15th Edition

1 July to 9 August 2023

Summary day 28

28 July 2023

**GOD SEATED US WITH HIM
IN HEAVENLY REALMS
IN CHRIST JESUS**

Boniface MENYE

Comment on a testimony about deliverance from a spirit of death.

Psalm 133:1-3, *How good and pleasant it is when brothers live together in unity! It is like precious oil poured on the head, running down on the beard, running down on Aaron's beard, down upon the collar of his robes. It is as if the dew of Hermon were falling on Mount Zion. For there the LORD bestows his blessing, even life forevermore.*

Those of you who stay in your houses and tents during prayer are not doing good. When you stay alone, that is fine. You are a child of God, but **the Holy Spirit has revealed that God loves it when His people come together to serve together, to pray together, to intercede together, because this is where God sends blessing.** If this one (the brother who was delivered from the spirit of the dead) had not joined us, the spirit of the dead and the flowers would have stayed with him. He wouldn't even know he had a spirit of the dead.

When the crusade is over, go to the assemblies to pray. Go to the assemblies to worship God. Do not listen to evil spirits. In this world there are children of God and children of the devil. The children of God obey the voice of God and do the work of God according to God's law. The children of the devil also have their meetings. They have their own ways of worshipping. You can see the outcome of a flower that is put on a grave. Don't take it lightly. This priest served his god by giving a little innocent child as offering to a spirit of the dead. It was a simple gesture: Putting a flower on the grave of someone you loved, maybe your sister, your mother, and so on. The devil is exposed!

Exhortation and prayers

Ephesians 2:1-10, *As for you, you were dead in your transgressions and sins, in which you used to live when you followed the ways of this world and of the ruler of the kingdom of the air, the spirit who is now at work in those who are disobedient. All of us also lived among them at one time, gratifying the cravings of our sinful nature and following its desires and thoughts. Like the rest, we were by nature objects of wrath. But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions—it is by grace you have been saved. And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus, in order that in the coming ages he might show the incomparable riches of his grace, expressed in his kindness to us in Christ Jesus. For it is by grace you have been saved, through faith—and this not from yourselves, it is the gift of God—not by works, so that no one can boast. For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.*

Jesus is good!

This passage speaks about the children of God. If you listen carefully, and you are a child of God, your heart will rejoice. If you wanted to get discouraged on the pathway of perseverance, you have the courage to keep going and you are not tired.

This passage says that as we are seated here, we are seated with Jesus in heaven. Brethren, there is a true story that happened in our village. A lame man fell into a trance and was shivering. A sorcerer began to beat him with some small tree

branches, saying: “Give them back (what you have taken), give it back!

When the lame man came back to his senses, this is what he said: He said that he went to Hades to steal money and they caught him. That held him there and prevented him from coming back. The traditional exorcist started beating him, urging him to give back their money. He also said that he saw the village chief and his junior brother in chains. Sometime later, the chief died and a month later, his junior brother also died.

When you are in the camp of Satan, you can move around but your spirit is with them. So, when the word says that we are seated with Jesus in heavenly places, you must not doubt. By faith, you believe that you are seated with Jesus. Testimonies like the one I have just given, help us to understand that God has established us in the truth. They were alive and healthy, but the lame man saw them in Hades, in captivity, waiting for the day of their death. Before that day, they were moving around.

Say:

- I proclaim that I am seated with Jesus!

Whatever battles you fight, your salvation is complete. If you took commitments in the past which are delaying your liberty, you must use the word of God to break those ties. **The ministry of deliverance is the execution of God’s justice.**

Daniel said to God: “You said that the exile would last seventy years, but it has gone beyond seventy years”. The minister of deliverance therefore reminds God that according to Your word we should no longer be here. You must say to God: “According to your word, which says that you have seated me with Christ in the heavenly places, a demon should no longer be with me “.

When you proclaim such a judgement upon the enemy, that is when you hear: “I’m going, I’m going”.

God has already revealed His will to us. He has already blessed us with all kinds of blessings in heavenly places. As executors, we must reject poverty, starting with spiritual poverty because that is the greatest poverty.

People who are blessed with all kinds of spiritual blessings in heavenly places are supposed to master small spiritual and worldly situations. They ought to be delivered from debts in a genuine way. There are people whom Jesus delivered from debt in a supernatural way.

We will pray this evening. There must be situations that prove that grace is with you. If there is an obstacle, it must be destroyed. Let no one deceive you! You cannot buy it; it is a gift from God.

Say:

- This is a gift from God! My salvation is a gift from God! My riches in Christ in

- heavenly places, all kinds of riches are a gift from God to me!
- I refuse all kinds of poverty (spiritual, financial, material)! God has blessed me with every kind of spiritual blessing in heavenly places in Christ!
 - My life, you must change because God has blessed me! If you are “my life”, you must change because God has blessed me in his Son!

Brother, you will possess things by faith.

Say:

- I have such a blessing and it is a gift from God, it is by his grace!
- In the name of Jesus Christ, I bring into existence my prosperity in every area: spiritual, financial, material. I leave nothing behind.

The devil must not give you the impression that you are bothering God and that you are overdoing it. These are gifts, these are things that God has prepared for those He loves. He said that we are his inheritance and he is our wealth. He is our health. He is our justification. He is everything for us. It is written: the fullness of him who fills everything in us! Possess! Possess! Proclaim! Proclaim!

- Let all riches and blessings come into existence! We are seated in heavenly places with Christ, delivered from all poverty! Healed of all diseases and all infirmities! Delivered from poverty! Proclaim until the walls crumble, strongholds crumble and the heights be overthrown! Let the seas dry up! Let them dry up!

Make sure you are exercising faith. These are not simple prayers.

Say:

- I take such a thing and bring it into existence! God has told you that he would give you a husband. Where is he? Bring him into existence!

Say:

- We intervene in every life where this prayer has raised adversity, resistance and the anger of enemies. In the name of Jesus Christ, we strike you and deliver anyone against whom you have come into conflict! (Let us pray in tongues.)
- In the name of Jesus, wherever there is physical or organic resistance, wherever the physical body is unable to obey, in the name of Jesus, we heal that body! Anyone who is disabled physically, this is not the work of Satan, it is part of the body that is defective. In the name of Jesus, we proclaim the miracle. Let it happen and let this situation be addressed!
- In the name of Jesus, we judge all kinds of infirmities and proclaim the glory of God! (Continue to pray violently.)
- In the name of Jesus, let miracles be performed in our lives! Let things change according to God’s purposes, according to the purposes of him who has blessed us with all kinds of spiritual blessings in spiritual places! We release spiritual blessings, financial blessings, emotional blessings, all kinds of blessings! We judge adversaries! We overthrow and scatter the adversaries!

- We speak to every physical body. My body, in the name of Jesus Christ, receive divine healing!

Speak to the disease and say:

- Disease, you have ears, it is time to leave my body! Disease, begone in the name of Jesus Christ! You must not be seen in my body any longer! Begone! (Pray in tongues.)

You will mention the name of the disease and cast it out of your body.

Say:

- Sickness, you hear, I command you in the name of Jesus Christ, leave my body and begone! (Continue to pray in tongues.)
- O Heavenly Father, visit your people and give commands about them! (Keep praying).
- In the name of Jesus Christ, we chain every principality responsible for disease, regardless of the disease, chained, chained! The spirits of the dead responsible for disease, chained! Spirits of disease, chained! The captives set free in the name of Jesus Christ!
- You, strange spirit in our midst, begone and do not come back!

Say:

- In the name of Jesus Christ, even if you were invited or even if you were called or if I was the one who called you, I no longer follow you, it's over! Begone!
- In the name of Jesus Christ, I break the bond between us! I first break it and then I burn it, it is over! Even if you had been sent, even if it was with the blood of animals or human blood, even if it was with my clothes or my writing, begone! It is all burnt! There is no more bond between you and me! If it is because of the pacts with my things, in one accord, we burn them! We tear them up! If it was verbal, we banish them and nullify them! (Remain calm. You behold yourself complete in Jesus Christ. God loves faith.)
- In the name of Jesus Christ, you wicked spirit, where you didn't want to go, that is where we are sending you! Come out and begone!

The army of the Lord is at work!

- In the name of Jesus Christ, (child of God) even if you are held captive in the root of a mountain, the spirit of the Lord is coming to your help!
- Lord, I believe! I believe that you make me seated with you in the heavenly places! I believe that I am rich! I believe I am blessed! I believe I am healed! I believe! I believe! I believe!
- In the name of Jesus Christ, we intervene wherever a demon has hidden itself here or elsewhere, spirit of doubt, we cast you out and free those you wanted to block! We cast you out!
- If you feel pain somewhere, don't worry, there are demons that before leaving, cause pain that wasn't there before. If you yawn excessively, don't worry, it is deliverance. These days we hear a lot about spirit wives or spirits with both sexes. We will destroy their grip.

Raise your hand and say:

- In the name of Jesus Christ, you demonic spirit called spirit wife, we strike you! And cast you out! Begone quickly!
- In the name of Jesus Christ, if you transform yourself, we break your power of transforming or multiplying yourself! We break your power of multiplying yourself! And we strike you! Begone!
- In the name of Jesus Christ, I condemn the kingdom of masquerades! I declare that masquerades are nothing! And you, demon behind masquerades, begone!
- In the name of Jesus Christ, you, spirit that has followed someone because he has worshipped the dead through skulls, because he has touched skulls or because he has fed a skull, if you have followed him, begone! Get out and begone!
- In the name of Jesus, I separate myself from any curse that has followed me because I touched the skull of a dead person. (Continue praying).
- If you are a water spirit, you are exposed! Let every water spirit be judged! Begone quickly!
- In the name of Jesus, water spirit worshipped across swamps, lakes, rivers, seas, water, even if it is rainwater, even if it is dew, anything called water, even if you have been told to put it in a glass, begone!

Raise your right hand and say:

- If someone has been bewitched by putting his name or a list of names in a crock that they have buried, in the name of Jesus, we bring that crock out! Let it come out of the ground with all the names! Let it be broken and all the captives set free!
- If someone had called you, even in a dream or you had heard your name in the real world, you answered, but after checking you saw no one, say: “I declare that I am free! I banish that voice! I destroy this project! I cancel what is behind it! I break this bond that was established! I banish all things, all trouble that followed me because of that call! I declare that all that has been prepared against me through that call is cancelled! And you, demon who has followed me since that day, begone!
- In the name of Jesus, I withdraw my soul from where it has been locked up!

If you find yourself in a place where there is no way out, you will get out!

Say:

- By the power in the name of Jesus, I pave the way before me! In the name of Jesus, I free myself from any place where they wanted to keep me in prison! If it is in a forest, I pave the way! I go out and burn the forest! Even if it is in the water, let that water be dried up and I get out! I leave the desert behind me, I set all the prisoners free!
- In the name of Jesus, if your soul is locked up in a car that you entered and you don't know why, but you notice that your spirit is heavy and you know that something happened, say: “I break that vehicle and I get out of it”. In the name of Jesus, I destroy every spiritual vehicle I have ever entered! I break it

up! I burn it and I command the fire of God to come down and burn it! And I release all the captives of that place! I remove my soul from that place!

- The word of God says: “I will bless those who bless you, and whoever curses you I will curse”, but the devil says: “I will curse all those who bless you”. So, he does the opposite. Anyone who blesses you, God blesses that person. But the devil looks for the people who have blessed you to harm them.

Raise your right hand and say:

- I protect everyone who did me good! I declare that Satan’s schemes will never be fulfilled! Let them be blessed in the morning, blessed at noon and blessed in the evening! Let them be blessed when they get up! Let them be blessed when they lie down! Let them prosper and be made prosperous! Let the devil’s schemes against them be scattered! Let no one suffer for having done me good! Let the Lord arise and scatter their enemies!

Raise both your hands and say:

- O Father, may I be a great blessing. Let it be clear that those who come near me are blessed! Make me like Joseph, who prospered wherever he went!
- O Father, may I not be someone in whose hands things become small! Let projects become great in my hands! Let it be obvious and let everyone say: “This is the finger of God!” Let it be clear that I am a blessing just as you promised that you would make Abraham prosperous!
