BONIFACE MENYÉ

We decided to produce a summary of each prayer session containing the exhortation of the day and prayer topics raised to God. Kindly acquire the document from each session. It will be for you a great working tool for the overthrow of personal and family principalities.

God bless you abundantly!

Acts 3 :12-16 : *“When Peter saw this, he said to them: Fellow Israelites, why does this surprise you? Why do you stare at us as if by our own power or godliness we had made this man walk? The God of Abraham, Isaac and Jacob, the God of our fathers, has glorified his servant Jesus. You handed him over to be killed, and you disowned him before Pilate, though he had decided to let him go. You disowned the Holy and Righteous One and asked that a murderer be released to you. You killed the author of life, but God raised him from the dead. We are witnesses of this. By faith in the name of Jesus, this man whom you see and know was made strong. It is Jesus’ name and the faith that comes through him that has completely healed him, as you can all see”.*

You need to remain very focused. We have studied the basic principles of faith. When you have faith, you overlook the noise of those who don’t believe, the noise that the devil creates to distract you. You have a goal; you want to see the glory of God. Stay focused. We are dealing with bewitchment.

Ephesians 3:10: *“His intent was that now, through the church, the manifold wisdom of God should be made known to the rulers and authorities in the heavenly realms,”.*

God has planned that pagan sorcerers must discover that the church has much wisdom and that it has divine intelligence. The sorcerers just hide and do things. We come in the name of Jesus and destroy everything.

If you are bound, the church has the power to loose you. Jesus says that whatever we loose on earth will be loosed in heaven. So, when we walk, we look for people who are bound to loose them. God has decided that if anyone hides in the dark and ties a person up, when the Church comes, it discerns the harm and unties them with the wisdom of Jesus. Not much study needs to be done, you don’t need to go to school. You just learn to pronounce the name of Jesus. As soon as you see the adversary, you say: in the name of Jesus. **The name of Jesus is a great bomb.** Principalities, rulers, evil spirits know that the children of God can destroy their work.

The apostles healed a lame man. People around them were surprised. Peter said to them, *“why does this surprise you? By faith in the name of Jesus, the name of Jesus made this man strong”.* You see this wisdom.

- By faith in the name of Jesus, the name of Jesus will heal your cancer!
- By faith in the name of Jesus, the name of Jesus will heal your kidney failure!
- By faith in the name of Jesus, the name of Jesus will heal your diabetes!
- By faith in the name of Jesus, the name of Jesus will heal your high blood pressure!
- By faith in the name of Jesus, the name of Jesus will heal your HIV/AIDS!
- By faith in the name of Jesus, the name of Jesus will heal your fibroid!
- By faith in the name of Jesus, the name of Jesus will heal your myoma!
- By faith in the name of Jesus, the name of Jesus will heal your blocked tubes!
- By faith in the name of Jesus, the name of Jesus will heal your incurable wounds!

- By faith in the name of Jesus, the name of Jesus will rejuvenate your bones!
- By faith in the name of Jesus that the name of Jesus will heal your ears!
- By faith in the name of Jesus, the name of Jesus will deliver you from the spirits of death!
- By faith in the name of Jesus, the name of Jesus will heal your backbone!
- By faith in the name of Jesus, the name of Jesus will heal your eyes!

Say

In the name of Jesus, I can manifest the wisdom of God. I can manifest the manifold wisdom of God.

God has already provided it. You enter into your healing, you pay nothing. If you are zealous, you can worship your God with your property. It has nothing to do with the favour he gives you to heal your disease. Focus on the name of Jesus. Don't look at the disease.

Faith is very simple. Do you have faith? Do you believe that if your mouth says: in the name of Jesus, something will happen?

Jeremiah 2:27: “They say to wood: you are my father! And to stone: you gave me birth! They have turned their backs to me and not their faces; yet when they are in trouble, they say: come and save us! “

When someone has a problem, he calls upon his god. Everyone calls upon his god when faced with danger and he worships that god. The pagans worship wood, stone, and tell them: “*You are our father, you created us*”. And when danger arises, they cry, “*O God, save us!*”

God says: “*Where is the stone? Call the wood that you worshipped. You poured out your oil on the wood*”. This cannot work. It is faith in His name that saves you. There are people who say: I have many friends. When they walk, they are happy because they have ministers as friends. For them, life is about relationships. But when there is danger, they see no friends.

Faith in Jesus is a life. It is not temporary. You are in Him. You are for Him and His name will save you.

Say:

Father, I am wrong, I have no one. I am making a serious mistake. All these people can desert me. I have made a mistake. It is the name of Jesus that can save me (Continue praying).

Psalms 73:24-28: “You guide me with your counsel, and afterward you will take me into glory. Whom have I in heaven but you? And earth has nothing I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever. Those who are far from you will perish; you destroy all who are unfaithful to you. But as for me, it is good to be near God. I have made the Sovereign Lord my refuge; I will tell of all your deeds”.

A normal man must realize that he has no one on earth, that he has only God in heaven. Let no one deceive you. Jesus taught us that a man's enemies will be the members of his own household. The hindrances you hear about are caused by our family members out of jealousy. His brother's son wants to emerge, he says, “*Ah if he emerges, his father will boast of it*”. You are in a professional environment, people who don't know you want to bewitch you because they want to rule over you. When you are sent on mission, they prepare bewitchments to block you. If you are wise, turn to Jesus.

Say:

- Father, I have no one on earth. I know there are angels in heaven, but it is you I worship.

Maybe there are creatures with great names but it is the name of Jesus that I worship. The name of a man who met the requirements of God through the work of stripping and humility. And He was given the name that is above every name, that at His name every knee should bow.

- Father, I have only one weapon on earth, the name of Jesus. There are many weapons, but I have only one weapon on earth, that is the name of Jesus. It is the highest name that subdues all the armies of darkness. This name that the angels worship, the name of Jesus.

Lord Jesus, your name is a gift of God to your Body which is the Church.

John 14:13: “And I will do whatever you ask in my name, so that the Father may be glorified in the Son”.

John 16 :23-26 : “On that day you will no longer ask me anything. Very truly I tell you, my Father will give you whatever you ask in my name. Until now you have not asked for anything in my name. Ask and you will receive, and your joy will be complete. Though I have been speaking figuratively, a time is coming when I will no longer use this kind of language but will tell you plainly about my Father. 26 In that day you will ask in my name. I am not saying that I will ask the Father on your behalf”.

God wants joy to dwell in us. He opens doors for us. He says: “Ask and you shall receive”. Some have never asked; they whine. You believe, you doubt, you believe, you doubt. When we listen to the testimonies, we see that all those who have firmly believed have been answered. When God answers you, He says to you: “I have given you”. And many do not believe what God tells them.

You have to change your language. I am not giving you a law. It is wisdom. If you are used to saying, ‘I was sick, God relieved me,’ that means you are running away from the word healing. You have already spoiled everything, there are words of faith. Your mouth must proclaim words of faith. Someone who has been suffering for 14 years or 25 years and has just been healed, humanly speaking, he has to wait a little. That is the wisdom of the world. He says to himself, *“I will give the testimony next year. I’m seriously checking to ensure that I’m healed”*. When you do that, the devil steals your healing. God has not promised you that if you doubt, He will save you. He saves the one who believes. God gives you what you believe.

You need to learn to stand firm. You must not doubt. If God says to you, *“I have healed you”* and it comes with conviction, seize it. Let the demons multiply, let the devil attack you, what God has said will come to pass. When we pray, you must aim at one thing: God must be moved. God is looking for prayers that are based on faith. You can pray for ten hours in unbelief; you will not be answered. You will then accuse God and say that you have prayed for several hours and God has not answered you.

*You want God to hear you. When God is moved, He speaks. He tells you: “I answer you”. You believe; you reject the other noise that wants to disturb you. You say, “Get away from me satan, my God is a faithful God”. You must have a personal statement with which you strike satan. When we finish praying, the devil leaves the people who have been healed and comes to me saying: “The diseases will come back”, because he knows that if he overcomes me, he can now go to you. My bomb statement is: **James 1:17 “Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows”**. By the time I finish proclaiming this word, it is already gone. You must have your bomb. What word do you have to strike the enemy that wants to cause you to backslide?*

When the devil wants to come, my statement is: *“Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows”*.

This word to Satan means: *“The Lord is not like you. When he gives, it is perfect”*. This is why it is said in His Word: “The gifts and the call of God are irrevocable”. When God calls you and gives you gifts, it is yours. This is how some backsliders can go around the world for five years and when they come back, they speak in tongues. God is not small to take away the speaking in tongues from you. He gave it to you, He gave you! Saul prophesied naked. If you are wise, you can know that a prophet cannot be naked. But that was the gift he received.

There are diseases that have overcome men and they call them incurable diseases. In the name of Jesus, we will change the status of these diseases this evening! These are diseases that have been overcome by Jesus Christ. You will speak to this pain. Say, “It is written that Jesus overcame you. He took you out of my body, He put you on His body and He was crucified. He destroyed you! I was in Jesus when He was crucified. I rose with Him when He came out of the grave and you remained in the grave.

This is what philosophers want to understand. How can anyone say that they were with Jesus when He was crucified? This is the manifold wisdom of God! You are able to understand what wise men of this world cannot understand. A name that saves is great wisdom.

Say :

- I proclaim that I overtake all philosophers. I understand the things that they could not understand. I was in Christ, we were crucified, we died, we were buried, and we were raised with new bodies. It is Jesus’ plan to remove death from us, to remove sickness from us! I believe, it is true!
- I proclaim that I believe and that it is true! Dead with Jesus, buried with Jesus and risen with Jesus! And the resurrected body, the body that overcomes death, overcame sickness, the body of the resurrection!
- In the name of Jesus, we proclaim that Jesus has overcome disease, all diseases! We proclaim that Jesus has overcome all diseases, even incurable diseases! All diseases are under the feet of Jesus!

Stand up!

Start interceding for yourself. Tell Jesus: If my healing depends on my brain being healed, let my brain be healed! If you have had a stroke and your tongue has become heavy, Jesus can change everything! If you were born dumb, if there are areas of the tongue that are sick, Jesus will heal them, you will speak. If it is the eyes, Jesus will operate on them. It is faith in his name that heals! If you have a lump somewhere and doctors don’t know what it is, the lump will disappear. Jesus is real! If you have faith, if you do not doubt, you will see his glory.

Doubt is a characteristic of man. A man of faith overcomes his own doubts, his own fears. This is what God expects of you. When you are faced with your own doubts and your body tells you: *“It is too late”* and you say: *“No!”* It is this *“no”* that is necessary for you. When your heart uttered the doubt, what was your reaction? Did you reject it? Did you say to your heart: *“No doubt, the Lord is faithful, I will make progress”*. This is faith. You overcome your doubts, your fears; because you have faith, you subdue them. That is faith. When everyone tells you, *“Be careful!”* You answer: *“The Lord is faithful, He tells me to go forward, I will go forward”*.

When the children of Israel came out of Egypt, Pharaoh went after them. There was death ahead and the Egyptians were behind them. The children of Israel started crying and shouting. God said, *“Why are they shouting? Let them keep moving!”* Faith does not mean that Pharaoh is no longer chasing you and you no longer see him. You see Pharaoh behind you and the Red Sea before you. God did not even make the sea dry up. God tells you: “Walk! If you look back and stop, you have no faith. But if you say, *“God tells me to walk”* and you walk, this is faith. You are aware that there

is danger, but you have heard: *“Walk!”* That is what gives victory. When they set foot in the water, the sea was divided, and they went through. Pharaoh told himself, *“we will do exactly what they did”*. They also put their feet in the water. The chariots broke. They tried to repair them, but it was too late. God told the sea *“flow back”*. Obey me, I am the one who created you”. And the sea went back to its place. A couple of minutes, the corpses of the Egyptians were floating on the water.

Faith is to believe that God exists, that He pays and rewards. Don't let the devil deceive you, God is not wicked. You work, He pays you. Even if you are the worker of the last hour, you can receive the wages of those of the first hour.

Say:

- In the name of Jesus, may my body receive healing!

Talk to God! Tell him your problem. Even if you were not focused, I bless you, you are focused, talk to God!

Even if the devil says: *“Shut up, you don't have faith!”*, tell him that faith is to believe that God exists, I believe! Faith is to believe that by faith in the name of Jesus, the name of Jesus heals me! By faith in the name of Jesus, the name of Jesus delivers me! By faith in the name of Jesus, the name of Jesus strengthens me!

Whatever the illness, even if it is several illnesses, you are not before a human being, you are before Jesus of Nazareth, the one who said: *“You have not yet asked, ask for what you want and it will be given to you in My name”*. Ask and you will be healed, by faith in the name of Jesus! (Keep praying).

In the name of Jesus, let anyone who has fallen into a spiritual trap, and has seen in a dream that they are in a pit or in the abyss, be delivered in the name of Jesus. We are taking you out of the abyss and lifting you up from that pit! (And if it is you, consider that you are already out, that is faith and you will see the fruits)

And I command you to depart from me. Don't show up in me anymore. I don't need you, I don't need the spirits of death. Jesus has given me the Holy Spirit.
