**GOD ANSWERS THE ONE
WHO KNOWS HOW TO
SPEAK TO HIM DURING
HIS PRAYER**

Boniface MENYE

Stand up:

If you have any need, if you have any problem, a very serious problem and you know very well that a man cannot help you, speak to the Lord. Brethren, there are things that men can give us and that can help us to a certain extent. Jesus said: *“Peace, I leave with you; my peace I give you”*, but he highlighted *“I do not give to you as the world gives.”* God has the ability to satisfy you and he wants to satisfy you. He said: *“call upon me in the day of trouble; I will deliver you, and you will honor me.”* What is a trouble for you may be scorned by your brother on your left or your right. Someone may laugh at you and say: *“Is that what he calls a problem?”* For you, it is the problem. This is what you have to tell God. Do not invent anything. Don't say: *“O God, give me three planes”*. If you say that, you will feel your heart rejecting that prayer topic before it reaches God. Even if you have a sore and the doctor told you mercilessly, that they will amputate your leg, tell God: *“This leg that people see, don't you see it? You created the heavens”*. If you importune your Father, he will act. A sister who is single can speak to God this evening such that He decides to give her a husband. Ask God for the ability to speak to Him in such a way that He is compelled to intervene.

There is a way of speaking to God that is the result of the fullness of the Holy Spirit. The children of Israel sinned, they made the golden calf and God decided to exterminate all of them. He said to Moses: *“Then I will make you into a great nation.”* Moses asked God to forgive them, but He did not accept. Moses prayed but God said no. Moses went on saying: *Why should the Egyptians say, ‘It was with evil intent that he brought them out, to kill them in the mountains and to wipe them off the face of the earth?’* Finally, God said to him: *“I forgive”*. In other words, Moses moved God's heart. David asked God for deliverance, and then he said to God: *“Is it the dead who praise you?”* He wanted to tell God: *“I pray, and you are not answering me. Should I die to go and worship you in Hades?”* When that happens, God intervenes. When David says he cried out to the Lord and his cry reached God, ask yourself this question: *“What was he saying to God? God, I cry out, but you are not delivering me. “Is it the dead who praise you? Let me live and continue to worship you”*. You say to God: *“The spirit husbands have wasted all my life and I called on you and you cast them out and when going, they said that they were the ones preventing me from getting married. Now Lord, you are not a spirit husband, you are my creator, my redeemer. What do you decide? What are you waiting for to grant me the joy of being called Mrs?”* If you pray this way, God will give you a husband. That is what we call importuning God, in other words, you speak in such a way that it is as if you were challenging him, but without pride, without murmur. There are people who murmur, saying: *“Lord, what have I done to you?”* When you do that, God turns away from you. **The Bible** says that Martha came to Jesus and said: *“If you had been here, our brother would not have died”*. His sister Mary came and fell on her knees before him. That changed the situation. However, she said the same thing as her sister Martha. Jesus replied, *“Where have you laid him?”* He was told: *“Come and see, Lord”*. Jesus wept. You can make Jesus weep. While we are praying, take off your scarf and say to the Lord: *“Can you see my grey hair? Then gently put it back on your head. Tell him: “O Lord, speed up”*. If it is an illness, Say: *“Lord, you have the organs, billions of organ storehouses, you can even look at someone's chest and his lungs will be healed”*. **What do I mean? Pray that the Holy Spirit will give you the words.** Prayer is not a small activity; do

not say I have already prayed for that. The word says that we do not know what we ought to pray for. the Spirit himself intercedes for us with groans that words cannot express. He will help you; he will give you the words; he will look for words that moves the heart of God.

Moses moved the heart of God. He showed God that it is in his interest to protect his glory in the nations. It is as if he wanted to tell God: “These people don’t know you, but I know that you are mighty. These people who don’t know you will think that you don’t have the power to save your people”. That moved God. Present your situation to God.

Say:

- Father, I want to talk to you and I have already talked to you. I want to talk to you again; listen to my petitions, listen to my distress, listen to my anguish! Look and see my fears before this disease, before this man who persecutes me, before this boss who says he will sack me, before this oppression, before this spirit that visits me every night. I pray, even though I am in a fast, he wants to come. Deliver me from my fears! My enemy is stronger than I am. Pray in tongues (Involve God into your battles, invite God into your battles, cry out to God).
- O God, visit me! Lord, intervene by Your compassions and by Your mercy!
- O Father, your word says that your love endures forever! Intervene now and deliver me! Save me from distress! Deliver me from reproach, shame, ignominy and the mockery of men! Lift up my face! (continue praying).
- O Holy Spirit, help me! Put your words in my mouth to speak to my Father! (Obey the guidance of the Holy Spirit.)
- O Father, act for the sake of your glory, display your strength, your wisdom, your understanding and arise! O Father, act! (continue to pray).
- O Father, answer us! Answer us! (continue praying).

When the Holy Spirit performs healings, you realise that the pain you had is gone. If you don’t believe that you have already received everything, the thing will not come into existence!

Lay your hands on your head and say:

- Jesus heals from all diseases! Jesus destroyed you on the cross! You must no longer live in my body!
- Lord Jesus, you don’t just heal me, you are my healing! Lord Jesus, You don’t only deliver me, You are my deliverance! You are my healing and my deliverance!
- Sickness, begone! Whatever your name is, we break your reign! We cast out the demons that are behind you in charge of troubling lives!

Sickness, you are judged! Begone! In the name of Jesus, we cast you out! We condemn you! We cast out all demons that accompany you to trouble people’s lives!

Where you are sitting, if you believe, the hernia will disappear, the cancer will disappear, piles will disappear!

Let us stand up, before we disperse, cast out Satan!

- Satan, out! (Keep praying)
- Water spirits, out! Spirit of the dead, out! Water spirits, out! Wicked spirit, out! Jesus has overcome you! Spirit of sickness, out! Spirit of insanity, out! Demon of depression, you, death and Hades, out! Spirit husband, we strike you!
- Especially you who resist, even if you have gone into hiding, we pursue you with the sword of the Lord, we strike you! Even if you go into the belly of a monster, even if you go under the rocks, under the mountains, into the seas, we strike you! Jesus is Lord!

Say:

- We intervene in every life. We come to the rescue of every brother who has encountered adversity beyond his strength. In one accord, you, spirit of the dead, who wants to harden your heart, who wants to resist, we condemn you! We strike you down! We destroy your resistance! We break every object, every pact, every covenant! Everything you stand on, we strike you! Get out and begone!
- In the name of Jesus, if you are a demon who was cast out but has returned, even if you have returned with others, you are judged! You are struck! And we cast you out, begone in the name of Jesus Christ!

Stay calm. Let the Holy Spirit work. You can be bewitched yet will receive your deliverance! A sister had a dream. She said she was in a coffin under water. Only God could deliver her. And God delivered her. That is the work of the Holy Spirit while you are still before Him.

Many people have realised that while they thought they did not have a spirit husband they were there, hiding. Last week they came out. For the first time, some women realised they had a spirit husband.

Say:

- We tear the black veil that hides your true identity! We expose what hides your face, and we strike those who come with the faces of the husbands of the victims! We expose you! You will no longer be able to hide! We tear apart what you have hidden! We will judge you and strike you! Go away and never come back! We tear the veil! We expose you and strike you! We cast you out!
- Satan, out! Spirit Husband, out! Water spirits, out! Spirit of the dead, out! Water spirits, out! Wicked spirit, out! Jesus has overcome you! Spirit of sickness, out! Spirit of madness, out! Demon of depression, you, death and Hades, begone! Spirit Husband, we strike you! Especially you who resist, even if you have gone into hiding, we pursue you with the sword of the Lord and strike you! Even if you go into the belly of a monster, even if you go under the rocks,

under the mountains, into the seas, we strike you!

Jesus is Lord!

Say:

- We intervene in every life. We come to the rescue of any brother who has encountered adversity beyond his strength. In one accord, you, spirit of death, who want to harden your heart, who want to resist, we judge you! We strike you down! We destroy your resistance! We break every object, every pact, every covenant on which you stand! We strike you! Get out and begone! We set the captives free!
- In the name of Jesus, if you are a demon that was already cast out but has come back, even if you have come back with others, you are judged! You are struck! And we scatter you! Begone, in the name of Jesus Christ! Keep calm.
- In the name of Jesus, we deliver anyone whose spirit husband is the spirit of a dead, you are delivered! Even if it is your dead husband, you are delivered! He must never touch you again!
- In the name of Jesus, we deliver anyone who has had contacts with a mermaid, whether consciously or unconsciously, through found objects such as coins and wedding rings, or even banknotes, anything that has served as a contact point, we separate you from those objects! And we command all that which has followed you to leave!
- In the name of Jesus, we insist. Any spirit that has followed someone, a woman or a man, because he or she picked up a ring they wore, or some money they picked up, and since that day the spirit has followed him or her, you are delivered! We break these covenants and judge this plot!
- In the name of Jesus, if you are a snake playing the role of spirit husband, you are struck! In the name of Jesus, begone! Come out! We snatch your victims and command you to leave!
- In the name of Jesus, even if you have many heads, we cut them to pieces! We cut off every head! Begone! We deliver your victims! We tear them off you and we proclaim the reign of Jesus! (Let's keep calm).
- In the name of Jesus Christ, if you are a deaf and dumb spirit, you will not be deaf before the name of Jesus, in the name of Jesus, go away!
- In the name of Jesus, if a wicked spirit has stolen an object, even if it is a living, wicked human being who has taken certificates; if you have taken the objects and hidden them, in the name of Jesus, we destroy the hiding place and we destroy any place where you have hidden them! If it is under the mountains, we roll out the mountains and uncover their roots and recover everything you have stolen! Whether it is by the dead or the living, any object: money, cars, clothes, certificates, pens, anything that has been stolen, children, anything that has been stolen, we collect everything and keep it in our possession.
- We break the shacks! We break the towers and free all the captives! We break the prisons! We break the shacks! We break the grave! We break the coffins! And we order the captives to come out! In the name of Jesus, let every soul that has been bewitched be set free! If it was through his photo, we snatch that photo! Even if it was through clothes, we snatch them! Everything that was used: shoes, clothes, scarves, underwear, we snatch them!

Raise your right hand and say:

- In the name of Jesus of Nazareth, we deliver anyone who is jobless as a result of bewitchment. If there is a brother somewhere, whose file has been stolen and hidden, and he is suffering because his file was not processed because of bewitchment and wickedness, we deliver that brother and we place his file on the tables of true people who will process them. (Let us pray in tongues.)

Raise your right hand and say:

- In the name of Jesus, we judge all spirits causing accidents! All kinds of accidents, (these are spirits that cause you to forget the pots on the stove for hours. They make other people hit you or your car from behind) we judge you and we cancel all planned accidents! We judge you and we break the yoke of accidents!
- Lord, send your disciples into our families! Send your prophets! Send your pastors and your teachers! Send your evangelists! Send them in great numbers! Send them with power and accompany them with wonders and miracles to lead them out of witchcraft and multiple bewitchments in the name of Jesus Christ!
- O Father, act with power in the name of Jesus Christ!
- You are blessed! May the Lord be with you! May your heart be firm, no anguish, no doubt!
