**STRIKE DOWN THE ENEMY
TILL EXTERMINATION**

Boniface MENYE

1 Samuel 15:1-3, Samuel said to Saul: *I am the one the Lord sent to anoint you king over his people Israel; so listen now to the message from the Lord. This is what the Lord Almighty says: I will punish the Amalekites for what they did to Israel when they waylaid them as they came up from Egypt. Now go, attack the Amalekites and totally destroy all that belongs to them. Do not spare them; put to death men and women, children and infants, cattle and sheep, camels and donkeys.*

The Word of God says that when the children of Israel came out of Egypt, God told Saul to destroy the Amalekites and leave nothing alive. What was the fault of the Amalekites? They blocked the way to the children of Israel. Failures depict the paths that the devil has blocked in front of you. Joseph had two visions showing how he would be greater than his brothers. Instead of giving thanks to God, they were filled with jealousy and decided to kill Joseph. They threw him in a pit. Then they took him out and sold him as slave.

In this crowd, there are people whose path is blocked. The enemy has blocked their path. The devil says: "Not here!" You can be sent on a mission, but the enemy and the sorcerers can block the way. The enemy can block the way to marriage, to success, to health, to prosperity ... Don't say it cannot be done to the children of God. The children of Israel were true children of God. You can have enemies, but you will always overcome. If everyone loves you in this world of darkness, you are not like Jesus.

Remember Amalek, how he blocked the way to the children of Israel when they came out of Egypt. Now go and strike him! This is what will happen tonight! And the Lord will be there to destroy! He will answer the Church! He will break the barriers! If a man is using his position to harm you, God will remove him. He has no right to stand in your way.

2 Samuel 5:5-9, *In Hebron he reigned over Judah seven years and six months, and in Jerusalem he reigned over all Israel and Judah thirty-three years. The king and his men marched to Jerusalem to attack the Jebusites, who lived there. The Jebusites said to David: You will not get in here; even the blind and the lame can ward you off. They thought, David cannot get in here. Nevertheless, David captured the fortress of Zion—which is the City of David. On that day David had said: Anyone who conquers the Jebusites will have to use the water shaft to reach those 'lame and blind' who are David's enemies. That is why they say, "The 'blind and lame' will not enter the palace. David then took up residence in the fortress and called it the City of David. He built up the area around it, from the terraces inward.*

This is a spiritual reality. Enemies like to stand in the way. It's a real phenomenon. There are people who are suffering. The enemy is sitting on their deliverance. And he says they will not come any closer. It is what will happen. Here, David didn't pray to God. He engaged the battle and he won. And he called the city by his name: the City of David.

He will not get in here! You will get in! Many believers fought but stopped too soon.

1 Chronicles 18:1-4, *In the course of time, David defeated the Philistines and subdued them, and he took Gath and its surrounding villages from the control of the Philistines. David also defeated the Moabites, and they became subject to him and brought him tribute. Moreover, David defeated Hadadezer king of Zobah, in the vicinity of Hamath, when he went to set up his monument at the Euphrates River. David captured a thousand of his chariots, seven thousand charioteers and twenty thousand foot soldiers. He hamstringed all but a hundred of the chariot horses.*

You should not shoot feeble arrows and think that you have won. There are people who think they have won because they judged the enemy in their dream. You must make sure that he is really dead, if not he will come back. Jesus said that when an unclean spirit is cast out it goes through dry places, seeking rest and does not find it. So he says: I will return to my house from which I came; and when he arrives, he finds it empty, swept and decorated. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and settle there, and the last condition of that man is worse than the first.

What did David do?

- He struck first.
- Then he struck to humiliate his adversary.
- He ripped off the yoke and his enemies became wanderers.
- As he passed by, he struck all the enemies on his way.

No more unfinished battles! You must not say: Satan, leave me alone and say that I fought the Philistines. To fight like that, you must be an angry man. When you know what God has done for man and what the devil has done to man, your way of praying will change. There are people who sleep but say they pray. But you will no longer sleep! Strike and take the riches. You will not do as a fugitive who gives gentle blows and begins to run before the enemy. You let go everything meanwhile everything is yours. When Satan was cast out of heaven, he brought nothing. He was naked. There were diamonds on him but God took them all off. If the devil hadn't been locked up in darkness, he would have been wandering around the cities. Where there is light, when he arrives, everything turns black. And it is not by accident that he and his demons are called the powers of darkness. God has shown us how to strike. He didn't cast out the devil but chained him with darkness.

1 Chronicles 18:5, *When the Arameans of Damascus came to help Hadadezer king of Zobah, David struck down twenty-two thousand of them. He put garrisons in the Aramean kingdom of Damascus.*

People who went to help, 22,000 lying on the floor!

1 Chronicles 18:6, *and the Arameans became subject to him and brought him tribute. The Lord gave David victory wherever he went.*

Say:

- We proclaim that Jesus Christ said: "And surely, I am with you always, to the very end of the age".

Brethren, let us be grateful!

Raise your hand and say:

Lord, I know that You protect me!

When you listen to dreams and attacks, you can see how the enemy is targeting you. But you also hear: a hand came to help me; a sword came to help me.

In your sleep, God comes to your rescue, when you can do nothing!

Before going to destroy the Amalekites, chat with your Father about your ten prayer topics. If the Holy Spirit has revealed a real prayer topic to you, add it, that is, in your meditations you have found that a topic has been overlooked. In your prayer,

say: "O God, answer us".

Brethren, God is not evil. He is good. He sends rain on the evil and on the good. If you have raised an issue to him, if you have not yet been answered, don't leave Him. That is what Jacob did. The angel said to him: "Let me go", Jacob replied: "I will not let you go unless you bless me".

Say:

O Father, hear us, hear our cries!

O Father, know our anguish, our sadness, know our downcast hearts and come to our help! You are the only one who can truly bless a man, for it is written in **Proverbs 10:22**, the blessing of the Lord, it makes rich, and he adds no sorrow onto it.

Brethren, God blesses. Behold in your mind what you have already heard of Him. (Let us pray now). Say:

- O Father, answer us! (keep praying)
- O Father, we have no one else on earth, no one else in heaven. You are our Redeemer, you are our Father (continue crying out to God).

Let us pray in tongues.

Say:

- O Father, bring your judgments against Hades on our behalf, the waters, the places lower than the waters, in the hills, under the hills, in the family homes, in the sacred houses, in the sacred forests! Wherever there is a power against us, bring your judgements! Rout them out! Scatter our enemies! Strike down our adversaries, in the name of Jesus!
- Bring your judgments against the deserts on our behalf! All dry places, above us, in the heavenly places, every power that hangs over us, bring your judgments against it!
- Bring your judgements against all reptiles! Let them be judged and ripped off! Let their works against us stop! Act on our behalf!
- Bring your judgements against death and Hades and all the spirits of the dead, in the name of Jesus!
- Bring your judgements against the kingdoms of spirit husbands and wives on our behalf. Let them be overthrown! Let their thrones be broken, in the name of Jesus! Let the kingdom of spirits husbands and spirit wives be shaken and crumble!
- Let judgments be brought against snakes and the kingdoms of snakes and their thrones! We judge them, in the name of Jesus Christ! (continue praying in tongues).

Brother Zach taught that the believer must speak to his Father, who is God, it is the first level, it is even the highest level of prayer. When He answers, He heals where healing is needed, He casts out demons where they need to be cast out. It is a prayer that brings various answers at once. Then he says, we must speak to Satan and his demons, and then to the circumstances that Satan has created. The prayers of the crusade are founded on this formula. Brother Zach wondered: *Is talking to Satan*

still praying? And he answered: *I've decided to consider that as prayer too.* I liked this statement because it's an innovation, a revolution. If it were in science, it would be called a discovery. Brother Zach read more than 1300 Christian books, so when he says: *I decided...*, it means that he didn't see it in the books he read.

As far as I'm concerned, this is what happened. I had already read Brother Zach's book, but I didn't understand it. One day, the Holy Spirit said to me: *Who told you that prayer is communication only with God?*

Ever since I believed, all teachers have defined prayer as communication with God. And the Lord asked me: *When you speak to a mountain saying: move! Is it communication with God?* My eyes were opened, and I redefined prayer. I said: prayer is the art of asking by faith, receiving by faith, and exercising spiritual authority over natural forces and supernatural forces. One day, I came across Brother Zach's book, which I had already read without understanding it, and I saw how Brother Zach explained it and I said: *O God, You are wonderful!* I said to the brethren: *We, as sons and daughters of Brother Zach, let us make use of this revolution! If not, the other children will discover it and use it, and we will buy it as they do.* And since we started making use of it, we have gone a long way.

Stand up. Here you must love the brethren, you must be one with your brethren. If there is a blessing that God has planned for you, and if there is an obstacle on the way, it will be judged, banished, annihilated, crushed, and the storms will carry the pieces to the ends of the deserts. Even if you have no problem, pray for us all. David didn't say, "*Lord, help me*". He said, "*You mean I cannot enter?*" He summoned his army, he called for applications for the post of general and Joab took the job; but there is more than Joab here.

The Bible says that our struggle is not against flesh and blood but against evil spirits. Ask yourself: "If the evil spirits win (since it is a war and our enemy are the evil spirits), what will happen to us?" They will hold us in place, that is what God taught us through Goliath, forty days without moving, and when David came, he cut off his head.

At a certain point, you will no longer understand even the Bible verses. If they win, you will be exhausted, tired, faith will be disgusting to you because their plan is for us not to reach the blessed land. There is a spiritual level that is the equivalent of the promised land. The enemy will ensure that you do not reach that level. You will always have jealousies, hatreds, quarrels. You masturbate, you weep, you confess, you are proud, you boast, you ask for forgiveness, you restart, and you die in your state; but you will overcome.

If there is an adversary, a man, a thing, a phenomenon, a spirit, a throne, a dignity on your way, stretch out your hand and judge it and destroy it, speak to that phenomenon, may it be annihilated and crushed!

Say:

- In the name of Jesus, with one accord with my brethren, we rise up against every obstacle to happiness, to joy, to blessing, to fulfilment, to achievement, every obstacle, we break it down, crush it! Spirit of the dead, human spirit, anything called obstacle, let judgement fall upon you! We destroy, despoil, judge everything!

- We scatter those who have allied themselves! We bring down the abyss! We send water spirits back into the waters! Let the surface of the waters become brass and no longer hold souls! Complete destruction of the enemy!
- Let every child of God obtain the blessing predestined for him or her by the love of God! I set foot on my blessing! I possess my territory! I break barriers!
- In the name of Jesus, let all children of God who have gone astray in the battle come back on the right track, walk the walk of faith, and possess their blessings! (Keep praying with authority).
- In the name of Jesus, we rise up against everything called witchcraft, and we proclaim the total ruin of every meeting of sorcerers during which the name of one of our brethren was pronounced, wherever our names were pronounced! We scatter this group! We snatch away what has already been stolen! We strip them! (Keep praying in tongues).
- In the name of Jesus, let the earth vomit up all that has been stolen from us and buried! Let all that the reptiles have stolen and swallowed be vomited up! Let anyone who wants to argue or resist be split open! Let all that has been hidden in Hades come back! Let the dead restore what they have stolen! In the name of Jesus, retribute! Water spirits, give back all that you have stolen! (Let us pray in tongues).
- In the name of Jesus, let spiritual prisons be broken, broken!
- In the name of Jesus, let spiritual prisons be broken, broken!
- In the name of Jesus, we direct our anger against all those who have resisted so far. You enemy, today is your end! We break your throne! We bring you down! We bring you to naught! Curse, we take you away from our paths; we bless every brother!

Raise your right hand and say:

- In the name of Jesus of Nazareth, our support and our prayer are against the adversary of every brother whom an enemy has tried to humiliate, let help be granted to him now and let him trample on his enemies!
- Beloved brother, cry no more. May the Lord wipe away your tears! The Church is raising its voice for you. May the Almighty answer your prayer! May your enemies eat the dust! They will no longer pursue you! They have disappeared, confusion has wrapped them up and carried them away! The Lord has risen to answer your prayer! Your glory is manifest and your distress is over! (Let us pray in tongues).

Say:

Beloved, the yoke of celibacy is broken, you are free!

- The yoke of joblessness and poverty is broken!
- In the name of Jesus, the yoke of sickness is broken!
- In the name of Jesus, all so-called incurable diseases are wrapped up in the same package: cancer, diabetes, hepatitis, kidney failure, all aches and joint pains, herniated discs, epilepsy, fibroids, myomas, you are all wrapped up in the same package and thrown into the abyss, and bodies are set free!
- Glaucoma, cataracts, you're ripped off! We wash your eyes with the blood of Jesus.
- Sinusitis, begone! Let the whole respiratory system become normal!

- Asthma, you are crushed, thrown into the abyss! Let all the captives be set free and let healing enter everyone!
- Woman suffering from premature menopause, you are delivered! Let your menses resume!
- If you're a demon, if you know you had to go, go now!
- If your picture was put in a bottle with incantations to bewitch you, I declare that you are free! Jesus Christ is your Lord! Let all spirits depart in the name of Jesus Christ!
- In the name of Jesus Christ, even if you have been locked up in a prison with many ropes, let that prison be broken and you regain your freedom!
- If you have given someone a gift and he used it to bewitch you, I declare in the name of Jesus Christ that you are free!
- If a man or woman has bewitched you in order to commit sexual immorality with you, and you have already begun feeling disturbed in your soul, you are free! Let all those spirits leave!
- If you are a water spirit, you are broken and your kingdom is broken!
