**CRY OUT TO GOD
FOR YOUR DELIVERANCE
FROM SLAVERY**

Boniface MENYE

Comments on testimonies related to the activity of spirit husbands and spirit wives.

Spirit husbands (night spirits) do not like real husbands. When you pray to fight against them, you must strike them. If you do not love your husband for some inexplicable reasons, it is the work of a spirit husband. He can make you despise your husband in order to drive him away and stay alone with you. He can cause you not to desire your husband. The same applies to spirit wives. The notion of night refers to witchcraft in African anthropology. Witchcraft implies night. When you hear of the things of the night, it refers to witchcraft. So, if you have inexplicable spite towards your husband, if he pisses you off whenever he says a word, if you are irritated against him whenever he wears a certain dress, it is still a spirit husband that is behind it. It can be a human spirit, the spirit of a dead, a big ancient snake or other spirits that we do not yet know (because God has not deemed it necessary to reveal them to us). If you despise marriage to the point of considering someone who gets married an idiot, then, there is a spirit husband or spirit wife behind it. These are spirits that like to hide. They change their faces and shapes. This is referred to as demonic simulations. **They can come in the appearance of an animal. Spirit husbands or spirit wives can create perverse desires in you.** They can make it in a way that when you see a baby you behave like someone who has seen the most beautiful woman or man in the world. And all your desires flow towards that baby. **They can divert your emotions and you become a miserable masturbator.**

There is a brother who was initiated into witchcraft. He used to masturbate until his sex organ was covered with wounds. This is to enable you understand the wickedness of demons. Today, he is delivered, happy and married. Spirit husbands can create such feelings in you whereby when you meet a woman, you just want to have sex with her without marriage. If you are a woman who is possessed by a spirit husband, when you talk about “marriage”, people are disgusted. You may be surprised that no one wants to marry you despite your beauty. All men want to have sex with you without engaging into marriage. On the other hand, a woman who is extremely ugly can be desired by thousands of people in an inexplicable way.

I think it was in 1997 or 1999, brethren from Koumassi came to me because they had a case of breaking of evil ties that was beyond them. I said to them: “*Go ahead. Do it without me. You are mature*”. And they left. They came back to tell me that it was serious. So, I asked that the girl be brought to me. While we were talking, she said: “*I’m a lesbian. I have never been with a boy. I only sleep with women. One day, I nearly beat my cousin because I saw her talking to a boy. That day, I was miserable. I was wondering if I beat her and people ask me why, what will I say?*” So she started seeking deliverance by going to churches. She got in a church and saw some ushers. She explained her problem to one of them. As soon as she finished, the woman asked her to come to her house. When she got there, the usher asked the young girl to have sex with her. She accepted, but her heart was no longer in it. While she was talking to me, the Holy Spirit told me that there was a human spirit living in her that sleeps with women. So I told her: “*There is a human spirit in you that sleeps with women*”. Then she said: “it is true”. When she realised that God was supporting us, she opened up. She told me that one day while she was sitting, she saw a spirit coming out of the ground. All its chest and head came out of the ground. She want-

ed to scream but no words could come out of her mouth. She was paralyzed. Then the spirit disappeared. Then she came back to her senses. She was telling me who she was because she wanted deliverance. She knew that the Lord had given me discernment. This gave her the freedom to speak. She told me that one day, she was asleep around 1 a.m. and she was on the bed with her cousin. Her uncle, who was dead and buried, came into the room without opening the door. She was not sleeping. It was not a dream either. She tried to wake her cousin up, but she was soundly asleep. Her uncle said to her: *“Fear not, I have not come to harm you. I came to get my bag. Your cousin will not wake up”*. She told me that when she informed her grandmother about that, she was sent to the fetishists. Each visit to them made her more powerful and strengthened her witchcraft. **What do I mean?**

There are some desires that are controlled by human spirits or demonic spirits living in human beings. We scheduled the breaking of her evil ties. On the second day of the fast, brethren came to call me. She had a vision in her sleep. She saw some old men in a meeting. One of them told her: *“The thing that is in you was in this one (he was referring to some people without mentioning the name), then after in this one, then in your father, and now in you. We don’t understand why you want to take it away at all costs”*. And she woke up. I told them: *“It is done, take her back, we will not wait until tomorrow for her deliverance but we are doing it today (that is, on the second day of the fast)”*. We carried out her breaking of evil ties and she said she saw a shack crumbling. She was genuinely delivered from lesbianism; her thoughts became pure. Let no one deceive you! Demons exist, human spirits exist, spirits of the dead exist and it is the Lord who reveals those things by grace. It is not that we have worked hard. **The Bible** says: *“It does not, therefore, depend on human desire or effort.”* But it depends on God’s mercy. My spiritual son, Emmanuel Kouaho, once started a ten-day fast. I asked him the goal of the fast. He said, *“I want spiritual power”*. I told him to change the goal. I told him to pray for his consecration to God. When he began the consecration fast, he was delivered from the demons of divination. He was delivered powerfully while on a fast for consecration that is not necessarily related to power. Jesus Christ is powerful! He can grant you, His grace. So, our sister (who testified about anger this evening) is delivered from a spirit husband who inspired hatred against her husband. When it is like that, you even feel like killing him. You can confess thoughts of murder against your husband but know that there is someone in you who is pushing you to have such attitude. He knows you are his wife or husband.

There are people who come to intercede, sometimes they even doubt; you cannot get anything. We tell you that there are spirit husbands, let no one deceive you! There is a certain poverty that is caused by water spirits. When spirit husbands, water spirits and snakes claim things in your life, you are left with nothing but poverty. In visions, they are always loaded with goods. Human spirits go as far as stealing certificates. People have your certificates and you are jobless. A demon takes your certificates. In a vision, you can see the waters coming to push you away and taking everything from you and afterward, your life becomes difficult. And do not be surprised. Jesus said that the thief only comes to steal. God said that he would make the stomach of the wicked vomit the riches he swallowed. If you are a coward in an unusual way, there is a demon behind it. You are not bold enough to stand up for anything for Jesus. You are afraid of everyone, including babies.

There is a spirit behind it.

The Holy Spirit is a Spirit of discernment. You can see a piece of wood in your vision and the Holy Spirit can tell you that it is a snake whereas you see wood. Two seconds later, it becomes a snake. And the Spirit will guide you on how to go about it, even in prayers. The Word of God says: *We do not know what we ought to pray for; but the Spirit himself*

intercedes for us with groans that words cannot express. If you pay close attention, you can discern what he is saying to God. You interpret and keep it for yourself. Someone said: God gives the words to pray as he gives the words to preach. And many people believe in preaching. When someone preaches, he says: “God has inspired me”. It must be extended to the area of prayer. Prayer is not just an intellectual thing made up of sentences. This sister is showing us that many people need to knock out spirit husbands and spirit wives.

Today is the day of those who believed that they had no problem meanwhile the spirit husband or the spirit wife were hidden in their lives. But now they are exposed.

Say:

- Lord, expose the wicked! Let him be deprived of every place of rest and let the wicked have no peace! Let him be tormented everywhere! Let your children breathe peace and joy, for you have come to set the captives free! Amen!

Genesis 15:13-14, *Then the Lord said to him, “Know for certain that your descendants will be strangers in a country not their own, and they will be enslaved and mistreated four hundred years. But I will punish the nation they serve as slaves, and afterward they will come out with great possessions”.*

God spoke to Abraham in this passage. He revealed to him what would happen to his descendants. He told him that his descendants would be enslaved. They will be strangers and they will be mistreated for four hundred and thirty years. They will be ruled over and miserable. But he said to Abraham: “I will step in and deliver them. I myself will deliver them. I will judge all their oppressors. They will come out with great possessions”. It is a great prophecy!

Salvation includes redemption. Redemption involves what is called restoration. Salvation gives you the eternal life of God with all the riches in heavenly places in Jesus. And it results in great deliverance or redemption. God pays whatever it takes for you to become a normal human being through the sacrifice of his Son on the cross. Saving a human being, and even forgiving sin, is great divine wisdom. When you say “Idiot” to someone and you are forgiven, it is a great science of God. It takes blood to blot it out. Animal blood is not pure. When God so wanted, when he decided to act, it was the Blood of his Son that had to be shed. The blood was shed. It is the atoning blood that makes God look at you favourably. It is the blood of justification, the blood that makes you to be regarded as a sinless person. It is

the blood of adoption that makes you to be regarded as a child of God. Salvation is a chain of operations: so that you are forgiven, washed, justified, purified and clean. And judgement against the devil is add onto it. God enters the camp of the enemy. He grabs you and takes you out. But there is one thing you must do.

Exodus 3:7-9, *The Lord said, "I have indeed seen the misery of my people in Egypt. I have heard them crying out because of their slave drivers, and I am concerned about their suffering. So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land into a good and spacious land, a land flowing with milk and honey—the home of the Canaanites, Hittites, Amorites, Perizzites, Hivites and Jebusites. And now the cry of the Israelites has reached me, and I have seen the way the Egyptians are oppressing them"*.

God expects this situation to make you cry out to Him. God expects you to condemn this situation, to show that you do not want such life. A slave bound by sin is unable to love God and serve Him. Fatherless children, when someone deceives you, you decide not to have any business with men again. Afterward, you give yourself up to the point of kneeling down to them. It will continue until you are sold out. One sister told us that she met a man who put her in a hotel room that cost twenty thousand francs a day. He did not touch her but took care of her and paid for the room. One day, she wondered what she was doing there and she fled from the hotel. After that incident, she would see people coming and beating her up with Muslim chaplet in her dream every day. In her search for solutions, she fell into our hands. We preached repentance to her. She gave her life to Jesus. Demons manifested and they were all cast out. She gave up prostitution. One day, you will be sold out. Money is spent on you so that your prostitution becomes lawful. You sell your flesh and eat it. It will cost you dearly. If you are wise, imitate the children of Israel! When the suffering became severe, they did not wait to die. They decided to cry out to God. And God sent Moses, saying: "Go and bring them out of Egypt!"

If you are tired, call upon Jesus this very evening and God will take a decision to start a warfare for your deliverance. And you will see what happens in your life. If your little cry breaks through the clouds tonight, you will bless the Lord all the days of your life. God expects this because there are people who love their situations. If you love it, God will leave you.

Hosea 4:9, *And it will be: Like people, like priests. I will punish both of them for their ways and repay them for their deeds.*

When God decides to deliver people He sends His heavenly hosts, very mighty angels. He gives them a command: "Do not deliver those who love their sins". If you are attached to your adulteries, God leaves you! There are people who are crying out to God, God will take care of them. An idolater is someone who loves something else more than God. He attributes his glory to sin, to the things of the world.

Jeremiah 2:17, *Have you not brought this on yourselves by forsaking the LORD your God when he led you in the way?*

This means that if you want to come to Christ, that is the end of idolatry. Out, with everything that does not glorify God: safety belts, bottles, amulets, chains, talismans, magic books, and so on. Come with a pure heart to serve God. This is called repentance and conversion. You repent and you get converted. It means that you forsake sin and decide to serve God.

John 20:21, *Again Jesus said, "Peace be with you! As the Father has sent me, I am sending you"*.

John 17:18, *As you sent me into the world, I have sent them into the world.*

As the Father has sent me, I am sending you.

Say:

- Thank you, Lord!

What has the Father sent him to do?

Isaiah 61.1-3, *The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to preach good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the LORD's favor and the day of vengeance of our God, to comfort all who mourn, and provide for those who grieve in Zion—to bestow on them a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the LORD for the display of his splendor.*

This is the complete Gospel.

1 John 3:8, *He who does what is sinful is of the devil, because the devil has been sinning from the beginning. The reason the Son of God appeared was to destroy the devil's work.*

Jesus is wonderful! Jesus came to destroy the devil's works. Jesus is sending you to destroy the devil's works. Whether in your life or in the lives of others, they must be destroyed.

The exhortations that come from God are very powerful even if the enemy does not understand. Destroy the devil's works! Don't get involved in pointless battles. Jesus is with you!

If you have just come, write down ten things that you want God to give you and present them to God in prayer. We will be praying a lot, just as we did yesterday. The prayers we send up to heaven are determinant. It is with these prayers that God takes decisions. When the bowls are full, God collects them and pours them out onto the earth to scatter the enemies. Prayer must fill the cup until you are told: "Stop!" When said several times "keep silent, keep silent", it means, it is well prayer

has gone up. The world is not simple, God's children are called to carry out God's purposes! We are the ones who carry on Jesus' work on earth!

John 20:21, *Again Jesus said, "Peace be with you! As the Father has sent me, I am sending you".*

Jesus said: "When you pray, say Our Father in heaven". When we say: "The Almighty, Jehovah Jireh", that is your Father.

Say:

- Father, answer my cries this evening!
- O Father, answer us! (Let us pray in tongues.)
- O Father, scatter the forces of evil! Let your judgments strike hades! Let your judgments strike the mountain tops!
- Let your judgments strike the roots of the mountains! And let all those who are hiding there be struck and scattered!
- Let your judgments strike the trees! And let all those who are hiding there be struck and scattered!
- Let your judgments strike the roots, the waters, places beneath the waters! And let all those who are hiding there be struck and scattered!
- Let your judgments strike the dry places! And let all those who are hiding there be struck and scattered!
- O Father, strike the abyss, the sacred forests, family compounds, the spiritual prisons! Break bars of iron, gates of bronze! Dislocate, demolish strongholds! In name of Jesus, let the earth open up and swallow up these rebellious spirits! Let your people be delivered from bondage, diseases, infirmities and poverty! (pray in tongues).
- In the name of Jesus, we direct our judgment against all that is called the work of the enemy, the work of the devil, we strike them! We destroy them! We uproot all that must be uprooted! We overthrow what must be overthrown! We break what must be broken! We ruin, we break everything that is called the devil's work! Any human work, of a soothsayer, a sorcerer, a cunning and wicked man, we break it all! We uproot everything that God has not planted! We burn everything! (Let us pray in tongues.)
- In the name of Jesus, we break everything called bewitchment! We break all objects of bewitchment! We break and cut to pieces all bonds of bewitchment! We scatter all demons at the service of bewitchment! We scatter anyone who has cast a spell, and we cast out the demon sent to carry out that spell.
- In the name of Jesus, let everything I have been made to eat be expelled from my belly! Let the consequences on my physical body be banished! I vomit everything!
- In the name of Jesus, I recover everything that was stolen from me! I cast out the thief!

Stay connected to the Holy Spirit, He is the one who fights in the invisible, he is the one who goes to the depth of the seas, even if the snake has wrapped you, he is the one who will remove it from there.

- Wicked spirit, begone!
- Whatever is called spirit husband or spirit wife, whatever your horns and your shape as spirit husband or spirit wife, you are broken! Get out and begone!
- In the name of Jesus Christ, let anyone who has been bewitched by a witch doctor who has slept with her and bewitched her, be free! We break this yoke!
- In the name of Jesus, Satan's army responsible for causing believers to backslide, the army sent to cause spiritual regression, we strike you and scatter you! We release spiritual growth!
- In the name of Jesus Christ, we judge all the army of Satan sent to cause divisions, begone!
- If a woman or man is disgusted with marriage because of a spirit husband or a spirit wife, and God has shown her true husband, and that spirit husband has put hatred in her heart and the sister says: "I don't love you", begone!
- We break and condemn all spirit husbands that is the perpetrator of turning down a marriage proposal! We declare that you are free and let the will of God be done! We remove the mud that the spirit husband has thrown on that male or female candidate!

We condemn the spirit husband or spirit wife who cause divorces. It says to itself: you are married, that is fine, but we are on our way!

- Evil spirit husband or spirit wife, perpetrator of divorce, you are judged, struck! Judged! Struck! Begone!
