ENTER THROUGH THE NARROW GATE !

Matthew 7:13-19, *Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it. Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves. By their fruit you will recognize them. Do people pick grapes from thornbushes, or figs from thistles? Likewise, every good tree bears good fruit, but a bad tree bears bad fruit. A good tree cannot bear bad fruit, and a bad tree cannot bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire.*

We are going to fight again today! You cannot preach the Gospel without proclaiming judgment against false prophets who deceive people, lead them astray for their own gain, who make drunkards believe they are children of God, who strengthen the hands of the wicked. They say what God has not said. Jesus says in **Jeremiah 23**: "They speak visions from their own minds."

Jesus says that if you want to be saved, you must enter through the narrow gate! When Jesus preaches, He says that if your hand causes you to stumble, cut it off. You must enter heaven, even if it means entering with only one hand. The false prophet tells you that Jesus is exaggerating, or that God is good! Jesus says that if your eye wants to prevent you from going to heaven, gouge it out. Jesus says: "Repent" in order to be saved. The false prophet tells you that it is too hard.

"Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it" (Matthew 7:13).

The wide gate that you see is a wrong gate. The broad way that everybody takes, is a wrong way. Do not say: "There are many of us walking on that way" The broad way where people drink alcohol and hope to be beside Jesus, the way the false prophet shows you is not a good one. Many love that pathway because they live in concubinage peacefully. The false prophet tells you it is allowed, but Jesus tells you to be careful! The way that everybody avoids, that looks like a cross, that requires forsaking sin, the way nobody likes is Jesus' way. People who walk down that pathway are insulted, despised, but it is Jesus' way, the way of life! If you run away from it and the Lord comes back, you will not live, your place will be in the lake of fire. Jesus says : "*I ask you to abandon sin and go through the narrow gate.*" Be careful ! There is a group of people who will ask you to go through the wide and broad way. Jesus says : "Beware of false prophets." Beware of all those who try to make salvation easy. When the Word of God is released, it goes out with power and judgment against sin. it shows the way. It guides people.

If you have believed, persevere! Let no one deceive you! Jesus wants you to persevere! Jesus said that he who endures to the end shall saved his soul! Each person you hear speaking has his own master. Jesus is telling you to enter through the sanctified gate. The gate everyone enters including animals is not the right one. But the narrow gate where you have to strip yourself off your waste, the gate where

you have to get rid of your loads is the gate of salvation. The gate you walk through without getting worried is the devil's gate. The gate that tells you to leave all of your trash behind is the gate of salvation. Many do not enter through that gate, but it is the gate of salvation. Jesus left us an example, He left us His footsteps so we would follow His example. At the narrow gate you do what Jesus did.

Dear friend, tonight, you will enter through that gate. If you enter, you will seek peace and ask for forgiveness, it is Jesus' gate. Jesus says: "Do not listen to liars, false prophets. They will say eye for eye, but you are a child of God, you have power, curse them instead." If you enter through their gate, you will neither see the glory of God nor receive salvation.

They come in sheep's clothing, hiding their wickedness. They have eloquent speech Hence, Jesus says: "Beware!" Our families need the Gospel of Jesus. We ourselves must drink the Gospel of Jesus. Our families need the Gospel of Jesus to be delivered. Jesus says: "If you want your families to be saved, close the door to false prophets."

2 Peter 2 :1, *"But there were also false prophets among the people, just as there will be false teachers among you. They will secretly introduce destructive heresies, even denying the sovereign Lord who bought them—bringing swift destruction on themselves."*

In the days of Isaiah, while true prophets were prophesying, false prophets were also around. You, of this generation, you are in the days of the apostles, but there will be false prophets in your midst. God will judge them! The wrath of God is already threatening them. Let no one deceive you! There were false prophets, and today there are false teachers, false instructors who distort the Word, alter its meaning to reach their goal. The Word of God is self-explanatory. When you read the Bible carefully, you realize that every passage has its explanation. The book of Matthew can explain a truth in Jeremiah. What we read in Matthew 7 is what Peter teaches in his epistle.

What does it mean to give your life to Jesus? A true teacher will tell you that giving your life to Jesus means renouncing all sin and submitting to the will of God. But a false teacher will tell you everything except the necessity of turning away from sin. True faith always goes along with true repentance. Someone who keeps lying has not truly repented. It is not about being conscious of God. You must conform to the Word of God. You accept the Lord Jesus into your life, you submit to Him and to His Word. There were false prophets. There will be false teachers who manipulate, distort everything. They will use the scriptures to exploit you.

The passage about the sacrifice of Isaac is given to cause people to sacrifice everything for the glory of God. It is a test of obedience, but false teachers misrepresent it.

Be serious when praying! Say to God: *"Send true teachers, true prophets into our families, to speak the truth, to deliver them from ignorance, to save our families."* God will answer us, and you will testify about it! Some false prophets will be exposed!

Some false prophets demand specific amounts of money and take it pitilessly. That is not right. You must love God to give to God. You should not be manipulated. This is what God calls "freewill offering". You give willfully to God, you bring your offering personally, in such a way that you weep if it is not accepted.

Normally, after a crusade like this one, offerings in churches should increase, because people pray together for one child in a crusade and they return here with that child as an answered prayer, so in return, they bring an offering. According to the statistics, there have been over four thousand miracles. This should increase the offering.

False prophets are recognized by their fruits. Some among them sin openly and encourage others to do the same. Others create sects to teach demonic inspirations. If you are a victim of false prophets, you will be delivered today. Some are being delivered right now as I speak, because they have just discovered the existence of false prophets. May your eyes be opened now, in the name of Jesus Christ !

Now that you know the truth that in order to be saved, you must commit yourself to renounce every sin, confess and abandon it, and enter through the narrow gate to receive eternal life, do it. Give your life to Jesus. Jesus says that a bad tree can only produce bad fruit. But the children of God must be true, pure, sanctified, and God-like. Even if you had signed a pact with satan, with the promise never to abandon him, I destroy that pact right now and declare you free ! If you were in a sect and you have been deceived that if you believe in Jesus, you would die, leave that sect now. You will not die. Jesus is mighty; He will protect you.

OH FATHER, TAKE FALSE PROPHETS AWAY FROM OUR FAMILIES. MAY THE GENUINE GOSPEL REACH THEM WITH ITS SIGNS!

Raise your right hand and say:

- Lord Jesus, your Word says: *"Believe in the Lord Jesus, and you will be saved—you and your household."* Lord, I believe in you! And I believe in this promise!
- Lord, send the pure and genuine Gospel into my family, wherever its members may be! Send the true Gospel proclaimed by zealous disciples filled with the Holy Spirit, preaching the truth!
- Oh Father, drive away false prophets! Drive away false teachers! Keep them away from my family!
- Oh Father, may the genuine Gospel reach our families with its signs! May the

genuine Gospel reach our families with wonders! May the Gospel reach our families with miracles! May it reach them with all its virtues!

- Oh Father, your Word says the Gospel is the power of God for the salvation of those who believe! May the Gospel reach our families with deliverance from drunkenness, from pride, from anger! May the Gospel reach them with its healing power!
- Oh Father, may the Gospel reach the children! May the Gospel reach the teenagers! May the Gospel reach the adults! May the Gospel reach the elderly! May the Gospel reach the poor and the rich! May the Gospel reach the educated and the uneducated! Let no one be left out!
- May the Gospel rescue those in sects! Let it break the chains of captivity in those sects!
- In the name of Jesus Christ, we overthrow every work against the Gospel in our families! We break everything that must be broken! We overthrow everything that must be overthrown! We demolish everything that must be demolished! We demolish arguments! We smash and break everything that blocks the Gospel ! We release the Gospel ! We open hearts to receive the true Gospel! To receive genuine conversion! To receive genuine deliverance from drunkenness! To receive genuine deliverance from pride!
- In the name of Jesus Christ, we break the power of divination that false prophets use ! We release the captives!
- Lord, send the thirst for your Word ! May those who had chased away the children of God invite them back ! May they say they need them now!

When you have discernment and follow the progress of the crusade, you understand that the battle against bewitchment and snakes' oppression is real.

- If you feel oppressed when you are alone, say to satan : "You are overcome!"

If you often dream that a snake follows you, even when you do not see it physically, you sense its presence. the revelations we receive during deliverance have taught us that snakes always carry wealth in their belly. So, when you fight against a snake, it must vomit everything it has in its belly. You can also cut its belly open to recover everything.

Do not be ashamed of these things. When your ancestors made covenants with it, you were not there. Do not be afraid to talk about it. Do not be afraid either to fall down during prayer. The purpose of prayer is not to make people fall, but to cast out demons. When we fight against demons, they can leave silently. They are even leaving right now as I speak. Others throw the person violently to the ground, according to them, that person has betrayed them by giving his life to Jesus. Others leave only when they scream. Some leave when the person vomits. Some argue a lot. Others resist by kicking the brethren. Some accuse the others of lying. You have authority over all demons in the name of Jesus. If the evil spirit tells you that you did not fast, tell it that it is none of its business and command it to get out. Tell it

that whether you fast or eat, it is not for demons, but for Jesus. Some tell their victims to go to the restroom, and once they go, they calm down and tell their victims not to go back to prayer. Others leave by causing great anger inside of you, and afterward, peace returns to you. That means the demon is gone.

Raise your right hand and say:

- If there is a spirit following me for whatever reason, let God's judgment fall upon that spirit! I say I love Jesus, I am free to worship my Father! I do not want any demon following me! If a demon has touched me, I reject any effect!
- We rise against everything that comes from demons! We destroy it! We ask for total peace for all the saints!
- Serpentine spirit, even if you are still being worshipped in my family, we proclaim your ruin! We are a blessing to our families! We are the prophets of our families! We choose which God to worship, because we are the younger brothers of Jesus! We have chosen the Lord God of hosts, Creator of heaven and earth, who is holy, who sent Jesus Christ into the world so that whoever believes in Him will not perish! Our families belong to Jesus! Demons, leave now! Get out of my life, leave and go away! Get out of my life and go away! Leave and go away!

Say:

- I belong to Jesus! I do not need you! Serpentine spirit, get out! Leave! Go! (Continue to pray.)

Raise your right hand and say:

- You, snake, you are judged! We strike and cut off your head! Go away! Get out and go away! (Continue to judge it.)
- In the name of Jesus, if your power comes from the things you swallowed up, we cut you open and retrieve all our riches! You remain empty! Go away now defeated and stripped! Serpentine spirit, go away!
- In the name of Jesus, if you enter the waters, we strike you! In the name of Jesus, if you enter the earth, we strike you! In the name of Jesus, if you go into the abyss, we strike you! If you flee to the wilderness, we strike you! If you go into a forest, we strike you! If you enter a house, we strike you! If you enter a bedroom, we strike you! If you try to climb onto someone, we strike you! If you try to cling to someone, we separate you from that person and strike you! If you dwell in a person, we strike you and cast you out! We strike you and cast you out! (Let us pray in tongues.)
- Wherever you enter, we strike you! In the air, we strike you! On the earth, we strike you! In the waters, we strike you! Under the waters, we strike you! In

the mountains, we strike you! In the hills, we strike you! In the trees, we strike you! In the roots of trees, we strike you! Everywhere! And we take back all stolen goods, and we trouble your kingdom! Your kingdom is troubled, in the name of Jesus Christ! (Pray in tongues.)

- Even if you have three heads, we cut them into pieces! Even if your heads are countless, we cut you into pieces! If you change form, we cut you into pieces! If you change your nature, we cut you into pieces! Wherever you go, we cut you into pieces! Even if you become a piece of wood, we cut you into pieces, in the name of Jesus Christ! (Let's pray in tongues.)
- Let your kingdom be ruined! Let your kingdom be scattered, in the name of Jesus Christ! If you are in a woman's life as her spirit husband, we strike you, in the name of Jesus Christ! We end that connection! I cast you out, in the name of Jesus Christ of Nazareth!
- I destroy the covenant with the ancestors or with the parents! I destroy this covenant that gives you the power to resist! I destroy that pact! We break all covenants! We break any covenant with my parents! Even with some family members! Even if you were unknown to the person invoking you and you are hidden in rituals, if you were invoked unknowingly, you are judged! We overthrow you and strip you! We remove everything you used to enter the family, to enter lives! Everything you used!
- You snake, if sometimes you become a man, sometimes a woman, we strike you!
- In the name of Jesus, if anything has been buried in the family, in a plantation, in a house, or in forests, that gives you power, we uproot it! If it is a tree, we uproot it ! If it is a stone, we dig it out ! If it is a bottle, we smash it! We smash it and break it!

Let us keep calm.

Say :

- Serpentine spirit, if you dwell in some animals that are called totems, if your power comes from totems, we destroy you! We break your throne! We strike that altar! We expose you to God's judgment! If you have hidden in a lion, or a crocodile, a reptile, we destroy them in the name of Jesus!
- We cast you out together with my family curses! Pack all your belongings and go ! All your misfortunes! All your diseases! All your roadblocks! get out!

Raise your right hand and say :

- All snakes coming from the waters, that entered through the worship of water spirits, they thought they were worshipping water, but it was actually you, snake they were worshipping, we deliver all your slaves, in the name of Jesus Christ !

Let us keep calm

Say :

- We release everything that was blocked ! We release marriages, jobs, healing! We release success, jobs, marriage, social and professional promotion, physical healings!
- In the name of Jesus, if there is anyone among us who became sick due to a bewitchment cast on their name, on their clothes, hair, handwriting, diplomas, or footprints, if there is someone among us suffering as a result of bewitchment, let them be healed now!
- In the name of Jesus, if anyone is suffering because of a bewitchment, be healed! Let this sickness fade away and return to where it came from!
- Sickness, go away ! Return to where you came from! This body belongs to Jesus! Jesus has washed it, sanctified it, purified it! You no longer have a place in this body! Sickness, Jesus defeated you! Go away! Leave and go!
- In the name of Jesus, if you are a wound, I command you to die down! Let that wound die down ! If you are a lump, I command you to fade away! If you take the form of fibroids, I command you to die down! Even if there are many of you, we rip off every wound in the possessed body ! Every part of the body that is possessed, we release it!
- In the name of Jesus, we deliver every man who has become impotent due to witchcraft ! We bless you with divine health and manhood !
- In the name of Jesus, every woman rendered barren by witchcraft, we declare you delivered!
- We judge every sickness that comes from demons, we declare you free to stand on your feet and walk

Say :

- In the name of Jesus, I receive healing! Jesus heals! Jesus delivers and forgives! Jesus heals every disease! You are overcome!
- Sickness, even if you are not the work of a demon, but what you do is not different from the work of a demon, leave this body and return to where you came from! From your head to the soles of your feet, may divine healing take place!
- In the name of Jesus, may healing enter the head, the heart, the lungs, the spleen, the kidneys, the brain! the eyes, the ears, the stomach, the intestines, the prostate, the Fallopian tubes, the ovaries! May healing take place in the bladders, may the spinal cord be straightened! Let haemorrhoids melt away! If there is a hernia anywhere, let it melt away!

Raise your right hand and say :

- Everything called spirit husband, God's judgment is upon you! You do not

have a wife here! If you have put a ring on someone's finger, we remove it now and throw it into the fire of God! And we command you to leave immediately! Go away quickly!

- I remove from my heart the contempt for marriage that comes from spirit husbands! I remove from my heart the hatred of marriage! I command you to go! I am now ready to marry according to the will of God! You are a loser! I now love marriage! I sincerely desire to get married.
- I bless married couples and I cast you out of my life! You deceived me by putting hatred for marriage in my heart. I repent. Marriage is a good thing, and I now want to marry! You, vanish! Leave my life!
- If a woman here has been possessed by a witch doctor because he slept with her, and has left bad luck in her life, I declare that you are free and may the grace of the Lord be upon you! Let this demon withdraw!
- In the name of Jesus, if there is a woman or man here whose late husband or wife appears in her or his dreams and says, "Come, join me," even if he said it once, or if he comes back from time to time, we judge you ! You are dead go to Hades!

Raise your right hand and say :

- If there is someone among you who is followed by demons, the spirits of the dead, or snake because they were designated as successor or heir, if you have been set to be the next in line and demons are waiting to serve you, and the royal chair is waiting for you, say: "I reject that inheritance! I reject all demons that come with it! I cast out all spirits of the dead waiting for me! I will not be the successor, and I will never accept that inheritance! I am an heir of God and co-heir with Jesus, and that is enough for me! I am happy with that! I reject that inheritance because it is witchcraft!"
- If someone here was called and he answered, and since then, you have been bewitched, you were called and you answered, and you saw no one around, you have been bewitched. I break that bewitchment! I declare that nothing will happen to me! And if anything is already taking place in my life as a result of that call answered, I nullify it in the name of Jesus!

- In the name of Jesus, if someone here has been bewitched because of a gift they gave to someone else, we declare you free! We cancel that bewitchment!
- If someone here is followed by a spirit of the dead because they were in conflict with someone who died, and now that spirit persecutes them, he is already in Hades, but he is causing you trouble, we declare that spirit defeated! Get out!
