## 1<sup>st</sup> COMMENT ON THE TESTIMONIES

There is a lot of teaching in the testimonies. While listening to them, be humble and learn what you do not understand. The word of God says that if any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him.

Dear friend, this is a very serious matter. Just one encounter changed his life. If you have life, you can communicate life. I said to the brethren: "Let us be as simple as little children". Some people get irritated when certain people say that they found life when they joined CMFI. You must not get angry. When people come, we give them the real Jesus who died on the cross of Calvary. Jesus delivers from homosexuality and lesbianism, and you are blessed. Let us continue in this way and give people Jesus. Let us not stop them from mentioning the name of CMFI in their testimonies. Apostle Paul exalted his ministry. He didn't do it because he was proud. When God gives you something good, thank him.

When a work like the one brother Zach built makes remarkable, visible progress in the world, even if Satan possesses you, don't trouble that work or Jesus will judge you. He said to Paul: "*Why do you persecute me?*"

Here is a young girl rejoicing because she has found the Lord Jesus. If you find a tree that bears fruit, as the prophet Isaiah says, do not destroy it; there is juice in it! If you destroy it, you will be struck. If you destroy it, God will destroy you.

- Let us pray for CMFI, that there will be works and resources to enable it spread in the world. Let us protect its international leader and its leaders from every form of straying. There are people who do not like this work.

When we got here in Côte d'Ivoire in 1995, one brother took our books for sale. He met a group of people who said to him: "*We know about this work, and we are doing everything we can to ensure that it is not implanted in this nation*". He was discouraged and tired because he believed he had found the truth. I told him not to worry, because we have already been planted. Planting is a spiritual work. As soon as we set foot in Côte d'Ivoire, the work was already planted here. And we keep on hiding it under the blood of Jesus.

Let us pray for the total protection of the work, in front and behind, to the left and to the right, above and below. (Let us cry out to God.)

People are not saved because they testify. No one should think that if they do not testify, God will take away what they have received. What you have received, no one can take it away. The gifts and the call of God are irrevocable. When God has given you, He has given you. Jesus said: "*I do not give to you as the world gives*". He gives even if you are a rebel. The devil has armies because God allowed him to have them. God did not say that because you did that, you would have no power.

We testify to worship God. Anyone who feels the desire to worship God by testifying, will come and do so. Testimony is part of spiritual warfare. When the devil hears how we exalt God, he flees. He goes to another country where there is war. He goes where there is a lot of blood in order to rest, even though there is no peace for the wicked.

When he heard “*crusade at Attiékoï*”, he fled. God is alive and God is wonderful. The thoughts of your heart are analysed by God and He blesses you. There are times when God decides to answer you even if you have not prayed. It is said that He fulfills the desires of those who fear him. He asked Solomon: “What do you want me to give you?” When you come to pray, do not be afraid. It is said that through Jesus Christ we have free access to the Father. You go in and find your Father sitting on the throne.

See how the angel spoke to Daniel. Daniel said he no longer had the strength so he fell to his knees. A simple angel said to him: “You are highly esteemed”. Amen!

Jesus also gave you a remedy. He said: “*When you have done everything you were told to do, say, ‘We are unworthy servants; we have only done our duty’*”. That is part of the goal I am pursuing when I always proclaim: “*Let us clap for Jesus*”. I set the atmosphere so that everyone is focused on Jesus Christ. I rather use a formula that brother Zach taught us: “***Let us give the Lord a clap offering***”. We are not joking here. When you clap, it comes from afar. You have to do it.

## **2<sup>nd</sup> COMMENT ON THE TESTIMONY OF SISTER DJEWA ESTHER**

This testimony teaches us that we must pray for each other. Before coming here, pray that the brethren will be protected. You heard how the demon wanted her to leave the meeting. God had mercy on us, otherwise she would have left.

Let us pray for the meetings. Judge the demons who want the brethren to withdraw. Pray that the ears will remain open and that everyone will receive the word of deliverance. The demons know that this is not a joke; but some do not know. Do not let demons know any better than you do. This is a war!

I said that if you see someone getting up and running, you have to seize him even if you’re not from the deliverance team. There is a demon that wants to take him away. The battle is real. Demons exist. There is a part of the devil’s army that works so that people would not know that Satan exists. Some call demons “entities” to hide them. Demons exist. They have personalities, they talk and they smell. They can follow someone; they can live in someone.

There was a sister who said that demons did not exist and that Jesus is already dead. She said that she does not come to the crusade for the overthrow of personal and family principalities because there are no demons. One day I called her to exhort her and she said: “Daddy, pray for your daughter, there is a spirit of the dead troubling her”. I said, “In the name of Jesus, come out and begone”, and the demon left. Then I told her: “My daughter, you say there’s no demon, what did you just ask me to cast out?”

Brethren, be wise. There are two sides in the world. There is the side of Jesus with the Church and the side of the devil with witchcraft. Jesus taught us that demons exist, that they can even be cast out and that they can come back. They can come back multiplied. Don’t listen to any other doctrine. A brother can come here from the beginning and his demon can come out on the fortieth day”.

**2 Corinthians 6:1-2**, *As God’s fellow workers we urge you not to receive God’s grace*

*in vain. For he says, "In the time of my favor I heard you, and in the day of salvation I helped you." I tell you, now is the time of God's favor, now is the day of salvation.*

Each of us here has what can be called the right time, the day of salvation. God can decide for me on Monday and for you on Wednesday. We are gathered here, some people are drinking beer. But there is a time when they will look for us, their day of salvation will come. When you pray, be full of expectation, tell yourself that God will do something. God will be at work. Some people don't know when they were bewitched. Where do the spirit husbands come from? They do not know. Jesus sees and there is a day for your deliverance. When that day comes, even if you are alone in your room, He will strike the enemy.

There's a testimony I shared one day. There is a benefit when you pray and have the gift of vision. One day, I took a three-day fast because some of my sisters were sick. It was in Douala. On the 2nd day, I prayed and laid down in a chair. I just closed my eyes when a spirit came. He put his thumb on one side of my head and his index finger on the other. Since I have been on earth, I have never seen anyone with a hand that can make that gesture. He said to me: "Can't you stop what you have started?" I replied: "We cannot stop what we consider to be beneficial". He went into the wall and left. All we have to learn is how to destroy these things with the strength that Jesus has given us. But we're on the right track, it will grow. I mean, there is an army of demons behind diseases. I said to myself that it is the devil himself or the prince of sickness. I wrote a letter to my disciples asking them to pray. This is also good for the history of the Church. At some point, you need to find out what happened. Brother Zach got us involved in a lot of spiritual battles.

Overthrowing the satanic princes of the cities was his job. He wrote in his book that God raised him up to overthrow the satanic princes and that He will raise up others to overthrow particular principalities. I am convinced that the Lord has shown us how to overthrow particular principalities.

**Say:**

- Lord Jesus Christ, you exist, awaken me! Give me a heart to believe. Give me a simple heart to believe and to see your glory.
- O Lord, I consider this a school, make me useful! Give me the power to grow!

**Genesis 35:1-9**, *Then God said to Jacob, "Go up to Bethel and settle there, and build an altar there to God, who appeared to you when you were fleeing from your brother Esau". So Jacob said to his household and to all who were with him, "Get rid of the foreign gods you have with you, and purify yourselves and change your clothes. Then come, let us go up to Bethel, where I will build an altar to God, who answered me in the day of my distress and who has been with me wherever I have gone." So they gave Jacob all the foreign gods they had and the rings in their ears, and Jacob buried them under the oak at Shechem. Then they set out, and the terror of God fell upon the towns all around them so that no one pursued them. Jacob and all the people with him came to Luz (that is, Bethel) in the land of Canaan. There he built an altar, and he called the place El Bethel, because it was there that God revealed himself to him when he was fleeing from his brother. Now Deborah, Rebekah's nurse, died and was buried under the oak below Bethel. So it was named Allon Bacuth. After Jacob returned from Paddan Aram, God appeared to him again and blessed him.*

This passage teaches us one thing. If you want to meet God, the living God, the Almighty, you get rid of the other gods. When God reveals himself to you, you must get rid of the other gods. Jacob made a promise to God when he was in Bethel, while fleeing from his brother. And God revealed himself to him. Heaven was open and there was a ladder. He understood that this was God's dwelling place. He made a vow to God, saying: "Lord, if you protect me and I return with riches, I will come back here to worship you". He went away, leaving his uncle with whom he was working. He took all his possessions, his wives and his children to return home. He then settled in the town of Shechem, where his daughter was raped and dishonoured. In revenge, his sons killed the people of that town.

This is your message for this evening. God commanded Jacob to leave Shechem and move to Bethel. This is human tradition and habit. When a man is afraid, he calls on God and says: "*I want to serve you*". Then he forgets his promise. If we check in this crowd, we will see that some were sick and told God: "*If you heal me, I will serve you*". After they were healed, they forgot their promise. And there have been many similar situations. Some had nothing to eat, others were waiting for a promotion. They told God: "*If you allow me to be appointed, I will serve you*". After their appointment, they forgot their promise. They continued drinking and committing sexual immorality with girls.

So Jacob forgot his promise to God and went to settle somewhere else. And it was a bad life too because it was there that his daughter was kidnapped and raped. She was kept and ambassadors were sent to ask him to forgive the action that was committed. God said to him: "*Jacob! Get up, go to Bethel and build an altar to the God who has appeared to you*". Start worshipping the God to whom you made a promise when you were fleeing from your brother".

Stand up, give your life to Jesus, start worshipping the God to whom you made a promise. You know what you promised God. You must obey, the lie will end today. Go and serve the God who helped you when you were trembling. You cannot and must not live far from Him. God has not forgotten your promise. Get up, go to Bethel! It is not just a visit, you go and you abide there! You don't give your life to Jesus to go back to the world later on. Go and abide there. This means that the secret God of your soul, who is the true one, when you know that the situation is serious, He is the one you call on. He tells you: "*You will fulfil your vow!*" The thought you had that day when you said: "*I will follow you*", was from God. What you became afterwards, God refuses it. Go to Bethel to serve the God to whom you made so many vows without honouring them.

**Amos 4:4-5**, "*Go to Bethel and sin; go to Gilgal and sin yet more. Bring your sacrifices every morning, your tithes every three years. Burn leavened bread as a thank offering and brag about your freewill offerings—boast about them, you Israelites, for this is what you love to do,*" declares the Sovereign Lord.

These are people who love religion. They are faithful in what they call churchgoing, but they do not give up sin. God says: "You love going to Gilgal to offer sacrifices while you live in sin! When God tells someone: "This is what you like", it means that it is serious. You don't want to leave concubinage, but you go to all religious meetings. You go from one lie to the other; you slander, you betray. God says: "Go

ahead! Pay your tithes, go to Bethel, this is what you like, you children of Israel”.

This evening, before prayer, you will change your lifestyle, you will decide that you are moving out. When Jacob heard that, he called all the people in his house. He told them: “God wants me to go to Bethel and build the altar”. And he told them that what God wants is very serious and that it requires that they get rid of the false gods, because He loves to be worshipped alone. So they had to remove all the other gods from among them. Jacob knew God’s will. He did not ask him to get rid of the gods. Instead, he said, “*Get up and go to Bethel*”. As a true believer, he knew that this call automatically implied that he should abandon the false gods.

You, however, make the mistake. When you want to meet the true God, you make no effort to overthrow the other gods. You want to mix up God with beer and koutoukou (a traditional fermented drink). That cannot work. You cannot serve two masters.

**Romans 6:16**, *Don't you know that when you offer yourselves to someone to obey him as slaves, you are slaves to the one whom you obey—whether you are slaves to sin, which leads to death, or to obedience, which leads to righteousness?*

You who say and think that you are serving God, the word of God says: “Don’t you know that when you commit a sin, you are a slave to that sin? Everyone is a slave to the one they obey. You can forsake all sins, but if cigarette remains in your life, you are a slave to cigarette, you are not a Christian. Everyone is a slave to the sin they obey. When that sin comes, you stop resisting. That sin is your master and the demon that sin represents is your master. If it is adultery, your true master is the prince of adultery.

**2 Peter 2:19**, *They promise them freedom, while they themselves are slaves of depravity—for a man is a slave to whatever has mastered him.*

Everyone is a slave to the sin that has overcome him. You can say: “I have given up all sin, but it is anger that troubles me”. You are a slave to the satanic prince of anger. Everyone is a slave to the one who has triumphed over them. Do not boast about what you have achieved. Weep for that which has overcome you. That’s why Apostle James says: “*Change your laughter to mourning and your joy to gloom*”. That is what will kill you. Slave to jealousy, you are ruled by the prince of jealousy. You can run a hundred kilometres per hour, but as soon as jealousy appears, you go from two hundred kilometres per hour to zero.

When God calls you, you put an end to the other reigns. You push aside the other masters. Jacob took all the false gods and went and buried them under the oak. And the Word of God says: “*The terror of God went ahead of them!*” This is what is about to happen to you. The terror of God will go ahead of you and evil spirits will kneel down because you have exalted the true God. There is a spiritual law. For everyone who exalts himself will be humbled, and he who humbles himself will be exalted. If you obey, God will exalt you.

There was a tax collector in the temple who was confessing his sins. He said, “*It is my fault, I have sinned*”. And there was also a Pharisee praying. He said: “*I fast, I pay my offerings*”. Jesus said: Look at these two people. The tax collector will go back forgiven and purified. But this Pharisee boasts about his deeds. He will go back

with all his sins because God exalts those who humble themselves and humbles those who exalt themselves.

Set your heart alright; if there are idols, settle it. Anyone who is not serious cannot be saved. There are people who have no contrition, their hearts are not even touched. They have no regrets. God doesn't like that.

### **Say to God:**

I'm coming back! (Speak to God! If it is anger, tell him that I am stopping this anger today).

**James 4:4-10**, *You adulterous people, don't you know that friendship with the world is hatred toward God? Anyone who chooses to be a friend of the world becomes an enemy of God. Or do you think Scripture says without reason that the spirit he caused to live in us envies intensely? But he gives us more grace. That is why Scripture says: "God opposes the proud but gives grace to the humble." Submit yourselves, then, to God. Resist the devil, and he will flee from you. Come near to God and he will come near to you. Wash your hands, you sinners, and purify your hearts, you double-minded. Grieve, mourn and wail. Change your laughter to mourning and your joy to gloom. Humble yourselves before the Lord, and he will lift you up.*

There is even conversion of your feelings. There is a time when if you are told to dance, you cannot dance. The children of Israel were told to sing hymns while they were in captivity and they replied, "How can we sing hymns while we are in a foreign land, in captivity?"

### **Stand up.**

#### **Say:**

- O Father, have mercy on us! O Father, forgive our sins! Forgive all the idols in our midst! (Keep praying).
- Start saying thank you to Jesus!

Tell Him thank you for His precious blood shed on the cross, the blood of redemption, the blood of justification, propitiation, atonement, adoption, in one word, the blood of redemption, the blood of Jesus!

Enter into the blood of Jesus and let your conscience be cleansed! When you enter into the blood of Jesus, your guilt disappears, your conscience is purified. Only Jesus can do that. Washed! Washed! Cleansed! Purified!

What is the purpose of this 40-day crusade of prayer at Attiékoï? Beloved brethren, the overthrow of principalities is a divine revelation that has transformed my life and the life of the ministry. We have encountered serious difficulties in pastoral ministry. We met sick people who shared with us things we didn't know! I knew that when a demon manifests, if there is a child of God around, he judges it and it goes away. But we encountered demons that didn't go away despite all we did, with elders who were mature in the faith.

In 1982, a young man asked me: "Can you deliver someone from witchcraft?" I told him

that if the demon manifests, we will cast it out. This belief remained until the day the Lord revealed to us the weapon of the breaking of evil family ties and other ties. With this weapon, we have mastered many situations. We have rendered ministry accompanied with many genuine deliverances and healings that encouraged us.

But there were cases where, despite breaking the ties, the person comes to you and says: “The oppressions and diseases have stopped, but I have nothing, I’m poor”. You are troubled because you were expecting the same results you had observed in people who had received the ministry of the breaking of ties. One young man told me: “Despite the end of the oppression, I’m poor, I sleep in a hut. When people pass by, they can see me laying in the hut”. I explained this situation to my disciple-maker and he told me to come and see you”. There were many similar situations.

One day, the Lord opened my mind and said to me: **“For many believers, this is not about ties, it’s about people living under a divine curse”**. You know, there are a lot of doctrinal confusions. There is curse that is related to sin and there is the curse that Adam brought into the world. Jesus solved the problem of the curse that Adam brought into the world. The curse that is attached to every sin is still there. If you live in adultery, you are cursed. So you need personal repentance so that the curses that were linked to your sins can be removed by God’s mercy.

Everyone must repent of his or her own sins. If you do not repent and you think that the resolution of the Adamic curse has solved the problem of your personal sins, you will be surprised on the judgment day.

**Romans 5:14-16**, *Nevertheless, death reigned from the time of Adam to the time of Moses, even over those who did not sin by breaking a command, as did Adam, who was a pattern of the one to come. But the gift is not like the trespass. For if the many died by the trespass of the one man, how much more did God’s grace and the gift that came by the grace of the one man, Jesus Christ, overflow to the many! Again, the gift of God is not like the result of the one man’s sin: The judgment followed one sin and brought condemnation, but the gift followed many trespasses and brought justification.*

This means that curse entered the world through the sin of one man, but when God sends His Son to forgive, there are more than eight billion people who are sinners. When the condemnation came, it was one person. When the free gift comes, it’s billions of people. And everyone has his own sin, which is different from Adam’s sin. So it doesn’t necessarily cover everyone. That is why it says: “But the gift is not like the trespass”. Sin came through one man, but the free gift comes when many have sinned. Everyone has to face his own sin. We must therefore repent so that the curse that is tied to each sin can be removed from us.

So there are people who God cursed because of their own sin, not because of Adam’s sin. Some of the ancestors slaughtered human beings. Some ate men; others buried men alive under the coffins of village chiefs. These things brought curses, and God asks everyone to pray for his family. Do not think that God has given up families and does not remember them.

He says that what He wants is for the wicked to repent and live. The one called the great sorcerer in your family, God wants him to repent and live. You are the missionary in your family. Some people are zealous in preaching to other people’s

parents, but with their families they are passive. Tell your family to get converted instead of saying, “Let us go and pray”.

When you ask God for forgiveness in this way and he answers you, he removes the clogs from your family’s ears, because God curses families by closing the ears of sinners. He says: “Since you refuse to listen to me, I will close your ears”. He said to Isaiah: “Go and tell them that from now on, you will hear but you will understand nothing, you will look but you will see nothing”. This curse comes from God himself. So if we want the family members to listen, we have to beg God, asking Him to forgive and allow them to listen and understand. For some, he has given them over to alcohol. You have to say: “*O Father, bring them back*”.

The Bible says that God gave them over to their stubborn hearts to follow their own devices. What can a preacher say to someone whom God has given over to his stubborn heart? God will answer us!

By breaking the ties, people are disbewitched. We destroy everything that sorcerers have done to keep people’s lives open to the devil. Ties such as tattoos, scarifications, baths and skin incisions need to be broken. When God hands over people, principalities rule over them. They become slaves to vices. There are demons behind these vices. These demons have territories that are ruled by a chief, by a prince.

The dictionary defines a principality as a small territory ruled by a prince. The village is a territory. The demon that is exalted above the family is called a principality. His territory is your family.

When you make your child pass through the fire, you establish a connection with this prince. We are given permission by Jesus to break these ties and we have a duty to intercede so that God himself delivers us from the spirits to which he has given us over. It says that God sent an evil spirit to torment Saul because he disobeyed. God withdrew the Holy Spirit from Saul. The word says that it was God Himself who had sent an evil spirit. Intercession for Saul would therefore consist of begging God to forgive and cast out the evil spirit. **The spiritual work we do to get God to decide to deliver people from these spirits is what we call the overthrow of principalities. And this battle requires everyone to identify with their family.**

To identify with your family, you have to forgive them. You cannot hold a grudge against them. If some people have provoked you, you have to forgive them. You forgive, you say: “*Lord, don’t leave us like this*”.

The first thing this evening is to nullify any written, verbal or symbolic act, even if it was subliminal. Everything that has been done in your family to keep the doors open to demons, spirit husband, spirit wife, snakes and spirits you don’t know where they come from. In one accord, we’ll destroy it. There are things we must decide and things we must beg God to do. God has given us the authority to destroy the works of the devil. When a situation requires mercy, then we turn to Him.

Pray in such a way that everyone will be answered. Let us pray as children of the same father, of the same biological family, praying for the deliverance of the family.

Do not pray individually. We will get results.

**Say:**

- In the name of Jesus Christ, we are strong!
- We proclaim that Jesus is King! He is Lord!
- Why these vain thoughts among the people? Why these rebellions against our Lord? Why are there still pacts against our King? We tear them up where they belong! We nullify them! We burn them where they should be burned! We set the captives free! We consecrate them to Jesus! We consecrate those who have already been born! We consecrate those who will be born tomorrow! We consecrate them from generation to generation!
- In the name of Jesus, we break all the ties linked to these pacts! We close all the doors that allow satan to go in and out because of the existence of these pacts! We close everything! We command the captives to come out. Captives, in the name of Jesus, we proclaim your freedom! And we call you to Jesus!
- Listen, Jesus said: "When I am lifted up, I will draw all men to myself". Satan, you know, get out of the family! Jesus is calling us to himself!
- Let the captives be set free! Let God's grace be poured out on us! On all our brothers and sisters! Let God's favour be poured out on every family! Let God's grace be poured into every family! May the light of the genuine Gospel of Jesus of Nazareth shine in every family!
- In the name of Jesus Christ, we judge all services, all worship! We disrupt all worship in the water! We judge all worship in the mountains! We disorganise them and scatter their armies! All worship in the rocks, we scatter! We scatter the worships in the abysses! We strike them and set the captives free! We judge the worships in Hades! We scatter them! We free the captives! We judge the worships of the masquerades! (If you know what your family worships, name it).
- In the name of Jesus Christ, we cast out from our families all diseases introduced because of these worships! We judge genies! We judge the spirits of the dead! We judge human spirits! We disorganise Satan's kingdom! We break the chains of captivity!
- In the name of Jesus Christ, we command that the chains be broken! Let the towers be broken! That all prisoners be set free!
- In the name of Jesus Christ, we break the vehicles in which souls have been taken and carried to Hades!
- In the name of Jesus Christ, we break the bottles used to bewitch them! We break them in the name of Jesus Christ and proclaim the victory of Jesus Christ!

Say prayers of consecration.

**Say:**

- Jesus, I belong to You alone! (Say it with confidence so that if there is an enemy nearby, he will decide to leave).
- Unclean spirit, Jesus Christ defeated you at the cross! You are stripped! Begone!
- In the name of Jesus Christ, we set free all those who are followed by the

spirits of masquerades and of waters! You are free! If your name is written somewhere on a list with the names that have been bewitched, if your name has been written on a list, or burnt or put somewhere, you are free in the name of Jesus Christ!

- In the name of Jesus Christ, if your name is written somewhere on a leaf or a piece of wood, you are free! Let the enemy begone!
- In the name of Jesus Christ, if your name was written somewhere by a wicked person, even if it was by telephone, and because of that, negative forces are following you, you are delivered and your enemies fall! Every enemy is rolled into the dust!
- In the name of Jesus Christ, if you have lost something thinking it was lost meanwhile the wicked have stolen it, I declare that you are free in the name of Jesus Christ of Nazareth! And Satan's plans, the purpose for which he stole it, we cancel and separate you from that object! (keep praying).
- In the name of Jesus Christ, if there is a physical person in the family who plays the role of the demonic strongman, and who controls lives; I declare your defeat! I overthrow you and deliver the family from your grip, whatever your name may be!
- In the name of Jesus Christ, if there is a social benefit blocked by a demonic will, by a living being or by the spirit of a dead person; we strike you! We judge you!
- In the name of Jesus Christ, we strike you and snatch everything you have taken! We release all that have stolen and cast you out of the family! We unlock lives and situations! We restore everything! (Let us pray in tongues).

**Lay your hands on your head, say:**

- In the name of Jesus Christ, we rise up against any demon responsible for a disease! Demon, if you know very well that this disease is the fruit of your work, you are judged! Struck! Begone!
- In the name of Jesus Christ, we now intervene in every life to judge hidden demons who have both sexes! We intervene with authority to strike you! Begone!
- You, wicked spirit, who has two sexes and who troubles any life, you are exposed! We strike you! Come out and begone!
- In the name of Jesus Christ, we break your resistance! And we break everything you stand on! (Let us pray in tongues).
- In the name of Jesus Christ, we rise up in one accord against serpentine spirit wherever it wants to hide, in the waters, in the deserts, in the trees; even if you enter another creature, we pursue you and cut you to pieces!
- Every serpentine spirit, big or small, you are judged! Come out and begone!
- In the name of Jesus Christ, we expel from your belly everything you have swallowed!
