’t pray for the nation, when war breaks out, you’re going to experience it. You must pray every day for your family as a place where God has placed you. You must make other people as happy as you are. An intercessor must come out of your family.

The intercessor comes from among them. So, when we are at home or in the streets or at work, everyone should pray and say:

- O God, remove these curses from the family. Open the heavens above everyone; allow those who have cultivated to reap. Let those who have written exams succeed. Let there be marriages, childbirth, etc.

The Lord revealed to me that if the believer refuses to pray this way, the curse that rules over the family will rule over him. When someone gives his life to Jesus, the curses related to his sins are removed. If he lived in adultery, the curses related to his adultery are taken away, but the curses that hang over the whole family are only taken away when the child of God who belongs to that family begins to intercede for the whole family. This is why God says: “I search among them...”.

Don’t make the mistake of forgetting your family during this period and start to pray for yourself alone, saying Lord: “I want to get married; I want to work...”. That’s fine, but when we say: overthrow personal and family principalities, we don’t pray like that anymore. You bear your family, you become a priest for your family, and God blesses you; you will have your share with the great because you bear the people, you bear your family. And God answers you quickly. The prayers we raise here will be answered, all the prayers for the family will be answered here.
