**WE MUST HAVE THE SAME
FEELINGS SO THAT WE CAN
RAISE ONE VOICE TO GOD
WE WILL BE ANSWERED IF WE
PRAY AS ONE**

Romans 15:5-7: *May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ. Accept one another, then, just as Christ accepted you, in order to bring praise to God.*

We will pray and be answered. The Word says: “*May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father*”.

To pray together, there are certain conditions to meet. We can come together, that is good enough, but above all we must have the same feelings. We must have the same vision of our God.

When we are united in spirit, when we open our mouths, God answers us. Divided people cannot present one voice to God. If you have something against someone, especially a brother, settle it now. Jesus said that if you stand to pray, and remember that you have something against someone, or someone has something against you, you must forgive first before continuing. If a brother has something against you, leave the offering, go and be reconciled with the brother first.

We must have one voice when we say: “Answer us, Lord”; it means that we have the desire to have one voice. But we don’t decree it; we don’t say it, we just realise that we have the same voice. We beg God for forgiveness because each of us thinks he is important. Sometimes there is boasting, grudges and spite. Those who are strong look down on those who are weak.

Romans 15:7: *Accept one another, then, just as Christ accepted you, in order to bring praise to God.*

When you think you’re strong, when you feel superior; you look down on others. When they pray, you wonder if they can pray. If someone testifies, you say to yourself: “Can he also testify...!” The strong must welcome the weak; they must have the same feeling. And when we will say:

“O God! Answer us!”, it will pierce the heaven and bring us all before God.

“O God! Answer us!”

And we say this with one voice.

We will look at one example of people who had the same feelings, how they prayed and what happened. The apostles were persecuted and commanded to speak no longer in the name of Jesus. They went to report to their brethren.

Acts 4:23-31: *On their release, Peter and John went back to their own people and reported all that the chief priests and the elders had said to them. When they heard this, they raised their voices together in prayer to God. “Sovereign Lord,” they said, “you made the heavens and the earth and the sea, and everything in them. You spoke by the Holy Spirit through the mouth of your servant, our father David: ‘Why do the nations rage and the peoples plot in vain? The kings of the earth rise up and the rulers band together against the Lord and against his anointed one.’ Indeed, Herod and Pontius Pilate met together with the Gentiles and the people of Israel in this city to conspire against your holy servant Jesus, whom you anointed. They did what your power and will had decided beforehand should happen. Now, Lord, consider their threats and enable your servants to speak your*

word with great boldness. Stretch out your hand to heal and perform miraculous signs and wonders through the name of your holy servant Jesus.” After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly.

The apostles had fulfilled the condition of being one and of having the same feeling. They had the same Lord and the same zeal. There are some people in this crowd who are convinced that to go to heaven, you also have to pray to Mary, so they have their own vision. Others know that Jesus Christ is the only way. How can we pray together? Those who are in error must ask for forgiveness and join those who are in the light. There are men here who cheat on their wives and are in trouble. Yet they want deliverance. Must we cry out to God in these conditions? Can our cry be heard? The apostle Paul says: “*You must be of the same mind, so that you may lift up the same voice to God*”.

The apostles had obeyed. The word of God says that when they had finished praying, the place they were in shook. The earth shook and the Holy Spirit descended on them because they had one and the same mouth. To pray together, we are compelled to submit to the Spirit of Christ. You must forgive all your brethren. You can cancel the debts of certain brethren who owe you. Some people behave like bandits. They say: “lend me 1,000 francs and I’ll reimburse it tomorrow”. After that, it becomes a matter that lasts five years. You must forgive.

People think that praying together is a joke. To pray together requires that your heart be converted. You must give up certain ideas, certain rights, certain demands. Now look at each brother and discover his beauty.

Philippians 2:1-4: *Therefore, if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.*

Do not pursue your own interests. Uplift others, speak well about others, pursue their happiness; seek what gives them joy. If you are one, the earth will quake. The apostles had a need under great threat; they needed a lot of assurance and courage to move on. They asked for the power to proclaim the word with full assurance.

They asked that the Lord grant more healings because they noticed that people were afraid of miracles of healing, because people who were delivered and healed confirmed that Jesus was alive. Better still, they asked that this be done in the name of Jesus Christ. These were their needs and this is how God answered them. *After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly.*

They were all filled with the Holy Spirit and proclaimed the word of God with assurance, and they were answered.

Say:

- Lord, we want to be answered!

If you want to forsake the bad life, the pride, the divisions, if you want Jesus in your

life, raise your hand. Come here.

Tell Satan: *“Away from me, I want to follow Jesus”*. You can also sit on your sin but you will lose.

Jeremiah 2:27: *They say to wood, “You are my father”, and to stone, “You gave me birth”. They have turned their backs to me and not their faces; yet when they are in trouble, they say, “Come and save us!”*

Say:

- We proclaim that wood and stone are vanity! We proclaim that the sting of death is sin!
- We break the bonds of captivity that keep sinners far from God!
- We break the chains that hold them captive!
- We proclaim that forgiveness is possible thanks to Jesus! Healing is still possible thanks to Jesus! Deliverance is still through Jesus! Blessing is still through Jesus! To raise the dead, it is still through Jesus! Jesus!

Jesus said: *“And I, when I am lifted up from the earth, will draw all people to myself”*. Jesus draws you. If you stay, you harden your heart! Do not allow Satan to rejoice!

Say:

- We proclaim that all souls belong to Jesus!
- We proclaim that Jesus paid the price at the cross of Calvary!
- He paid the price to save!

Say:

- Sinner, you must obey Jesus!

Say:

- Satan, you know very well that Jesus sent us to set the captives free!
- We break the chains! We set souls free!
- We free the will to give oneself to Jesus!
- We free the will to be committed, Satan, begone! You know that in this battle we are the overcomers, we trample on snakes and scorpions and on all your power!

It's a phenomenon that has blessed us! When the Church is gathered together as we are here, if you don't see a vision and you do not feel anything in your body, do not worry. Don't become miserable because other people have seen visions and you don't. There are people who see visions and you cannot feel anything in your body. Some people have prophetic intuition while others have visions.

We have selected a few testimonies for the brethren to tell them to expect everything during prayer. Jesus can perform surgery on cancer even while you are sitting there. We went to Guiglo. While we were in warfare prayers, a guest was praying with his eyes closed. He saw an angel come and perform a surgery on him of a hernia he was suffering from. He touched himself. He went to the toilet to check and there was no hernia. He went home and checked, there was nothing there. This happened on Saturday and on Sunday morning he came back to testify. God can heal you without showing you because he doesn't need that gratitude. He shows you certain things

so that we can see and encourage others. God loves it when people encourage each other.

Psalm 18:1-3, David said: *I love you, LORD, my strength. The LORD is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold. I called to the LORD, who is worthy of praise, and I have been saved from my enemies.*

Who is God to you? When you hear that such and such a person has been answered, there is a certain life hidden behind their story. It can be like a mustard seed. You have to be able to tell God: "I love you in spirit and in truth".

For David, the LORD was his strength, his rock, his salvation. When the Bible says that we must imitate those who through faith and perseverance inherit what has been promised, it is people like David.

Who was God to him?

Write that down:

- My rock;
- My fortress;
- My deliverer;
- My God ;
- My rock in whom I take refuge;
- My shield;
- The horn of my salvation;
- My stronghold.

God being all this for him, when he cries out, God delivers him. When he prays, God answers.

Psalm 18:4-6: *The cords of death entangled me; the torrents of destruction overwhelmed me. The cords of the grave coiled around me; the snares of death confronted me. In my distress I called to the LORD, I cried to my God for help. From his temple he heard my voice; my cry came before him, into his ears.*

People's stories turn around when their cries reach the ears of the Lord.

What did God do when David's cry reached him?

"The earth trembled and quaked". Why?

Because a man who loves God, for whom God is his fortress, his shield, his stronghold, cried out.... At that moment, the little demons that had been tormenting him disappeared.

Say:

- Lord, allow our cries to reach your ears!

David's cry aroused God's anger. We will do it too. God has not changed. You know, we pray for our families. There are powers that sit on families. It's understandable because our families have sinned against God and God has handed them over. God says: *"I seek an intercessor"*. What he is asking of us is humility, brotherly love and

forgiveness. It is not difficult. Where you are sitting, put things in order.

Take your ten prayer topics, talk to God.

While she was sharing her testimony, a sister from Tingrela said that she told God: *“Today, I don’t want to pray, but I want to chat with you”*. And that moved Jesus.

Stand up and talk to God.

Don’t say that you have already prayed about this topic several times. Pray as if you have never prayed before. Look for the words. I don’t know how this sister got the inspiration to be able to tell God: *“I don’t want to pray, but I want to chat with you”*. I understood that the Holy Spirit had guided her. She didn’t start crying. She was so touched that she could not pray in French but only in her mother tongue.

- O Father, You who shake the earth, You who make it quake when You are angry, You who heard the apostles so that the place where they were gathered was shaken and they were filled with the Holy Spirit! (continue praying).
- O Jesus, it is you; you have not changed. You can break prisons and overthrow mountains! You can dry up every stream and break every bond! You can do it! You can do it! (continue praying).
- O Father, answer us! You can! You can!
- O Father, you are the living God, you the living God, the God who saves, the God who delivers, the God who answers prayers, answer us! (continue praying).
- Father, answer us! You are able!

In one accord, we will rise up against all human works in our lives. If there is anything that a human being has conceived, it is annihilation tonight.

Say:

- In the name of Jesus Christ, we proclaim that man is not God! We proclaim that man is not God!
- In the name of Jesus Christ, we rise up against every human work, everything that a human being has conceived against me, we banish them! All human works in word, deed and thought are banned!
- In the name of Jesus Christ, we break every human curse! We banish every word, every enchantment, every bewitchment! We destroy every work of bewitchment! We proclaim freedom for captives, in the name of Jesus of Nazareth!
- In the name of Jesus Christ, we overturn mountains! We uproot them! We cut pythons to pieces! All the gods that have given power to our enemies, we throw into the dust! Every source of witchcraft, of occultism, of Rosicrucian, of Buddhism, of Maikari, are judge! We judge everything that is man-made! Captives, be released! You have been set free! (Let us pray in tongues).
- We break all the places where souls are held captive! We break every spiritual prison! We break the graves and the coffins! We dry up the waters! (Keep praying).
- In the name of Jesus Christ, we judge all unclean spirits sent against us and we cast them out in the name of Jesus Christ, begone! (Let us pray in tongues).
- We rise up against all spirit marriages! We judge the high places! We set the captives free! Captives, you are set free from false marriages! We bring true marriages into existence according to God’s will! And you, spirit husbands,

we cast you out! Begone, in the name of Jesus Christ!

- In the name of Jesus Christ, spirit husbands, you are judged! Leave in the name of Jesus Christ! (Let us pray in tongues).

It is time: even if you have been buried, God is sending orders about you to deliver you.

- In the name of Jesus, where untimely death sat, its throne is broken!
- Even if you had sold yourself, we declare that you are free because Jesus died for you. I declare that you are free!
- In the name of Jesus, you who have dreams where you always see yourself in the village, I break this bond of bewitchment!
- You, who were bewitched in the village in such a way that you cannot be free, you are free! I break this bond! I release your soul from this prison!
- I break this hut! I release your soul and you will have God's revelations!
- Any spirit established in your life to control your soul spiritually and drag you into witchcraft against your will, we break that bewitchment!
- Any spirit set up as a guide to lead you into witchcraft, to cause you to fly and to eat human flesh, you are delivered! Unclean spirit, begone!
- Everything you were given to eat, you thought it was out of love, but it was an enchantment, and you ate it, and since you ate it, you are no longer normal. In the name of Jesus, you are delivered!
- In the name of Jesus, every human work through magic and sorcery is banished, ruined and broken! (Let us pray in tongues). Unclean spirit, begone in the name of Jesus of Nazareth!
- In the name of Jesus, all demons sent to impoverish, to plunge men into misery, when they work; you steal their goods, and you send diseases so that they spend all their goods to look after themselves, Begone! You are broken!
- In the name of Jesus, every spirit of poverty, sent to cause sickness and infirmities, to make people spend all their possessions, begone!
- Any hidden spirit sent to cause accidents, to give diseases, to make poor, to make lives miserable, if you are a demon responsible for these things, you are judged! Begone quickly!

Raise your right hand and say:

- In the name of Jesus, we break down resistances here and elsewhere! Even if someone is alone on the line, may the power of the Holy Spirit intervene for their total liberation! We break down resistance! We expose those who want to hide! We tear every veil thrown over them so that their works are not exposed. We send light; where there is darkness, let there be light! Let there be a total confusion in Satan's camp!
- In the name of Jesus, if a woman is barren because of the work of demons, you are delivered! Everything demons have done is cancelled! Let your fallopian tubes open! Let there be ovulation! Let your reproductive system be restored!

Say:

- In the name of Jesus, untimely death, if you're hiding somewhere in any life, you are judge! Begone! (keep calm).
- If you are a demon that causes demonic character, that causes people to behave like the devil, begone!

- In the name of Jesus, all demons sent to produce jealousy and pride, begone
- In the name of Jesus, all demons sent to oppose the reading of the Bible, begone!
- Every demon sent to destroy the prayer life, you are judged! Begone!
- Every demon sent to oppose service and relationship with God, begone! Your work is destroyed!
- In the name of Jesus, we set the prayer life free! We release the life of fasting! We release the life of Bible reading!
- In the name of Jesus, we release the walk with God! We release the walk with God!
- In the name of Jesus, we proclaim that our God will be served! He will be obeyed! He will be worshipped! To Him be honour, glory, power, wealth and strength for ever and ever! (let us pray in tongues).

- Komians, listen! Our God will be served for ever and ever! Tetekpan, God will be worshipped for ever and ever! Masks, God will be worshipped for ever and ever! All Freemasonry, Rosicrucians, God will be served and worshipped for ever and ever!
- Water spirit, you are banished! Our commitment to Christ is for ever and ever!
- Every demon cast out, whether you left noisily or quietly, we recover everything you stole! We snatch everything from you! You take nothing with you! You put everything down!
