## **JESUS CHRIST, MY HEALING**

Boniface MENYE

**Say:**

Jesus can heal me!

**1 Peter 2:21-24**, *To this you were called, because Christ suffered for you, leaving you an example, that you should follow in his steps. "He committed no sin, and no deceit was found in his mouth." When they hurled their insults at him, he did not retaliate; when he suffered, he made no threats. Instead, he entrusted himself to him who judges justly. He himself bore our sins in his body on the tree, so that we might die to sins and live for righteousness; by his wounds you have been healed.*

Who believes in this word? Who believes that he is already healed?

**Say:**

- I proclaim that we have been healed by the wounds of Jesus, the Christ!
- I am healed! I am healed!

Disease has ears. Jesus said to the sea, "*Sea, be quiet!*" And it did.

- Brain tumour, Jesus has healed you!
- If you believe, you will see the glory of God. If you are sick as a result of ageing, you will be renewed. Diseases due to ageing will leave your body, so do not accept them by saying: "What can I do?"

The Bible says that God gave Abraham a good old age. Jacob finished blessing his children, then went to heaven.

**Say:**

- Elijah was a man just like us, he prayed and God answered him.

Believe in impossible things. This evening, it is war with what is called, "diseases".

- In the name of Jesus Christ, if you are called disease, and you are following me or are on me or in me; whatever language is used, if you are called disease in that language, know that Jesus has already ripped you off my body and borne you on Him because He had to crucify you with Him. Disease, you are dead, destroyed! Your power is destroyed at the cross, begone! (Continue to proclaim.)
- In the name of Jesus Christ, disease, in one accord, we banish you! You are nothing! Jesus has overcome you! We annihilate you! We remove you from existence and cast you into the abyss! You will not remain in my body, in my skin, no, we banish you! You are no more!
- In the name of Jesus Christ, whatever your name, whatever your colour, whatever your violence, you are judged! Disease, we are against you; we remind you of the story of the cross. You have been destroyed!
- In the name of Jesus Christ, cancer, you have been destroyed! In the name of Jesus Christ, AIDS, you have been destroyed! Diabetes, you have been destroyed! Kidney failure, you have been destroyed! Haemorrhoids, you have been destroyed! Depression, you have been destroyed! Fever, you have been destroyed! Malaria, you have been destroyed! High blood pressure, you have been destroyed! Meningitis, you have been destroyed! Sinusitis, you have been destroyed! Asthma, you have been destroyed! Ulcer, you have

been destroyed! We overthrow you and cast you out of our bodies! (Continue praying in tongues.)

- In the name of Jesus Christ, paralysis, you have been destroyed! Begone! (If you know the name of the sickness you are suffering from, name it.)
- In the name of Jesus Christ, we overthrow all principalities of sickness! We send back to the abyss those which came from the abyss! (Continue praying.)
- Disease, begone! Get out of my body! Demon responsible for a disease, begone in the name of Jesus Christ!
- Human spirit responsible for disease, begone in the name of Jesus Christ! We destroy your works! And we send back to you all that which you have planned against us!
- Spirit of the dead responsible for disease, we cast you out! Begone in the name of Jesus Christ!
- My body, in the name of Jesus Christ, receive life!
- My body, in the name of Jesus Christ, receive healing!
- Let all lumps and cysts disappear in the name of Jesus Christ!
- In the name of Jesus Christ, any spiritual disease in me, any disease that cannot be diagnosed in the hospital, when I go for a consultation, they tell me there is nothing wrong with me, although I feel the disease. You are judged! Begone! Let my soul and my spirit be free!
- In the name of Jesus Christ, we raise our hand against any disease originating from witchcraft, begone! We break the bewitchment that made it possible!
- In the name of Jesus Christ, I release my head! I release my back! I release my neck! I release my vertebral column! I release my knees! I release my joints! I cast out paralysis!
- In the name of Jesus Christ, I judge every disease! The Word of God declares that Jesus went through towns and villages doing good and healing all diseases. I proclaim that all diseases, small diseases, big diseases, are judged! (Continue praying, remembering that God expects our prayers to pour out answers on earth.)
- In the name of Jesus Christ, if there is a spirit which has incarnated us causing diseases and malaises, we strike you and command you to leave! And we proclaim complete healing!
- In the name of Jesus Christ, if you are a serpentine spirit hidden in a body, causing disease and pain, we strike you and cast you out! Begone!
- If you are a rare disease, we judge you! Begone and release that body! It does not belong to you! And if you have no name, we judge you! You that have no name but exist against the health of a man or woman, we cast you out! Begone quickly! Disappear in the name of Jesus!
- If you came into someone's life through a motorcycle accident, a car accident, a fall, if you know you came as a result of an accident, we judge you! And we cast you out! We proclaim the healing of all the victims you are holding captive!
- If you are a heart disease, we chase you out! Begone! Release that heart! If you are a lung disease, we judge you and chase you out! Begone! Release that lung! If you are a kidney disease, we cast you out! Begone! Release those kidneys! Release, in the name of Jesus!
- We judge goitres, we cast you out! (Keep praying, the Lord is waiting for prayers to work.)

Make the movement you could not make. If you believe, you will see the glory of God.

If you have a hernia, that is where an angel can operate on you! As soon as he touches you, the disease disappears, piles disappear. If you have nausea, it is a demon that must go. If you feel dizzy, it is a demon that must go. It is packing its bags.

- Let the Lord sanctify your spirit.
- Some believers were bewitched in their village cemeteries. The Lord stretches out his hand and destroys this bewitchment. Even if you were washed with the water of a corpse, I declare that you are free in the name of Jesus! Even if a part of your body was eaten, the Lord commands it to be vomited! With Jesus, there is no fatality. Jesus doesn't come late. Let organs that are swallowed be vomited in the name of Jesus! Let everything be restored!
- If one of your organs has been touched, we dip it in the blood of Jesus, and judge any spirit behind that bewitchment! Begone quickly! (Let us pray in tongues, break the resistance.)

There is what has happened in the unseen. These things cannot be stolen from you. Healing occurs at many levels. Many brethren were bewitched. Believe that all of us have been blessed, healed and blessed.

You know, when we finished judging the diseases, I wanted to continue the prayer. But the Lord told me, "Listen to the testimonies of healing". At that moment, I knew God has worked. God glorified Himself. Even among the guests, many were healed.

**Say:**

- Lord Jesus, those who believe, see the glory of God! We have believed we have seen the glory of God. Thank you for what we have seen. Thank you for what we beheld. Thank you for what we could see with human eyes. Healed! Healed! Set free! We hide this treasure under the precious blood of Jesus and bring what is in the invisible into existence.
