BONIFACE MENYÉ

We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.

God bless you abundantly!

Leviticus 20: 26-27: *“You are to be holy to me because I, the Lord, am holy, and I have set you apart from the nations to be my own. A man or woman who is a medium or spiritist among you must be put to death. You are to stone them; their blood will be on their own heads”.*

Leviticus 19 : 26 : *“Do not eat any meat with the blood still in it. Do not practice divination or seek omen”.*

Acts 16 :16 : *“ Once when we were going to the place of prayer, we were met by a female slave who had a spirit by which she predicted the future. She earned a great deal of money for her owners by fortune-telling”.*

Take snake worship seriously. All those who have snakes as their totem, who have worshipped snakes, whose parents have worshipped snake, have snake spirits as their principality. The snake spirit enables one to prophesy, to practice divination, to predict the future. They are powerful spirits of divination. There are even pure pagans who have created churches because they use the snake spirit. The snake spirit can see and can give visions. When you worship them, they dwell in you. Python Spirits are among the spirits that know how to incarnate man to work. **In the Acts of the Apostles**, a python spirit lived in a young girl and her bosses used her to get money and become rich. She was at their service. The python spirit can say, “You come from such village,” and you answer yes, and everyone will believe that it is God himself who has spoken. In the Old Testament, before Jesus came into the world, God commanded that all those who had the python spirit or the spirit of a dead person living in them should be killed. *Let no one deceive you* a dead family member who was a sorcerer can decide to live in you. When you walk, he is inside you, and you will realize that things are not easy for you. You will have dreams about the graveyard, nothing revelatory about the kingdom of God. If the spirit of divination tries to work while we are in prayer, it will be cast out. That is why when the spirit of death tries to work *during a funeral ceremony* people fall into trance and it confuses everyone. If you get a choir to sing all night, the spirit of the dead will not show up. But if you cry loudly, the spirit of the dead will manifest and some people will hear the voice of their ancestors through them.

When we pray, since you don't know what your parents have brought into your life, take the prayer seriously. There may not be a spirit in you, but it may follow you, and it spoils everything you do. **In such a case**, It is said that there is a spirit in your life. Man's life is like a room: you must be alone in it. In God's plan you must be alone in your room. In God's plan, no one should have access into your spirit. But the devil said to man: “Eat the fruit, you will be like God, you will know good and evil”. The devil teaches his children how to get you so that demons can come to live in you. Jesus came to destroy all that. We see that salvation is not a small matter. If you are told to save yourself, you will not even know where to start; but Jesus came to destroy the works of the devil. The works of the devil are all these funeral customs and practices. It is often *during* funerals that people are bewitched. The bewitchment works because you disobey the word of God. If you are to go to a funeral, ask yourself “O God, should I go?” In some cases, He may tell you: *“Let the dead bury their own dead. As far as you are concerned, go and proclaim the kingdom of God”*. In other cases, He may say: *“Go with money to help them”*. When you are carnal, you go everywhere; every weekend you are gone, you are no longer protected there.

It is said in Ecclesiastes that whoever breaks through a wall may be bitten by a snake. The spirits of the dead exist. Some have left, but there are some that resist because of your heart attitude. The Bible says: we are ready to punish all disobedience when your obedience is complete. What

is missing in your conversion? This is what makes bewitchment possible. God does not want His children to have deceptive expectations. He says: *“You steal, you lie and commit adultery”*. He says, *“Who is deceiving you?”*

In 1 Corinthians 6:10: *“Neither the idolaters nor homosexuals nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God”*. Jesus is true, transparent; He said that when a demon is cast out, the demon flees and goes to a dry place to rest. When he has gone around and finds no place to rest, he says: I will return to the house I left; When it arrives, it finds the house unoccupied, swept, clean and put in order; it does not touch you. Then it goes and brings along with it seven other spirits more wicked than itself, and it tells them: I was in my house, I was chased out, I just checked, the house is still empty, come and help me! He was alone, he goes to get seven other demons, that makes eight. They enter the house; the Lord says that the last condition of this person will be worse than the first one. That’s why if we want to be serious, we start with the overthrow of idols and the spirit of God fills us. When we cast out demons that want to come back, the Spirit of Jesus is there and they flee. The prophet Isaiah says: ***“When the enemy comes like a rushing stream the spirit of the Lord drives along. (Isaiah 59:19)”***.

Let no one deceive you: some say that there are no more demons, that Satan does not exist. The devil does exist. The Lord says: *“The devil is prowling around, looking for whom he will devour”*. Your Father who created you and saved you says that the devil is there and is prowling; do not listen to anyone else. Jesus said that the devil is prowling around, but as long as you are attached to Jesus, he cannot do anything to you. When he comes and finds the Spirit of God in you, he runs away. God’s hand is *upon* you. The devil is there, but he is defeated. Jesus came first to bring light to the nations and He came to offer the atoning sacrifice so that sinners could be forgiven and qualified for heaven. His first coming was not to come and take away all the sicknesses of the earth and all the poverty. There will be a time coming when there will be no sickness in heaven or on earth; this is called eternal life, in eternity; in the presence of God, every day: no war, no sickness. There is an inheritance for this century, it is the authority that Jesus gave. Jesus knew that while we are working to get there, He left the Word, and we will never be ignorant again.

- Say thank you to Jesus because you are in the light, that no one can deceive you anymore.

Raise your right hand and say:

- Let pythons’ divinity be banished, in the name of Jesus!
- Anything that is known as snake even if it is not the python, you are banished in our families!
- We destroy your works and release your captives! You will no longer be worshipped!

1 Samuel 15.1-3: *“Samuel said to Saul: I am the one the Lord sent to anoint you king over his people Israel; so listen now to the message from the Lord. This is what the Lord Almighty says: I will punish the Amalekites for what they did to Israel when they waylaid them as they came up from Egypt. Now go, attack the Amalekites and totally destroy all that belongs to them. Do not spare them; put to death men and women, children and infants, cattle and sheep, camels and donkeys”*.

The Word of God says that when God delivered the children of Israel from slavery in Egypt, and told them to go and settle in Canaan, He showed them the way they should go. There were enemies who blocked their way, to keep them from passing by. Among these enemies was Amalek. Sometimes, it is not easy to respond to God’s call. Don’t take your Christian life for granted. You have been going to church for years but you still steal. When you decide to stop stealing, you go back to steal again and you are not making any progress. What you are unaware of is that there are invisible people, demons, the devil, who are blocking your way.

You want to serve God, but you masturbate, you disqualify yourself; demons have blocked your way. Amalek stands on your way. Others are married but their sexual relationships are demonic,

as if the devil was their advisor. All these sins, fellatio, sodomy, are demonic. You leave the natural use of women to have sex with men. And you want to make progress, you can't make progress, Amalek has blocked your way.

God says: "*Remember Amalek*" who has blocked your way; when you came out of Egypt, and God says: "*Go, destroy Amalek and all that belongs to him. Do not take anything*". God could tell the people of Israel to take the plunder, but for Amalek, He commanded them to take nothing; for Amalek, God advises that they should totally destroy everything. To block the way of a child of God is a great sin, and the demon who did it must depart from you, the flaming sword of the Lord rises against it.

Numbers 21:21-26: "*Israel sent messengers to say to Sihon king of the Amorites: Let us pass through your country. We will not turn aside into any field or vineyard, or drink water from any well. We will travel along the King's Highway until we have passed through your territory. But Sihon would not let Israel pass through his territory. He mustered his entire army and marched out into the wilderness against Israel. When he reached Jahaz, he fought with Israel. Israel, however, put him to the sword and took over his land from the Arnon to the Jabbok, but only as far as the Ammonites, because their border was fortified. Israel captured all the cities of the Amorites and occupied them, including Heshbon and all its surrounding settlements. Heshbon was the city of Sihon king of the Amorites, who had fought against the former king of Moab and had taken from him all his land as far as the Arnon*".

Sihon, king of the Amorites, refused to let the children of Israel pass through, but the children of Israel did not fold their hands either. The Lord wanted to show that the Christian walk is a spiritual battle. If you forget that, you will be surprised *by* the number of obstacles. There are no obstacles to go to a nightclub, but there are many obstacles to go to a prayer meeting.

Some used to go to the witchdoctor and were told that they would be washed at midnight. They obeyed without arguing; but now, someone is told: "You will be baptised after you have given your life to Jesus", it becomes a debate that lasts even a year. Get out of there and enter into the truth, into the plan of salvation! Meanwhile baptism is a commitment of a good conscience towards God and which saves us. God has planned that when the believer believes in Jesus, he will repent and be baptised. When he comes out of the waters of baptism he comes out with the resurrection power to live in holiness in the world. If you are not baptized and you have given your life to Jesus, settle this right away.

Romans 6: 1-4 "*What shall we say, then? Shall we go on sinning so that grace may increase? By no means! We are those who have died to sin; how can we live in it any longer? Or don't you know that all of us who were baptized into Christ Jesus were baptized into his death? We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life*".

In God's plan, a man who has accepted Jesus is dead to sin. Who has ever seen a corpse asking for beer on the day of the funeral? No one has! To God, you are dead to adultery so that if you are still seen committing adultery, you are not dead. In God's plan, to give his/her life to Jesus is to die to sin. God knows that all his children have already been baptised. In God's view, you died with Jesus and were buried with him. For God, no believer should be found unbaptised. You come out of the baptism waters with the power to live a new life.

When you have believed in Jesus, and you fall after every step you take, your death has not been a true death in Christ. True death in Christ is followed by resurrection. You come out of the baptism waters as a new person, because baptism means: "I have died with Jesus and I am buried with Jesus. When you are baptized, you are completely immersed in water and when you are brought

out, it represents resurrection, and you come out a renewed person, living the new life. This is why the Christian walk is accompanied by a great power from the Holy Spirit.

Take your 10 prayer topics. If you have just arrived, we are going to have a prayer time where each of us will present to the Lord 10 pressing needs of your life and together we will pray to God so that he may answer us. Your prayers will not be controlled by a human being. God is your Father! You must raise prayers that only God can answer!

stand up!

When you are alone, present your family to God, confess their sins, and ask God to forgive. When we come together, we intercede and fight. You saw when the Amorites had invaded the children of Israel, God told them to strike and they struck.

Numbers 21: 24-26 *“Israel, however, put him to the sword and took over his land from the Arnon to the Jabbok, but only as far as the Ammonites, because their border was fortified. Israel captured all the cities of the Amorites and occupied them, including Heshbon and all its surrounding settlements. Heshbon was the city of Sihon king of the Amorites, who had fought against the former king of Moab and had taken from him all his land as far as the Arnon”.*

When Jesus said, *“I have given you all the authority”*, He had said it all. When He said: *“When you pray, say **our Father in heaven**”*. He had said it all! Who knows the names of God? *cite* all the names of God: Adonai, El Schaddai, Elohim ... We don't use all these names. Just say: *“Our Father in heaven”*. When others say: Jehovah Jireh, you say: *“My Daddy”*. This touches God's heart because men have lied. They said: *“Your parents came from the waters, from the mountain. The crocodile saved your life. The python is your ancestor...”*. God seeks a people who know His name. That is what Jesus did that day. He came to teach about prayer. But the greatest teaching of this day is: *“When you pray say”*: God is not in the rock. He is not on the mountain. He is not in the water. He is not in the forest. He is sitting on the throne. He is your Father! All the enemies know it. All demons know it. Even when you doubt, you know that God is your Father. Even when you are in deep confusion, you hear: *“Father”*. When you receive the Holy Spirit, the first inner cry you hear is *“Abba Father”*. Even if you are not yet answered, you are already answered because his name brings peace. *“Blessed are the peacemakers, for they will be called sons of God!”*

Taking your needs, speak to Him like a simple little child, He will answer you. You don't have to pay anything! If you make a vow to Him, it is because you want to worship Him, for vows are signs of a heart that wants to worship God. God is real. He has feelings, relationships. He can call you his friend, he can call you beloved, he can tell you that he is jealous because you are attached to idols, he can strike you, he can correct you, and he can talk to you!

These 10 prayer topics will be answered sooner or later. After crying out, it will only be a matter of planning, of God's timing. God had revealed to me that He has a kingdom, He has angels, and he has a secretariat. When you read **Revelation**, He says, *“Write!”* “God is real! If you go to heaven, you will find pens, books, a register; there is even a big book where God records the names of those who gave their lives to Jesus. At the end of the world, when that book will be opened, if your name is not in it, you will go into the fire because you have missed eternal life. There are people who will try to argue. Everyone has a little book in which all their sins are recorded and people will be judged according to what is written there. If you steal, it is written; if you commit incest, it is written. When you go and say, *“Lord, I was in church all the time”*. He will take out this little book to see. He will read what you did on that day, July 21, 2022. We'll tell some people that they refused to answer the Lord's call despite the pastor's insistence.

Say:

- Father, answer us! You can help us! You can deliver us! You can restore us! You can lift us up! You can clear the way! You can lift us out of the abyss! You can break down the prisons! You can break the chains! You are able! You are our Father! Father, hear us! (Pray

in tongues).

- Father, our hearts testify to this. You have always answered us! You have always loved us! You have always blessed us! You will do it! You can do it! You have blessed us! You have blessed us! And our cries are lifted up to you! Hear us! Healing to the one who needs healing! Deliverance to the one who needs deliverance! Restoration to the one who needs restoration! O Father, blessing to the one who needs blessing! O Father, answer us! (Pray in tongues).

You must speak in tongues. God has already given you the Holy Spirit; it is not the speaking in tongues that He will withhold from you. If your mind was not right and that prevented you from speaking in tongues, the Bible says: *“Open your mouth and let the Lord fill it”*. When we will start praying in tongues, may the Lord bless you to speak, so that you let the spirit lift up your *sighs*. Pray in tongues, not in French, not in English, but in the tongues of angels!

- And you, receive new tongues! Renewed speaking in tongues, new tongues!

Speak in tongues, lift up your spirit! Behold your Father, receive from him new tongues!

- Father, hear us! Fight for us in the heavenly places! Fight for us in the abyss! Fight for us in the hills! Fight for us in the mountains! Fight for us in the sacred forests! Fight for us in the big trees! In the trees that are worshipped! Fight for us in the barren places! Fight for us in the waters! Fight for us in the waters! Fight for us in the seas! Fight for us in the deserts! Fight for us in hades! Overthrow what must be overthrown! Demolish what must be demolished!

Scatter what must be scattered! Act for us! (Continue praying in tongues).

Say thank you to Jesus!

Keep calm! Look at the Lord Jesus, behold His greatness and goodness!

Even if you were put in the sea, even if you were sold, it is cancelled in Jesus' name! Everything that was done against you is cancelled! The Son of God, Jesus Christ came to destroy the works of the devil! He has destroyed them! You are delivered! Let your enemies bow their knees! Your enemies kneel, in the name of Jesus Christ! Jesus Christ came to destroy the works of the devil. If you have believed in Him, you are delivered! Let your enemies be scattered! Judged! Overthrown! Go quickly! Jesus has come to destroy the works of the devil! Everything that Satan has sown in your life, I uproot it, I destroy it! Jesus Christ came to destroy the works of the devil, the works of darkness! Every form of enchantment, everything, destroyed! Broken! Crushed!

Say:

- I proclaim that everything that has been said against me, even in secret, is judged, destroyed! Even if it is planted in the ground, we dig it up! And we destroy the power of fetishes, the power of the spirits of the dead!
- Any spirit of a dead person hidden in a body, you are judged! Come out and be gone! You must live in hades! You must not live in a human body!
- In the name of Jesus, spirit of the dead, if you have hidden yourself and I never knew you were there, the Word of God condemns you! You don't have to stay. Get out and be gone!
- In the name of Jesus, spirit of the dead, even if I had loved you when you were alive, and you want to stay because of that, I do not love you anymore! You are a spirit of the dead! I can no longer adore you! My relationship with you is broken! I'm ending it this evening! Get out now! We strike you!

Keep calm!

In the name of Jesus Christ, if you have to leave, be gone!
