*We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.*

*God bless you abundantly!*

**W**e will pray for our families.

We said that the crusade has two dimensions. There is the individual work in your home, which consists of uprooting the idols in the heart; the sins of our parents are also our sins. To be able to stand before God, ask Him for forgiveness, and send the Gospel for the salvation of the lost, you who intercede must have overthrown your idols, put an end to all sins committed by your family members. The intercessor sanctifies himself, that is, in addition to abandoning the works of the flesh, he must set himself apart to represent his family before God. He does this by a sincere identification with his family. He is aware that God has said that He punishes the sin of the fathers on the children. In Malachi, it is said that when people disobey God, God curses their blessings. Children are cherished by their parents. When parents become idolaters, proud, hardened, violent, God curses their happiness, their children. God curses the blessing. When you have a plantation, He curses it; everything that can make you happy, He curses it.

Do not fear the devil because he is nothing; it is God who created the heavens and the earth. Jesus said that we should not be afraid of those who can kill the flesh and can do nothing else. You should rather fear the one who can throw the soul into hell after destroying the body.

You must identify yourself with your parents. It is very easy to know the sins of the family because to some extent the sins of a family or a tribe or an ethnic group are cultural.

Don't say, *"I don't know the sins of my family"*. Look at how funerals are organized in your family, for instance, some people communicate with the dead, they throw money in the coffin for the transportation of the deceased, it is known! There are some people who perform traditional autopsy; when someone dies, they stay in a room with the body and after sometimes, they would come out and give authorization to bury him. No one knows what they did to the body. When people are proud, everyone sees them in their pride. For others, lie telling is a science. For others, it is witchcraft, fetish worship and consultation of fetishists. With such sins, it becomes difficult to be happy, because God curses the family that practices these sins. When you look at your family, you write down the sins you see, you stand before God and say, *"It's us, we are wicked!"* This formulation: *"We are wicked"* is identification. Before the identification, you used to say: *"They are evil, they want to kill me, they are sorcerers"*, but now you say: *"We are evil, our witchcraft will kill us! Everyone must do this at home. When you are at home, in the car, at work, you plead before God.*

The other component of the crusade is spiritual warfare; that is what brings us together here. Prayer has three dimensions as Brother Zach taught us:

01. You speak to God, your Father.
02. You speak to Satan.
03. You speak to the circumstances that the devil has created, such as sickness
04. You can say, *"Sickness, leave this body"*.

The crusade is meant to enable us to work on these three dimensions of prayer, but in a spirit of the overthrow of principalities because you can organize a crusade for soul winning,

for spiritual revival, to protect the ministry, but the crusade for the salvation of our family is a vision that God clearly revealed to me. It was difficult for me to understand why some people did not get what they wanted after much intercession and breaking of ties. The Lord explained to me that there are people who are under God's curse because of their sin. When someone commits a sin, they are cursed because of that sin; but if it is confessed and forsaken, the curse that the sin brought, automatically leaves the person. If a demon came into your life because of your lack of forgiveness, as soon as you forgive, the demon leaves your life; as long as you do not forgive, the demon follows you all your life.

God said to me, "*A family will remain cursed until God finds an intercessor for that family*". Even if you have believed, you will go through hardships because of this curse. If God says, for instance, that there will be no leader in your family, and you give your life to Jesus, the curses of lie telling, adultery, and stealing will disappear with repentance; you may feel that everything is fine, but you will realize that you will not be appointed as a leader in a position of responsibility. You may be requested to work as an interim for someone who is going on a mission, and you do it well, but afterwards they look for someone else who may not even have the academic qualifications you have, to take that position, because the curse says: "*There will be no leader in this family*". Some sisters suffer from celibacy because God does not want their father to rejoice with his witchcraft. If you have the discernment, seek God; He will tell you that what I say is true.

God says: "*I look for someone among them who will stand before My face to intercede*" because He does not want the wicked to die, He wants him to live, repent, and be saved. Those who intercede for sinners are quickly answered. You can ask God for many things, but the priority is what you are going to ask God for the family. Even in an assembly, it is the same principle: the leader is the first intercessor, if he fails, the brother who will do it, is the leader before God.

This is a revelation that has transformed my pastoral ministry. It has taught me to judge the brethren less. When there is a problem, the first sentence that comes out of my mouth is: "*It's my fault, it's my fault*"! The second is: "*Lord, don't leave me alone*"! I have written this so much that it has become spontaneous. Practice this and you will see that love for the brethren will abound in your heart.

One can practice this kind of intercession for a ministry or for a work. That's why you need to fast for the ministry, to fast for the leaders. You must beg God for forgiveness. I said to the brethren: if anyone tells you, "*You people in CMFI worship the leaders!*" Tell him that we pray and fast for them because they are nothing. When someone is a god, do we fast for him? A brother who fasts for a leader is a brother filled with the Holy Spirit.

When we will pray for our families, destroy the bewitchments. When God reveals something, don't walk away from it. God knows why he revealed to us that witchcraft is a body. He has delivered us from ignorance. I had attended some deliverance sessions where people say, "*spirit of sorcery, come out*"! Sorcery is not a spirit to cast out. It is a body like the church. The head of the body of witchcraft is the devil and the members are the sorcerers. The Church is a body headed by Jesus Christ and we are its members. There are ties and joints that bind us together. The Spirit of Christ dwells in us and we are in the Spirit of Christ.

And the angels of God serve the Church. They are the angels that He sends to minister to the church, to those who will inherit salvation. Do not be surprised that angels come in visions to remove cancers, lumps, for it is written in the Word and that is the power of God. You can come back healed where you are, even though I don't know you. We must make people understand that it is Jesus of Nazareth who works. I told the brethren that some people think

that it is their hands that baptize. They put their hand on your head and say: you are baptized in the Holy Spirit! It is the Holy Spirit who baptizes people in the Holy Spirit. You can greet someone and the sickness disappears. You have to exalt Jesus himself.

The Word says: *“It does not depend on the one who wants it nor the one who runs, but on God who has mercy”*. The thing that makes you boast was given to you by mercy. That is why the Word of God says: “What do you have that you did not receive? And if you did receive it, why do you boast as if you had not received it”? You boast in something that Jesus mercifully gives.

It is Jesus who is all in all! When I often say: “Jesus Christ”, it is not a joke but a war! When I say, *“Clap offerings to Jesus Christ!”* it is to bring thoughts back to the one who is coming soon. I told the brethren that Brother Zach’s greatest book is a small book: **Broken vessel**. I love this book. It gives spiritual value to all his books. It is a small book that can be summed up in one sentence: *“I am nothing”!* But that sentence crushed the devil. Let’s follow this path, you are nothing! Jesus says that when you have done everything you were told to do, say, we are unworthy servants; we have only done our duty.

Say:

- I am nothing! I don’t even pray, I know nothing. Lord, forgive my pride! Forgive me!  
I am nothing!
- Lord, it is You who heals, we just sang it!

And after singing this, how would you say : I am something?

Say:

- Lord, You are all in all! To You the glory!

When it is well done, it leaves the work in revival and increases brotherly love.

**Daniel 10.1-14, *“In the third year of Cyrus king of Persia, a revelation was given to Daniel (who was called Belteshazzar). Its message was true, and it concerned a great war. The understanding of the message came to him in a vision. At that time I, Daniel, mourned for three weeks. I ate no choice food; no meat or wine touched my lips; and I used no lotions at all until the three weeks were over. On the twenty-fourth day of the first month, as I was standing on the bank of the great river, the Tigris, I looked up and there before me was a man dressed in linen, with a belt of fine gold from Uphaz around his waist. His body was like topaz, his face like lightning, his eyes like flaming torches, his arms and legs like the gleam of burnished bronze, and his voice like the sound of a multitude. I, Daniel, was the only one who saw the vision; those who were with me did not see it, but such terror overwhelmed them that they fled and hid themselves. So, I was left alone, gazing at this great vision; I had no strength left, my face turned deathly pale and I was helpless. Then I heard him speaking, and as I listened to him, I fell into a deep sleep, my face to the ground. A hand touched me and set me trembling on my hands and knees. 11 He said, Daniel, you who are highly esteemed, consider carefully the words I am about to speak to you, and stand up, for I have now been sent to you. And when he said this to me, I stood up trembling. Then, he continued, do not be afraid, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I have come in response to them. But the prince of the Persian kingdom resisted me twenty-***

***one days. Then Michael, one of the chief princes, came to help me, because I was detained there with the king of Persia. Now I have come to explain to you what will happen to your people in the future, for the vision concerns a time yet to come”.***

This is Daniel’s 2nd battle. The first one is in chapter 9, when he read the book of the prophet Jeremiah. Jeremiah’s prophecy said that Israel would be in captivity for 70 years. So, he realized that several years after the 70 years, Israel was still in captivity. He engaged in a pleading intercession in a 21-day fast. Here, in chapter 10, he received a revelation that foretold a great calamity. He began to wonder because he wanted to understand. And he started another fast. It is in this fast that the Lord sends an angel to explain to him the calamity that had been announced. From **verse 12, it is said : *Then, he continued, do not be afraid, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I have come in response to them. But the prince of the Persian kingdom resisted me twenty-one days. Then Michael, one of the chief princes, came to help me, because I was detained there with the king of Persia. Now I have come to explain to you what will happen to your people in the future, for the vision concerns a time yet to come”.***

This is the overthrow of principalities. Here is an example: The demon of Persia that is called the Prince of Persia, hovering in the air says that it is his territory.

There are princes of villages. First, at the individual level, there is the strong man. Even if you believed, he is waiting for a day when he will succeed. Let no one deceive you: the devil is roaming. If there is no passage, he is waiting. If you are like Judas, with a heart of betrayal, it is the prince of betrayal that the devil will send against you. If you love quarrel, it is the prince of quarrel that will come. The sin that has dominated you is a representation of your strong man. You can know which devil is ruling over you. If it is food, when someone wants to bring you down, it is the demon of food that is sent. If it is anger, your strong man is the prince of anger. To save you, he must be tied. There is no true service without deliverance. If you are not delivered, when you work, the devil destroys your work; he weary you! This does not mean that you did not believe but, you did not win. The Philistines let Israel work, then they came to harvest and the people were starving. Chapters 2, 3, 4, 5 and 6 of the book of Judges recount these episodes. Speaking of the Midianites, the Bible says that Israel was very miserable because of the Midianites who made them suffer.

Daniel said, “O Father, what do these calamities mean, what else do you announce? God said to Michael: “Go and open his mind so that he understands”. There are angels who are only concerned with revelation; they do not engage in combats. When the prince of Persia closed the way, God sent the combat angel. When he arrived, the prince of Persia fell. The angel came to Daniel and said, “I have now come to open your mind!

He said, “Your word has been answered. We must be wise because weakness makes us make many mistakes. Imagine yourself between the first day of the fast and the 21st day, when the angel comes to explain why there was no answer. If you were Daniel, you would tell God that He has abandoned you, that you have just come out of slavery, and He says that a calamity is still coming. There are people who like to speak against God. They want God to act now. When God acts, they say, “What you have started, finish it! God says to him, “I have done it, believe”. He said, “You have begun, finish it”.

For 21 days, Daniel remained without murmuring, crying out to God. And the angel Michael came to strike and break the resistance. God is waiting for us: what do we want? Ask!

Whenever we are organising a crusade, I have a small concern. I say to myself: “Won’t the weight of our problems, the tyranny of our needs make us forget that it is for the salvation of our parents that we are praying? Won’t some brethren forget the eternal life aspect and ask only for work and marriage? God is faithful, He will help us not to forget the vision.

Brother Zach interceded for every member of his family to be saved. He interceded for his family members name after name and God showed him how to write the names of his family members name after name. When he got to the level of his older brother, after interceding for him, God shook his head, meaning that He does not want. Brother Zach insisted, insisted, and God wrote his brother’s name at the end, at the bottom of the page, meaning that he would be narrowly saved. Brother Zach had given us a testimony of this intercession. One day, his older brother was sick, and he was out of Cameroon. His older brother on sickbed called the national press, this was reported on the front page of newspapers. He said: “I beg forgiveness to so-and-so, I have hurt so-and-so, I beg forgiveness to so-and-so. And his older brother died; we saw his repentance as proof that God had accepted him. This is what our spiritual father did.

Pray for your family members name by name. Even if someone is an alcoholic, pray that God will deliver him. Even if he is a renowned witch, Jesus will appear and cast the witchcraft out of his life, this will sanctify his spirit. To describe salvation, it is said that he has brought us out of darkness into his wonderful light. Stand and say to God:

Father, you have announced salvation to the nations; you have said that the nations will praise you, will worship you, I thank you for my life! This word has already been fulfilled in my life, but you want me to pray for my family, so I stand before you in the same spirit with my brethren. Father, I know that they are ignorant and proud and I myself was worse but You visited me and I saw Your light; that light that You promised when You said that the people who sit in darkness see a great light. O Father, send this light into my family! Send this Gospel to open the eyes, the ears, this Gospel that sanctifies the mind, that causes genuine repentance, that regenerates the inner man, that is accompanied by signs and wonders! O Father, send this Gospel! Close the door on false prophets, false evangelists, false apostles, the authentic Gospel! You have said in your Word that the Gospel is the power of God for the salvation of everyone who believes. Send this power into my family to break our rebellion, to break our unbelief, to destroy the veil, to open the ears!

Father, I know that because of our unbelief, because of our pride, You even cursed us by closing our ears, so that we would not hear, because we decided to harden ourselves. O Father, now command that our ears be opened, that our eyes see, that we may hear and believe! May we repent and be healed by You.

Father, look at our condition, I know the truth: I know that it is Your wrath that is manifested because of all our witchcraft, our fetishism, our magic, all our sins, our human sacrifices, of chickens, of sheep, of goats! The abominations are before your face, but forgive, forgive! (continue to intercede).

**Jeremiah 3 : 21-25** *“A cry is heard on the barren heights, the weeping and pleading of the people of Israel, because they have perverted their ways and have forgotten the LORD their God. Return, faithless people; I will cure you of backsliding. Yes, we will come to you, for you are the LORD our God. Surely the idolatrous commotion on the hills and mountains is a deception; surely in the LORD our God is the salvation of Israel. From our youth shameful gods have consumed the fruits of our ancestors’ labor, their flocks and herds, their sons and daughters. Let us lie down in our shame, and let our disgrace cover*

***us. We have sinned against the LORD our God, both we and our ancestors; from our youth till this day, we have not obeyed the LORD our God”.***

We have reached a level in our intercession where we must judge idols. We have to proclaim that it is a lie, because there are spirits behind the idols. When you say it is a lie, they lose their power. Jesus said that when the devil lies, he speaks from his own heart. When the devil says that this fetish will give you luck, it is a lie. After that you hear that one of your children died, and so on. The idols devoured our children, the money, our daughters. They said they came to protect you, give you money, make you rich. It becomes: *“Give the chicken, wear a white chain”*. You say, *“I have nothing”* and he says, *“Go and get it”*, it becomes, *“Give your child, your son”*. When your ancestor did it, God saw it.

Say to God: *“You are even good, you should have buried us long ago”*. Say, *“I condemn idols”*. Destroy them. Spiritually, we will grab them and throw them away. One day you will hear that our parents threw away the idols.

Talk to God! Deliverance comes from the Word. You don't hit someone with a stick or the Bible. Don't blow in the ears of the people to be delivered. You speak in the name of Jesus. You say, *“I condemn”* and it is condemned. *“I declare that it is falsehood”* and it is finished! The power of falsehood will be destroyed by this proclamation. You will see that the number of those who are going to abandon idols in your family will begin to increase. You will record victories every year.

In some families, there are people who are called sons of the devil. There are people who are already for the lake of fire. God has already decided that these will go into the lake of fire. Just as we say that Jesus must reign in the world, there is a category of people who pray for the devil to reign. These people abandon natural relations with women to have sex with goats and dogs. You may find such people in your family, but don't be discouraged, it's two opposing camps. Do what you have to do, God will do His part. That is why believers who are involved in unnatural sexual relations such as fellation and sodomy are already cursed and you must stop it! This is the reign of the devil. They abandoned natural relations with women and burned in their desire toward one another.

Say:

- In the name of Jesus, we proclaim that idols are lies! Idols are nothing! Idols are not gods! The dead are not gods! The world is not god, God is the only creator. Say such *“god”* (name the gods you know), it is a lie!

The canary is nothing; the tree is nothing either, but there is a demon behind it. If you have understood this, you are blessed, you can pray. You will cast out all demons behind the idols in your family, all spirits behind the pieces of wood, the streams, and the trees. Revelation is a stream, but behind it there is a spirit. When you are told to pour the milk into this water, it is the demon that receives it.

- In the name of Jesus, we cast out all demons behind objects! We cast out all spirits behind the objects!
- In the name of Jesus, we condemn the commitments and covenants made with demons by our parents and by ourselves while we were still in the world. I destroy the lie, I condemn these covenants! They are lies! They promise peace and there is no peace! Happiness and there is no happiness! We tear them up and set the family free! We destroy them and free the family! We destroy the power behind the worship of the skulls, behind the bushes, the trees, the plants, everything that has been planted, we

uproot them and cast them out! Let everything be overthrown!!!

- In the name of Jesus, we judge spiritual theft of money, gold, children! We destroy everything! We break every place where it has been hidden; if it is under the ground, we break the ground and dig it up! If it is in bottles, we break them! If it's in the huts, we break them! If it is hidden under the mountains, we uproot the mountains! Wherever man hid and sinned, let everything be exposed, recovered and deposited in every family! Let the visible riches come into existence! What must remain in the invisible remains in the invisible!

Raise your right hand and say:

- In the name of Jesus, we free everyone who has been bound! We cut the ties of those who are in chains! We break the chains! Those who are in prisons, we break the prisons! Those who are in the bellies of reptiles, we split the bellies of reptiles and set them free (pray in tongues)!
- In the name of Jesus, Let all the diseases that come from these covenants disappear! Let anyone who suffered from the diseases that come from these demonic covenants be declared free!
- Some people have chronic migraines; it is a spell. You are free from this headache, in the name of Jesus! Some people have pain in their eyes because of these bewitchments; we proclaim your deliverance! You are free! Some people are afraid of everything, it is a spell. I declare that you are free. Banish fear!!!
- Some people have been condemned into debt. They borrow and they cannot repay their debts and those who owe them do not refund theirs either. In the name of Jesus, your prosperity is set free!
- Some people have had logs put in their way; they walk like tortoise. In the name of Jesus, you are set free! The way is freed! Demonic barriers, human barriers and spiritual barriers are all removed!
- Some people still dream that they are in the forest. As long as you remain in the forest, you will not have a revelation. We are clearing the way before you! We take you out of this forest! May your soul return! May you enjoy your freedom! May there be harmony between your soul, your body and your mind! For some, it is in the water that they find themselves. Let this water be dried up! Let your soul be set free! You will not die in captivity!

Raise your right hand and say:

- In the name of Jesus, I destroy every object that bears my name in Satan's camp! If it is buried or thrown into the water, or hung in the air or burned, let the sword of God strike the oppressor! May my victory be total! I wipe out my footprints in Satan's camp!
- In the name of Jesus, may all hereditary diseases be judged and may every person here be set free! Even if it has been going on for centuries, we break the cycle of disease! We disrupt the army of Satan behind this disease.
- In the name of Jesus, we stand against depression, whatever its origin, even if it is by drugs, demons, all kinds of depression, bewitchment, we judge you as long as it is depression, let every person be delivered from it!
- The heaven opens above every intelligence.
