**HEAVEN MUST BE OPEN OVER
YOU FOR YOU TO RECEIVE
PROPHETIC MESSAGES**

Boniface MENYE

This evening, we will insist on yesterday's topic and destroy bewitchments. We have testimony that many brethren have had clear dreams. Some have not dreamt for a long time. A normal person must have dreams. And when you are a child of God, you must have prophetic dreams. In the Bible, there are testimonies of people who had prophetic dreams. We must not trivialise dreams or despise them. They must be discerned. We must not reject them but encourage them. There are dreams that you have to discern on your own. You don't even have to talk about them because you can easily understand that they are trivial. You can sense in your mind that it has no value. But there are dreams that carry a message. God said to Joseph: *"Take the child and go to Egypt; Herod wants to kill him"*. It was in a dream. Heaven is closed over some people. Wicked spirits hover over you so that you don't receive revelations. The angel said to Daniel: *Since the first day that you set your mind to gain understanding, I have come but the prince of the Persian kingdom resisted me*. You want to know if this man or this woman is your partner, but you sleep like a corpse, with no vision, no dream. This must end this evening.

When I wanted to marry, I sought God. He gave me a clear vision. I saw four sisters. One had turned her back and was rushing away; another one was about six meters away and had folded her hands. She was calm throughout and not excited. The other two were right under my nose. One of them elbowed the other and gave me a kiss. The one who was elbowed said: "Do you see what she is doing?" I replied: "Let it go". God later explained this dream to me. He said to me: "There were four of them, one of them gave up. The one who is waiting patiently is your wife. The other two are lustful. Our marriage has a prophetic foundation. As for you, you want to get married and you say: "Lord, if she is the one, let it rain today". Or you say: "If she is the one, let her be the first to call me". God speaks. He spoke to me. The one who was waiting is called Mama Colette.

God can reveal great things to you. When God speaks to you, there is another assurance that is added. Heaven must be open above you. You do business in which you invest millions and you don't even have a little vision where God tells you: "Go to the left or go to the right". God said to Paul in a vision: *I have many people in this city, keep on speaking, do not be silent! No one will harm you*. When Paul works, he knows where he is heading to. God spoke to him. When the wind blows, he knows how it will end. God spoke to him in a vision. Let us not devalue Christianity, let us not make it an empty thing. When we were unbelievers, we went to witch doctors. Now that we are in Christ, there are spiritual gifts.

1 Corinthians 12:1- 4, *Now about spiritual gifts, brothers, I do not want you to be ignorant. You know that when you were pagans, somehow or other you were influenced and led astray to mute idols. Therefore I tell you that no one who is speaking by the Spirit of God says, "Jesus be cursed," and no one can say, "Jesus is Lord," except by the Holy Spirit. There are different kinds of gifts, but the same Spirit.*

We used to go to witch doctors in the past. Now Jesus has replaced these earthly things with great spiritual gifts. Let us not despise spiritual gifts. But there must be order and maturity, so that when someone has eaten well and sees ducks flying away, they don't say they have had visions. God always guides his people. The prophecies that come from God have a clear direction. When you hear them, you see the future and that gives you reassurance. I made a covenant with God. I said to Him: "If You want to speak to me, make it very clear; if it is confusing, I will reject what I have received". So when He wants to speak to me, it is very clear. Even when

it's a riddle, he provides me with the intelligence I need to understand it.

God has answered me. I can explain your dream to you, but I don't want that job!

Stand up and say:

- We overthrow every height that stands against the will of God!
- In the name of Jesus, in one accord, we judge every power, every height in heaven, on earth, under the earth, that prevents a believer from knowing the will of God by prophecy and by revelation! We judge them, strike them and scatter them!
- In the name of Jesus Christ, let the heaven of God be opened above me! Let the powers be overthrown! Let the heaven of God remain open above me! Let the angels of God ascend and descend freely in my life! For Jesus said: "From now on you will see the heaven of God open, seeing the angels of God ascending and descending" (Keep praying).
- In the name of Jesus Christ, let heaven be opened! Let every height be broken down! Let God's purposes be revealed to his people! (Continue praying).
- In the name of Jesus Christ, let us overthrow every height that rises up against the knowledge of God's will! (Let us pray in tongues).
- In the name of Jesus Christ, we overthrow every height that rises up against the knowledge of the person of God! (Let us pray in tongues).
- In the name of Jesus Christ, we judge the army of darkness responsible for producing false visions! We strike you with blindness!
- In the name of Jesus Christ, we judge the whole army of darkness responsible for lying, distracting, scattering and seducing! We judge you! We overthrow you! We scatter you!
- In the name of Jesus Christ, we tear every veil designed to prevent the children of God from having the revelations of God, or from beholding the greatness of God!
- In the name of Jesus Christ, we wash the eyes of the spirit with the blood of Jesus Christ!
- In the name of Jesus Christ, we wash the ears of the spirit with the blood of Jesus Christ!

1 Corinthians 10:19-20, *Do I mean then that a sacrifice offered to an idol is anything, or that an idol is anything? No, but the sacrifices of pagans are offered to demons, not to God, and I do not want you to be participants with demons.*

Jeremiah 32:35, *They built high places for Baal in the Valley of Ben Hinnom to sacrifice their sons and daughters to Molech, though I never commanded, nor did it enter my mind that they should do such a detestable thing and so make Judah sin.*

2 Kings 23:10: *He desecrated Topheth, which was in the Valley of Ben Hinnom, so no one could use it to sacrifice his son or daughter in the fire to Molech.*

The passage in Corinthians shows that there are people in contact with demons, even believers. Paul is talking to the children of God. He is not saying, "Jesus died on the cross, you are powerful, hallelujah! He says: "You are children of God, you must not be in places where idolatry is practised. It connects you to demons". When you worship streams or a lake, you are in contact with demons or genius. Even if you have believed, when you go to these places, you have already opened the door. People used to consecrate children to Molech by burning them. Perhaps at home you were washed in a crock or your forefather was washed and consecrated to Satan.

When you believed, there was a holy war to cast out all these spirits from your life. This is what we call terminating with the past. Terminating with the past requires seven things. The first is to reject occultic influences. Your life is in the hands of God, not demons. You don't need horoscopes to live. You need prayer to live. There is no fatality in our God. You can fall sick, just pray and you'll get better. God can tell you that you will die, just as he told Hezekiah. You can beg him and he will give your life back to you. So you don't depend on the sun, the moon or the stars. Your life depends on God's will.

Maybe a rope was tied to your foot, arm or hip when you were a baby. Maybe you had incisions on your skin, tattoos or your head shaved when someone died. You have been touched by evil spirits. The dead must no longer be worshipped. The dead must be buried and as soon as they are buried, that's it.

Don't think you are free when your forefathers sold themselves out. It is Jesus who delivers us from these things. And Jesus has shown us the way to deliverance. You must not invent anything to be delivered. You must not give up. You must not say that Jesus has already paid the price for it.

Raise your hand and say:

- In the name of Jesus Christ, we judge Satan's tricks that make these things seem to have no negative impact!
- In the name of Jesus Christ, I judge the devil's tricks that want to make believers sleepy and prevent them from waging the war for deliverance from evil and impure ties!
- In the name of Jesus Christ, we nullify all acts by which parents have consecrated themselves to Satan! We nullify all signs on the body, all marks on the body, all verbal proclamations, all symbols, everything!
- In the name of Jesus Christ, we judge them! We break them! We crush them! We proclaim total freedom of every child of God! And we proclaim the salvation of all the other family members! We separate them from these practices! We destroy the devil's lie! (Keep praying).

In some families, the parents were afraid of the colonists and practised witchcraft so that

their children would never follow the whites. They thought they were doing a good thing

and bewitched their children so that they would never leave the territory. Now it is affecting

the children. You are intelligent and you want to study abroad but you cannot leave the

village. Someone told me that he lost his passport, air ticket and visa a few days before his departure date. Anything that can take you out of the village fails.

Say:

- In the name of Jesus Christ, we judge pagan customs! We deliver all those who have been bewitched so that they do not leave the territories! We disbewitch them and set them free!
- In the name of Jesus Christ, we free anyone who has been bewitched to stay behind as a slave to look after others! (Pray with zeal).

- We free every brother who has been bewitched by his bosses! Who works without a salary but cannot leave the company. You have been bewitched, you pay your own transport to go to work. We proclaim your freedom! We break this bewitchment! We set the captives free! We bless them with a better job! (Continue praying).
- We go to every family, crying out to God for the release of every person who has been bewitched into drinking alcohol! To grow old and die in alcohol, we break the bewitchment!
- We break the bewitchment on every woman who has been bewitched to stay in a home without a bride price and without marriage! We break the yoke! We set them free! Let every bride price be paid and justice be done!
- We disbewitch anyone who owns property and who has been bewitched to forget it! We judge this bewitchment! We break these chains!
- In the name of Jesus, we visit every family and we proclaim freedom for every person who has possessions and who has been bewitched into forgetting their possessions!
- In the name of Jesus, we disbewitch all the children in every family who have been bewitched so that the parents can be forgotten!
- In the name of Jesus, if there is a man or woman suffering anywhere because his or her children have abandoned him or her, we command that bewitchment to be broken! Let every child seek his or her parents and let there be reconciliation everywhere for the glory of Jesus! Let life and peace reign in every family! (Continue to pray in tongues).

Put your hands on your head and say:

- In the name of Jesus, I rise up against any power, any practice aimed at preventing me from evolving spiritually (it is a form of bewitchment if someone does something to keep you from praying. When it is time to pray, you get sick. It is a bewitchment. It is the work of a spirit that wants to keep you away from prayer. You no longer read the Bible, you are far away from your position in the body of Christ, it is a bewitchment). I break this bewitchment!
- In the name of Jesus, I break every word, every sign, every symbol practised anywhere to make me unable to do what God expects of me! I break this bewitchment! I tear it to pieces! I proclaim my freedom! I proclaim my strength, my vigour!
- In the name of Jesus Christ, we intervene wherever the enemy wants to resist! You are judged! Begone quickly! In the name of Jesus, you who want to resist, we bring you down! We banish your works! Get out and leave!

This prayer is important. In some cases, the enemy doesn't want to leave.

Say:

- We intervene in every life, even online, and we break every sign, every symbol, every word, everything you've done to make the bewitchment possible! We break it and set anyone held captive free! Begone! Your power is over!
- We break all the sacrifices that accompanied this bewitchment! We judge all amounts of money that have accompanied this bewitchment! We break them!
- Jesus is the King of kings, the Prince of peace, the eternal deliverer. In the name of Jesus of Nazareth, we break every bewitchment!
- In the name of Jesus, wherever the devil has used tricks and lies, saying he

can protect you, we break the bonds of lies! We break the bond of deceit! We set the captives free! All those who have been deceived, seduced, you are free by the power of Jesus! Jesus Christ the righteous judge sets you free from the devil's lie! All Satan's claims based on this lie are judged and nullified! You are free!

- If food was prepared, you thought it was out of love for you, you ate with appetite and since then, you are no longer the same, Jesus delivers you!
- This food prepared for your ruin is destroyed! Let your soul vomit and reject it all!

Jesus said: *"I have come to set the captives free and to set the oppressed free"*.

Say:

- Jesus is Lord! Jesus is King! Jesus heals! Jesus sets free! Jesus delivers! Jesus is Powerful! Jesus is Mighty!
- All demons that came by trickery, because there are demons that people went to look for, but there are also demons that came by trickery. A meal is cooked and given to you. You speak well about the person everywhere, meanwhile it is to bewitch you. If the person had told you: "Come and eat some poison", you wouldn't have accepted. We break the hand of the devil! We break the power of the bewitchment! Any bewitchment based on trickery, wickedness or lies is broken and nullified! Only Jesus can do that. With Jesus, you are never late. With Jesus, there is no fatality. All those who have deceived you must get down on their knees. All those who have lied to you and deceived you are broken! It is nullified! Jesus is able to do it and he does it! You are given amulets and told: "Put this on your arm, it is for beauty", meanwhile it is a lie. They do it to take you by surprise, as Ezekiel 13:18 says. It's a broken! All that is of the devil, all activity based on lies, is broken, shattered, ruined, ruined!

Say:

- In the name of Jesus, we call for new days! We call for days of joy, days of happiness!
- If a sorcerer has deceived you and told you: "I use only plants, I'm not a sorcerer", meanwhile he works with spirits, you believed him, he even showed you his Bible. You took the plants, you ate them, you used them for enema, and a demon followed you, Jesus sets you free! He delivers you from that lie!
- Any spirit that has followed you, we judge it in the name of Jesus Christ! We command it to go away! Begone! The lie is exposed! The light has shone in the darkness.
- Any traditional practitioner or healer who deceived and flattered you by saying: "Drink, do enema" and you believed, now you are bound! We break that chain! Begone in the name of Jesus!

If you knew he was a sorcerer and you believed what he told you, repent and the demon will leave.

May the Lord bless you! May what has been overthrown no longer be rebuilt! Let that which has been built never again be destroyed!
