**SPEND A WHOLE NIGHT  
PRAYING FOR ONE THING,  
AND YOU WILL SEE THE  
GLORY OF GOD**

Boniface MENYE

**Mark 14:32-46**, *They went to a place called Gethsemane, and Jesus said to his disciples, "Sit here while I pray". He took Peter, James and John along with him, and he began to be deeply distressed and troubled. "My soul is overwhelmed with sorrow to the point of death", he said to them. "Stay here and keep watch". Going a little farther, he fell to the ground and prayed that if possible the hour might pass from him. "Abba, Father", he said, "everything is possible for you. Take this cup from me. Yet not what I will, but what you will". Then he returned to his disciples and found them sleeping. "Simon", he said to Peter, "are you asleep? Could you not keep watch for one hour? Watch and pray so that you will not fall into temptation. The spirit is willing, but the body is weak". Once more he went away and prayed the same thing. When he came back, he again found them sleeping, because their eyes were heavy. They did not know what to say to him. Returning the third time, he said to them, "Are you still sleeping and resting? Enough! The hour has come. Look, the Son of Man is betrayed into the hands of sinners. Rise! Let us go! Here comes my betrayer!" Just as he was speaking, Judas, one of the Twelve, appeared. With him was a crowd armed with swords and clubs, sent from the chief priests, the teachers of the law, and the elders. Now the betrayer had arranged a signal with them: "The one I kiss is the man; arrest him and lead him away under guard." Going at once to Jesus, Judas said, "Rabbi!" and kissed him. The men seized Jesus and arrested him.*

**Luke 22:39-46**, *Jesus went out as usual to the Mount of Olives, and his disciples followed him. On reaching the place, he said to them, "Pray that you will not fall into temptation". He withdrew about a stone's throw beyond them, knelt down and prayed, "Father, if you are willing, take this cup from me; yet not my will, but yours be done". An angel from heaven appeared to him and strengthened him. And being in anguish, he prayed more earnestly, and his sweat was like drops of blood falling to the ground. When he rose from prayer and went back to the disciples, he found them asleep, exhausted from sorrow. Why are you sleeping?" he asked them. "Get up and pray so that you will not fall into temptation".*

These passages carry great lessons. If you pay attention, there will be a revolution in your prayer life. This will be a legacy of the 2023 edition. When we arrived in Côte d'Ivoire, we really prayed. We believed in prayer. One thing that made me think was the criticism of people. People used to say that at CMFI, there was only teaching. I used to reply that there were miracles, healings, healings from HIV/AIDS, miracles, but the criticism still continued. One day I heard the voice of the Holy Spirit. The Lord told me that people did not say there were no miracles. He told me: "As long as you have not taught that the toughest demons can come out only by prayer, the teachings on deliverance are useless". It was in 2005. I exhorted the Church and we moved on. In 2006, God told me the prayer I am referring to, is not what you are doing. There is what can be called a vision of the spirit, meaning that you do not hear the words but you understand the phenomena. There was an illumination of my intelligence. God told me: "It is not the kind of prayer, 'Lord, bless me!'"

**Mark 14:32**, *They went to a place called Gethsemane, and Jesus said to his disciples, "Sit here while I pray".*

Jesus felt fear and anguish. The soul of the Lord was sad in the face of death, at the thought of dying on the cross. He knew his fate; he knew what would happen to him. The Lord Jesus' answer to fear is prayer. When you are afraid, when you are scared, how do you react? Some people give up or start crying. But Jesus began to pray. This

is the first prayer session. Jesus said to his Father: “Father, you can do everything, but please let your will be done”. This is called the prayer of importunity. He knew that his Father could do everything, but he armed himself with faith to pray.

There are several ways of importuning God through prayer:

- You can pray for the same prayer topic for hours continually, as Jesus did.
- You can insist on what you know God is able to do! This was what Jesus did.

Faced with the sadness of his soul, Jesus prayed. Someone who was going to betray him and even deny him was sleeping. When you make a disciple, you bring him where he can see what you are doing. When he sees, he says, “If Peter had prayed for even an hour, this would not have happened”. There would have been fire in his mouth to say that he was the one to whom Jesus had given the keys of the Church. Normally, after seeing this scene, they would do the same. Why have the spirits of the dead stayed long in your body? You pray a little and they hide in a corner of your body. Your little prayers don’t scare them. As soon as you are done, they recover. Watch and pray so that you will not fall into temptation. The spirit is willing, but the body is weak. And the spirit is nourished by prayer. Do not eat too much, because when you are too full you cannot pray. **The Bible** says: “*Stay away from gluttony, or your hearts will be weighed down with dissipation and drunkenness*”.

It is the second prayer session. He prayed and went to see his disciples. He prayed the same prayer again.

**Luke 22:39**, *Jesus went out as usual to the Mount of Olives, and his disciples followed him.*

Sadness has a bewitching power. You can be a woman of prayer. When the devil wants to slow you down, he creates events of sadness and you become heavy. The disciples fell asleep out of sorrow. When you are sad, resist; otherwise you will be paralysed and weakened. If the Lord had not resisted, he would have been weakened as well. He would have been arrested without testimony. The disciples would have been arrested. But he was strong through prayer. He himself encouraged the disciples. He resisted the troops of soldiers because he prayed. And the Lord opened my mind about why he didn’t want short prayers like “Lord, bless me”! For sweat to drop, the prayer must be intense. It is not a matter of praying so that people see that the prayer is intense, but the goal must be achieved. And it will make you pray fervently. It is what makes your sweat to drop. That is where miracles happen. As soon as the weak and sad man wants to pray, the flesh complains. Your spirit is in prison. The level of prayer is very low.

I taught on the prayer of Gethsemane. I understood that it was a prophecy. A sister called me after the teaching. She was coming to tell me that she would backslide because she was suffering too much. When we met, she said: “I have headaches, heart pain. I have typhoid fever. I feel like two people are pulling my intestines from one end to the other and another one is cutting them with scissors”. She couldn’t tell me that she wanted to leave us. She added that she had already carried out the breaking of evil ties thrice without success. She even reminded me that I was the one who did the last one. I asked her if she had attended the teaching on the Gethsemane prayer. She said she had not. So, I explained it to her. I told her that the

heart of this teaching is that Jesus spent one night presenting just one topic to his Father. It was Thursday. When we finished working, she went to put the teaching into practice. On Friday, she called me to tell me that she was healed. I am not telling you not to pray for one thousand prayer topics. If you are given a bulletin with one hundred prayer topics, you must know that it is just one prayer topic that has been broken down into several topics so that if you read the bulletin, your heart will cling onto the real problem. And that will give you the strength to pray for it. If you recite things, you could have a prayer life at a very low level.

After that night, this sister saw three human spirits that came out of her: two aunts and a sister. They admitted that they had caused her all these wrongs. They removed a helmet from her head and something that looked like a foetus from her womb. She has been completely healed since 2006.

When we pray and a person finds himself in his village, these are the consequences of intense prayer. During warfare prayers, when we ask you to judge the spirits and you pray weakly, it remains at a very low level. But when you bombard them in prayer, you will see the results.

Brother Zach prayed for his family members. In a vision he saw the Lord writing the names of his parents on the list of those who were saved. He continued to pray. God said no for his elder brother. He insisted in prayer. And God finally wrote his elder brother's name at the bottom of the list. His elder brother repented publicly. He called the press to witness the confession of his sins. Everything he said was published on the headline of all the newspapers. This was the result of the prayer of Gethsemane. Another day, Brother Zach was praying, someone came and knelt down to pray with him; he prayed for three hours and then got up. This is the kind of prayer God is asking for. When we pray, we make an effort so that the prayers enter the ground, under the earth and into the universes. It is the Holy Spirit who does this when we give him the freedom. It is the violence in prayer that God answers.

**Say:** Lord, we believe!

When you are asked to pray, pray! Or write a line, pray first and then write. This is the first level. The summaries are prayer topics inspired by the Holy Spirit. They are prophetic prayers that bless us. Use it but pray as Jesus prayed with intensity. There is the first level of prayer that is put in the mouth. These prayers also bless.

### **Stand up**

Say:

- Lord, teach me how to pray!

Where I saw the glory of God was when I prayed as in **Mark 14**. Try it this evening and you will see. This is the reason why you are heavy when you want to pray. The devil is afraid of the fire inside you. If you light it up with intensity, he will be struck. So as soon as you sleep, you find yourself in the village. Why? Because the battle is spiritual. Brethren, God is alive! We have not yet reached the goal, but the little you know, do not joke with it. Once you reach a certain level in prayer, you may see an angel, just as Jesus saw the angel who came to strengthen him. God has

not changed!

Visions were rare in those days. You could pray every night, but visions were rare. Even Brother Zach saw God writing the names of his brothers. So, visions do exist. Let no one deceive you! I am a witness of these things. I have read his brother's repentance; I have read it! God showed him how he had written his brother's name at the very bottom of the page. Pray, break that which is known as obstacles. Command that defective organs be regenerated. Things have ears. Jesus said to the sea: "Quiet! Be still!" and the sea heard it. Start praying. Tell the Lord: "Teach me how to pray".

God can show you the answer. The Word of God says: "*Keep your spiritual fervor! Pray continually*" (**1 Thessalonians 5:17**). Jesus gave us the model of prayer.

When we received this revelation and I was leading prayer in the assemblies, I would give the prayer topic and we would pray until I myself said stop now!

### **Let us stand up!**

#### **Say:**

- Thank you, Lord, thank you for your school! Thank you for your model!

**What situation makes you sad? In other words, what is your burden?** Tell Jesus: "My heart is broken". Tell him that there are times when you hide your sadness, your soul is sad.

#### **Say:**

- Lord, remember Gethsemane!

If your problem has caused you to backslide, tell him: "Forgive me". Tell him that your fears have caused you to backslide. Tell him: "I have abandoned joy, I have become a sad man or woman, I no longer have a prayer life. Sadness has filled my eyes with sleep and I cannot even pray for an hour".

### **Talk to your Father!**

- O Father, my eyes and my heart are filled with sadness. I cannot pray for one hour! (Keep crying out to Him.)
- O Father, if there is someone who is sick, as a result of his sins, his disobedience, immorality, drunkenness, O Father, you have forgiven, nullify the consequences! You have cleansed, purified! O Father, nullify the consequences! (Continue praying for God to manifest.)
- O Father, by your compassions, remove the consequences! O Father, intervene! (Let us pray in tongues.)
- O Father, command life where death is already reigning! (Continue praying.)
- O Father, if anyone is suffering from an infirmity as a result of their parents' worship or their own worship, command healing! You are a merciful God! You are the God of compassion! Command joy! Command joy! Command deliverance! Command restoration! Speak and Your will will be fulfilled! (Continue praying.)

- O Father, scatter the host of darkness and the demons who want to take advantage of the time of Your wrath, and scatter them! Command freedom for your children who cry out to you! (Continue praying.)
- O Father, snatch away what has been stolen and give it to your children! Snatch away what was stolen by the wicked spirit in the time of Your wrath! (Continue praying in tongues.)
- O Father, let the enemy kingdoms be overthrown! Let all demonic gatherings be struck and scattered! Let all lost spiritual positions be recovered by Your children! Command that each one be placed on their high places! Oh, it is Your grace! It is your mercy! It is Your compassion! (Continue praying.)
- O Father, let anyone who has fallen rise up! O Father, command their time of visitation! Let the weak become strong! Let the time of the enemy come to an abrupt end! It is all over for the enemy! The Lord blesses his people! The Lord redeems his people! The Lord brings back his people!
- In the name of Jesus, in one accord, we take back all lost positions and every believer is blessed! Brother, sister, take back your inheritance! It is the Lord who commands it! Overthrow the giants! Scatter the dwarfs! Take revenge! Fight for victory!

Behold the glory of God, His mercy! Behold how He breaks HIV/AIDS and cancer! How He acts out of kindness! How He crushes hepatitis and diabetes. Behold how He straightens the vertebral column! See how demons are rooted out! Behold how He empties the lungs of cigarettes. Behold how He purifies the lung. He purifies the blood out of compassion and mercy! Behold how He breaks the chains. He sets captives free! Look and believe in His kindness, in His judgement! He dismantles enemy troops and acts with power! Behold His right hand, His victory, His action in your life! Let everything be scattered in the camp of the enemy! Let nothing remain standing!

Say:

- We proclaim that the Lord restores His people and that no enemy must resist! Enemies, give back the things you have stolen and go to your place!
- We command, begone! Let all unclean, wicked spirits be smashed! Judged! Begone! The Lord restores His people, His children! You have nothing to do! You hand over all objects, all stolen things! The children recover their inheritance, their blessings! The people of the One who reigns, who sits on high, blesses His children! He grants them His grace, heals them from their diseases, restores them to their possessions! He delivers, sets free, redeems, breaks the chains! Let all adversaries be struck! Let every spirit that tries to resist God's goodness to His children be struck! Struck!
- Children of the Most High, rejoice, your Father commands life for you, restoration, peace, glory, praise, He lifts up your face! (Let us pray in tongues.)
- Brother, sister, the Lord, your Father, lifts up your face! Let your enemies be crushed! Let them be under your feet! Death and hades under your feet! Sickness under your feet!
- 
- Poverty under your feet! Depression under your feet! Madness under your feet!
- You wicked spirit who took advantage of God's anger to steal, begone!

(Continue praying.)

There is what demons do, and there is what sorcerers do. That sorcerer could be your neighbour or a relative. We will snatch everything that has been stolen by sorcerers, even if it happened centuries ago, and it is hidden under the rocks. We will speak and the rocks will obey us, and everything that has been hidden will be vomited. If you have an infirmity that is the work of sorcerers, it will be banished within the next minutes. Jesus is Lord. He said: *“I will build my Church and the gates of Hades shall not prevail against it”*.

### **Raise your right hand and say:**

- In the name of Jesus, in one accord, in whatever place or continent, we snatch everything that has been stolen from us by sorcerers, by their army, whatever they have used, we banish them! We crush them! We nullify them! And we take back everything that belongs to us! In the name of Jesus, let them be stripped! Let everything stolen be recovered: health, money, equipment, marriage, work, everything good that has been stolen! We leave desolation in the camp of Satan and the sorcerers! We overthrow them all and strike them with blindness! (Keep praying.)
- O Father, You who know all and see all, let nothing remain hidden!

### **Prophetic proclamations after the warfare prayers.**

It's time and I'm continuing my walk. The Lord is working; the Holy Spirit is working! This is the moment when a python that wanted to hide is exposed. It is a divine action. This is the moment when, even if you had been swallowed, you are vomited up! The Lord torments your enemies. Some will come to throw away the things they have stolen, you will see them! Sorcerers can come and hand over a woman's womb. They hand it over and flee. If your money was stolen through witchcraft, if they have bound your fiancé, they will come and loose him quickly, quickly! The fire of the Holy Spirit is lit in their camp. They try to get into their car, but it does not work. They try to get in their plane, but it does not work either. This is the time of the glory of God! It is the time when the Lord gives authority to his children! It is the time to break every chain, to break every bond, to come out of every prison! This is the time when the Lord can decree for you the time of childbirth. No one can contradict him! This is the time when the Lord will take away those who stand in your way, lift them up and place them far from you. This is God's time.

- Father, this is your time, the season of triumph, the season of victory! The triumph of victory! The time of victory is the time of grace! It is the time when even spirit husbands and spirit wives get ready to get out! God's time, the time of compassion; the time of mercy!
- We are not alone, there is an invisible army with us! Let nothing remain hidden! There are people working in our villages while we are here. They are destroying the heights. They are blotting out the names of the idols! Even if your snake flees to the desert, it will not get there. It will be struck before it gets to the place where it wants to hide!

**I felt in my spirit that a big python was running away and that the angels caught up with it.**

- Begone! You are overcome! You are overcome!
- In the name of Jesus, I declare that I am a child of God! Jesus is my Lord and I am a member of the Body of Christ. (This prayer will take you away from all the so-called witchcraft from your village.) I am a member of the Body of Christ. I consciously refuse to be a witch/wizard. If I have been in the past, even if only passively, I proclaim that I will never be again. I say yes to Jesus! I say yes to Jesus! In the name of Jesus!
- In the name of Jesus, I refuse everything that is in their kingdom, in their world of darkness! I refuse everything that sorcerers can offer someone. What is bad according to them, what is good according to them, I refuse it! I refuse their vision. I refuse their predictions. The Holy Spirit leads me and gives me revelations. God, I do not want divination. I do not want enchantment, nothing, nothing!
- It is said that sorcerers give posts. I refuse any post offered by sorcerers in the name of Jesus! I refuse to accept the workmates who were predestined for me and I refuse their inheritance! I proclaim that Jesus is my inheritance, because it is written that every excellent grace and every perfect gift comes down from above, from the Father of lights, with whom there is no change, no shadow of variation! Jesus is good and gentle!
- In the name of Jesus, I wash my whole being in the blood of Jesus! My spirit, my soul, my body in the blood of Jesus! I purify myself from all defilement, from all contact with the bodies of sorcerers! I break all the ties that bind me to them because I was born in this village! I break all ties with the group of witches in this village! I break, I break the ties established because some of my cousins are in witchcraft! I break the ties because one of those people mentioned my name there! And I remove my name from their tongues! I blot out my name from their record books! I separate myself from everything that binds me to them! I am a child of God! Jesus said, "Let your 'yes' be yes and your 'no' be no". My yes to Jesus is yes, yes! My no is no! My no to Satan is no, no!

We protect everything that has been built. It will never be destroyed again and we condemn to eternal ruin what has been destroyed. It will never be rebuilt! Amen.
