THE PRAYERS OF THE CRUSADE SHAKE HELL

Boniface MENYE

Romans 1:27-32, *In the same way the men also abandoned natural relations with women and were inflamed with lust for one another. Men committed indecent acts with other men, and received in themselves the due penalty for their perversion. Furthermore, since they did not think it worthwhile to retain the knowledge of God, he gave them over to a depraved mind, to do what ought not to be done. They have become filled with every kind of wickedness, evil, greed and depravity. They are full of envy, murder, strife, deceit and malice. They are gossips, slanderers, God-haters, insolent, arrogant and boastful; they invent ways of doing evil; they disobey their parents; they are senseless, faithless, heartless, ruthless. Although they know God's righteous decree that those who do such things deserve death, they not only continue to do these very things but also approve of those who practice them.*

Sin draws God's judgment and curses. There are diseases that are in the world because there is homosexuality. There are diseases that are the wages of sin. There are bewitchments that are the wages of prostitution. When a man is possessed and there is, for example, a mermaid in his life, if you sleep with him, it means that you have slept with the mermaid. **Sexuality makes two people to become one.** In God's plan, you must get married and sleep only with your wife. **There is an exchange of demons and curses in sexual immorality. There is even transfer and exchange of disease.**

This evening, we will beg God to command the healing of all those who are suffering physically as a result of sin, regardless of the nature of the sin. It is God himself who wants them to be sick because they have corrupted their way. God has sent pain into their flesh, but if we pray, as God is good and merciful, he will remove those diseases. He goes as far as removing them from the unbelievers in their families. And he will allow them to hear the Gospel and be saved. God knows what he wants and what he does. **Even if you are not sick, pray, you do not know what demon is hidden in your life.** Pray with burden. It is a total war against disease. There are many demons behind diseases. **The prayers of the crusade shake hell.** The host of the God of heaven is there.

There are demons that are there because God is angry. But the Lord will grant us his grace. And any spirit that has taken a stand will fall. If it was sent by a human being like you, it will go back to the sender so that he should know that God is Mighty.

Let us stand up!

Say:

- O Father, thank you for salvation! (Keep praying.)
- O Father, thank you for all my sins forgiven! (Give thanks to the Lord of lords.)
- O Father, thank You for the deliverance from judgment, the deliverance from hell, from diseases, from infirmities! Thank You for total salvation through Your work of redemption! (Continue to adore Him.)
- O Father, heal us from all our diseases! Deliver us from all infirmities, the consequences of our being astray! Deliver us from every grip of demons, the consequence of our being astray, the consequence of abominations, the consequence of Your judgments against sin in our flesh!
- O Father, You are able! You are the only One heaven and earth obey! You are

the only one places beneath the waters obey! Obedience on earth! Obedience under the earth! Obedience in the waters! Obedience under the waters! Obedience in all the universe! Speak to our cells, our bodies, You are able!

- O Father, heal us! O Father, heal us! You have cleansed us of our sins, take away the consequences in the flesh (keep praying!)
- O Father, it is a matter of command. If you command a mountain to move, it will move. If you command the sea to draw back, it will draw back. If you command the moon to disappear, it will disappear. If you stop the sun, it will not move! (Let us pray in tongues.)
- O Father, give command against all so-called incurable diseases!
- Thank you, Lord, for our redemption!

Mark 11:22-24, *“Have faith in God,” Jesus answered. “I tell you the truth, if anyone says to this mountain, ‘Go, throw yourself into the sea,’ and does not doubt in his heart but believes that what he says will happen, it will be done for him. Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.*

We will put this word into practice: *Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.* A sister testified about a genuine healing from cancer. The doctors told her she had cancer. After prayer, the sores in her breasts dried up. The second day, everything was normal. She gave her special offering to God. We will plead with our God. This prayer was that He would decide to remove His judgment so that His judgment would not be an obstacle in our way. Now that He has blessed and answered us, we will go to war against diseases. There are demons behind diseases. I saw one in a brief vision that threatened me. When I think of that threat, I understand that the prayer we raise this evening will set many captives free.

Let us stand up.

Say:

- In the name of Jesus Christ, we proclaim that with Jesus of Nazareth, there is no incurable disease! For He entered the earth, He came out victorious, the overcomer of death and all disease! (Let us pray in tongues.)
- In the name of Jesus Christ, cancer, whatever part of the body you have possessed, we judge you and we cast you out! (Let us pray in tongues.)

- In the name of Jesus Christ, you child of God who is suffering from cancer, we declare that you are healed! Even if you are an unbeliever and you are praying with us, and you have believed in Jesus, you are healed! Let anyone who has faith have victory over cancer! Victory! - In the name of Jesus Christ, hepatitis, all hepatitis, whatever your number and varieties, begone! Go and rule in nothingness, in the abyss! Jesus bore the diseases! Diseases, Jesus bore you to deliver us from your oppressions! What are you still doing in our bodies? Begone! If you call yourself a skin disease, Jesus crucified you on the cross of Calvary! You are judged! Begone! Why do you want to stay here? Begone!
- In the name of Jesus Christ, glaucoma and cataracts, begone! Jesus took you out of men's eyes so that your reign against men would be smashed! He took

you from our eyes and bore you to the cross. He rose again and left you in the grave. Begone! Let the blind see! He who has a blurred vision, let him see clearly! (Let us pray in tongues.)

- Earache, Jesus has judged you! Begone! You must not remain in the body! It is an inheritance from Jesus! You earache, He took you out of our ears to take you to the cross, to crucify you. You must not stay!

- Strangulated hernia, be healed! Be ripped off! And let everything become normal! (Let us pray in tongues.)

While you are seated, receive healing. It is for free. Believe that God has worked in your life.

Don't forget Mark 11:22-24, *“Have faith in God”, Jesus answered. “I tell you the truth, if anyone says to this mountain, ‘Go, throw yourself into the sea,’ and does not doubt in his heart but believes that what he says will happen, it will be done for him. Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.*

If you feel any discomfort in your life, as if there is a spirit that wants to leave and it does not, you condemn it and tell it to leave.

Say:

- In the name of Jesus Christ, let all the spirits of the dead associated to those diseases be judged! And let them go now!
- In the name of Jesus Christ, we strike all the spirits of the dead that followed us because of the disease! Begone!
- In the name of Jesus Christ, we break spiritual hearses and proclaim that no one will die!
- In the name of Jesus Christ, we close spiritual graves that were already prepared and fill them with sand!
- In the name of Jesus Christ, if someone was already in the car, we stop it, open it and let the person out alive! We destroy all coffins prepared by demons! We burn them and there will be no one in them!
- In the name of Jesus Christ, if someone was already bound, we loose him! We

loose all those who are bound! We break the ties and set the captives free!

- In the name of Jesus Christ, we close coffins and graves and fill them with sand! No one will enter! Jesus the King of kings!

Say:

- Lord, add years to my life! Lord, deliver me from what my adversaries desire. Add years to my life! Father, grant me days of joy and happiness! The enemy wanted me to weep every day. Put your praise in my mouth!
- In the name of Jesus Christ, you, human spirit, you are alive, not yet dead, and when you see me, you count my days and ask yourself, “When will he die?” Wicked, I break your hatred and chase you from my path! You will see the glory of God and you will see what you didn’t want to see!
- In the name of Jesus Christ, my enemy, you will see the glory of God in my life! Your plans are broken! You, who work with the dead, you who think witchcraft is powerful, I overthrow you! I break your chariots! I do to you what was done to Pharaoh!
- In the name of Jesus Christ, my enemy, I pursue you wherever you have gone to hide, and I bombard your hiding place! I expose you to the judgment of God, for it is written: “There is no peace for the wicked”.
- Say thank you to Jesus Christ. May victory be hidden in the blood of Jesus!
