- Overthrowing idols and making a vow to God for Him to grant our prayers

**BONIFACE MENYÉ**

*We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.*

*God bless you abundantly!*

**S**ome people have been followed by spiritual husbands and spiritual wives since childhood. They are unaware of this situation because those spirits do not show up. You can track the symptoms of their presence. The fact that you don't have sex with spiritual husbands or wives does not mean that they are not in your life. You may notice that you easily get irritated with your spouse for no reason. You can be coveted by all men and women. The tendency to have non-standard sexual relations also comes from spiritual husbands and wives. A young man told me that he had never been sexually attracted to a woman, but when he saw a man, he developed a desire for sex. All these symptoms show that there are spiritual husbands and wives in a person's life. But it depends on their authority.

Some forms of poverty are symptoms of the presence of spiritual husbands in your life. Spiritual husbands are jealous spirits. The fact that some people masturbate indicates the presence of spiritual husbands. Someone told me that he was given a dead monkey to skin and cut up. He had sex with the corpse of this monkey. Another told me that he slept with hens. Spiritual husbands or wives in your life cause you to do things that bring shame on yourself.

This is why I say that the demons that flee without troubling are thousands but we do not see them. Demons do not have the same way of leaving. You can be possessed by a demon that only comes out screaming. Another can be possessed by a demon that only comes out by causing its victim to yawn. Another one only comes out by itching. Others come out only through urine and diarrhea. Others come out by a sudden cold that disappears right after that. Others come out with a sudden anger that makes them want to punch. Others engage in a fight with the brethren and kick; when they are defeated, they withdraw. So, you may be delivered and still feel miserable because you have not fallen; you think you are not delivered. God works for each one of us.

When God is at work, regardless of the demon, He knocks it down. Jesus told His disciples that this kind of demon comes out only by fasting and prayer. There are demons that can only leave when we love the truth. There are demons that can only be overcome when you are not under false doctrine. If you are in a church that teaches false doctrine, you cannot be delivered, because the Spirit of Jesus is not the Spirit of false doctrine.

When a church is doing well, don't try to quit it. The sectarian spirit is a spirit that God judges. If you have an argument with a brother, never get up and slam the door; do not cause division. Always be one of those who try to reconcile. All the people who cause division will be judged. There are demons that only leave when the people being delivered are obedient to God. If I tell you, "This is what God wants" and you refuse to do it, you are being disobedient. Someone who has believed must repent. If he refuses, he is disobedient. Thus, there are things you must do. You must bear fruits worthy of repentance. When you don't have the spirit that wants to do God's will, you cannot be delivered. If you are delivered, the demon will come back. This is why we talk about idols.

The sin that one does not want to give up is an idol and idols are against the first commandment. Hence, idols are the greatest sin. There are two great commandments. The first one says:

*“You shall love the Lord your God with all your heart, with all your mind and with all your strength”*. The second: *“You shall love your neighbor as yourself”*. Once you have another god in your heart, you have already violated the first commandment. This is why God gives visions to announce His thought. And the visions we have are spiritual. If the Lord says, *“I have healed you”*, believe! God said that the righteous will live by faith. Believe that where you are sitting, God is calling you to bless you. Believe that God can do for you what he did for that brother who shared his testimony. A spirit of death can be inside of you or follow you. If it has the authority to follow you, you are already in danger. Your life is like a bedroom, no spiritual husband should be there with you, even if it is only to lie on the floor. Do not be happy that it is there lying on the floor. It is in your room, in your life. In God’s plan, it must be cast out. It must not be in your life; you must cast it out. Otherwise, you will see that if you are a woman, all the men want to sleep with you, but nobody takes the commitment to marry you; or you will see that you despise all those who are serious. These are the symptoms of the presence of spiritual husbands.

In 2018, the Lord revealed to us that spiritual husbands are divinities. Some men worship them, statues are made to represent them as man and woman. People who worship them are asked to lie down and cover themselves with a white sheet. For others, they say: *“On Fridays, wear a white dress”*. Be wise and spiritual! Say to God:

- Expose all my enemies.

Do not appear boastful; do not say: I do not have demons. If you have no problems, fast for others

**2 Corinthians 5:14-16** : *“For Christ’s love compels us, because we are convinced that one died for all, and therefore all died. And he died for all, that those who live should no longer live for themselves but for him who died for them and was raised again. So, from now on we regard no one from a worldly point of view. Though we once regarded Christ in this way, we do so no longer”*.

Giving one’s life to Jesus means accepting to live for Him because He died for us. You are the one who was supposed to be crucified. There is no man who can accept to be stripped, scourged, flogged and crucified, but Jesus did! He said, “Because I died for you, you can no longer do what you want”; you must do what God wants! Because He died for you, if He asks you to forgive, you must forgive as He forgave you. If you are tempted, you must not sin because when He was tempted, He did not sin. You live for Him! You belong to Him!

Giving one’s life to Jesus is living for Jesus. Living for Jesus stems from the love for Him. The Bible says that we love Him because He first loved us. You can’t say that you don’t love Jesus and that you can’t love Him when He loved you and died for you. Many people think that they love God by living in lies telling. By living in sin, you prove that you do not love Jesus. **He said: “They claim to know God, but by their actions they deny Him”**. **Titus 1:16a**. When you commit adultery, when you lie and/or steal, you are saying that you do not love Jesus. For it is written, *“For Christ’s love compels us, because we are convinced that one died for all, and therefore all died”*. In God’s purposes, Jesus died for all. When He rose from the dead, all came back to life. He went to heaven to prepare a place for us and He said, *“You will live for me!”* When you refuse to live for Jesus because you want to drink koutoukou (local drink), God punishes you for refusing the love of Jesus for koutoukou’s sake. In the books of the prophets, it is written: *“They say to wood, you are my father and to stone, you gave me birth. They have turned their backs to me and not their faces; yet when they are*

***in trouble, they say, come and save us!” Jeremiah 2:27.*** God says this is impossible, He asks you where are the wood and the stone? If you are wise, you will overthrow the idols and embrace the Lord Jesus.

***Genesis 35:1-8: “Then God said to Jacob, Go up to Bethel and settle there, and build an altar there to God, who appeared to you when you were fleeing from your brother Esau. So, Jacob said to his household and to all who were with him, get rid of the foreign gods you have with you and purify yourselves and change your clothes. Then come, let us go up to Bethel, where I will build an altar to God, who answered me in the day of my distress and who has been with me wherever I have gone. So, they gave Jacob all the foreign gods they had and the rings in their ears, and Jacob buried them under the oak at Shechem. Then they set out, and the terror of God fell on the towns all around them so that no one pursued them. Jacob and all the people with him came to Luz (that is, Bethel) in the land of Canaan. There he built an altar, and he called the place El Bethel, because it was there that God revealed himself to him when he was fleeing from his brother. Now Deborah, Rebekah’s nurse, died and was buried under the oak outside Bethel. So, it was named Allon Bakuth”.***

Jacob had made a vow to God when God revealed himself to him at Bethel. He went to live somewhere else and God visited him there. God said to him: *“Get up, go to Bethel where you made the vow to me, stay there and serve me!”* He was seriously worried because his sons had just killed the sons of Shechem as a result of the fact that the prince of Shechem dishonored their sister. There was thus, an open war. But when God spoke to him, he removed all idols. He said to the people, *“Bring to me the foreign gods that are among you!”* Jacob knew that God does not like idols, but he had tolerated that. Someone may backslide and start tolerating things that are not to be tolerated. He knew that his parents had foreign gods, but he did nothing to remove all of them. But when God called him, he was determined to destroy all idols and buried them. The Bible says that when he buried them, the terror of God went ahead of them. When there are multiple attacks, it is a sign that the terror of God no longer precedes you. To retaliate those attacks, you must be reconciled to your God. This is called overthrowing of idols. If you want to be reconciled to your God, remove the idols from your heart and take your eyes off your idols.

***Ezekiel 14:1-3: “Some of the elders of Israel came to me and sat down in front of me. Then the word of the LORD came to me: “Son of man, these men have set up idols in their hearts and put wicked stumbling blocks before their faces. Should I let them inquire of me at all? “.***

God spoke to Ezekiel. They went to inquire of God with the prophet. God said to the prophet, *“Do not be deceived, these people carry their idols in their hearts, they follow me looking back”.* They regret abandoning their girlfriends and boyfriends. In fact, they are not committed. Jesus said, *“Woe to the one who put his hand to the plow and looks back”.* When you give your life to Jesus, you walk without looking back, without regretting leaving the world. Some people would like to be allowed to have a little beer. They are cunning and crafty. When there are events where there are no children of God, they take advantage and say, *“My boss forced me!”* One brother drank Guinness pretending to have stomachache. The desire was there, but there was no opportunity, and as soon as the opportunity presented itself, he drank. They have believed but their eyes are on beer. When they pass by a bar, a restaurant, they watch the glasses in front of the clients they start imagining things but they are in Christ. When they see a

prostitute with another prostitute, they watch them. They figure out what they will do and they sin. The idols must all be buried!

Say:

- I proclaim that the idols are buried! I turn my eyes away from everything that made me fall into sin! I proclaim that I put my hand to the plow and I do not look back! I proclaim that I remove from my heart every idol! Lord, you have seen me! You are true!

It is through this prayer that you gain victory! If you cherish the idols and do not remove them, you will lose the battle!

Say:

- All the idols buried!

If you were arguing with a brother and did not forgive, say to Jesus:

- You have won! I forgive! You have overcome me!

Say:

- Jesus, You have broken me for my good! Thank you Jesus!
- I will spend my life telling all men that You have overcome me!

Let your heart be opened to Jesus! The demon says to you, “*Why do you want to forgive?*” Say: “Demon, shut up. It is Jesus who tells me to do this, not a man! “

Say:

- I am not ashamed to be overcome by Jesus!
- It is a grace and an honour to fall into the arms of the one who can break! Like a potter, He can remake me! He is doing it! He is giving me a new heart!
- Jesus, go ahead! Treat me according to your wisdom, treat me according to your knowledge! Treat me according to your power! Make me another man! Make me another woman!

Uproot everything that needs to be uprooted! Uproot the bad moods, uproot the lack of joy, uproot the lack of peace! Uproot everything that wants to stick to you! (Keep praying!)

If there is anything you never wanted to accept, tell Jesus: “I accept! (Pray in tongues)

There are studies that show that no one can dream of speaking in a language that is not learned naturally. Those who have not learned Greek cannot dream that they are preaching in Greek. Those who dream that they speak in tongues have already received the baptism in the Holy Spirit but their spirit is in a prison. When they want to speak in tongues, their flesh is as heavy as a turtle’s shell and it does not release the speaking in tongues! You will speak in tongues!

**Psalms 81 :10: “I am the LORD your God, who brought you up out of Egypt. Open wide your mouth and I will fill it”.**

This is the fundamental rule for everything that can be received in the spirit. It can be a prophecy. When God says, “*Prophecy!*” Some people want God to give them a letter that they will read. When God says, “*Stand up and say, thus says the Lord*”. They lack faith to say it. God says,

**“Open your mouth!”** It is the mouth that preaches! It is not the feet. **“Open your mouth!”** Say the first sentence! When the spirit descends, it descends with the gifts. Some people block them. There are people to whom God says: **“Speak!”** They don’t obey and someone else stands up and prophesies. They say: **“I had received this!”** You have lost!

Say:

- Lord, I know that You live in me! I know that you have baptised me in the Holy Spirit! I know You have given me the spiritual gifts! Father, I want the gift of speaking in tongues! Father, I want to pray in other tongues with my brethren!

**1 chronicles 4 :10: “Jabez cried out to the God of Israel, oh, that you would bless me and enlarge my territory! Let your hand be with me and keep me from harm so that I will be free from pain. And God granted his request”.**

We will intercede for ourselves and for our families, but we will imitate Jabez, he made a vow to God. You will fill in the part of the text where there are dots; The Holy Spirit has left these dots for you. You must complete them with your request. If you want to get married, say: **“If you give me a husband...”**, or **“If you heal me from this disease...”** Or **“If you deliver me from this adversity...”**, **“If you deliver me from this man who wants to kill me at all costs...”**. And the Bible says: **“The Lord answered”**.

**“Oh, that you would bless me and enlarge my territory! Let your hand be with me, and keep me from harm so that I will be free from pain. And God gave him what he asked for”**. It is a vow. The Holy Spirit did not allow you to be influenced by what Jabez had promised, his vow is not revealed. You must keep yours secret as well. A young man may say, **“If you give me this, I will go on a mission”**. And another one may say, **“If you bless me, I will give you a million, or 10 million”**. It is written: make vows to the Lord and fulfil them. Many intercessions are weak because when people must vow, they show greed and stop the prayer; they are afraid to make vows because there is love of money in their hearts. The vow is not necessarily money. Anne made a vow; she said, **“If you bless me with a child, I will consecrate it to you”**. We will present our prayers and wishes to God!

Let us stand:

- Speak sincerely and simply to God. He is not angry. He is compassionate, merciful, slow to anger, rich in goodness! He answers the prayers of his people! He answers our prayers! He hears our cries! (let us pray together)

Say:

- Father, listen to my prayer!

Jacob said, **“I will pay you a tithe of everything and I will come back to worship you”**. God answered, and God said to him: **“Go to Bethel and stay there”**.

This is a transaction with God. It requires faith. All those who made vows to the Lord in the Bible were answered. Don’t say in your heart, **“I don’t want to make vows to God because I might not fulfil them”**. Be careful, it could be the devil talking to you; the word of God says: **“Make vows and fulfil them”**. If you say to yourself, **“I’m not going to make them, because I might not fulfil them”**, you are already disqualified. It is a sincere commitment, God does not force you; it is useful in lifting up your intercession, your prayer topics of thanksgiving, your supplications.

The vow is necessary, it is a commitment, a promise to God, which binds you to God, which enhances the level of worship. Favours are not bought, God does not say: "Give me 10,000, I will bless you!" You are the one who says to God: "If you bless me, I will love you more by devoting my life to prayer, to fasting, and by offering to you such and such a sum for the missionary enterprise!" Vows are not trivial, they are the fruit of a sincere transaction of a child who believes that he can cooperate with God who changes circumstances, and God honours this kind of commitment.

Say:

- Father, accept us! Answer us! Accept our vows and answer us! (Continue praying)

We will have a prayer topic. If you have made vows to a witch doctor, it is a crime. God himself takes pleasure in vows. If your parents have made vows to witch doctors that is very bad. Before we part, this must be nullified. There are bonds because you said, "Give me", or "I will come back!" "One of the tough demons I encountered said this about a sister: "She was brought to me to protect her. Her parents came to get her and she doesn't worship me anymore. We don't want her to go to school either". These are dangerous commitments: "I'll come back and say thank you!" Even if it was your father who said this, you are not free. You will see that after these series of prayer, we will enter another set of prayer because the foundations are broken.

Raise your right hand and say:

- In the name of Jesus Christ of Nazareth who made us priests, God is our Father! We cancel all the vows made to witch doctors.
- In the name of Jesus, we destroy all ties established because we gave our first salaries to our parents instead of giving them to God! Let all the ties established over us because we gave to men what should have been given to God be broken. Let the curse that has bound itself to us depart from us. We banish all such curses.
- We proclaim that our vows belong to our Father who is in heaven, our wealth, our lives, our offerings, our tithes, our first fruits!
- In the name of Jesus, we judge all claims, we ordain silence! We judge the depressions that are the fruit of these threats. We judge all spiritual husbands who are tied to these commitments; we judge all the diseases that come from these commitments; we judge all the poverty that comes from these commitments and from these gifts given without knowledge that were supposed to be given to God and were rather given to men. We destroy of all that and proclaim the victory of Jesus Christ in our lives!

I receive that many do not have the revelation of vows. They don't understand.

Say:

- Father, open my spirit, I do not want to act without revelation!

Vows are part of spiritual warfare. Vows take intercession to another level. Do not be afraid to make a vow. Your vow, when it is sincere, is a mark. It measures your consecration. Our vows are working in heaven.

At home, work on idols, and making vows to God. Make promises to God! We will deal with the problem of bewitchment tomorrow. No one should continue under the yoke of bewitchment. As soon as you wake up, say, "O God, answer us! "
