Day 25

**GOD LEADS US FROM
BATTLE TO BATTLE AND
FROM VICTORY
TO VICTORY**

- God strengthens our hands and uses them for battle. Our responsibility is to believe
- God has placed a great treasure in us. You carry within you the glory of Jesus, the power of God

BONIFACE MENYÉ

We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.

God bless you abundantly!

Exodus 23:20-33: *“See, I am sending an angel ahead of you to guard you along the way and to bring you to the place I have prepared. Pay attention to him and listen to what he says. Do not rebel against him; he will not forgive your rebellion, since my Name is in him. If you listen carefully to what he says and do all that I say, I will be an enemy to your enemies and will oppose those who oppose you. My angel will go ahead of you and bring you into the land of the Amorites, Hittites, Perizzites, Canaanites, Hivites and Jebusites, and I will wipe them out. Do not bow down before their gods or worship them or follow their practices. You must demolish them and break their sacred stones to pieces. Worship the LORD your God, and his blessing will be on your food and water. I will take away sickness from among you, and none will miscarry or be barren in your land. I will give you a full life span. I will send my terror ahead of you and throw into confusion every nation you encounter. I will make all your enemies turn their backs and run. I will send the hornet ahead of you to drive the Hivites, Canaanites and Hittites out of your way. But I will not drive them out in a single year, because the land would become desolate and the wild animals too numerous for you. Little by little I will drive them out before you, until you have increased enough to take possession of the land. I will establish your borders from the Red Sea to the Mediterranean Sea, and from the desert to the Euphrates River. I will give into your hands the people who live in the land, and you will drive them out before you. Do not make a covenant with them or with their gods. Do not let them live in your land or they will cause you to sin against me, because the worship of their gods will certainly be a snare to you “.*

This Scripture teaches about deliverance. The children of Israel came out of Egypt to go and dwell in the land that God had prepared for them, as he had told Abraham. It was a land occupied by other people, therefore, to take possession of it meant that Israel would have to fight against those numerous people.

“If you listen carefully to what he says and do all that I say, I will be an enemy to your enemies and will oppose those who oppose you. My angel will go ahead of you and bring you into the land of the Amorites”. God is saying that deliverance is part of the Christian walk; you fight, you strike and move forward. Your Christian walk ends when you can no longer overcome. But in God’s purposes, He has promised that He Himself will lead us in the walk and in the fight. And it is God Himself who organizes the battles. He knows that in 2017 you should defeat such and such enemies. You defeated the enemies and He moved you forward in 2018. You struck in 2019, and you just keep moving forward to 2022. He knows where He has to take you in the fight. It is He who moves you, it is He who commands you to move forward. You are armed, He has given you life and blessed you, and He says to you: *“If anyone opposes you, he opposes Me. But my angel will lead you in the planning of victories”.* He will first bring you into the land of the Amorites. If you defeat the Amorites, he will bring you to the Hittites. When you strike the Hittites, he moves you to the Hivites. When you strike the Hivites, he leads you to the Jebusites. It is your little arm that God will use. God sits on His throne and rules.

Say:

- When God strengthens my little arm, he demolishes strongholds!

The battle against principalities is a reality. There are dwarfs, giants, monsters, undescribed species. A sister said that she picked up a leech in her hair. That is called bewitchments. Don't be surprised if we pray today and you have no problem but when a giant is cast out another day you find yourself in the hands of the deliverance team. It is God who knows, it is He who leads you after each deliverance. We go from progress to progress, from glory to glory, from victory to victory. Don't be weak and say, *"It is always difficult for me", because even for Jesus it was not easy.* The bible says: ***"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart"***. Hebrews 12:1-3.

He is the one who gives birth to faith and brings it to maturity. Think about Jesus and how he fights day and night and commit yourself to fight wherever Jesus will send you.

This evening you will fight again, it is God who has brought you here. Consider that you defeated the Amorites yesterday, today it's the Hivites, the Hittites, the Jebusites, etc. You raise your little hand and God gives you the victory. Our responsibility is to believe and obey. When you listen to His voice, He takes you from battle to battle, from victory to victory. There is no rest and there will be no defeat. If anyone stands against you, he has stood against God. Even if you are asleep, no one can touch you. Don't think otherwise. The Bible says, "If you don't have faith, God can't love you. You will be like a fool in the eyes of man, because God has taken his riches and hidden them. You must be a fool according to this world to find what God has hidden. This madness is faith! Believe that God is with you, even if you fall into a sin, believe that God is with you and repent, don't go and commit suicide.

I was saying that the greatest prayer book that Brother Zach ever wrote was: ***the Art of Intercession***. He said in this book that if you want to pray, pray; if you don't want to pray, pray; if you have sinned, pray. In fact, prayer is at the center of everything. immediately after you sin, the devil tells you: "It's over for you, go and kill yourself". This is how depressed people suffer. The Holy Spirit always produces the conviction of sin wherever the Spirit is at work, the conviction of sin is produced, and one repents. Someone who is sinful has never believed. Even if you are tired, you remain a child of God. Even if people do not love you, God loves you. This is why we often call backsliders to give their lives to Jesus. We say that if you were really with Jesus and fell, you should come back to Him, and when you come back, God forgives you and restores you. A child of God must never be lost, not knowing what to do and thus destroying the treasure that God has given him.

2 Corinthians 4:7-12: "But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us. We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed. We always carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body. For we who are alive are always being given over to death for Jesus' sake, so that his life may also be revealed in our mortal body. So then, death is at work in us, but life is at work in you".

Say :

- I am a jar of clay!

All that God does in your life is out of love, because you are an earthen vessel, you are nothing! We are pressed anyway, pressure on the left, pressure on the right, pressure on your body, but

people notice one thing: that you are pressed but you are still alive. Then, they will realize that there is a strength in you. She is insulted everywhere, her property is taken away, but she is always singing, but she is never crushed completely. If you do otherwise, you repent. If you hide, and say, *“People are laughing at me”*, you have failed!

There were challenging situations that happened to us to crush us, but we are never crushed: this is the power of God. Never shattered, no one can shatter you, no one can steal your joy in Jesus. There are people who gossip, someone becomes ill and they ask him, *“Did the brethren help you?”*. When you answer, *“No!”* They say: *“The brothers are evil!”*. You chase such a person away saying: *“In the name of Jesus, I drive you away, be gone!”*. And that person will regain his senses, the devil was behind all his exhortations. The people who persecute you put fuel in you without knowing it.

“In distress, but not hopeless”. If you are hopeless, you have lost something. Be restored in Jesus’ name! When you are desperate, you look to the left, you look for human help, unaware that a treasure is in us; it is not that God will deposit a treasure in us. God has deposited a great treasure in us. You carry the glory of Jesus in you, the power of God.

The Lord revealed one thing to me. There are brethren who make efforts to show that God is using me, I thank you. But what God has shown me is what He has given to the church: He showed me in vision and told me about it. The fact that all brethren see their deliverance in dreams and in vision is a way of setting me aside and exalting Himself. When a brother says a spirit came out of him, I was not even there. God makes you experience this so that you believe in Him, that you believe in the teaching about the overthrow of principalities. When you have such a teaching, nobody should boast, the Bible says: *“What do you have that you did not receive? If you have received it, you don’t have to boast”*. If we are faithful, God will continue to reveal himself to us and it will grow. We will be faithful. Brother Zach prophesied over us, and we are working to have the prophecy fulfilled in our lives. Brethren believe, God is at work.

Dis :

Let no one deceive me! Even in my time of trouble, let no one deceive me! God exists and God rewards! This is called faith!

When the brethren give testimony, sometimes it shocks you. You don’t know if they are things of this world or of another world. Someone tells you that he saw in a vision that he was in a grave and physically he was sick. And in the vision, he comes out of the grave and physically he is healed forever.

Don’t be surprised because it is Jesus who does this. If you don’t believe in Jesus, you will continue to be surprised and you may fail.

Isaiah 8: 9-10: This scripture refers to a higher battle strategy. Here, we are not afraid of the enemy, but we search for his whereabouts. We want to fight and win in the name of Jesus! There are people who do not sleep at night because they are afraid of demons. Lie down, close your eyes and sleep. Listen, this battle is spiritual. He speaks to his enemies.

Isaiah 8:9: He ask them: *“What are you waiting for? I want someone to declare war against me; nothing is declared! What are you waiting for to raise the war cry, I am here!”*

Before raising the war cry as you are asked to do, listen first. Listen! Prepare for battle so that you will not say later that you were surprised. He is sure to defeat them. This is the definition of faith in practice. This is how to strike the enemy from afar. You should not just say, *“Let me stand on your way, it’s a minor battle”*.

“Propose...propose all your plan, but it will not stand” God wants to teach us what is called faith. Don’t say, *“I don’t understand these Scriptures”*. God wants to prove to you that you don’t know how to believe. You believe and you fear!

“Give orders”. All your orders will not stand. When God is engaged in a battle, He said in **Exodus**

23, He sends His terror. When God has already risen, Satan can say, *“Principalities, come”*. No one comes because they know that when God arises, you cannot be there! The Bible says that when Jacob removed idols, when he sanctified his family, the terror of God went ahead of them and nobody attacked them. This will happen to you! “Give orders,” they will not stand”. Call the assemblies, no one will show up! The terror of God will move ahead of us. This is why we must overthrow idols. We do not overthrow idols to be saved, we overthrow idols to become lovers of Jesus. *“Take delight in the Lord, and he will give you the desires of your heart”*. This is God’s plan!

“For God is with us!” You can understand why this man was so hot, so arrogant! He was counting on someone! You might wonder, *“But who is he thinking of?”* He concludes by saying: *“For God is with me”* and the hands of the wicked are weakened! God is with us, brethren! God loves faith. He has hidden everything in faith. *“The righteous shall live by faith”*. It is true that when you are in bondage, you want all the deliverances right away. But God says that He goes step by step for some people. Some lack knowledge. If God gives them what they want now, they will not handle it with care because they don’t know. This is why most of the brethren will be delivered this evening because they know another truth. God can lead them to another battlefield. You didn’t know that you could say to the enemy, *“What are you waiting for to come because I want to settle this quickly and serve my God!”* Now He will lead you to this man so that you can apply this to him. Some did not know that a treasure dwelled in them. They thought it was only in a leader or an elder. It is a deposit, you have to believe and when you believe, God honours you. He says He honours the miserable by saving them. Your situation will turn around!

2 Corinthians 4

“Persecuted, but not abandoned”.

Brother, face persecution, God will protect you. Persecuted people enjoy reliable divine assistance. When you are persecuted, you are inspired, God teaches you, He gives you words, He inspires you, you are intelligent and you feel His presence. You are not abandoned! You are a human being with feelings. You may receive bad news that can crush you. Don’t say: *“I don’t know what’s happening to me”* and run everywhere! You may be told that someone you love has died, but you will feel a great comfort, a strength that makes you understand God’s plan, that gives you rest. Don’t be downcast! There are some in the world who beat their chests and say they would rather die as well, others jump, leap and fall far away. The Bible says: *“We do not weep as those who have no hope”*. You already have that and it lives in you! A great treasure in earthen vessels!

Stand up!

- Give thanks to Jesus for all the battles in which He has given you victory since you believed until now!

Tell Him:

- I have even forgotten the details, I know that You have been with me, that You have delivered me from many enemies, that You have fought for me, that You have won great victories, that You have exterminated many enemies! You have done it!

Say:

- Lord, I repent that I have neglected You, that I have not given You thanks. I had nothing but weeping and tears; I could only see my misery! I even thought I was lost. You have shown me that You are with me, that Your treasure is in me, that I will never be lost, that I will never be abandoned! (Continue to give thanks to God).

Say:

- Father, You have always been there since my conversion, You have always been there! I bless You for the victories of the past! I bless You for the victories that You have put aside

to wait for my maturity, to wait for my eyes to be opened like this day! Thank You for Your war plan! Thank You for Your battle plan! You are high in understanding, You are wisdom, You are intelligence, You are wealth, You are power, You are not only mighty, You are power, greatness! (Continue to pray).

- Everlasting Lord, thank You for Jesus whom You sent! When the enemies gather, we scatter them in the name of Jesus! When the enemy builds a wall we break it down, in the name of Jesus! When the enemy utters enchantments, we banish them in the name of Jesus! When the enemy utters enchantments, in the name of Jesus, we banish them! When the enemy makes weapons, we destroy them in the name of Jesus! When the enemy sends out his team, we chain them up, bind them and throw them into the abyss, in the name of Jesus! We throw them into the dry places! We command the surface of the waters to become brass! In the name of Jesus, we dry up the waters! We move the mountains! We roll away the hills! We set the forests on fire! We bring their gods to confusion and ruin!
- O Jesus Christ, You are the King of kings, the supreme head of the Church, the Lion of the tribe of Judah! You lose no battle! (Continue to worship him)
- Jesus of Nazareth, with you the weak become strong, the small become great!
- Jesus Christ, in your name the sick are healed, the lame walk, the dead are raised, the deaf hear, the weak become strong, the bonds of fellowship are strengthened, hatred is defeated, lack of love is defeated! We form a strong body! In your body you have gathered all the scattered children of God! You have succeeded! You have succeeded! You died on the cross! You were buried! You rose from the dead! You are alive! You are not only alive, you are in us! You are not only among us! You are in us! You lead us into victory! You said: “I am with you always”, You are here! You dwell in us! You are with us! You walk with us! You fight with us!
- In the name of Jesus, we have free access into the sanctuary! We can freely approach the throne of grace to receive mercy!
- Present your problem to Him and ask Him what you want. If God asks you: “What do you want? “ Tell him what you want. Tell Him; speak!
- Father, answer us! You are able! You have done it and you want to do it because you love us! You desire to deliver us from the snares and plots to break our spell !
- In the name of Jesus, let the pride of the proud be broken! Let the pride of the proud be broken!
- In the name of Jesus, Let the principalities of the abyss be crushed! Let all the ties that depend on the principality of the abyss be broken! Let all the demons that come from the abyss be judged! May your children be released from every influence of principalities that are in the abyss!
- In the name of Jesus let the influence of every power, of every spirit coming from Hades be struck down, judged and cast out!
- In the name of Jesus, we snatch from Hades every soul that has been held captive there! We break the tie with death!
- In the name of Jesus, we burn the sacred forests, we cast out all demons that are coming from the sacred forest! We proclaim the victory of God’s people!
- In the name of Jesus, we judge the principalities of the waters! We judge them! We strike them! We break their ties! We deliver their captives! We snatch the captives! We bring confusion in their camp! We paralyze them! We bring disorder and confusion to their camps! Let all the unclean spirits that accompany them leave!
- In the name of Jesus, we take away every property, every physical health, lands, success,

marriage, everything that has been stolen! We put them at the disposal of the brethren! Let the stomach of the reptiles be torn open! Let the unclean spirits be struck down! May the human spirits be struck down! May the animal spirits be in total defeat! May healings be released! May healings and deliverances be spread among the people and multiply! Let spells be broken! May ancient spirits be knock down!

Remain calm. If the Lord says to you, “*Abandon such idol*”, you should abandon it. If He says to you, “*Consecrate yourself*,” note it down. Many spirits go out without making noise. Thousands of demons are gone. We must master the spiritual battle, otherwise some will go home miserable and say, “*I did not fall*”. Those who fall are few in number, but many demons flee when we pray!

- If you are known as unclean spirit, manifest and get out! We break your resistance! We expose your tricks! If you are called water, even if it is just a drop in a container, I break that container! I destroy your reign! If you are in a calabash, I break that calabash! I pour out the water! You will leave! If it’s in a swamp, I break it! Anything called water, even if it’s in an ice cream, I break that item! I pour out the water, be gone and never come back! If it is in the sea, I strike the sea and proclaim your freedom! If you drank water and you became possessed, let that water come out! Vomit it! And may you be purified! Water, all that is called water, you water spirits, be gone! You are judged! Let this spell be broken and banished! Even if you have forgotten, you are delivered! Even if you were given water to drink in a dream, you are delivered! Whatever you were made to drink, you are cleansed and delivered! All the spirits that come from the waters of Cote d’Ivoire, Africa, other continents, even if you washed your face and it was not kept somewhere, we judge the army of demons that followed you because you washed your face with that water! Even if you were told to go and do enema, I break the throne that was put into you through that water!
- All those who got possessed because they were given products to use for enema, I break! I break! All those who did enema and have been possessed, Jesus delivers you! Man or woman, the Holy Spirit says what was given to you was a spell; you are delivered! Jesus delivers you from whatever has entered your womb!
- Jesus delivers you! Jesus washes you! Jesus purifies you! He removes the spell! What you were made to drink is broken! What you washed your face with is broken! Even if it was only your hands that was washed! It is broken, destroyed, destroyed!

Raise your right hand:

- In the name of Jesus, all those who are in the belly of a snake, we split the belly of every snake open.

We have heard the testimony of a brother in which his aunt’s belly exploded, a snake came out and he vomited it!

- I break the spell! We split the belly of every snake that have swallowed someone or something! We split every snakes! Let everything that was swallowed be vomited!
- We strike the dwarfs! We strike the giants! We strike the reptiles! We strike the monsters!
- All those who had charms, who threw them away because they could not cater for it, you didn’t know that you were to give them to the leaders to be burnt. You thought it was a minor issue, you picked them up and threw them in the bin; but the truth is that it still belongs to you and the spirits are there with you; they didn’t go to the bin, they stayed and want to live with you.

Say:

- In the name of Jesus, I separate myself from all the spirits that have followed me through the items that was given to me by witch doctors and that I threw away without burning them! Demons, this evening the Lord opens my eyes, I declare to you that I don’t want the

works of the devil anymore! I threw them away because I did not know; now that I know, I send fire, I send fire and I proclaim my freedom! Leave now! I separate myself with this inheritance! I separate myself with the money I paid! Demon, be gone! I don't need you! I need the Holy Spirit who lives in me! I regret going to witch doctors! I separate myself from the money I paid! I separate myself from everything I was given!

- If you made a promise that when you will be blessed you will come and say thank you, say in the name of Jesus, I cancel that promise!
- In the name of Jesus, if there is someone here, who is pursued by demons or who is possessed by a demon because his mother or father went to consult a witch doctor to have a child, and as a result a demon is following you, I declare that you are free! You are not coming from demons!

All spirits of the dead that follow children to lay claims on them because they were consulted before conception, say:

- Demonic spirit, this is theft! It is a lie! It is God who gives children! In the name of Jesus, stop tormenting that child! Get out of his life and body! Be gone!
- In the name of Jesus, we declare that marriage is a divine institution from God our Father. Marriage is neither a matter of demons nor sorcery! We break the ties of all demonic marriages! Leave! Release your captives! Leave! Set your captives free!
- In the name of Jesus, all the spirits behind this so-called spiritual husband or spiritual wife, with the authority of Jesus, we remove all demonic covenants, and we break the bonds of all demonic marriages! Spiritual husband, whatever your shape and spiritual nature, come out and be gone! We snatch every wedding gown, wedding rings, shoes, suits, shirts, accessories, we snatch everything! (Snatch everything that we put on during weddings).
- We break the boxes in which they were hidden! We break the graves! Every device that serves as a hiding place, if it is in the belly of a human being, let it explode and open up as the Lord did for our brother! Let everything be thrown up! Let the belly of such a person, who has swallowed something, rumble over and over and let the person vomit the contents wherever it is!
- In the name of Jesus, I condemn the scarifications and cuttings made on my body! If you were wounded and powder was put in the wound, I declare that you are delivered! Wherever marks were made, let every mark be cut to pieces! Let the bond of these signs or scars be broken! We deliver all those who have been wounded everywhere! It is written that the Lord destroys the signs of the prophets of lies. From this day on, these cuttings are banished! Destroyed! They no longer have any meaning! Those who did it, did it in vain!
- In the name of Jesus, any spell that was cast in blood or with blood, if a woman's menses was cunningly taken, and you were bewitched with it, you are delivered!
- In the name of Jesus, if the semen of a man was taken and you were bewitched with it, you are delivered!
- If you have been initiated through the teaching of a traditional dance, in the bush, alone, with a relative or a fetishist; if you have been taught how to dance, I declare that you are free! Let the chains be cut to pieces! If you have been given something that enables you to fly and you fly, without knowing how and why, you are delivered!

Say thank you to Jesus!

- I plunge myself in the blood of Jesus! I build a wall of protection around me! Let no demon follow any brother neither go into any brother's house nor stay here. We sanctify this place! Let it be a place of revelation and rest for those who remain here!
