BONIFACE MENYÉ

We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.

God bless you abundantly!

The spirit of death has fallen. Never forget that the children of God are blessed. Not a hair on your head will fall out without God's will. Where we are, if God has not said to you, "Come", even if you want to leave (die), angels will chase you away. They will tell you: "Go and preach the Gospel, your time has not come yet". Be aware that the enemy is hidden and he wants to surprise you but he is defeated! There will be deliverances in the assemblies. **Say:**

- We proclaim that Jesus Christ has said: "I will build My Church and the gates of Hades will not prevail against it. Jesus of Nazareth, the Lion of the tribe of Judah, Jesus of Nazareth, the Prince of Peace, Jesus of Nazareth, God Almighty.
- I proclaim that I live and that I work. My work is not yet finished and not a hair of my head will fall out! I proclaim that even if I try to leave, the angels who protect the work of God will chase me away!

If you hear that a brother has fallen ill and died, give thanks to God. We must have great faith and God will bless us. We must believe that as long as God has not called you, even if all the sorcerers in the world bewitch you to put you to death, it will not be fulfilled.

Whoever receives Jesus repents. When you repent, you give up sin and make restitutions. After repentance, you get baptized because baptism is not a simple thing, but an act of salvation. It is written that baptism is an appeal of a good conscience toward God who now saves us (**1 Peter 3:21**).

As for the breaking of ties, it consists in separating you from all the idolatry practiced by your family and you since your childhood. The ties that the devil had established over your life because you and your family had worshipped him are broken.

It says that baptism is a burial with Jesus. This means that you are buried with Jesus. This is why the young believer is plunged into the water, not sprinkled with water. He is immersed in water and baptized in the name of the Father, the Son and the Holy Spirit. They become a genuine member of the Body of Jesus Christ. Jesus said, "He who believes and is baptized will be saved. If you believe and refuse baptism, you are not yet saved. And we only add to our churches those who have believed and been baptised. Only such people are members of our churches. And the Bible says: *"And the Lord added to the church every day those who were saved"* and to be saved, you must believe.

Mark 10.28-30: Then Peter spoke up, "We have left everything to follow you!" "Truly I tell you," Jesus replied, "no one who has left home or brothers or sisters or mother or father or children or fields for me and the gospel will fail to receive a hundred times as much in this present age: homes, brothers, sisters, mothers, children and fields along with persecutions and in the age to come eternal life".

This evening, you can call down the grace of God upon yourself. The Lord Jesus says that all those who have left their families, brothers, sisters, mothers, houses, lands because they love Him and because they love the Gospel (a double love) will receive the hundredfold reward. Many brethren love Jesus but have not yet experienced the divine blessing and they wonder why; it is because they have obeyed halfway. In this world, the thing that is in God's heart is the message He has given. All those who work for this message to be heard by human beings are blessed. They have accepted Jesus, they love Jesus but it doesn't stop there; they go further, they love the message of Jesus. They

have left everything because they love Jesus and because they love the Good News. Many come to salvation because they have problems, it's not bad, it's normal because God says: *"Cry out to me in the day of trouble, I will deliver you and you will glorify me"*. When someone has problems and comes to God for the solution, it is a good thing. God blesses him. This is why we testify. But you must not stop there. In the beginning, oppression makes you seek God, you don't even know that you have to love God. Then God says to you: *"I am the Lord your God, who created you"* and He begins to teach you that you must love Him. At the beginning you had problems, now God asks you to love Him. When you love Him, He tells you that you must also love the Gospel. Jesus says that His main work is the Gospel: *"If you love Me, love the Gospel as well"*. Give your time, money, strength, intelligence to the Gospel. Plan how the Gospel is to succeed, because God delivers the world through the Gospel. The Bible says that the Gospel is the power of God that brings salvation to everyone who believes.

It is through the Gospel that the power of sin is destroyed, that the power of the darkness is destroyed. The Gospel is the light that enters the world, that enters the hearts of sinners, that lightens their minds, that creates the regeneration of their inner man. God saves the world through the Gospel. He has said that this Word will be heard by all.

This evening, you will pray for the Gospel to enter your family. You have given many gifts to your family: you have given shoes, clothes, cars, but this evening you will give the Gospel as the greatest gift to your family. We overthrow the principalities of the family but it is the Gospel that will save them. You must accept contempt for the Gospel and whatever you lose, Jesus will give it to you. You are going to pave the way for the Gospel to reach your family. Peter said to Jesus, *"Lord, what then will there be for us? We have left everything to follow you!?"*. He wanted to know what they could expect in the house of God. What does the Gospel actually provide for man, both practically and forever? Let us listen to Jesus' answer: ***"Truly I tell you, Jesus replied, no one who has left home or brothers or sisters or mother or father or children or fields for me and the gospel will fail to receive a hundred times as much in this present age: homes, brothers, sisters, mothers, children and fields along with persecutions and in the age to come eternal life"***. This is the answer that God gives you as well.

When you love Jesus and you love the Gospel, you will be blessed. Here you are blessed, even without judging a demon, you attract the grace of God directly to you. This is why you must not be ashamed of the Gospel, For, there is despise attached to the Gospel. You will be treated as Jesus was treated, but if you stand firm, you will realise that everything you have lost, God gives you a hundredfold. Do not be ashamed of the Gospel, for it is the power of God.

Say :

- Father, I have lost, I was ashamed of the Gospel. I was afraid because colleagues often laughed at me. I am foolish. You prepared everything for my happiness. I despised the Gospel and was content with my salvation, but You reveal to me that the greatest blessing belongs to those who love You and Your Gospel; those who leave everything out of love for You and the Good News. O Father, I have wasted time by trying all alone. I forgot the paths that You have paved without thorns, but I went away from them for nothing. Father, forgive me, I want to act.

Tell God what you want to do at your level for the Gospel to advance. God does not want what you do not have. It is written that if the willingness is there, the gift is acceptable according to what one has, not according to what one does not have. God said to Gideon: *"Go in the strength you have and save Israel"*. Do not raise hypocritical prayers saying, *"Lord, if you bless me, I will think of Your gospel"*. This is tricky. Go in the strength you have and make the Good News flourish! Go with the intelligence you have, go with the money in your pocket!

Consecrate yourself to the Gospel as you have consecrated yourself to Christ. There are people who will be healed after this consecration to the Gospel, because diseases disappear when God sets His eyes on you. When He looks in your direction, the devil bows down. Christian life has rules, Blessings are planned. God will do such thing for you if you do such thing for Him. Blessings are not sold; they are all planned.

Blessings are not sold; they are all planned! (Pray in tongues).

Start interceding for the Gospel to reach your family members and transform the village with your family members. May hatreds and divisions disappear! For, the Gospel breaks down the wall of separation, brings reconciliation, brings forgiveness, brings celebration in the family. There are people who will eat together for the first time, people who will shake hands. It will be a miracle and jealousy will disappear. Bewitchments will disappear.

Say :

- Father, may the Gospel visit us, may it penetrate families, may it turn lives around, may it transform families! May the Gospel deliver us from idolatry! May the Gospel deliver from ignorance!
- Father, bring your disciples into families in great numbers! Let them come and preach, and let hearts be opened!

Say :

- Father, strengthen those who are persecuted, that they may stand firm! May they protect Your glory which is upon them! (Continue to pray)!
- Father, may the light be such that the drunkards will be delivered! May those who drink koutoukou be converted! May the light be such that the palm wine drinkers will be converted! May the light be such that diseases will disappear, and the crippled will walk! May the paralysed walk! May the light be such that the blind will see! May the Gospel come with light! May it come with deliverance! Genuine deliverance!
- Lord, release the word! Let the idols be burned! (Continue to pray)!

Isaiah 2:20: “In that day people will throw away to the moles and bats their idols of silver and idols of gold, which they made to worship”.

Say :

- Father, let this miracle be performed in my family, in our families! This miracle where men will take the gold and silver idols they made and worshipped and throw them to the rats and bats! The idols to the rats and bats! All the clothes used for pride and any other item used for idolatry be thrown to the rats and bats! Let every proud person who has leaned on idols be powerfully visited and converted! Let him take the idols of gold and silver and throw them to the rats and bats! Let salvation enter our families! May all false gods, modern and traditional, be thrown to the rats and bats!
- Father, let the captives be released! Let them turn to Jesus Christ!
- Father, may they not be confused! Let their minds be renewed! Let them begin to seek true salvation in Jesus of Nazareth who said, “I am the Way, the Truth and the Life. No one comes to the Father except through me!” Jesus the Way, the Truth and the Life! May His Word fill homes, touch little children, adults, old people, the youth, the rich, the poor! (Continue to pray)!

Stand up, you will prophesy. Say:

- People of such village (mention the name of your village or villages) - listen! (The Holy

Spirit will carry these messages into the minds!) “Listen, Jesus Christ is the way, no one comes to the Father except through Him!

You will see that people will no longer argue in your family. The revelations will come according to your proclamation this evening. For some people, it is the village that must be called because their families fill the whole village. For others, it is each family that must be called. Call for salvation in each of these families! God is working.

Say :

- People of (mention the name of your family or villages), I call you to the Lord Jesus Christ! (Continue to pray)!

Raise your right hand:

- We stand against the strong man of every village or family! Jesus said: “No one can enter a house without binding the strong man of that house! “
- We raise our hands, in Jesus’ name. Let every strong man in every family be caught and bound! (Keep praying)!
- We take the souls held captive from you! We snatch them from your authority! We snatch them from your hands! Touch them no more!
- All you who are weary and burdened, come to Jesus who is the Way, the Truth and the Life! (Keep praying)!
- In the name of Jesus, evil spirits, we destroy all the misfortunes brought into the families! We destroy all stumbling blocks introduced into families! We destroy all curses introduced into families! We judge diseases! We judge hatreds! We proclaim the victory of Jesus! (Continue to pray)
- In the name of Jesus, we scatter all groups of sorcery in the mighty name of Jesus Christ! We raise our hands with one accord to divide and scatter all groups of sorcerers!
- In the name of Jesus, let every soul in every family that has been given over be delivered! Let the chains be broken! Let all who have been given over to death be delivered! We banish the power of death and hades! (Continue to pray)
- In the name of Jesus, let the rod of the oppressor be broken in every family! Let everything that is used as a rod of oppression be broken and shattered! (Continue to pray)

Raise your right hand and say:

- In the name of Jesus, we destroy the previous arrangements against the Gospel! All that the enemy had built up to this day to resist the Gospel, to shut the door of the Gospel, let it be overthrown! Let it be broken! Let it be burnt and loosed! Let the way be made clear for all who bear the good news! May the word which says: “How beautiful are the feet of those who bring good news, who preach peace” be fulfilled for them.
- This is the time of deliverance, when the devil decides to move away from you because his backups are ruined.
- Satan, you are defeated! Your plans are exposed!
- In the name of Jesus, we untie everyone who has been bound! Anyone who has been bound, we untie them! Anyone who is in chains, we break those chains! You are free, in the name of Jesus Christ! Anyone who is in chains, we break the chain!
- Anyone who has been bound, we break that bond in the name of Jesus Christ! The Gospel is the power of God! Anyone who has been tied up for whatever reason, we break the bond that

holds them! We break it! We proclaim their freedom, in the name of Jesus Christ!

- You, death, wherever you have hidden yourself to come as a surprise, you are judged! You will not stay. Be gone! You are broken in the name of Jesus Christ! And you will never come back!

We went to Liberia and the Lord delivered a witch during a meeting. According to the missionary's testimony, her case was beyond everyone. She said that when they were to carry out their genital mutilation, they were 1,200 and three of them were chosen for their body parts that were taken during the excision to be eaten with other products. During deliverance while we were praying, I saw a woman fall. The deliverance team carried her. She said that someone came into the hall while we were praying and said, "I'm going to remove what was put under your foot!" and as soon as this person removed what was put under her foot, she felt light and fell. They were totally delivered. It was Jesus who came in and removed the object of bewitchment that was sustaining all her witchcraft practices.

Pray that your body be sanctified. If a spell was cast under the soles of your feet, let it disappear! If it was put in your eyes, your eyes are washed with the blood of Jesus! If something has been put in your mouth, let it come out! If it is in a dress, even if the dress is missing, it will be burnt and judged!

Anything that holds your soul in captivity must be destroyed. If it was placed in your hair, if it was applied when your body was being scarified and you thought you were being healed, while you were actually being bewitched, it has been introduced into your blood. When you pray for the Holy Spirit to sanctify you, the fire of the Holy Spirit will burn everything. You will come back light, your dreams will be clear.

Raise your right hand and say:

- Holy Spirit, sanctify my being, my spirit, my soul and my body! Let every object of bewitchment be burned! Holy Spirit, act now! Burn, destroy everything from my head to the soles of my feet! Wherever it has been hidden, let it be burned! Sanctify my being! Sanctify! Burn! Destroy! Let every soul held captive be set free!
- Holy Spirit, come down, destroy, burn everything with your fire! Sanctify my whole being! Sanctify my spirit, my soul and my body!
- And you demons, who were attached to these things, leave now! And never come back again, in the name of Jesus Christ!

Remain calm.

- If anyone spit in the food and you unknowingly ate it, we break those ties! We declare that you are free! Anyone bewitched through food due to saliva that was put in the food, you are delivered! Let the demon go!
- If a spirit has followed you because your parents consulted a witch doctor and that witch doctor bewitched you and his spirit is following you, I cast it out in the name of Jesus Christ!
- I declare the freedom of any person who is being pursued by spirits declared by a witch doctor, who reclaim you as their child. These spirits who follow you in your dreams, in your projects, you are judged! Be gone! Get out! Even if it is in the bottom of the sea, or in the grave, we break the grave! If it is in a coffin, we break that coffin!
- If your umbilical cord has been taken and bewitched, we cut it to pieces and separate you from that bond! Anyone who was bewitched at birth, you are delivered! Anyone who was bewitched, even if the witch\wizard lied that it was an act of protection and love, we judge that act!

Put your hands on your head and say:

- With one accord, we break every act of bewitchment!
- In the name of Jesus, we judge the human spirits of people who are still alive, and who follow humans to oppress them when they sleep! Be gone! Every spirit of a living human being who follows a person everywhere, who disturbs his sleep, and often frightens him, you are judged! Your works are judged, condemned! Get out and never come back!

We will judge every spirit of celibacy. You know, spiritual husbands are deities. Some have already left. Maybe while we were praying you weren't there, but every spiritual husband must leave this evening!

- Now we judge every spiritual husband responsible for celibacy! In the name of Jesus, if you are a spirit called spiritual husband responsible for celibacy, if you are disturbing a couple or couples are affianced, if you have kept a young girl captive in the quest for marriage, we judge all the feelings you have sown and we cast you out! Get out and be gone! Spiritual husband or wife, get out and be gone! Enemy of marriage, come out and be gone! You are judged! Be gone!

Raise your right hand and say:

- We insist that every spirit that opposes marriage according to God's purposes be judged! Be gone and take nothing with you! Gather up everything you brought! You leave with all your diseases!
- We bless the sisters with good marriages! We bless the brothers with good marriages for the glory of God, for the progress of the Gospel!
- We deliver all the young people whom demons deceive by creating bad feelings, by making them look in the wrong direction! Young men, you are set free! We bless you with the power to see well without wasting time!

Lay your hands on your head and say:

- The Gospel says that Jesus healed all diseases. He is not dead but alive, that is, He heals all kinds of diseases! He did not heal diseases but He healed all kinds of diseases! Jesus heals me! (Proclaim healing by faith in Jesus)!
- Jesus heals me of hepatitis! Jesus heals me of sinuses! Jesus heals me of fibroid! Jesus heals me of cyst! Jesus heals me of pile! Jesus heals my head! He heals my teeth! Jesus heals me of hernia! Jesus heals my back! Jesus heals my joints! He is powerful! He has not changed! Jesus of Nazareth, author of healing!
- Sickness, I cast you out of my body in the name of Jesus! May all those who suffer from glaucoma and cataracts be healed!
- Let all those with dead nerves be healed!
- Let the paralyzed be healed! May the nerves be revived!
- Let all those who have a demon of blindness that prevents them from seeing be delivered. Demons of blindness, be gone! Come out! Free my sight! And the demon of hearing, you are judged! Demon of deafness, be gone! Come out! And let the person hear!

Do the gestures you could not do. Exercise faith that is a gift, a gift from God.

As you listen to the testimonies, stay connected to the Holy Spirit, your own can happen as you listen to the testimonies. You will suddenly feel that something has left your head, the pain you had is gone.
